The first known hospitals were in Ceylon about five centuries before Christ. Until very recent times, the chief function of hospitals was custodial care. Today the modern hospital provides diagnosis and treatment for members of the community 24 hours a day.

Out of each hospital dollar, 54 cents is spent for "professional services" (nursing, operating room, pharmacy and lab); 33 cents is spent for "general services" (kitchen, laundry, maintenance) and 13 cents goes for administration and other expenses. Two-thirds of all hospital costs today are payroll costs — for every 100 patients in a hospital there are about twice as many hospital employees.

Like everything else, the costs of hospital labor, labs, diagnostic and therapeutic equipment and drugs have risen. Blue Cross members hold built-in protection against inflation with Blue Cross benefits. Ask your nearest representative about the advantages of joining a Blue Cross Plan.

Giant Health Fair Presents 'Juno,' The Perfect Woman

Final plans for a giant health fair have been made for a meeting of the Columbus Academy of Medicine to be held Mar. 28-29 at Veterans' Memorial.

Dr. Earl Baxter, chairman of the health fair's board of trustees, reported that Juno, a life-sized transparent model of the "perfect" woman will be available for the fair.

One of 10 such exhibits in the world, Juno is being brought here from the Dominican Republic. Made of lighted plastic, the $25,000 exhibit depicts the inner parts of the human body. Juno speaks by means of a tape-recorded commentary.

Cost of getting Juno here by air freight will be around $1500. According to Mrs. George O. Kress, this expense will be underwritten by the Academy's Women's Auxiliary.

Juno will be one of some 80 medical educational displays to be presented at the health fair by the doctors of Columbus and allied health organizations. The health fair is the first entirely non-commercial event of its kind in the nation. There will be no admission charge to the public.

Purpose of the fair, said Dr. Baxter, is to dispense factual information in an educational manner, to inspire more young people to train themselves for a vocation in medicine and allied health fields, and to attract more persons into fields of medicine, and research.

Special school tours will be conducted by members of the Woman's Auxiliary. These tours will be for eighth graders in Columbus and Franklin County schools.

Among the exhibits to be presented are: An American Medical Association display entitled "Life Begins," which presents the basic concept of anatomy associated with conception and birth; a simulated hospital set-up which gives the viewer an opportuntly to see many of the departments of a modern hospital; a special section devoted to health careers; an expose of mechanical quack devices from the AMA; an exhibit on atomic energy from the Atomic Energy Commission showing the peace-time uses of isotopes in medicine.

Hours for the public will be from 3 to 10 p.m., Mar. 25 through Mar. 27; 10 a.m.-9 p.m. on March 28; and 1 to 6 p.m. on Mar. 29, the final day.

Champion Ave. Soldier Finishes Eight Week Army Welding Course

Army Pvt. Robert T. Cunningham, son of Mr. and Mrs. D. K. Cunningham, 642 S. Champion-av., Columbus, completed the eight-week welding course March 6 at The Ordance School, Aberdeen Proving Ground, Md.

Cunningham was trained in oxyacetylene and arc welding, blacksmithing and armor plating.

He entered the Army in September 1958 and received basic combat training at Fort Knox, Ky.

The 18-year-old soldier is a 1958 graduate of South High School.

South Sider Arrives In Bad Kreuznach, German

Army Pvt. Pearl R. Baber, Jr., 19, whose parents live at 1400 Frebis-av, Columbus, recently arrived in Bad Kreuznach, Germany, and is now a member of the 8th Infantry Division.

Baber, who was last stationed at Fort Gordon, Ga., is assigned to the division's 8th Aviation Company.

The 1958 South High School graduate entered the army last July and completed basic training at Fort Knox, Ky.

TO MALDEN

LACKLAND — Second Lieutenant Donald E. Yeakum, son of Mr. and Mrs. Charles L. Yeakum of 1454 Miller-av, has completed training in the Air Force Officer Pre - Flight School at Lackland AFB, and will be assigned to Malden Air Base, Mo., for initial flying training as a pilot. Lt. Yeakum, a graduate of Aquinas High School, received his degree in biology at Capital University.

The St. Leo PTA's regular meeting will be tonight, Mar 19, at 8 in the school hall. Sister Mary Eunice and Sister Mary Constance, representing the Sisters of Saint Francis of Penance and Christian Charity, will show slides and speak on vocations.

SUFFERS BURNS

Charlene Davis, 11, of 434 Parsons-av, was listed in satisfactory condition in Children's Hospital Wednesday after receiving burns over about 20 per cent of her body. Charlene, the daughter of Mr. and Mrs. Charles Davis, suffered the burns Tuesday night when her dress caught fire from an open grate at her home.

More than 23 million acres of land are expected to be under Conservation Reserve contract in 1959, according to Ohio State University Extension economists.

Flower Sale Planned By Cat Welfare Group

The Cat Welfare Association, Inc., will sponsor its annual Easter Flower Sale from Thursday, Mar. 19, through Tuesday, Mar. 24, to supplement funds for a proposed cat shelter.

Orders for plats, including tulips, jonquils, hyacinths, geraniums, cinerarias and azaleas can be placed with Miss Ethel Smith, AX. 1-5140. Prices range from $1 to $5.

Delivery of flowers will carry through Saturday, Mar. 28.

The C.W.A.I. was organized in 1946 with a twofold purpose of promoting "appreciation, understanding and better care" of cats, and of offering assistance in the care of stray and homeless felines.

REWARD

Columbus and Southern Ohio Electric Company hereby offers rewards totaling $15,000 to the person or persons furnishing to the Company information directly leading to the arrest and conviction of the person or persons who maliciously damaged, destroyed, or interfered with, property belonging to the Company or used by the Company at the following locations on the following dates, or aided, abetted or procured any person or persons to do any of such acts:

Cutting of the telephone cable serving the Company's Poston Generating Plant in Athens County, Ohio, on March 1, 1959, between the hours of 9:45 P.M. and 10:15 P.M.

Short circuiting the Company's 7620 volt distribution line by rope rigging across line and tied to railroad crossties so that locomotive when passing would short circuit wires and cause line outage. Location of incident at the Lazelle-Flint Road crossing of the Pennsylvania Railroad and New York Central tracks. Line shorted March 3, 1959 at 2:29 A.M.

Short circuiting the Company's 13,200 volt distribution line serving Grove City at 12:05 A.M. on the morning of March 5, 1959.

Short circuiting the Company's Conesville-East Broad 138,000 volt transmission line on Tower No. 222, second tower west of Licking County Road No. 38, by dragging ¼ in. rope with a log chain attached over tower steel structure and transmission conductor, thereby short circuiting line, on March 5, 1959 at 2:53 A.M.

Severing the Company's overland coal conveyor belt by cutting with sharp instrument at Poston Generating Station, on March 9, 1959 at 1:45 A.M.

Short circuiting the Company's 40,000 volt transmission line supplying Galloway Substation by throwing rope over line and pulling steel guy wire attached to rope over line, thereby short circuiting wires and causing outage of circuit. Line shorted along Doherty Road about ½ mile north of West Broad Street, Franklin County, Ohio, on March 9, 1959 at 3:52 A.M.

The maximum reward per event is $2,500.

The Company further offers a reward of $2,500 to the person or persons furnishing to the Company information directly leading to the arrest and conviction of any person or persons who hereafter maliciously damages, destroys, or interferes with, property belonging to the Company or used by the Company, or aids, abets or procures any person to do any of such acts.

The maximum reward per event is $2,500.

The Company reserves the right to determine the person or persons entitled to the reward and the proportionate amount of such reward to which each is entitled in each conviction.

Information may be given by calling Columbus and Southern Ohio Electric Company, CApital 8-6411, Columbus, Ohio.

HANDBILLS DISTRIBUTED

MAP OUT AREA—Harry Verdrath (left), head of activities at South Side Settlement, and Rev. Russell Jones, Protestant chaplain at Benjamin Franklin Hospital, are shown mapping out areas on the South Side where some 5,000 "Register to Vote" handbills are currently being passed out to homes. The handbills are being distributed under the direction of Verrath by about two dozen boys from the Settlement. Rev. Jones, who originated the idea, had the bills printed to encourage a higher percentage of voters to register by the Mar. 25 deadline. The bills tell requirements for voting, where to register, and lists the Mar. 25 deadline. In past years, according to Rev. Jones, one-third of the eligible voters in the country did not vote.

Main Library Features Movie, Stories, Mar. 21

Works of children's author Robert McCloskey will be featured in both film and story in the monthly story hour program at the Main Columbus Public Library, 96 S. Grant-av, at 10:30 a.m. Saturday, Mar. 21.

The sound film "Make Way For Ducklings" features on-screen pages from the book in addition to narration and music. The story of "Blue Berries For Sal," by the same author, will be told by Mrs. Emily Carpenter, assistant children's librarian.

This program is tailored for pre-schoolers and primary grade pupils, according to Mrs. Carpenter.

Women Voters To Meet For Charter Discussion

The members of the League of Women Voters will take a look at the Columbus Charter in their March meetings. In an analytical mood, they will discuss the wrongs in the present charter and discuss the proposed charter.

Possible effects of the Columbus charter on neighboring towns and villages will also receive appraisal. The South Unit of the LWV will meet on Tuesday, Mar. 24 at 8:15 p.m., in the home of Mrs. Earl A. Todt, 644 Napoleon-av. Resource person will be Mrs. Vanderbeek and discussion leader will be Arline Zander.

Armed Men Rob South Side Bus Driver Of $143

Columbus Transit Co. bus driver Earl G. Rowland, 40, of 573 Stewart-av, was robbed Saturday night of $143, tickets and his pocket watch at the Livingston-av turn around at Bulen-av, by two men armed with knives, according to police.

The bus driver said the men entered the bus while he was parked at the turn around and put a knife to his throat while collecting the loot, police report. Both men ran north in Bulen-av, after the robbery.

Mrs. Arthur Fischer's 'Egg Tree' Is Tradition

Mrs. Arthur H. Fischer, 152 E. Moler-st will probably have another Easter Egg Tree this year in her back yard.

The egg tree is a family tradition introduced back in the 1870's by her grandparents who were the original owners of the property on which the Fischer house now stands.

They owned greenhouses and used the egg tree as a medium for advertising their Easter flowers.

The eggs are hollowed out and dyed and stuck on the ends of branches. Mrs. Fischer saves them from year to year.

South Side Optimists Set Anniversary Program

Carl Baer, chairman of the Boy's Work committee of the Downtown Optimist Club, will be the speaker this Thursday noon for the Founder's Day Program of the Optimist Club of South Columbus.

Forty-one South Siders chartered this new Optimist Club with Optimist International just one year ago this March. Today the "Southern Optimists" have 51 members.

The first Optimist Club was formed 40 years ago. Optimist International is today the fourth largest men's Service Organization in the world, having more than 1,600 clubs and more than 64,000 members.

New Preacher Takes Pulpit At Christ Church

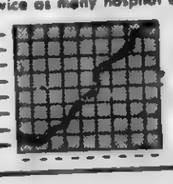
The Cost of Hospital Care—And Why



During the Middle Ages, surgery, usually bloodletting, was often performed by untutored barbers in their shops. Today a team of highly skilled surgeons, nurses and anesthetists, using the newest equipment available, performs surgery in a modern operating room specifically designed for efficient, high quality medical care.

The first known hospitals were in Ceylon about five centuries before Christ. Until very recent times, the chief function of hospitals was custodial care. Today the modern hospital provides diagnosis and treatment for members of the community 24 hours a day.

Out of each hospital dollar, 54 cents is spent for "professional services" (nursing, operating room, pharmacy and lab); 33 cents is spent for "general services" (kitchen, laundry, maintenance) and 13 cents goes for administration and other expenses. Two-thirds of all hospital costs today are payroll costs — for every 100 patients in a hospital there are about twice as many hospital employees.

Like everything else, the costs of hospital labor, labs, diagnostic and therapeutic equipment and drugs have risen. Blue Cross members hold built-in protection against inflation with Blue Cross benefits. Ask your nearest representative about the advantages of joining a Blue Cross Plan.

HE DIDN'T MAKE THIS TRIP TWICE

On February 12, ,1959 a very frightened and subdued young man finished part of his sentence and walked out the front door of the Ohio Penitentiary. His sentence could not be measured in time as he was only here a short period; in fact, this part of his sentence was only a tour of the institution.

This young man had been convicted on a felony in Knox County, Ohio and placed on probation with an additional order of the Court that he be taken on a tour of one of Ohio's penal institutions.

What was in the mind of this lad as he visited the correctional cells, the death house, the mills and the cell blocks? Is it possible that on the faces of the men he encountered he saw a look that might someday grace his own features if he persisted in a pattern of behavior already started in his own life? Is there a chance that upon this young mind was created the impression that crime and prisons are not at all like their counterparts seen on movie screen and television? This could have very well happened. According to the officer who conducted this youngster on his tour, it was a nervous boy who started around the penitentiary and a boy who grew more nervous with each step through its confines.

There is no doubt that a real look at a prison and its workings would in many cases deter youngsters now growing up from embarking on what to them may seem a glamorous way of life. Perhaps this lad saw in the small crowded cells something that could never take the place of a Saturday afternoon at the movies. As he toured the giant Mess Hall did he think for just a moment that this could be no substitute for a family dining room? It is heartening to think that as this boy stared at the drab prison garb, there was a chance he thought: "I'll never trade a sports jacket and slacks for that!"

The action of the sentencing judge in this case may have solved in his own community a question that is becoming increasingly hard to answer . . . what to do with the youthful offender.

It is hoped that this young man took from here an impression that will stay with him for the rest of his life; the impression that there is nothing worth one hour, one day or one year in prison. If ever again temptation should be placed before him, let there come before him a vision of men alive but dead, of steel bars and high walls. Let this one day of his punishment stay with him always . . . perhaps this is all he needed.

Let's hope this is what happens.

(Reprinted from the Ohio Penitentiary News).

BIBLE COMMENT:

Jesus Knew When Danger Drew Near

With the approach of Palm Sunday, it is well to recall the last journey of Jesus to Jerusalem. At that time, Jesus spoke with hitherto unaccustomed definiteness of the dangers that awaited Him, and of His sacrificial death.

The disciples failed to understand His words, however, and apparently still looked toward His establishment of an earthly kingdom.

We cannot know what was the inner consciousness of Jesus, but He knew that the hour had come.

Instead of retiring from the crowds as was His wont, He moved where the multitudes were.

He accepted their homage and plaudits, as they cast their garments in the way, and hailed Him with their hosannas.

He who had been Master and Teacher, now became Saviour and King.

"Blessed be the King that cometh in the name of the Lord."

Deep in the sense of the contrast between those events, between the religious enthusiasm of the people on the one hand, and the sad events of a few days later, as others, aroused to hatred and fear, sent Jesus to the Cross.

The ultimate sorrow—and the eternal triumph — were yet to come.

Columbus, Ohio

Dear Sir:

This statement is addressed to you as the representative of the Federal Mediation and Conciliation Service in charge of the labor dispute now existing between our company and Locals 1466 and 852 International Brotherhood of Electrical Workers.

Columbus and Southern Ohio Electric Company, hereby submits to you, for your presentation to the above unions, the following offer of settlement of the current strike, subject to all of the conditions hereinafter set forth.

This offer and the conditions recited herein are submitted as a whole and are inseparable, each term and condition stated herein is mutually dependent upon all of the other terms and conditions.

1. The following individual classification wage rates will be increased in accordance with the following schedule:

COLUMBUS DISTRICT

Underground Cable Splicer "A" from $2.85 to $2.90 per hour.
Underground Cable Splicer "B" from $2.57 to $2.63 per hour.
Underground Cable Splicer "C" from $2.15 to $2.21 per hour.
Underground Cable Splicer Helper from $1.96 to $2.05 per hour.
Underground Construction Mechanic from $2.15 to $2.21 per hour.
Auxiliary Tender (Poston and Conesville Station) from $2.15 to $2.25 per hour.
Control Operator "A" (Picway Station) from $3.07 to $3.17 per hour.

SOUTHERN DISTRICT

Electrical Maintenance Man "A" from $2.85 to $2.90 per hour.
Electrical Maintenance Man "B" from $2.57 to $2.63 per hour.
Electrical Maintenance Man "C" from $2.15 to $2.21 per hour.

2. In addition to the foregoing increases, and after the application thereof, the company will increase the wage rates of all classifications 4.5%.

3. The foregoing offer to increase all rates 4.5% shall not be construed as a waiver of the company's previously stated position that it does not recognize the unions as the bargaining agents of all "A" and "B" Foremen, Labor Foremen (Underground), Construction Foremen in Station Construction, all of the Columbus District, and all Line Crew Foremen of the Southern District.

4. Except with respect to the individual increases set forth in paragraph 1 above, this offer to increase all rates to the extent of 4.5% must be submitted to all eligible employees, to be voted on for acceptance or rejection by a secret ballot, in an election to be held under the exclusive management and control of the Federal Mediation and Conciliation Service as suggested by Section 208 paragraph (c) of the Labor Management Relations Act of 1947 as amended.

5. The election above required must not be held upon any premises owned or rented by either party or associated with either the company or the unions or any other union or labor organization.

6. Except with respect to eligible voters and the election managers and their necessary assistants no individual connected with either the company or the unions or any other company or unions shall be permitted near the polling places.

7. Either party shall be permitted to publicize this offer and urge its acceptance or rejection but none of the parties or their representatives shall threaten, intimidate or interfere with any employee or member of his family or in any manner coerce any individual or offer any reward to any individual to influence the vote of any of the employees eligible to vote at such election.

8. The company will pay the entire expense of the election but will consent to the unions paying one-half or any part thereof but not to exceed one-half of such expense.

9. In the event a majority of the eligible voting employees vote to accept the company's offer the unions will terminate the current strike and will urge the employees to return to their jobs as fast as the company can utilize them in their respective jobs.

10. If the company's offer is accepted all of the wage increases will be made effective at the beginning of the return of each individual to his job at his regularly scheduled work place and time.

Yours very truly,

H. V. Potts

Home Postal Delivery Set At Winchester

For the first time in the history of Canal Winchester, residents will have to get busy and make or buy a mail box.

Home delivery of mail to the village's 630 residents will begin Apr. 4, it was announced by John Wald, postmaster, this week.

Two letter carriers will deliver the regular mail with parcel post delivery service offered in the afternoon.

Wald estimates a revenue loss of $1200 a year with the giving up of lock boxes at the post office.

He emphasized that residents should make sure their house numbers are easy to see and that they get mail boxes large enough to hold magazines.

Wald anticipated that 97 per cent of the office's incoming mail can be delivered the day it arrives.

Eighty post office lock-boxes will be retained chiefly for business firms.

College-Level Science Offered South Students

Thirteen South High School boys, working under the direction of their teacher, Edwin Stauffer, have a challenging opportunity to advance their science education on a college level.

Especially selected for ability and past performance, the group is studying in a cooperative "science seminar."

Differing widely from the usual high school class, no credits are given for the course and no grade for their accomplishments entered on students' permanent records. There is no text and no starting or stopping points. Emphasis is on fundamental principles of atomic and nuclear physics.

Stauffer feels the big problem in today's education system is the students themselves. He believes they are not getting the most out of their abilities and choose the easier courses.

Materials and reports of the seminar's work will be compiled into book form for future reference.

One of the more important aspects of the seminar, said Staufer is that "students will learn how scientists work and study and think."

If you want to be seen, stand up; if you want to be heard, speak up; but if you want to be appreciated, shut up.

Books Suggest Child Activities For Parents Use

Wet, blustery, late winter days often try the patience of parents with small children underfoot. Books at the Parsons Branch Library can help mothers save time and tempers.

Suggestions for a wide range of constructive and attention-holding activities for youngsters are available in books at the library. Dozens of play ideas can be found in such books as "Home Play for the Pre-school Child," by June Johnson, and "Creative Play and Hobbies," by Childcraft.

For the child who is sick in bed parents can find help in Cornelia Parker's "Your Child Can Be Happy in Bed," or in "How to Help the Shut in Child," by Margery McMullin.

Army Specialist Five Henry E. Fore, 29, whose wife, Stella, lives at 412 E. Deshler-av, Columbus, Ohio, recently arrived in Korea and is now a member of the Korean Military Advisory Group in Seoul.

Specialist Fore entered the army in 1944 and was last stationed in Europe. His father, Stephen R. Fore, lives in Latta, S.C.

If you say it can't be done, you are liable to be interrupted by someone doing it.

Decision—

(Continued from Page 1)

. . . some of them are missing work . . . others have to hire baby sitters . . ."

Councilman Robert Van Heyde who seconded Westlake's motion for a weeks' delay in the decision, suggested that the opponents "select a few spokesmen to represent them next Monday night . . . we try not to be influenced by numbers."

To this, one of the opponents quipped, "Yes, but we need the moral support of as many people as we can muster . . ."

Van Heyde also tried to resolve the differences into "a matter of traffic and safety" but one of the opponents quickly interrupted him by adding "yes, and property devaluation, too."

Apparently there will be more verbal scrimmaging, although possibly on a smaller scale, before the issue is resolved next Monday.

Change Rooms

Westlake moved Monday's hearing into council chambers after a third-floor courtroom in City Hall failed to accommodate more than half of those interested. But even in the larger room, the discussion quickly resolved into a tight huddle over the diagrams and maps on the committee table.

Attorney Smith was first to speak, outlining the project briefly and promising that the company will "do anything within reason to keep from being a detriment" to its neighbors. He pointed out that Federal Glass and Paper Board Co. in 1958 "had its best year when others were at their worst . . . if we are to expand, this is the year . . . Federal Glass is a citizen of this community . . . through no fault of our own we are located in this area and if we are to expand, it must be here through the construction of additional warehouse space . . ."

Mrs. Lyons replied that area residents feel "we are getting the squeeze put on us, as others have had done to them by big business . . ."

Two-Way Alley

After further discussion, Westlake remarked that a 20-foot alley proposed by the company "might have to carry both two-way vehicular and pedestrian traffic . . . I asked our traffic engineers to study it . . . Now I find out it's news to them."

Mrs. Lyons observed that if the request were granted, as proposed, "I, for one, would forbid my children to go to Lincoln Park . . . at least 125 of us feel this rezoning is going to harm us and our property . . . we don't want to be squeezed out. Speaking for the area, we want to stay intact."

And intact it will stay, at least until Monday when council will hear a report from its traffic experts and any new arguments that may be dredged up by either side.

After the vote to delay a decision, proponents and opponents had a lengthy caucus in one corner of council chambers and parted amicably. Attorney Smith summed it up by calling Mrs. Lyons "an eloquent spokesman for the opposition . . . but I reserve the right to disagree."

The worst thing about history is that every time it repeats itself the price goes up.

HE DIDN'T MAKE THIS TRIP TWICE

On February 12, 1959 a very frightened and subdued young man finished part of his sentence and walked out the front door of the Ohio Penitentiary. His sentence could not be measured in time as he was only here a short period; in fact, this part of his sentence was only a tour of the institution.

This young man had been convicted on a felony in Knox County, Ohio and placed on probation with an additional order of the Court that he be taken on a tour of one of Ohio's penal institutions.

What was in the mind of this lad as he visited the correctional cells, the death house, the mills and the cell blocks? Is it possible that on the faces of the men he encountered he saw a look that might someday grace his own features if he persisted in a pattern of behavior already started in his own life? Is there a chance that upon this young mind was created the impression that crime and prisons are not at all like their counterparts seen on movie screen and television? This could have very well happened. According to the officer who conducted this youngster on his tour, it was a nervous boy who started around the penitentiary and a boy who grew more nervous with each step through its confines.

There is no doubt that a real look at a prison and its workings would in many cases deter youngsters now growing up from embarking on what to them may seem a glamorous way of life. Perhaps this lad saw in the small crowded cells something that could never take the place of a Saturday afternoon at the movies. As he toured the giant Mess Hall did he think for just a moment that this could be no substitute for a family dining room? It is heartening to think that as this boy stared at the drab prison garb, there was a chance he thought: "I'll never trade a sports jacket and slacks for that!"

The action of the sentencing judge in this case may have solved in his own community a question that is becoming increasingly hard to answer . . . what to do with the youthful offender.

It is hoped that this young man took from here an impression that will stay with him for the rest of his life; the impression that there is nothing worth one hour, one day or one year in prison. If ever again temptation should be placed before him, let there come before him a vision of men alive but dead, of steel bars and high walls. Let this one day of his punishment stay with him always . . . perhaps this is all he needed.

Let's hope this is what happens.

BIBLE COMMENT:

Jesus Knew When Danger Drew Near

With the approach of Palm Sunday, it is well to recall the last journey of Jesus to Jerusalem. At that time, Jesus spoke with hitherto unaccustomed definiteness of the dangers that awaited Him, and of His sacrificial death.

The disciples failed to understand His words, however, and apparently still looked toward His establishment of an earthly kingdom.

We cannot know what was the inner consciousness of Jesus, but He knew that the hour had come.

Instead of retiring from the crowds as was His wont, He moved where the multitudes were.

He accepted their homage and plaudits, as they cast their garments in the way, and hailed Him with their hosannas.

He who had been Master and Teacher, now became Saviour and King.

"Blessed be the King that cometh in the name of the Lord."

Deep is the sense of the contrast between those events, between the religious enthusiasm of the people on the one hand, and the sad events of a few days later, as others, aroused to hatred and fear, sent Jesus to the Cross.

The ultimate sorrow—and the eternal triumph — were yet to come.

COLUMBUS AND SOUTHERN OHIO ELECTRIC COMPANY

215 NORTH FRONT STREET
COLUMBUS 15, OHIO

H. V. POTTS
VICE PRESIDENT

March 13, 1959

Mr. H. J. Montoney, Mediator,
Federal Mediation and Conciliation Service
85 Marconi Boulevard,
Columbus, Ohio

Dear Sir:

This statement is addressed to you as the representative of the Federal Mediation and Conciliation Service in charge of the labor dispute now existing between our company and Locals 1466 and 832 International Brotherhood of Electrical Workers.

Columbus and Southern Ohio Electric Company, hereby submits to you, for your presentation to the above unions, the following offer of settlement of the current strike, subject to all of the conditions hereinafter set forth.

This offer and the conditions recited herein are submitted as a whole and are inseparable, each term and condition stated herein is mutually dependent upon all of the other terms and conditions.

1. The following individual classification wage rates will be increased in accordance with the following schedule:

COLUMBUS DISTRICT

Underground Cable Splicer "A" from $2.85 to $2.90 per hour.
Underground Cable Splicer "B" from $2.57 to $2.63 per hour.
Underground Cable Splicer "C" from $2.15 to $2.21 per hour.
Underground Cable Splicer Helper from $1.96 to $2.05 per hour.
Underground Construction Mechanic from $2.15 to $2.21 per hour.
Auxiliary Tender (Poston and Conesville Station) from $2.15 to $2.25 per hour.
Control Operator "A" (Picway Station) from $3.07 to $3.17 per hour.

SOUTHERN DISTRICT

Electrical Maintenance Man "A" from $2.85 to $2.90 per hour.
Electrical Maintenance Man "B" from $2.57 to $2.63 per hour.
Electrical Maintenance Man "C" from $2.15 to $2.21 per hour.

2. In addition to the foregoing increases, and after the application thereof, the company will increase the wage rates of all classifications 4.5%.

3. The foregoing offer to increase all rates 4.5% shall not be construed as a waiver of the company's previously stated position that it does not recognize the unions as the bargaining agents of all "A" and "B" Foremen, Labor Foremen (Underground), Construction Foremen in Station Construction, all of the Columbus District, and all Line Crew Foremen of the Southern District.

4. Except with respect to the individual increases set forth in paragraph 1 above, this offer to increase all rates to the extent of 4.5% must be submitted to all eligible employees, to be voted on for acceptance or rejection by a secret ballot, in an election to be held under the exclusive management and control of the Federal Mediation and Conciliation Service as suggested by Section 208 paragraph (c) of the Labor Management Relations Act of 1947 as amended.

5. The election above required must not be held upon any premises owned or rented by either party or associated with either the company or the unions or any other union or labor organization.

6. Except with respect to eligible voters and the election managers and their necessary assistants no individual connected with either the company or the unions or any other company or unions shall be permitted near the polling places.

7. Either party shall be permitted to publicize this offer and urge its acceptance or rejection but none of the parties or their representatives shall threaten, intimidate or interfere with any employee or member of his family or in any manner coerce any individual or offer any reward to any individual to influence the vote of any of the employees eligible to vote at such election.

8. The company will pay the entire expense of the election but will consent to the unions paying one-half or any part thereof but not to exceed one-half of such expense.

9. In the event a majority of the eligible voting employees vote to accept the company's offer the unions will terminate the current strike and will urge the employees to return to their jobs as fast as the company can utilize them in their respective jobs.

10. If the company's offer is accepted all of the wage increases will be made effective at the beginning of the return of each individual to his job at his regularly scheduled work place and time.

Yours very truly,

Home Postal Delivery Set At Winchester

For the first time in the history of Canal Winchester, residents will have to get busy and make or buy a mail box.

Home delivery of mail to the village's 630 residents will begin Apr. 4, it was announced by John Wald, postmaster, this week.

Two letter carriers will deliver the regular mail with parcel post delivery service offered in the afternoon.

Wald estimates a revenue loss of $1200 a year with the giving up of lock boxes at the post office.

He emphasized that residents should make sure their house numbers are easy to see and that they get mail boxes large enough to hold magazines.

Wald anticipated that 97 per cent of the office's incoming mail can be delivered the day it arrives.

Eighty post office lock-boxes will be retained chiefly for business firms.

Mrs. Paul Lenox
HI. 4-1051

Three Horizon Club members of the South East District attended the Horizon Club Conference held in Findlay, Ohio, last Saturday, Mar. 14. Making the trip were Kay Chambers, Connie Barber and Betty Skobrak.

Volunteers are being paged to assist with the Camp Fire Girl Day-Camp program, held during the summer vacation. It is not necessary for the volunteer to be a Camp Fire leader, or even to have a daughter in the Camp Fire movement. There will be a training period to be undertaken, which will start on Mar. 31. Mrs. John Hackett is in charge of securing volunteers for this area; her phone is HI. 4-1770. The Metropolitan Parks Commission is sponsoring the training, which will be held at Blacklick Woods. Volunteers should be 18 years old, or older.

College-Level Science Offered South Students

Thirteen South High School boys, working under the direction of their teacher, Edwin Stauffer, have a challenging opportunity to advance their science education on a college level.

Especially selected for ability and past performance, the group is studying in a cooperative "science seminar."

Differing widely from the usual high school class, no credits are given for the course and no grade for their accomplishments entered on students' permanent records. There is no text and no starting or stopping points. Emphasis is on fundamental principles of atomic and nuclear physics.

Stauffer feels the big problem in today's education system is the students themselves. He believes they are not getting the most out of their abilities and choose the easier courses.

Materials and reports of the seminar's work will be compiled into book form for future reference.

One of the more important aspects of the seminar, said Staufer is that "students will learn how scientists work and study and think."

If you want to be seen, stand up; if you want to be heard, speak up; but if you want to be appreciated, shut up.

Books Suggest Child Activities For Parents Use

Wet, blustery, late winter days often try the patience of parents with small children underfoot. Books at the Parsons Branch Library can help mothers save time and tempers.

Suggestions for a wide range of constructive and attention-holding activities for youngsters are available in books at the library. Dozens of play ideas can be found in such books as "Home Play for the Pre-school Child," by June Johnson, and "Creative Play and Hobbies," by Childcraft.

For the child who is sick in bed parents can find help in Cornelia Parker's "Your Child Can Be Happy in Bed," or in "How to Help the Shut in Child," by Margery McMullin.

Sp.-5 Henry E. Fore Stationed In Korea

Army Specialist Five Henry E. Fore, 29, whose wife, Stella, lives at 412 E. Deshler-av, Columbus, Ohio, recently arrived in Korea and is now a member of the Korean Military Advisory Group in Seoul.

Specialist Fore entered the army in 1944 and was last stationed in Europe. His father, Stephen R. Fore, lives in Latta, S.C.

If you say it can't be done, you are liable to be interrupted by someone doing it.

Decision—
(Continued from Page 1)

. . . some of them are missing work . . . others have to hire baby sitters . . ."

Councilman Robert Van Heyde who seconded Westlake's motion for a weeks' delay in the decision, suggested that the opponents "select a few spokesmen to represent them next Monday night . . . we try not to be influenced by numbers."

To this, one of the opponents quipped, "Yes, but we need the moral support of as many people as we can muster . . ."

Van Heyde also tried to resolve the differences into "a matter of traffic and safety" but one of the opponents quickly interrupted him by adding "yes, and property devaluation, too."

Apparently there will be more verbal scrimmaging, although possibly on a smaller scale, before the issue is resolved next Monday.

Change Rooms

Westlake moved Monday's hearing into council chambers after a third-floor courtroom in City Hall failed to accommodate more than half of those interested. But even in the larger room, the discussion quickly resolved into a tight huddle over the diagrams and maps on the committee table.

Attorney Smith was first to speak, outlining the project briefly and promising that the company will "do anything within reason to keep from being a detriment" to its neighbors. He pointed out that Federal Glass and Paper Board Co. in 1958 "had its best year when others were at their worst . . . if we are to expand, this is the year . . . Federal Glass is a citizen of this community . . . through no fault of our own we are located in this area and if we are to expand, it must be here through the construction of additional warehouse space . . ."

Mrs. Lyons replied that area residents feel "we are getting the squeese put on us, as others have had done to them by big business . . ."

Two-Way Alley

After further discussion, Westlake remarked that a 20-foot alley proposed by the company "might have to carry both two-way vehicular and pedestrian traffic . . . I asked our traffic engineers to study it . . . Now I find out it's news to them."

Mrs. Lyons observed that if the request were granted, as proposed, "I, for one, would forbid my children to go to Lincoln Park . . . at least 125 of us feel this rezoning is going to harm us and our property . . . we don't want to be squeezed out. Speaking for the area, we want to stay intact."

And intact it will stay, at least until Monday when council will hear a report from its traffic experts and any new arguments that may be dredged up by either side.

After the vote to delay a decision, proponents and opponents had a lengthy caucus in one corner of council chambers and parted amicably. Attorney Smith summed it up by calling Mrs. Lyons "an eloquent spokesman for the opposition . . . but I reserve the right to disagree."

The worst thing about history is that every time it repeats itself the price goes up.

INSIDE ON THE Outdoors

Know What To Look for In A Good Used Boat?

The first mild weather of the year is the signal for the "boating bug" to start biting people.

This time of year the urge to get out on the water is really strong—and boat stores do a brisk business. The prospective boat owner of today has a wide selection of both new and used boats to look over.

Many of the used boats are in excellent condition and are good bargains. In most cases they were traded in for a larger outfit after being in use only a season or two. If you consider buying a used boat this spring, the first rule of advice is to go to a reputable dealer.

Also, run the boat to see if it handles satisfactorily.

Poor Storage Harmful

Have the boat taken out of the water and check the bottom. See that planking abuts the transom and stem squarely and solidly. Sight along the keel for "hooks" (large concave indentations in the bottom caused by improper distribution of weight during storage.) "Hooks" will cause the boat to perform improperly. Be suspicious of cracks which could develop into troublesome leaks. Seams and planks should be so joined as to remain watertight.

Check for nail sickness — the symptoms are spots of rust on the surface of the paint over a nail, or, in some cases, rust streaking down the side of the hull from a nailhole. If the condition looks bad, chances are you're in for a complete refastening job.

Look inside the hull. See that frames and ribs are sound and uncracked. A badly cracked frame will cause the planks to work and the boat to leak.

Examine For Dry Rot

Since most outboard boats are well ventilated, the chances of finding dry rot in an outboard hull are relatively slight. However, inspect a boat thoroughly for dry rot if the boat has been completely covered during a prolonged storage period. If the boat has enclosed spaces, such as cabins, lockers and the like, look for dry rot. Examine under floor boards, decks, etc. If the wood you're inspecting is soft and crumbly and will tear loose at the touch of a thumbnail or screwdriver, it's affected by dry rot. Blistered paint may indicate the condition, but is not necessarily a cause.

A bad paint job, although it will affect a boat's performance, is not dangerous in itself. However it may indicate the previous owner's attitude toward maintenance, so inspect a badly painted craft thoroughly. If you purchase a poorly painted boat, refinish it to get best performance.

Aluminum and glass boats, by nature of the material used in their construction, are durable. Be sure seams in an aluminum boat are correctly joined and will not leak. Glass boats should be free of bad cracks.

Ninth Annual Shrine Circus Starts At Coliseum March 30

Ninth Annual Shrine Circus will be held in the State Fairgrounds Coliseum, Mar. 30 through Apr. 4.

Director Ray F. Wagenhorst said some two dozen sensational, entertaining and crowd-pleasing acts have been assembled for the two-hour show.

Leading off each of 13 performances — two each day with three on Saturday — is the colorful pageant, music for which will be provided each evening by the 100-piece Aladdin Temple Shrine Band.

Among the show-stoppers are Victor Julian and his dancing dogs, costumed in the latest Paris fashions (back for the third year by popular request); the heart-stealing Golden Kids, youngsters executing uncanny tricks on the unicycle; and the Gutis in an entrancing European novelty loaded with comedy.

Show times are 2 p.m. Monday, Wednesday and Saturday; 4 p.m. Tuesday, Thursday and Friday; 10 a.m. Saturday; and 8 p.m. nightly.

Food Markets This Week

by Mrs. Estelle B. Franks

Meat and Poultry—pork loins, fresh calias, fryers, frozen fish, large eggs

Fresh Produce—citrus fruit, fresh pineapple, apples, potatoes, celery, endive.

MARKET TIPS

Meats—Fresh pork is the red meat value again this week. In fact, you can look for pork bargains from now until May. Pork prices are expected to rise as hot weather comes, but not to climb as high as they did last summer.

Prices on most beef cuts are not changed from last week. There may be a slight drop in veal prices but it will be only temporary, as veal supplies remain smaller than usual. If you enjoy lamb, put it on your shopping list again this week, for lamb bargains are likely to end by April. And as usual, there is a good supply of both broilers and fryers.

March is Egg Month—What better time to serve this high protein food often? As a meat substitute you can't beat eggs. When there is a price difference between brown and white eggs, the lower-priced ones are your economical choice. Shell color does not affect the flavor, nutritive value, or cooking performance of eggs.

FRESH PRODUCE

Citrus Fruits now have a top rating among the fruits. Eating quality of both oranges and grapefruit is very good. However, the citrus market in Florida is somewhat unstable. Processors are hesitating to buy for frozen concentrates and canned products because of high price. As a result of packers slowing down operations for a short time, grapefruit may remain on the trees longer this year.

Thus, larger-sized grapefruit will be coming to market. Perhaps some of these will have evidence of "re-greening." This "regreening" happens to either grapefruit of oranges when they stay on the trees longer than usual. This green color affects only the peel of the fruit, not the eating quality—the fruit is ripe.

Look for good pineapple buys in the next few weeks. Cuba is sending us lots of them. Some controlled-atmosphere storage apples (Jonathan and McIntosh) varieties are available. Quality wise, they are much like those freshly picked from the tree. They, too, need to be kept under refrigeration, so buy these apples in small quantities.

Root Vegetables continue to give inexpensive eating, with the exception of dry onions. Unfavorable growing conditions in Texas, the principal source of dry onions, has resulted in smaller than usual supplies and high prices.

You should have no trouble finding salad ingredients —cabbage, spinach, escarole, radishes, and vine-ripened tomatoes, in addition to those listed above. Increased supplies of fresh asparagus are expected and prices should drop below those of last week, although it is still a luxury item.

Blankenship-Wedemeyer Repeat Vows At Oakwood

Mr. and Mrs. Charles W. Wedemeyer

Oakwood Methodist Church was the scene of the wedding of Miss Opel V. Blankenship and Mr. Charles Wedemeyer on Feb. 28. Rev. Carl Hicks read the marriage service.

Given in marriage by her father, the bride is the daughter of Mr. and Mrs. George Workman, Louisiana, Ky. Her husband's father is Charles J. Wedemeyer, Sr., of Braighton, Fla.

The bride chose a cocktail-length sheath dress fashioned from mist blue silk. The high empire waistline featured a softly rounded neckline and brief sleeves. A fantail of pure silk chiffon at the back of the dress was caught by a butterfly bow.

Her circular veil was caught to a bow trimmed satin bandeau in a matching shade of blue.

Mrs. Frank P. Workman served as matron of honor and Lenard Runyon as best man.

A reception was held at Swan's recreation room.

The new Mrs. Wedemeyer, Jr., attended schools in Kentucky, and is employed by Manhatten Bowling.

Her husband attended schools in Columbus and is employed by the Columbus police department.

The couple is at home at 148 Phelps-rd. A three-week trip to Florida is planned.

Acreage Reserve Letters Checked By ASC Board

A number of inquiries have been received relative to payments made to farmers under the acreage reserve program and the taxable year under which such payments are to be reported at the Franklin ASC county committee.

According to the Director Tax Rulings Division, U.S. Treasury Department, an acreage reserve negotiable certificate received by a producer represents a sum set apart for him which is includible in his gross income in the taxable year he receives it, regardless of whether he negotiates his certificate or, in lieu of cash, either redeems his certificate in grain or repays a previously obtained Commodity Credit Corporation loan in a subsequent taxable year.

When a producer redeems his certificate for grains, such redemption does not give rise to further taxable income. But when he exercises his option to reduce his CCC loan at 105 per cent of the face amount of his certificate, he realizes additional ordinary income to the extent of five per cent of the face amount of his certificate.

Penney Employe Leslie Wilson Wins DECA Trip

Leslie Wilson, son of Great Southern Shopping Center's Businessmen's Association President Earl Wilson, will attend a national leadership conference in Tacoma, Wash., Apr. 1 to 4.

Wilson, a senior in Distributive Education at West High School and a part time employe at his father's Penney's Great Southern Store, will make the trip in conjunction with winning the "Distributive Education Clubs of America Student of the Year" award last week.

While at the conference Wilson will compete for the DECA national title. The winner will receive $1,000 and consideration for a number of scholarship awards.

Wilson has been a drum-major at West during the past two years and recently was elected president of the school's National Honor Society. He ranks 11th in his class of 272. This record, along with other accomplishments, including a four-hour interview at a state conference, qualified him for the award. He lives with his parents, Mr. and Mrs. Earl H. Wilson, at 2977 Palmetto-st.

Under Ohio law, only the people of a township, voting at a primary, special or general election, can put zoning into force.

George C. Bobb
Invites You
To Attend
Bobb Chevrolet's
35th
Anniversary Party
During The
Month
Of
March

We'll soon be 35 years old . . . our coral anniversary.

We look back sentimentally to March, 1924, when George C. Bobb founded the Bobb Chevrolet Company with an office clerk, salesman and service man in a 12-by-15 foot frame building on Whittier Street. Today we occupy half a block at 621 Parsons Avenue and employ 85 people, with an annual payroll of $500,000.

You're invited to celebrate this anniversary with us, for your steady patronage for 35 years has enabled Bobb Chevrolet to deliver the best value in automobiles in Columbus . . . and the best service, too. So drop in any time during the month of March with the whole family and inspect the beautiful new 1959 Chevrolets.

CORAL
ANNIVERSARY
SPECIAL OFFER

On all Chevrolet models: LOWER down payments, LOWER monthly payments, HIGHER trade-in allowance and help by our own financing department if requested. It's never been so easy to own a Chevy, so see us now. Drive the new Slimline Chevrolet with Vista-Panoramic windshield, Magic-Mirror finish and Safety-Master brakes, and many other new Chevrolet features.

GROVEPORT GRAD SETS DATE

MISS BARBARA CARPENTER

Mrs. Lewis Boller of 4452 Gerling-dr, announces the engagement of her daughter, Barbara Carroll Carpenter, to Rudolph Raymond Borghese.

Miss Carpenter is a graduate of Groveport High School and is now employed by the Kroger Company.

Mr. Borghese is a graduate of Rosary High and is attending Franklin University.

The marriage will take place Aug. 13.

JONES TO SPEAK

Johnny Jones, columnist for a downtown Columbus newspaper, will speak on his trip to Alaska at the Mar. 19 meeting of the Brown Twp. PTO slated for 8 p.m. at the school.

For you women who find the assembling of eatables as exciting as a good mystery story, the Columbus Public Library has a truly astounding assortment of cookbooks to delight and intrigue you.

Falls account for about 27 per cent of the accidental deaths to farm people, say OSU extension safety specialists.

Bought Your Jet Tickets?

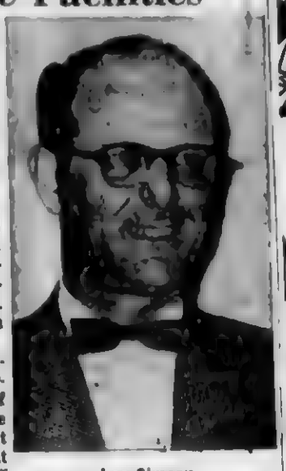
Just about everybody's helping to sell books of season tickets for the Columbus Jets. The fifth annual pre-season sale began this week.

The sale provides the baseball club with half of its pre-season income and concludes Apr. 6. Fans purchasing the $10 books save $2.50 on the 10 general admission tickets, which are also valued at $1.25 in exchange for box or reserved seats.

The books may be purchased from all Kiwanis, Optimist and Lions Clubs, Sertoma and Mercator Clubs, merchants in Great Eastern, Great Western, and Great Southern Shopping Centers, City National and Ohio National Bank offices, Coca-Cola truck drivers, Albers Stores, or at Jets Stadium, 9 to 5 daily.

Green Cab Co. will deliver books free of charge to anyone in the city.

TRADE garden tractor with cultivators, planter and cutter bar. Good cond., for pigs, calves, boat or something of equal value. TR. 8-3386, Johnston, 3608 Helton Rd., Grove City.



TRADE electric chain saw, ½ h.p., good as new, for aluminum [illegible] boat. BR. 8-4739, Chapman, 2163 McKinley Ave.

The largest city in Ohio is named "Cleveland" for Moses Cleveland who did some surveying in the Western Reserve and then returned to his home in Connecticut never again to set eyes on the town which bears his name.

GREAT SOUTHERN BUSINESS

Laundry Plans Conversion To Self-Service Facilities

Leo Simcox

Helen and Leo Simcox, owner-managers of the Great Southern Laundry, plan to equip it with self-service facilities "in the near future."

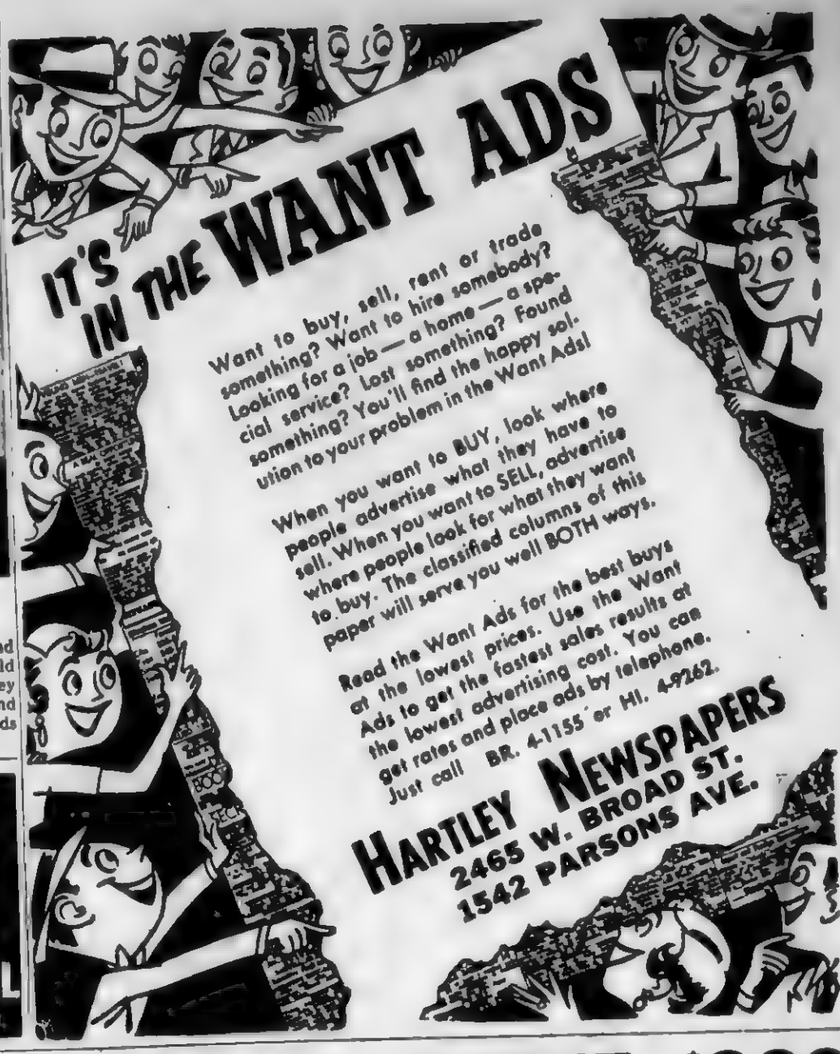
They have self-service facilities at the Great Western Laundromat, which they also own and operate.

Both stores are open 9 a.m. to 9 p.m. during the week and 9 a.m. to 6 p.m. on Saturday. Each offers 24-hour shirt-finishing service and washing facilities for any size shag rug. Clothes are folded at both places without charge.

Simcox said: "We get customers from as far away as Arlington to take advantage of our rug-cleaning service." He said they use a softening agent in the final rinse water "that leaves the rugs soft and fluffy."

Simcox handles the "paper work" of the laundries on Saturdays and in the evenings. He has been employed full-time by the postal department for 18 years and works in the East Columbus and Whitehall area. His wife works part-time at the Great Western store.

They live at 898 Chelsea and have three children, Donald Leo, 13, who attends Bexley Jr. High; Robert Lee, 11, and Christine Ellen, 10, who attends Montrose Elementary.



Guilds Plan

Thirty-fifth annual luncheon of the Guilds of White Cross and Riverside Hospitals will be held Monday, Apr. 13, 12:30, at North Broadway Methodist Church, 48 E. North Broadway.

Speaker will be Charles B. Mills, president, O. M. Scott Seed Company.

Guild members desiring tickets may contact Mrs. A. M.

Lutheran's Junior Choir Plans Easter Cantata

By Maribell Stimpfle
HI. 4-1593

The Junior Choir of the Zion Lutheran Church will present its Easter Cantata this Sunday, Mar. 22, at 4 p.m. Everyone is invited to come and hear this group sing. After the cantata, the Luther League invites all the children to an Easter egg hunt in front of the church. The leaguers are planning an egg coloring party Saturday evening, Mar. 21 at the Parish House.

The flowers on the altar Sunday morning were presented by Mr. and Mrs. James Hoover to the Glory of God. The baskets of flowers in the chancel were in memory of Fred Everhart, by the family.

The services at Zion Lutheran Church will be as follows starting on Maundy Thursday evening at 7:30. Communion will be held at this time. Adult confirmation will be held in connection with this service. Good Friday evening communion services will again be held at 7:30 p.m. Easter worship services will be at 8 a.m. and 10:45 a.m. The Senior Choir will sing at the first service and both Senior and Junior choirs will sing at the second service. A communion service will be held immediately after the second service for those who could not attend either Thursday or Friday.

Rev. Lindemuth will be the liturgist at the Good Friday afternoon services which will be held at Trinity Lutheran Church Third and Fulton-sts. from 12 noon until 3 p.m. There will be 6 separate 30 minute services.

The following people have recently been transferred from Obetz Zion Lutheran:

Mr. and Mrs. Robert Smith to Emmanuel, Columbus; Mr. and Mrs. Ralph Lockett to Zion, Groveport; Mr. and Mrs. Robert Tilton to the Church of Good Sheperd, Tampa, Fla.

Mr. and Mrs. Paul Stimpfle and family, and Joann Bower, were Sunday dinner guests of Mr. and Mrs. Gail Anderson and family in Chillicothe.

About 30 women were present at the Ladies Society meeting Thursday, Mar. 12, at Zion Lutheran. Mrs. Edith Hann was the recipient of many baby gifts presented by the members.

The Gleaners Class of the Obetz Nazarene Church met last Tuesday evening at the home of Mr. and Mrs. Owen Peck.

Rev. Richardson has planned special Easter Services during Holy Week. At the Easter Sunday evening service there will be a concert in Hi-Fi.

The afternoon of Sunday, Mar. 8, Rev. Lindemuth baptized the children of Mr. and Mrs. Harvey Bush, Jr., (nee Betty Williams). Baptized were Harvey Bush III, born Apr. 22, 1947; Steve Galen Bush, born Nov. 13, 1957; and Robert Glen Bush, born Nov. 13, 1949. Also baptized this same day were the children of Mr. and Mrs. Stephen Mathias (nee Mary Ann Schneider). Baptized were Neal Allen Mathias, born July 31, 1954 and Jeff Albert Mathias born Nov. 3, 1956.

Mrs. Emma Raduege has been ill at the home of her daughter in Groveport. Diana Sue Straight, daughter of Mr. and Mrs. George Straight, underwent surgery at Children's Hospital Thursday. Roy Green and Harold Neidigh are both able to be out and around since their recent illnesses.

Mrs. Ruth Kelley's class met Saturday evening at the home of Linda Artz.

The Euchre Card Club met at the home of Marjorie Robinson on Wednesday evening. Members present were Mary Lee Collins, Ruth Huff, Catherine Walters, Virginia Wiseman, Regina Robinson, Fern Hann, Edith Hann, Louise Gordon, Essie Green, Betty Tucker and Edith Case. The group had a surprise baby shower for Edith Hann.

Mr. and Mrs. Earl Hayes, Mr. and Mrs. Bob Collins, Mr. and Mrs. Bob Johnson, Mr. and Mrs. Ned Buskirk and Mr. and Mrs. Melvin Hann attended the 14th District dinner and dance banquet at the Masonic Temple Saturday, Mar. 7.

Price Support Maturity Date Draws Near

With maturity dates approaching for a number of grains which are under price support in this area, Franklin Agricultural Stabilization and Conservation County Committeeman Carl W. Schacht reminds farmers that they should be alert to market prices that will enable them to redeem these loans at a profit.

"Farmers who redeem price support loans and take advantage of price increases on local markets are using the support program as it was intended to be used," Schacht said.

Price support rate tends to set a floor under local prices. It also protects farmers from the low market prices that usually exist at the height of harvest season.

If the market rises to a point where farmers can sell on the open market and still repay their loans plus interest with a profit, it is better for them to do this rather than deliver their grain to the government in settlement of the loan, Schacht stated.

He urged farmers to check with their local ASC office if they have loans that might be redeemed profitably. Grain loan maturity dates in this county are: wheat, Mar. 31, 1959, and soybeans, May 31, 1959.

YOUTH TO GRADUATE

GRADUATION NEAR—This little bright eyed South Side boy, Ricky Mason, 6, 1745 S. 20th-st, hopes to "graduate" soon. He has learned to walk at the Treatment Center for pre-school crippled children and although he is afflicted with cerebral palsy, he can get around with the aid of these special sawhorses canes which give him support as he moves. His graduation will be from the Treatment Center to the Neil Avenue School for Handicapped Children. The Treatment Center is maintained by the public support of Easter Seals.

Mambo To Math Offered In YMCA Informal Classes

Central YMCA will open its doors from Mar. 30 to Apr. 3 to enrollment in 34 different Adult Informal Education classes.

A wide range of interests is to be covered by qualified instructors. Typical subjects in the no-credit, no-exam classes are languages, real estate workshop, bridge, golf, photography, investments, public speaking, dancing, mathematics, weekend vacations in Ohio, Creative writing and cartooning.

The evening classes continue for nine weeks and most tuition fees are $10. For more details, call CA 4-1131 or ask at the "Y" program office, 40 W. Long-st.

State Money To Schools Reaches All Time High

Nearly $49 million in state school foundation money was distributed this week, according to State Auditor James A. Rhodes.

Rhodes said this marks a new high in monies provided quarterly under Ohio's school subsidy program.

The biggest portion is earmarked for school districts. Most of the retirement checks for teachers and school employes were mailed last month, Rhodes said.

Distributions in the Hartley follows: Columbus, $906,790.90; Bexley, $25,805.34; Whitehall, $113,025.80.

Franklin County districts total $515,852.03. Local amounts are: Washington Local, $22,041.94; Scioto-Darby, $53,266.39; Hamilton Twp., $78,323.08; Groveport-Madison, $20,873.87; Reynoldsburg, $46,719.82; Canal Winchester, $20,514.03; and South-Western, $130,036.19.

To the four locals in Madison county: Jefferson, $31,942.69; Jonathan Alder, $33,000.18; Madison-South, $20,194.99 and the Plains, $19,261.17.

Vandals Arouse Ire Of School

Vandalism around school property in the South-Western district came under fire at the board of education meeting Monday night.

A resolution was passed proclaiming that anyone found loitering on district school grounds without official sanction would be brought before law enforcement officers. Offenders, including children, will be prosecuted and parents will be held responsible for all damages incurred.

Board members noted that 68 windows have been broken at the Harrisburg School. South Franklin has had 18 windows cracked.

Violin Factory Founder Dies

George G. Guldan, founder of the Jackson-Guldan Violin Co., died Mar. 10 in Canton, where he had been living with a daughter.

Mr. Guldan was a resident of 816 E. Livingston-av.

Services were held Mar. 13 at St. John the Evangelist Church.

Ham radio operator of Largo, Fla., gets his winter by express. He aired recently the thought that it had been 10 years since he last saw snow. A Jersey City, N.J., amateur radio operator packaged some snowballs in a can surrounded by dry ice and shipped them to his winter-lonesome friend.

Proud grandparents, all four, think Jimmy Arthur Thum is quite okay! The lad, born Feb. 17, is the son of Connie and Jim Thum, 917 Miller. The PGs are Jessie and Art Dupler, Margaret and Leo Thum. Another little one, the seventh child of Mr. and Mrs. John May, 1410 Champion-av, was among the "unlisted" ones during the newspaper strike. Kathleen Ann May made her appearance on March 1.

The Mary and Elizabeth Circles of Thurman Avenue Methodist Church will hold a bake sale this Saturday, Mar. 21, at the Majestic Paint Store, Parsons and Whittier, from 9 a.m. In addition to the usual baked goods, home-made noodles and potato salad will be available.

Doug Leonard, 515 Forest-st, was home on a week-end leave from his duties with Uncle Sam's Navy.

Vacation Ends

Mr. and Mrs. Stephen A. Dari and daughter, Ilona, are home after a month's vacation in Florida. They vacationed in Miami and Fort Myers.

Somewhere in Leaderland a young girl is wearing a coat slightly large for her, and Jenny Dayton, 848 Morrill-av, is wearing one a little too small. Both coats are the same pattern, color, etc., so a mix-up is quite understandable.

The coats are medium blue, with yokes and bows. Jenny's coat is size 14. The mix-up occurred at the Camp Fire Carnival Fair, held at South Methodist Church last Saturday. Mrs. Dayton is anxious to have her daughter's coat returned, naturally. So, if the young lady who accidentally got it (or her mother) would call the Daytons, the number to call is HI. 3-5635

PTA News

South High PTA will meet Tuesday, Mar. 24, at 7:30 p.m. Southwood School Parent Education Group will meet today at 1:30 p.m. The topic will be "Dealing With Discipline—Try These Techniques." Refreshments will be served.

Sympathy to the family of Mrs. Hall, Forest-st, who passed away last week.

Birthday anticipators for this week are Ruth Groezinger, 1511 Wilson-av, March 21; Wesley Moore, 350 Morrill, March 22; James Schneider, 356 Frebis, March 19; Donald Richardson, 175 Markison, March 15; Gary Bowen, 1522 S. High, March 21; Danny Smith, 1598 S. 4th-st, March 23; Stephen Mills, 62 E. Innis, March 19; Barbara Johnson, 241 E. Moler, March 23; James Harrow, 17 E. Jenkins, March 24; Gary Westfall, March 19, and Pam Bayes, March 21. Friday, March 13, was a lucky day for Becky Snead, who was the honor guest at a birthday party.

Wins Contest

Our congratulations to a fine young Barrett Jr. High School student, SuEllen Jayne Ross, who won the district championship in the annual American Legion essay contest. Miss Ross, who resides at 746 Thurman-av, will now be anxiously awaiting the outcome of the state finals of the competition. The best of luck to her, naturally.

The Senior and Junior Choirs of Southwood Church of Christ will combine to present the Resurrection Cantata, "Sing Forth His Praise," this Sunday, March 22, at 7:30 p.m. On Saturday, March 21, the Beginner and Primary Sunday School departments will have an indoor Easter egg hunt at the church, from 2 to 4 p.m.

Happy birthdays to Elizabeth Gage, of S. 5th-st, and to Joan Butler. Their birth dates are March 22 and 24.

Welcome back to Columbus to Paul Mincer, Jr., who has fulfilled his army obligation for Uncle Samuel. Paul and his wife, the former Donna Kirshner, are living at 1116 S. Ohio-av.

Those attending South High School's Backward Balls have seen the barrels that the students must crawl through after they've paid their admissions. Well, two of the executive board members decided to try them out, too, so now "prez" Faye Grace has snapshots of Carol Bower and Essie Buller in the barrels, along with pictures of the outstanding corsages and highlights of the evening's fun last Friday.

LWV Meets

The South Unit, League of Women Voters will meet Tuesday, Mar. 24 at 8:15 p.m., in the home of Mrs. Earl Todt, 644 Napoleon-av.

Mrs. Bighouse, 1416 S. Ohio-av called to report that the small toy collection for the Korean orphange is coming along nicely. With spring housecleaning so near, won't you call her at HI. 4-3217, if you have any small, useable toys to donate? Our gracious "doll" lady Mrs. Bier, has donated "dollies", so we'll have the satisfaction of knowing that her efforts will be appreciated even across the ocean.

A life-long South Side resident who moved to Pennsylvania last Christmas, has been on the ailing list. It's bad enough to be ill, when you're in "the bosom of your family," but think how hard it would be to be ill in a strange, new neighborhood, hundreds of miles from home. So for that reason we hope Columbus-postmarked cards shower Clara Hirschmann, 615 Pennsylvania-av, S. Renove, Pa.

Confirmation Is Scheduled At St. Paul's

St. Paul's Evangelical Lutheran Church, 322 Stewart-av, will hold an examination and confirmation of a class of 14 children at the 10.30 a.m. worship service, Palm Sunday, Mar. 22.

Confirmants include Mila Beavers, Dorothy Davies, Sharon Dellinger, David George, Janet Glines, Barbara Hamilton, Carol Hawler, Darlene Iftner, Mary Klein, Margaret Marte, Marion Robinson, Jean Schreiber, Arthur Taylor and John Walter.

Rev. John O. Lang will deliver a sermonette at the 10:30 a.m. service on "He Called Unto Him His Disciples."

Sermon topic of the 8 a.m. service will be "Who Is This Lowly King?" Mrs. Charles Stroh will be soloist. Sunday School will be held at 9:15 a.m.

Services planned for Holy Week include a service with Holy Communion, Maundy Thursday, Mar. 26, 7:45 p.m. Sermon topic will be "When He Sat Down With the Twelve." Da Vinci's masterpiece, "The Last Supper," will be displayed during the sermon, which will be built around it.

"The Entombment," by Ciseri, will be displayed and the subject of the Good Friday, Mar. 27, sermon will be "When They Laid Him In the Tomb." That service will also begin at 7:45 p.m.

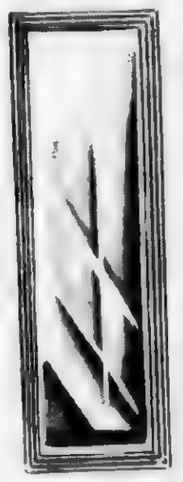
Rev. Lang will be guest speaker at the 12:30 p.m. Good Friday service at Trinity Lutheran Church, Third and Fulton-sts.

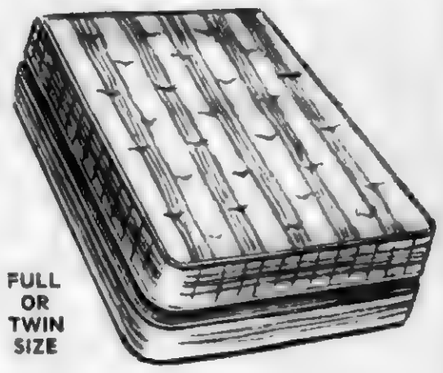
Ohio-av E.U.B. Sets Services For Palm Sunday

Crosses of palm leaves will be given Sunday to those attending services at Ohio-av Evangelical United Brethren Church, 1013 South Ohio-av. The Friendship Class will prepare and distribute these to the congregation. Rev. Glendon Herbert, pastor, will preach at 8:30 and 10:30 on the topic, "The Most Important Thing About You."

The Chancel and Children's Choirs will unite to sing "To Zion Jesus Came" by Williams at the 10:30 service. For the same service the Chancel Choir will sing "Ride On! Ride On!" by Scott with Bill Gallagher and Donna Bornshine as soloists. The Concordia Choir will sing for the 8:30 service.

The Sacrament of Holy Communion will be observed on both Thursday and Friday of Holy Week at 7:30 p.m. Rev. Herbert will preach on the theme, "The Difference Christ Makes." The Chancel Choir will sing for both services. On Thursday they will use "God So Loved the World" by Stainer; on Friday "In Joseph's Lovely Garden" with arrangement by Dickinson and "There Is A Green Hill Far Away" by Gounod with Donna Bornshine as soloist.





The Sunday School for all ages will meet at 9:30 a.m. under the supervision of John Wine, superintendent.

The Sacrament of Baptism will be observed Sunday at 4 p.m.

Guide Forms Booklet

Again in this issue, subscribers to the six Hartley newspapers will receive a weekly guide to the top television program on all four Columbus area stations. To fold the page into a handy booklet, follow these simple instructions: Taking the page as it is presented in the paper, fold it vertically in half. Then fold the top of the page to the botton twice until the front page of the section appears. The first three days then follow in order. By turning the page over, the other four days appear.

Guide Forms Booklet

Again in this issue, subscribers to the six Hartley newspapers will receive a weekly guide to the top television program on all four Columbus area stations. To fold the page into a handy booklet, follow these simple instructions: Taking the page as it is presented in the paper, fold it vertically in half. Then fold the top of the page to the botton twice until the front page of the section appears. The first three days then follow in order. By turning the page over, the other four days appear.

Journalism 'College Course' Is Offered Area Boy Scouts

Boy Scouts of the Central Ohio Council, covering nine counties, will have an opportunity to learn about newspaper work and earn the Journalism Merit Barge, starting Apr. 14, at the Ohio State University School of Journalism.

Class sessions will be from 9:30 to 11:30 a.m. on five Saturday mornings, including Apr. 4, 11 and 18, and May 2 and 9. Registration in advance is required at Scout headquarters, 1428 E. Broad-st with name, address, Scout rank and phone number. Journalism Merit Badge booklet is required as text.

Active newspapermen will teach scouts many aspects of newspaper work. A trip through one of the newspaper plants and an interview with Gov. Michael V. DiSalle will be part of the course as the Boy Scouts "go to college."

Sponsoring the course are the Central Ohio professional chapter of Sigma Delta Chi, the Ohio Newspaper Association and the OSU School of Journalism.

Deadline for registration is Monday, Mar. 30.

Barrett Jr. High Hoopsters Given Buffet Banquet

Barrett Junior High School's unbeaten champion (South Section) basketball team were entertained at the Fiesta Club on Tuesday, Mar. 10, from 6 to 8 p.m. as guests of the school. There they had a buffet dinner and a few short talks from the principal, Kenneth N. Olbert, Coach McCualsky and a special guest, Coach John Colmery of South High School.

Other guests were Miss Pat Monnette and Barrett's Cheer Leaders, and other faculty members, Mrs. Alberta Fitzwater, James Furgason, James Cameron, and Adrian Hanes.

The following awards were given: Individual trophys to Ferd Gaulke, Ron Bell, Gerald Martin, Ray Burford, Jim Bland, Sam Wilson, Ron McDaniel, Steve Stoll, Homer Bivens, Bill Howard and Managers Fred Wiechers and Melvin Standifer; basketball letters to Jim Bland, Ray Burford, Gerald Martin, Sam Wilson, Ron McDaniel, Steve Stoll, and managers Melvin Standifer and Fred Wiechers, and reserve manager Rick Coverdale.

Certificates were given to second year letter men Ron Bell and Ferd Gaulke.

Other guests were cheerleaders Barbara Rife, Sherri Dupree, Priscilla Bradley, Bonnie Peart, Jane Dodd, and Yvonne Abahazie.

Husbands Feted By Mothers' Club

The members of the Mother's Club of the Southwood Church of Christ will have their husbands as honor guests at the Mar. 31 meeting.

Russ Pennell, a Civil Defense Representative, will be the guest speaker for the evening and he has chosen "Civil Defense" as his topic.

The meeting will be held at Southwood Church at 7:30.

Bag Snatchers Approach Two Local Women

Two South Side women in their 60's were injured Saturday night in two separate purse snatchings—one in the downtown area, the other in the east end of town.

Mrs. Sophia Mayers, 66, 604 E. Livingston-av, was walking in the 800 block of Mt. Vernon-av, at 7:15 p.m. Saturday, with her husband, when three youths attempted to grab her purse. Mayers fought with two youths and drove them off.

Mrs. Mayers had to be treated at St. Anthony's Hospital for cuts on the forehead and nose.

Mrs. Bernice Hoyes, 60, 434 Fairwood-av, was approached by a man who dragged her into an alley in the 1700 block of E. Main-st and took her purse containing $10.

A witness told police she saw the thief get into a yellow convertible parked in the alley and drive away.

Welch Avenue Soldier Completes MP School

Army Pvt. Robert W. Proctor, 22, son of Mr. and Mrs. James A. Proctor, 693 E. Welch-av., Columbus, Ohio, recently completed eight weeks of advance individual military police training at The Provost Marshal General's School, Fort Gordon, Ga. He received instruction in traffic control, self defense and the basic procedures of civil and military law.

Proctor entered the Army in Oct. 1958 and completed basic training at Fort Knox, Ky. He is a graduate of T. L. Handy High School, Bay City, and attended Michigan State University.

Fathers, Sons Enjoy School Hobby Show

Fathers and sons enjoyed an evening at Southwood School last Thursday.

Many different hobbies were displayed such as archery, valuable coins, art work, model planes, boats, cars and trains, chess games, photography, weights and fishing. Door prizes were given.

One father did not have a school age son, but did bring his wife, Mrs. Franklin Dunkle, and daughter, Sharon. Together they kept the kitchen supplied with hot dogs and other foods.

Mr. Caskey, principal, served as chairman, and was assisted by Walter Hiser, John Nesser and Mr. Mayer.

PLAN CHICKEN DINNER

The Escorts of Chapter 206 Women of the Moose will sponsor a fried chicken dinner on Wednesday, Mar. 25, from 5 p.m. to 7 p.m., at 38 W. Sycamore-st. Chairman Lula Johnston and her committee will serve ½ fried chicken, mashed potatoes and gravy, salad, cake and coffee. The dinner is open to the public. Adults may purchase tickets for $1 and children 50 cents.

Federal Glass Granted Rezoning Request By Columbus City Council

HAPPY BIRTHDAY — Representatives of the Columbus Downtown Optimist Club, pictured above, are shown holding the birthday cake donated by them to the Optimist Club of South Columbus at the South Side Club's first birthday celebration last Thursday. The men, from left to right, Miles "Cap" Hoover, Harry Moeller, Ed Becker and Harry Anthony were instrumental in founding the South Side Club one year ago.

South Side Optimists Observe First Anniversary Celebration

Good Friday will hold a dual meaning to the 51 members of the Optimist Club of South Columbus this year.

Besides the observance of the Easter Holy Day, the South Side Optimists will be officially celebrating its first anniversary as members of the World's fourth largest service organization.

A year ago tomorrow the 41 charter members received their official charter from Optimists International. Today the club's roster lists 51 names and is still growing.

Internationally the club consists of more than 1,600 chapters with over 64,000 members.

Since the clubs first anniversary will fall on the holy day, the South Side Optimists held their first anniversary party last Thursday. A special birthday cake donated by the four men instrumental in founding the South Side chapter, Miles Hoover, Ed Becker, Harry Moeller and Harry Anthony, highlighted the occasion.

Special guests, Bob Metzger, county clerk of courts, and Dick McCracken, municipal court judge, of the Columbus Breakfast Club, and Downtown Optimist President Ed Opp extended birthday wishes from their respective clubs at the ceremonies.

Also observed at the anniversary ceremonies was the clubs 40th national anniversary. Founded originally in 1917 under the name of American Optimist Clubs, the organization met two years later, in 1919, and was issued a national charter.

The motto of the organization, "Friend of the Boy" was adopted in 1922 in Kansas City where Optimist work with delinquent youths gained national recognition.

Today the members of Optimist International contribute $3 million annually to aid more than 1.5 million boys.

The South Side Optimists are currently conducting their March project at the Great Southern where members are selling 1958 auto license tags. The club's project for April, which is still in the formative stage, will center around Bike Safety Week, Apr. 20-25.

Gra-Y Clubs Taffy Salesmen Honored At 'Y' Award Party

The champion salesmen of the World Service Taffy Sale were recognized and presented with a gift in honor of their feat at an Award Party last week at Barrett Junior High School.

Rev. Paul Kaefer of the St. Paul United Church of Christ, who is chairman of the World Service Committee of the South Side Branch YMCA, recognized the boys and presented the gift.

Not only the high salesmen were recognized, but the whole membership of the Gra-Y Clubs was praised for the fine service that they have given toward bettering living conditions for people around the world in worse living conditions than ours and also for helping the world relations between countries. The boys also gain a profit for their club from the sales, which they use as a service project for their respective school or as a donation for the improvement of the South "Y" Park.

Boys recognized for their high sales were Ken McConaha (Reeb Gra-Y); Frank Watson (Livingston Gra-Y); Ken Wood, Jim Marte, Tim O'Neill, Mike Tabor, Dave Wiechers, Jim Mouser and Ronnie Collins (Southwood Gra-Y); Jim Wentz, Albert Reed, Glenn Blackburn, (Beck Gra-Y); Bob Albright (Siebert Gra-Y); Tim Christy (Heyl Gra-Y); Richard Barry, (Deshler Gra-Y); Bob Dunn, Franklin Freeman (Lincoln Park); Art Taylor (Stewart Gra-Y).

'Blue Law' Legal Brief Due Today

A legal brief, outlining City Attorney Russell Leach's opinion of what businesses should be classified "necessity" under the Blue Law, is expected to be ready today.

Need for the judges to arrive at some common interpretation of the law was pointed up by recent, contradictory court decisions on auto service businesses.

Prosecutor's notices were issued Sunday against four car washes.

They were the Four-Minit Carwash, Inc., 1199 W. Broad-st; Brinker Avenue and Broad Street Carwash; Car-A-Minit Washmobile, 3240 E. Broad-st and Jet Carwash, 635 Mt. Vernon-av.

South High Band Features Violinist

South High School Band and Orchestra will present their annual concert Friday, Apr. 3, at 8 p.m., in the school auditorium.

This year's concert will feature violinist Reinhold Tischler performing a Vivaldi violin concerto with orchestral accompaniment.

Following the concert a dance will be held in the gym. The 50 cent admission includes both the concert and the dance.

Tickets may be purchased from any band or orchestra member or at the door on the night of the concert.

South High Glee Club Earns Excellent Award

South High School Boys' Glee Club and Instrumental Music Department received next to superior ratings in the district contest held at Whitehall High School Mar. 14.

The Boys' Glee Club sang "Little Innocent Lamb" and "Ave Maria." The band played three numbers, "Orlando," "National Emblem," and "The Invocation of Alberich."

DRESS REHEARSAL — Members of the Southeast Lions Club, pictured above, are getting ready for the Easter Egg Hunt they will co-sponsor in Schiller Park Saturday at 9 a.m. The club, in conjunction with the Columbus Recreation Department, will hide 2,000 eggs, including 500 with cash prizes ranging from a dime to a dollar. Planning strategy for the Easter Bunny are, front, from left to right, Mike Egger, Tom Crawshaw, park director; Lawrence Egger, second vice-president of the Lions Club, and Stu Jones, egg hunt chairman. Standing are Mike Milesunich, left, and Frank Neuback, past president of the club.

Easter Bunny Readies Eggs For Schiller Recreation Hunt

The Easter Bunny will be a busy little fellow on the day before Easter as he distributes eggs at Schiller Recreation Center in preparation for the activity which is scheduled to start at 9:00 a.m. on that day.

All boys and girls eight years and under are invited to participate in the hunt for 2000 eggs, of which 500 will be prize eggs with a cash value of from ten cents to one dollar.

The children will be separated into two different age groups and each will have its own section of the park ground in which to hunt. All children who wish to hunt for eggs are asked to come directly to the Recreation Center building and be inside by 8:30 a.m.

When they arrive at the Center the boys and girls will be divided into the following groups: five years and under will go directly to the auditorium and the six, seven and eight year olds will assemble in the Game Room where instructions will be given as to what area of the park they are to hunt in.

At 9:00 a.m. a signal will be given for the hunt to start and it will continue for about 45 minutes, after which the children finding prize eggs will return to the same room in which they first assembled to be awarded the prize according to the color found.

Only holders of prize eggs will be permitted back in the building after the hunt.

The hunt is co-sponsored by the Southeast Lions Club and the Columbus Recreation Department, with the former group furnishing the prize eggs.

City Fathers Reach Verdict Following Traffic Survey

By RICHARD PAVLIK

The long awaited decision by Columbus City Council over whether or not to grant the Federal Glass Company's request to rezone to manufacturing a tract near its South Side plant was finally reached Monday.

Council President W. Ralston Westlake was the lone objector to the company's request to rezone from residential to manufacturing an area housing 140 residents in the Wager-st, Innis-av, Ann-st, Olp-av, and Woodrow-av district.

The decision was clinched after John Gallagher, Columbus traffic engineer, approved the company's plan to move its entrance from Innis-av to Woodrow-av on conditions that Woodrow be widened and a fence installed along nearby Lincoln Park.

The decision by council had been tabled twice since Mar. 2 on the recommendation that traffic engineers study a neighborhood proposal that the rezoning would cause traffic problems in the area — especially around the Lincoln Park playground.

Neighborhood opposition, led for the third straight week by Mrs. Leo Lyons, 452 Innis-av, had originally opposed the rezoning request on the grounds it would decrease property valuations, create possible increased insurance rates through a greater hazard, and cause traffic problems.

At her home following the Monday night session, Mrs. Lyons said neither she, nor her neighbors blamed Federal Glass for wanting to expand, but admitted she was hurt and disappointed by the council decision.

"It's hard to be congenial after something like this," the Innis-av housewife and mother of four small children said, "but we still don't know what we've done to deserve a thing like this."

"Even if the city widens Woodrow-av and detours traffic around Parsons-av the same problems we've all been fighting will still be with us and we'll even have to help pay the taxes for widening Woodrow."

Mrs. Lyons said the traffic survey taken last week was "honest and fair," but that it came three months too soon.

Conditions in March are not the same as they are in June or July, the housewife said. During the summer months the Lincoln Park area is swamped with children because of the playground. "Last week was a chilly week, all the children were in school, and its only natural there wasn't anyone in sight."

The Monday night session was attended by only about 20

He is a senior at Marion-Franklin High School.

South Siders County Appointment Proves Ohio A Land Of Bees, Honey

County Commissioners have helped to prove that Franklin County is a land of honey with the appointment of James F. Roddy, 510 S. Ohio-av, as deputy county apiarist.

The commissions appointment of Roddy to the new post is another step in the little known fact that Ohio is one of the biggest producers of honey and bees in the nation.

Ohio ranks second only to California in honey production, and Franklin County, on a state-wide basis, ranks near the top among Ohio's 88 counties.

In 1958 alone, Franklin County apiarists inspected 304 apiaries including 2221 bee colonies.

Roddy's new appointment will be to aid the nearly 100 county apiarists in inspecting these bees and their honey.

According to the new deputy county apiarist, the apiarists primary function is to erradicate American "foulbrood," a highly contagious disease which kills off young bees and diseases honey.

Once the apiarist discovers the disease in a hive, he must burn the bees, honey and hives to safeguard against the spreading of the disease.

Roddy, who started his first hive as a hobby 30 years ago in Southern Ohio's Washington County, is currently employed full time as an inspector in the instrument laboratory at North American Aircraft.

His new appointment, however, isn't his first professional experience with bees. Before going with North American eight years ago he was employed as an inspector for Stevens and Son of New York, one of the East Coast's biggest apiarists.

Roddy will work his new position with the county on evenings and during the weekends. "I get more pleasure working with bees than I would if I took a regular vacation," the dignified looking inspector said. "There are always more hives and bee colonies going up, so my time after work will be pretty will taken up."

The K. I. Aroot and Company in Medina, according to Roddy, is the world's largest supplier of bees and honey. The firm, visited often by the new county apiarist, has made "millions of dollars worth of pure bee's wax candles," for use internationally for years.

Roddy owns two apiaries, one, consisting of six hives, in

Ohio-av, and his son, Regis, 15, are shown displaying one of six bee hives the South Side resident keeps in his yard as a hobby, or a hobby until last week anyway. Roddy was recently appointed deputy county apiarist for Franklin County, and will extend his old hobby over the entire county this coming year, checking part of the area's 304 apiaries and 2221 bee colonies.

Local Churches Plan Special Good Friday, Easter Services

ST. PAUL'S LUTHERAN

Rev. John O. Lang, pastor of St. Paul's Lutheran Church, 322 Stewart-av, will present two sermons this week, based on famous paintings, at 7:45 p.m.

Tonight he will preach on "When He Sat Down With the Twelve," basing his sermon on the fresco, "The Last Supper," by Da Vinci, which will be projected on a screen during the sermon.

On Good Friday he will preach on "When They Laid Him In the Tomb," basing this sermon on Ciseri's masterpiece, "The Entombment."

Easter Sunday there will be two services. Theme of the 7:30 a.m. service will be "Very Early In the Morning," and the 10:30 a.m. service, "The Rock Was Rolled Away."

The junior and senior choir will both sing at the 7:30 a.m. service with the senior choir, only at the 10:30 a.m. service.

WILSON AVE. NAZARENE

A candlelight communion service will be held today, Maundy Thursday, 7:30 p.m., at Wilson Avenue Church of the Nazarene.

Easter Sunday sunrise service will be held at 6:30, with worship services at 9:30 and 11 a.m. Sermon topic will be "The Gospel of a Burning Heart." Special Easter music will be presented by the choir with baptism of children in the late service.

A concert by candlelight will be held at 7:30 p.m. Easter Sunday.

ST. JOHN'S EVANGELICAL

Holy Communion will be offered at the 6 o'clock sunrise service at St. John's Evangelical Protestant Church. Sermon topic will be "Easter—What Does It Mean To You?".

Church School Easter program will be held at 9 a.m.

Sermon topic for the 9 a.m. and 10:30 a.m. services is "The New World and the New Man."

SOUTH METHODIST

South Methodist Church will have its annual sunrise service on Easter Sunday with an Easter breakfast at 7:30, sponsored by the Senior MYF. Tickets are being sold at the church by MYF members for 50 cents per person.

In charge of the breakfast are Don Wishan, general chairman; Tom Moore, food; Diane Denney, tickets; Joyce Ferrell, decorations; Don Ball, dining room; and Gordon Ball and Dan Brobst, publicity.

Navy Mothers Sponsor Easter Bake Sale

Capital City Club Number 312, Navy Mother's Clubs of America, will hold its annual Easter Bake Sale Saturday, Mar. 28, at the Kroger Store, 1416 E. Livingston-av.

Call Mrs. Kermit Knox, CL. 2-7242, if special orders are desired in advance. There will be a variety of cakes, pies, cup cakes, cookies, Easter confections and colored eggs.

South Side's Lily Parade Nets $205.09; Drive Ends Sunday

The South Side lily parade March 21, sponsored by Women of the Braces, auxiliaries of the Society for Crippled Children, netted a total of $205.09, according to Mrs. Charles Warner, Jr., chairman.

A total of $76.16 was collected in South area along Parsons and Whittier-avs. These collections were under the charge of Mrs. C. G. Brockmeyer, 836 Oakwood-av, president of Brace No. 7. She was assisted by members of her Brace and high school girls.

A total of $128.93 was collected by members of Epsilon Sigma Alpha, Alpha Omega chapter, an international business sorority at the Great Southern Shopping Center area.

Mrs. Jack Willyerd, 2435 Medary-av, was in charge of this project, assisted by other members of the sorority.

All money received from the parade will go to supplement Easter Seal receipts.

A goal of $91,500 is sought by the Easter Seal Society by Easter Sunday, March 29.

Dr. Judson Wilson and Flippo are cochairmen of the appeal in the Franklin County area. Dr. Wilson reminds residents that only four days of the campaign are left to make contributions.

"So much depends upon the success of the appeal," Dr. Wilson stated. "The future of every crippled child in Franklin County is at stake. Services were given to 483 crippled people in Franklin County last year. But more than 2500 physically handicapped children and adults still need care.

"Buy your Easter Seals now and help a crippled child walk."

South Side Teenager Wins Mardico Award

A South Side youth who spent three years on crutches because of a bone disease in his hip, last week won the first annual Marion District Council "Mardico" Award for outstanding character, performance, and sportsmanship.

Thomas B. Smith, 17, a senior at Marion-Franklin High School was chosen over 158 young men and women who participated in the South Side YMCA's Marion District Council athletic leagues during the past year for the award.

The award, presented by James L. Wagner, assistant executive secretary of the South Side YMCA, was made before a throng of almost 200 at the 25th annual recognition banquet of the South Side YMCA's Marion District Council at Marion Franklin High School.

When presented the award at the speakers table Smith humbly commented, "All I can say is thanks."

Chosen by YMCA advisors, the award winner must show and practice good character, performance, competence, sportsmanship, self application, competence and Christian attitudes.

Smith has been a member of the South Side YMCA Marion District Club for three years and is a representative of the club on the districts council.

A member of the Sea Explorer Scouts at Benfield Church of Christ, Smith considers Scouting one of his major hobbies and hopes someday to become a Scout leader.

Among his school interests at Marion-Franklin he considers science his best subject. He is interested in engineering and plans to major in one of the several engineering fields in college following his graduation this year.

A member of the Franklin County Honor Society, Smith is also active in Marion-Franklin's intramural program, radio club, science club, Red Cross Club, and has also participated in Red Devil wrestling and reserve football teams.

Smith, who hasn't missed a day of school in four years, ranks 13th in a Senior Class of 111 students. He lives with his parents at 2233 Watkins-rd.

members of the neighborhood, a drop of some 100 supporters from the previous week.

Councilman Robert Van Hyde suggested during the Mar. 16 meeting that council try not to be influenced by numbers and that since it was costing neighbors money for baby sitters and time off work that opponents "select a few spokesmen to represent them."

"We thought our petition presented last week with 125 names would show how the neighborhood felt," Mrs. Lyons reported, "but it looks like public opinion was whipped — it didn't even seem to count."

"We don't want to sound like poor losers or spoil sports," the blonde mother added, "but the whole zoning committee talked and voted in such low tones that even members of the neighborhood standing near the conference table couldn't hear them. We still don't know who voted for and against the request."

Mrs. Lyons said neighbors planned no injunction against the vote. "We feel it would just be another added expense and we wouldn't get any place anyway."

Concerning her job as spokesman and leader of the opposition during the month long hassle, Mrs. Lyons said she had the job "wished on me, but I would do it all over again. We didn't have professional lawyers to fight our case, so somebody had to. The neighbors backed me 100 percent. I'll never be sorry I was their spokesman."

"I don't feel beaten," the blond housewife concluded. "I won't hang my head."

Airman Hurt In Collision

Lockbourne Airman First Class Clarence E. Haley is in fair condition at the base hospital after an auto collision threw him from his car on Rt. 23 Tuesday.

Haley pulled out of a private drive and was struck by a car driven by Curtis Douglas, 4946 S. High-st.

The rear of the Douglas car caught Haley by the head and dragged him into a center divider, patrolmen said.

Douglas was treated at Mercy Hospital and released.

Schiller Council Hopes To Obtain More Lighting

Schiller Center Advisory Council met recently to discuss the possibility of obtaining more lights for the park and a traffic light at the corner of Jaeger and Stewart-sts.

The traffic light problem is a joint project of the Advisory Council in conjunction with PTA groups, various service clubs and the Council of South Side Organizations.

Acquisition of the light would be an aid to children on their way to and from the park.

More lights for the park have been on the council agenda for the last two months.

With the aid of a representative of the Municipal Light Company, the group hopes to attain its goal of a well lighted park.

Stuart Jones of the Southeast Lions Club announced that plans are completed for the annual Easter Egg Hunt Saturday, Mar 28.

The Lions will again sponsor a fishing derby at the park this summer.

Tom Crawshaw, center director, announced that open house will be held at the center April 8 through 10.

Childrens' Fair Held By Lincoln Park PTA Group

Lincoln Park School started the first day of spring with a Children's Fair. Mrs. Blicke and Mrs. Mickel presented a puppet show.

Refreshments were sold: popcorn by Mr. and Mrs. Jack Davies, pretzels by Mrs. William Conley and Mrs. Dale Davies; kool-aid by Mrs. Donald Moore and Mrs. Farkas.

A used toy booth was operated by Mrs. John Colmery, Mrs. Mary Grice and Mrs. Ovid Ray Fee. Mrs. Thomas Carter and Mrs. Evelyn Gill worked as pocket ladies.

Tickets were sold by Mrs. Bernard Fluhart, Mrs. Vernon Nickolson, Mrs. Jack Kirby and Mrs. Charlene Ritter.

Other women helping at the fair were Mrs. John Fastor, Mrs. Richard Brown, Mrs. Gus Autenrieth, Mrs. James L. Simpson, Linda West and Tina Hayes.

Depending on the soil, salt can sometimes be used to seal bottoms of farm ponds to prevent drain-off, according to soil experts.

Junion Jet Badge Sale Slated For Central Ohio Boy, Girls

ROOKIE HURLERS—The three hurlers pictured above show how Jet pitchers get set to fire a fast-ball. Left to right they are: Ronny Coleman, 12, of 162 Welch-av; Karen Cochran, 11, of 1179 S. Ohio, and Tommy Kusat, 13, of 1921 Wager-st. The boys are members of the Catholic Youth Organization. Karen is a member of Scout Troop 615. All three are selling Junior Jet Badges for fifty cents, which entitles badge holders to see most of the Jet home games free.

Youthful Jet baseball fans, for the fifth straight season, will again see penny-per-game baseball this season. Starting April 1 the familiar Junior Jet badges will go on sale for the standard price of fifty cents.

Every badge wearer is entitled to free admission to all of the Jet's home games, except for opening day. Sundays, holidays and special occasions. The rules for attendance are the same as they have been in the past. All badge wearers must attend games with an adult.

Any school age boy or girl in Central Ohio can buy a badge from members of the following organizations: Boy Scouts of Central Ohio, The Boy's Club, Catholic Youth Organization, the Jewish Center and members of both the YMCA and the Girl Scouts.

The badge sales campaign closes officially May 1, but the badges can be obtained after that date from members of any of the selling organizations. Proceeds from the sale of badges, after costs have been deducted, go to the youth organizations to support activities within their groups.

Begun in 1955, the Junior Jet Badge Sales Program sold over 9,000 badges that year. Each year since, badge sales have pyramided setting an all-time high in 1958 of over 30,000. This year's sales are expected to surpass 35,000.

The Badge Sales Committee is headed by Dick Hahn, chairman. Committee members are Father Richard F. Dodd and David A. Davis.

his back yard, and the other out on Olentangy River-rd. Although he never intends building his hives up to the proportions of the Aroot and Company, Roddy none-the-less feels his bees and the amount of work they do buzzing around their hives give him just as much satisfaction as do the bigger apiaries to their owners.

His new appointment with the county apparently won't stop the South Side resident from sharing his free hours away from North American with his family. They all enjoy and actively participate in the family apiaries.

Married in 1930, Roddy and his wife Kathrain have six sons and one daughter. Their eldest son, Charles, now in the army, worked professionally with bees and attended Ohio State University before entering the service.

PERMIT ISSUED

Neal Harmon, Inc., doing business as Little Dutch Kitchen, 1863 S. Parsons-av, has been issued a permit by the State Liquor Department to retail beer, wine and liquor until 2:30 a.m.

BUILD DWELLINGS

Starrmount Realty Co., 736 Lancaster-av, Reynoldsburg, has been granted building permits for the construction of two dwellings on the south side of West Broad-st, in Prairie Township. One is to be a five room and bath frame dwelling, the other, a five room and bath brick veneer, both with attached garage. Mars Construction Co. is the contractor.

South Side Fire Rips Five Homes On Stauring-st

A fire causing an estimated $1600 damage ripped through four homes in the 600 block of Stauring-st, just east of Parsons-av, early Saturday. Cause of the blaze was not immediately determined.

Fire broke out in a two-story frame house at 666 Stauring, which was vacant and had been condemned, and then spread to three adjacent homes.

Five persons in the three nearby dwellings at 662, 670 and rear 662 E. Stauring-st were forced from their homes.

Cause of the blaze is being investigated.

Barrett Y-Teens Present Easter Assembly Today

Y-Teens of Barrett Junior High School, assisted by the Junior Girls' Glee Club, presented the Easter assembly program in the school auditorium this morning.

Judy McGoron recited a poem, "Easter Lilies." Wilma Rhodes recited a prayer for the occasion. Carol Camper led the responsive reading. Invocation and benediction were given by Beverly Howell. The glee club sang Brotniansky's "Praise and Adore" and Cesar Franck's "O Lord Most Holy." The assembly audience joined in the singing of "Dear Lord and Father of Mankind."

Rev. Glendon Herbert of the Ohio Avenue Evangelical United Brethren Church, was the speaking guest of the assembly. Andrew Denman led the Junior Girls' Glee Club and directed the audience singing. Mrs. Dorothy Beatley, sponsor of Barrett's Y-Teens, arranged and directed the program.

Barrett and the other public schools of Columbus will be closed Good Friday and also Easter Monday. They will reopen at the usual time on Tuesday, Mar. 31.

Sometimes We May Play Judas' Role

BIBLE COMMENT:

The Last Supper, which has become the symbol of faith and fellowship in the Christian Church, was the celebration by Jesus and His disciples of the Passover, the most sacred rite of the Jewish religion. It was their heritage as Jews, and which Jesus said He had not come to destroy, but to fulfill.

That fact ought to give the Last Supper a meeting place in fellowship, which unfortunately, it has not yet found.

Surely the supreme task of all who believe in the Christ and the fellowship of the upper room is to bring to reality and fullness in the world the spirit and the practice of brotherhood there's manifested.

We know that there was one present, who renounced that spirit, who betrayed his Master.

What we often fail to realize is that everyone who professes to share in that communion but who does not live in the spirit of love, and in the precepts and example of the Master, is akin to Judas, rather than to those who loved their Master, and who continued in that love despite the temporary sadness and despair when His death seemed to have ended their hopes.

To partake of holy communion "in remembrance of Jesus" is not merely an act of conformity.

Its reality is found only in a renewed commitment of the soul of Christ and the Christian way.

THE PARADE—AFTER CHURCH

Abraham Lincoln Said:

"It is an old maxim and a very sound one that he that dances should always pay the fiddler. Now, sir, if any gentleman, whose money is a burden to them, choose to lead off a dance, I am decidedly opposed to the people's money being used to pay the fiddler."

County's Ground Water Data Available Free Of Charge

A news report describing the ground-water resources of Columbus and Franklin county has been published by the Ohio Department of Natural Resources, Division of Water. It is designed to help municipalities, industries, suburban developers, and farmers to locate additional water supplies.

A detailed map of Franklin County shows groundwater conditions and contours on the bedrock surface (beneath the glacial drift). Tabulated data on more than 1400 wells and graphic logs of 1376 wells are included. Also given are chemical analyses of water from selected wells in the county. Conditions in each township are discussed.

"The present use of ground water in Franklin County is by no means a criterion of the potential use for the area, a division spokesman said. Approximately 10 percent of the water needs of the county are supplied from wells.

"Three-fourths of the county is underlain with excellent aquifers which have not been tapped for municipal or industrial use. Test drilling and pumping tests in these areas will raise considerably the estimated yield of these aquifers," he said.

The report has been published as Bulletin 36 of the Ohio Division of Water, Department of Natural Resources, and is available for free distribution at 1562 W. First-av, Columbus.

'Golden Keys' Will Appear At Song Fest

Golden Keys Quartet of Portsmouth will appear at the Central Ohio Song convention to be held Saturday, Apr. 4, at Hilltonia Junior High School, 2345 W. Mound-st.

The popular gospel and spiritual singers have made many public appearances throughout the mid-west.

The program will begin at 8 p.m. As an added feature, Dale Summers will play request numbers on the electric organ. Clair Parsons, 3063 Sullivant-av, and Paul Dean are arranging the event.

On the average the homemaker spent $34 more for the family food in 1958 than in 1957. According to extension marketing specialists at Ohio State University, increased labor costs and transportation caused the increase.

Former County Extension Agent Addresses Club

Miss Nellie Watts of OSU will be guest speaker at the annual Achievement Meeting of the Franklin County Home Demonstration Clubs.

Miss Watts, who recently returned from three years in Israel, will speak on "Homemaking In The Holy Land." She was Franklin County Extension Agent from 1928-37. She was Assistant State Leader for four years, and State Extension Leader from 1951-55. In 1955 she was sent to Israel as Home Economics Extension Advisor.

The Achievent Meeting will be held Apr. 3 from 10 a.m. to 2:30 p.m. at St. Paul's Evangelical and Reformed Church, 225 E. Gates-st, Columbus. There will be numerous exhibits of this years' achievements by the clubs.

Three new clubs have been formed this year, bringing the total to 19. The newest ones are from Berwick, Arlington, and Columbus.

Reservations for dinner for Achievement Day must be made by Mar. 26. For reservations call Mrs. C. H. Brown, TR. 8-5482, or contact one of the local councilors.

Keep Trouble From Home By Avoiding Carelessness

Carelessness can easily result in tragedy . . . as has been pointed out so many times in news stories galore.

This past Friday a two-year-old youngster, Clifton Scott May, S. Pearl-st, was taken to Children's Hospital by the emergency squad and is lucky to be alive today.

The episode revealed that the youngster had in the past three weeks swallowed such things as hand lotion, grease solvent, liquid vitamins, soap, bleach and anti-biotic pills.

A stomach pump properly applied made him almost as good as new.

A Dayton newspaper this past week reports similar incidents and points out to parents the need of taking the necessary precautions to insure that the youngsters don't partake of things that are harmful to them.

A list of Do's and Don'ts follow:

DO'S

1. Place all medicines, household cleaners and sprays out of reach.
2. Turn all pot handles away from the stove front.
3. Keep electrical appliance cords up out of reach. Plug up unused sockets.
4. Remove keys from doors.
5. Put gates in front of all stairs.
6. Keep sharp knives, tools and scissors out of reach.
7. Remove button eyes from toys.
8. Place floor lamp cords behind furniture, when possible tack them to molding.
9. Have locks on windows so they won't open wide enough for a child's body to squeeze through.
10. Stock house with first-aid essentials.

DON'TS

1. Never leave children alone.
2. Do not leave matches, lighters, or lighted cigarets within reach.
3. Never leave objects on stairways.
4. Do not leave dresser drawers open.
5. Do not fail to empty paper baskets and trash cans.
6. Never leave candy, popcorn, or nuts within reach.
7. Do not have sharp, metal toys near baby.
8. Never leave a pillow in a baby's crib.
9. Don't forget to watch for pins, needles, and tacks.
10. Never break safety rules yourself. Be a good example.

Mrs. America Deadline Near

Columbus area homemakers have only a few days left to enter the 1959 "Mrs. America" contest, offering combined prizes totaling $50,000.

Wilbur T. Collins, Columbus District manager for the Ohio Fuel Gas Company, local sponsor of the contest, said the deadline for entries is midnight, Tuesday, Mar. 31. Application blanks still can be obtained at the gas company office, 109 N. Front-st.

"The 'Mrs. America' contest is for married women everywhere, and there is no age limit," Collins said. Judging will be based on homemaking ability, poise, personality, grooming, and community activities.

A "Mrs. Columbus" will be selected at a cook-off at the gas company, Tuesday, Apr. 28.

Keep your baby safely anchored after lifting from the bath tub by sewing a six-inch strip to one end of a soft terry towel. OSU extension family life specialists say this pocket will keep the baby warmly covered and safe while his body is being patted dry.

Bird Dog Can Be Taught At Shooting Preserves

Another advantage of commerical shooting preserves was pointed out to me recently by Charlie Hay, West Jefferson.

Charlie has a nine-month old Weimaraner that is coming along

nicely, but the dog needs bird work right now. Hunting seasons, of course, are closed but Charlie has been taking his pup to a shooting preserve for workouts. These areas enjoy a long season because only pen-raised birds are hunted.

I'll have to admit I wasn't much impressed with the idea of commercial preserves when I first heard about them. The first one I saw was in Maryland, and several years ago they were written up in the sporting magazines as novelties. Now they are commonplace throughout most of eastern United States. Commerical preserves are liberally sprinkled over Ohio — and the trend is toward more of them in the future.

Some Expense Involved

Commercial shooting preserves, if you're unfamiliar with the name, are areas that stock game, usually pheasants, just before you go hunting. The shooting action is hot and heavy —but you must pay for your sport. They charge five dollars and up for each bird taken, and most preserves have a three or four bird minimum bag. It means $15, $20 or even more for an afternoon of hunting.

This went against my grain at first — commercializing a sport that I hold dear to my heart. But after a little thought I realized that fishing had been commercialized for many years in some places and it didn't bother me. I can see that pay hunting has its place for those who want a lot of action in a short time, and are willing to pay for it.

Gets Jump On Season

Charlie Hay has thought of a good idea, however, in using I shall go there immediately."

preserves for dog training. Say you have a bird dog pup that starts pointing pretty well before the open season. You take him to the field one day and he points two cocks and three hens. The fact that you don't shoot the hens just confuses him. So the dog gets work on only two birds. It is just downright difficult to put polish on a shooting dog in the short pheasant season.

But if you take a pup to a shooting preserve you can shoot at every bird he points (hen pheasants are legal since the birds are pen-raised and banded). You can show the dog several birds in an afternoon, and you can spread his lessons out over several months.

All in all Charlie has a pretty good idea for training his new Weimaraner.

Hearing Aids Are Available To Indigent

Hearing and Speech Center, 209 S. High-st, has received 50 new late-model hearing aids to be made available to indigent deaf or hard of hearing children and adults.

Seven manufacturers and sales firms made the donations.

The center, a United Appeals supported agency, would like to receive the names of persons deserving the instruments. They must be unable to afford such a purchase, said Mrs. Lucille Curtis, president. Calls should be directed to Mr. Hartwig, CA. 1-1395.

The center also features a therapy and testing service for the hard of hearing of all ages. An adjustable fee is made for all clinical services, said S. A. Cohen, executive director.

In his old age the English statesman, Lord Balfour, was invited to speak at a banquet. The introduction speech was long and tiresome. As his Lordship was accustomed to retire early, when his time came to speak he arose and said: "You have asked me, gentlemen, for an address. Mine is No. 40 Carlton Gardens, and with your kind permission, I shall go there immediately."

KEY VETERANS—Five of the eight lettermen Marion-Franklin Coach Charles Maloney is counting on for the Red Devils' season opener against Eastmoor are pictured above with their coach during a break in practice sessions at Marion-Franklin gym. From left to right are outfielder Charley Pressoco, pitcher Dave Hall, outfielder Jerry Reed, Coach Maloney, catcher Rodney Buccilla, outfielder-first-baseman Kurt Meyers. Not pictured are lettermen Don White, a second baseman; outfielder Tom Ray, and first baseman Harold Chafin.

Marion Franklin's Red Devils Count on Rookies For Depth

With only 15 days to round his Red Devil squad into shape for their season opener against Eastmoor, Apr. 10, Marion-Franklin baseball coach Charley Maloney feels added depth in key positions will hold the key to whether or not his 1959 team will prove better than one which posted a 6-8 won-lost record last year.

Maloney, in his second year as Red Devil coach, was modest in appraising his teams chances for being a contender in the 1959 City League race. "We'll improve if our sophomores come through," Maloney said. "There isn't any reason why this year's team shouldn't better the 6-8 record we had last year."

Currently, sophomores Ralph Rue, Richie Enyart, Ron White and Don Mosley figure upmost in Maloney's plans for the coming season. All four boys reported for sessions eager and ready to prove their junior high notices correct.

Veterans Return

Maloney will have eight lettermen returning from last year's squad, with veterans ready to take over at every position except third base and shortstop.

Dale Hall, last season's most effective pitcher, finished the 1958 Red Devil season with a 5-3 won-lost record and will be counted on as the teams No. 1 hurler this year.

If Maloney can find one promising sophomore to spell Hall on the mound, the Red Devil staff should be pretty well set in the pitching department.

Last year's outfield of Charley Pressece, Jerry Reed and Tom Ray are ready to take over where they left off last season, and will have added support from versatile Kurt Meyers who can go both ways at first base or in the garden.

Sore Spot

The infield will be Marion-Franklin's major sore spot this year with big holes left at third base and shortstop through graduation.

Don White will take over his old second base slot and Meyers and Harold Chafin will battle it out for first to take care of the right side of the infield.

Maloney, a former Pittsburg Pirate and Boston Brave minor league infielder for eight years, considers Central, last year's City Champions, the team to beat this year. However, if his combination of veterans and promising rookies come through, the South Side's newest City League entry could give the downtown Pirates a real run for top laurels.

SPORTSMANSHIP AWARD WINNER

ANNUAL AWARDS—Winners of the Marion District Council Sportsmanship Awards, pictured above, are shown holding their individual trophies following their presentation last week during the annual MDC-YMCA South Side Branch banquet at Marion-Franklin High School. Center Shoe Repair Shop Offers Orthopedic Service

Aaron Finn, Manager

Persons with knock-knees, pigeon-toes and other similar foot and leg irregularities can help correct their condition with built-up shoes, according to Charles Schulman, owner, Great Southern Shoe Repair.

Located in the south side of the center, his shop provides orthopedic work and is equipped to fill doctors' prescriptions for anything that can be built into the shoe, such as wedges and built up heels. His shop does not handle appliances.

Dyeing is another service offered by Great Southern Shoe Repair. "We offer a variety of 100 colors," he said. Besides recoloring and tinting, his shop offers a refinishing process for badly scuffed leather shoes.

Great Southern Shoe Repair is one of five stores owned by Schulman. He also has shops at Graceland, Great Eastern, Great Western and 1057 Mount Vernon. Schulman is an East Sider and resides at 774 Roosevelt-av in Bexley.

His Great Southern manager, Aaron Finn, has been associated with the shop for three years.

Great Southern Shoe Repair is open 12 to 9 p.m. Monday through Friday and 10 a.m. to 9 p.m. on Saturday.

Shrine Circus Expected To Attract 50,000 Fans

Some 50,000 fans are expected to attend the Shrine Circus at the Fairgrounds Coliseum starting Monday, Mar. 30. Thirteen performances are slated.

Director Ray F. Wagenhorst and his aides have assembled more than two dozen specialty acts in what he terms the most amazing display of aerial, acrobatic, clowning, animal versatility, horsemanship and feats of daring and comedy ever gathered under one roof.

A Saturday morning event starting at 10 o'clock is an added attraction this year.

Orphans and needy children will be special guests of Aladdin Temple Shrine at the 2 p.m. Wednesday matinee.

Matinees also are scheduled for 2 p.m. Monday and Saturday, and at 4 p.m. Tuesday, Thursday and Friday. Evening performances start at 8 p.m.

Virtually every act is new this year, Wagenhorst said. The notable exception is Victor Julian and his dancing dogs, back for the third time at popular request. The comedy act features antics of trained canines, each of which is garbed in the latest Pariah ashion.

Schiller Center Opens At Noon Monday, Mar. 30

Schiller Recreation Center will open at 12 noon this next Monday, Mar. 30, due to the day being a school holiday. The game room will be open for ping pong, shuffelboard and table games.

This opening will hold good for the one day only, since the schools will be having vacation period. On Tuesday the opening time will again be 2 p.m. and the regular schedule of hours for participants will be 12 years and under 'til 6:30 p.m. and teenage and adults from 6:30 p.m. to closing. This schedule is in accordance with the city law requiring children 12 and under to be off the streets by dark.

DINNER PLANNED

The Civic Affairs Committee's of Chapter 206, Women of the Moose and Loyal Order No. 11 will sponsor a dinner on Wednesday, Apr. 1 from 5 to 7 p.m. at 36 W. Sycamore-st. Chairman Billie Spring, Wally Roop and their committee will serve swiss steak, mashed potatoes, salad, pie and coffee. Donations are adults $1 and children 50c.

The 'Toledo War' ended in 1836 a five-year boundary dispute between Ohio and Michigan. The dispute grew over which state was to have a 6½-mile-wide strip of land along the northern border of Ohio including Toledo. Congress gave Michigan the upper peninsula in lieu of the disputed piece of territory. This war marked the only time in our history that two states ever armed to fight each other.

ASBURY SEMINARY SINGERS PESENT GOOD FRIDAY CONCERT

GOOD FRIDAY CONCERT—The Seminary Singers from Asbury Theological Seminary, Wilmore, Ky., will present a sacred concert Friday, Mar. 27, at 7:30 p.m. at Livingston Methodist Church, Third at Livingston-av. The male choir, pictured above, under the direction of Dr. Willard R. Hallman, is now on its 19th Annual Spring Tour, and will be appearing in cities in Kentucky, Indiana, Michigan, Ohio, and Ontario, Canada. The Seminary Singers is composed of 30 selected male voices, chosen on the basis of musicianship and Christian character, and each member of the group is a young minister preparing for full-time Christian service. These young men are graduates of 20 different colleges and universities, and come from 17 states and two foreign countries. In the past four seasons, the choir has toured from coast to coast, and from Florida to Canada, presenting concerts in many of the nation's largest and most prominent churches. Tomorrow's program at the Livingston Methodist Church will include selections by Bach, Arkangelsky, Kopelyoff, and Dvorak, as well as contemporary composers, and will conclude with several Negro spirituals. Dr. J. C. McPheeters, president of Asbury Theological Seminary, will accompany the choir and will appear at all of its concerts.

Children will be dedicated and baptized in the late service.

Concert by Candlelight will be held at 7:30 p.m.

Gra-Y Basketball Season Closes; Trophies Awarded

Drawing South Side Branch YMCA Gra-Y Basketball and "Taffy" season to a close, was the award party held at Barrett Junior High School last week. All of the clubs came together to see the sportsmanship and taffy awards given to those who earned them in these respective areas.

Highlighting the evening was entertainment for the boys presented by Ned Webster, a naturalist and scuba diver, who showed movies and talked of his diving experiences off the coast of Florida.

Jim Ferrell, formerly of South and now a varsity basketball player at Ohio State, spoke to the boys on the value of sportsmanship and the fine opportunity that each boy had received by participating in this Gra-Y League. Ferrell presented the sportsmanship trophies to the individuals from each team who had been voted by their teammates as being the best sportsman on the team by his play, desire and attitude of fairness displayed.

Also receiving trophies were the team from each league which displayed these positive attitudes as a team throughout the entire season.

Team trophy winners were the Heyl Terriers from the Tuesday League and the Lincoln Park Grays from the Thursday League.

Individual winners included:

Tuesday League

Heyl Globetrotters — Gary Hill.

Heyl Terriers—Don Martin.

Heyl Vampires — Jay Caldwell.

Livingston Hawks — Wayne Barton.

Livingston Be-Boppers — Roger Harper.

Reeb Musketeers — Steve Jackson.

Siebert Scorpions — Bob Maust.

Siebert Sputniks — Jim Henry.

Stewart Dribblers — Tom Wright.

Thursday League

Beck Bulldogs — Larry Clifton.

Beck Rinkydinks—Ken Hedrick.

Deshler Hornets — Ron Moore.

Lincoln Park Bucks — Bill Davy.

Lincoln Park Grays—Dwight Rife.

Lincoln Park Scarlets — Dan West.

Southwood Electrons — Jim Mouser.

Southwood Neutrons — George Paul.

Southwood Protons — Larry Gregory.

Others associated with the Gray-Y taking part in the program were toastmaster John Nesser, advisor at the Southwood Club; Jim Osborn, member of the Lincoln Park Club, who gave the invocation; and Glenn Blackburn, a member of the Beck Club, gave an appreciation in behalf of the other members.

The party was sponsored by the Amerigo Club of the South Side "Y."

COME TO CHURCH FOR Easter Sunday Services

Remember, the Family that prays together stays together—

Let us gather with family and friends in church this Easter Sunday. Let us join our voices with the choir in those beloved old Easter hymns. Let us see in the profusion of Easter flowers, the miracle of spiritual rebirth. Let us lift our hearts with the glory of the age-old Easter message. Let us return to our work-a-day worlds, refreshed in spirit by all the wonder and beauty that is Easter Sunday!

Guide Forms Booklet

Again in this issue, subscribers to the six Hartley newspapers will receive a weekly guide to the top television program on all four Columbus area stations. To fold the page into a handy booklet, follow these simple instructions: Taking the page as it is presented in the paper, fold it vertically in half. Then fold the top of the page to the bottom twice until the front page of the section appears. The first three days then follow in order. By turning the page over, the other four days appear.

PLAN HUNGARIAN DANCE

HUNGARIAN DANCE — Members of the Needle and Thread Guild of the Hungarian Evangelical and Reform, pictured above, are busy making plans for their first annual Spring Dance, to be held April 11 at Croatian Hall, 377 Reeb-av. The new spring affair takes the place of the church's 11th annual Valentine Dance which was not scheduled this year due to a conflict with the Lenten season. About 250 to 300 persons are expected to attend the dance, where both American and Hungarian music will be played. Pictured above, from left to right, are Mrs. John Pinta, 2764 Talisman-st; Mrs. Emil Almay, Guild president, 1273 S. Roosevelt; Mrs. John Komives, 294 Hinman-av; and Mrs. Andrew Szekeley, 354 Southwood-av.

AN APRIL FROLICS FIT

PLUNGING NECKLINES?—Not on these fellows right now, but maybe by the time St. Leo's PTA presents its "April Frolics" Wednesday, Apr. 8, the style might be changed by the PTA's costume committee. The two "Flora-Dora Girls" pictured above don't seem to mind the attire being fitted them by Mrs. Quentin Contesta, right, and Lawrence Egger, left, even seems to be enjoying the situation Quentin Contesta has gotten himself into with the tape measure. The two men will be joined by PTA and parish members in the performance of the first annual "April Frolics" at the Orland Club, 740 Jenkins-av, at 8:15 p.m. Proceeds will go toward St. Leo's School picnic May 31. Admission to the "Frolics" is 75 cents.

John Hardwick Wins Area No. 2 Speech Contest

John W. Hardwick, 388 E. Mithoff-st, president of Capital Toastmaster Club, No. 1301, won the Area 2 elimination speech contest of Toastmasters International at the Desert Inn last week.

Hardwick will represent seven Central Ohio Toastmaster Clubs of Area 22 in the District 40 elimination speech contest on Apr. 11 at Wright-Patterson Field in Dayton as a result of his victory.

His winning speech, the theme of which was "enthusiasm," was entitled "Some Monkeys I Have Known."

Runners up in the Area 2, contest were Don Bonhardt, Naviation, and Earl Koppes, North American Aviation Toastmaster Clubs.

Hardwich is a Columbus attorney, and formally served for eight years as Assistant Attorney General under William Saxbe. He also is a former mayor of Barnesville.

Tickets were sold by Mrs. Bernard Fluhart, Mrs. Vernon Nicholson, Mrs. Jack Kirby and Mrs. Charlene Ritter.

Other women helping at the fair were Mrs. John Foster, Mrs. Richard Brown, Mrs. Gus Autenrieth, Mrs. James L. Simpson, Linda West and Tina Hayes.

Yo-Yo Night Club Robbed Of $65 By Two Gunmen

A South Side night club, the Yo-Yo Cafe, 340 Innis-av, was held up and robbed of $65 early Tuesday morning by two men who slugged the bartender with a gun, ripped the phone off the wall, and rifled the cash register.

William Dewey, 44, of 510 Oak-st, the bartender, said the two men entered the cafe 20 minutes before closing time and knocked him to the floor before helping themselves to the register.

Dewey suffered a bloody nose from the blow and was treated at the scene, according to the police. It was his first night on the job as Yo-Yo Cafe bartender.

Comprehension Course At South Helps Readers

With rapid reading now entrenched as a non-credit self-improvement course for college bound students in a number of Columbus schools, South High School has taken steps to help pupils at the other end of the scale conquer their reading difficulties.

Under the direction of Anna B. Lentz, 28 South pupils meet five times per week to work for improved reading speed and comprehension. The students strive for this through the use of drill in phonics, vocabulary and spelling.

Although the "rapid reading" program at South is still in its infancy, some devices may be incorporated in the study program later in the semester.

South's 28 pupils were selected by tests as those who would benefit most among 123 students recommended for the non-credit course by teachers.

One of the finer things about the course, according to Miss Lentz, is the reappearance of hope within the students after they "begin to understand things they've never before noticed in words and reading."

Around The World In 80 Days Gives Golden Agers Big Lift

The old philosopher who first got right for creating old fash said "Age carries itself proud ly" (or "dresses itself proudly") must have been snooping around one of the city's Golden Age Clubs.

There are six Golden Age Clubs in Columbus. Sunshine, Linden, Schiller, Whetstone and Poindexter Clubs which meet in the community recreation centers, and the Senior Citizens group, which meets in old Memorial Hall. Two weeks ago the clubs held an annual get togeth er at Schiller Park.

The Schiller Park advisory council (mostly young people) and the regular members of the city's Schiller Park recreation staff made it a memorable occasion. Golden Age members themselves, took active part in the program called "Around the World in 80 Days."

Schiller's big rooms were decorated with a variety of pretty and romantic things, everything you go by train, boat, balloon covered wagon, elephant or rickshaw, there's fun galore to night in store for you."

One elderly gentleman stopped at the first plateau—France. He put his cane out of the way under his sidewalk cafe table and stayed for three full performances of the black stocking can-can dancers from Sunshine Park.

Southern Kiwanis Club provided the refreshments.

Volunteers Of America Start Annual Spring Salvage Drive

The 60th annual nationwide Spring salvage campaign conducted by Volunteers of America got underway Apr. 1.

Items ranging from discarded clothing to worn-out electrical appliances, from furniture to newspapers and magazines, will be collected.

Used material of every type will be picked up by Volunteers of America trucks upon receipt of a phone call.

Items will be examined, sorted, repaired and distributed to the needy.

The campaign will also provide jobs for unemployed men and women who will work in the Volunteers of America warehouses sorting and repairing the salvage articles.

In launching the campaign General John F. McMahon, commander-in-chief, stated:

"Our salvage campaign is one of the mainstays of support for our national program which is aimed at helping the unfortunate of all ages and races.

In its three score years of service the Volunteers of America has helped more than a million men and women get a new start in life through the fine cooperation and generosity of the American people."

Woman's Death Is Month Before 100th Birthday

Mrs. Annie L. Kenney, of 3009 S. High-st, died Friday, Mar. 27 at Mercy Hospital, less than a month before she was to celebrate her 100th birthday.

Mrs. Kenney, formerly of Thornville, has been a Columbus resident for 15 years. She died following a three day illness.

She was a member of the Thornville Methodist Church and the Thornville OES, 156.

Surviving are her two step daughters, Mrs. Creda Stull and Mrs. Josephine Custer, both of Columbus; five stepsons, Merle and Russell Kenney, of Columbus; Luther and William, Thornville, and Fred, Dayton; ten grandchildren, 32 great-grandchildren; and one great-great-grandchild.

Funeral services were held at the Charles R. Boring Funeral Home, Thornville. Interment was at the Lutheran Reform Cemetery.

Game rooms, cake walks and fish ponds are some of the features to be offered, including a cafeteria-style supper which will be served from 4 to 8 p.m.

Mrs. A. H. LeGrande and Mrs. D. W. Whipps are co-chairmen of the event.

South Side Sisters Die In Indiana

Two South Side sisters died in a Muncie, Ind., apartment last Friday of what Indiana police described as severe carbon monoxide poisoning.

The two women were found dead in a room where the temperature was estimated at between 120 to 150 degrees. A faculty heater was blamed for the double asphyxiation.

Dead were Mrs. Hallie Hammond, 52, and Mrs. Ella Huston, 56, both of 559 S. Fourth-st.

Harold Hammond, husband of one of the victims, said the two women had gone to Muncie last Thursday in an attempt to sell the apartment his wife owned. He said the apartment where the deaths occurred had not been used in recent weeks.

Hammond was informed of the deaths after returning from work as a tool room machinist at the Barnobey-Cheney Co. Eighth and Cassady aves. He said he expected the two women to return home Friday night.

Hammond said he and his wife had resided in Columbus from the time of their marriage in 1946 to 1956. The couple moved to Muncie for three years, then returned to Columbus to reside at the S. Fourth-st address four months ago.

The Hammonds have no children. Mrs. Hammond was a native of Morehead, Ky.

Mrs. Huston, according to Hammond, had resided with him and his wife for many years. Her husband, George A. Huston, is a patient at Benjamin Franklin Tuberculosis Hospital. The Hustons were also childless.

Moose Women Set Charter Night

Virginia Homes Plan 303 Units Near Southgate

Plans to build a new 303-home development in the Parsons-av Southgate rd. area were announced last week by Virginia Homes Inc.

The new development will be known as Hillgate No. 3.

Construction on the project will begin in April and is scheduled for completion by November, according to W. E. Wittmann, corporation president.

Five model homes are scheduled to open April 15 on the No. 3 site, featuring three and four-bedroom slab, basement and split level arrangements.

The "project look" will be avoided, according to Wittmann, with five different floor plans and a variety of exterior design, trim and materials from which to choose.

Hillgate No. 3 will follow the first two Hillgate projects which have made 232 Homes available to the public.

South Side Sites Chosen For Two 32 Lane Bowling Establishments

DREAMS COME TRUE—Four of the five sponsors of the new Rainbow Lanes bowling establishment, pictured above, are shown looking over the architect's drawing of their new South Side pin plant. From left to right are Loren Prindle, Harley Lewis, Dick Reitter and Merrell Weaver.

Rainbow, Southern Lanes Both Set August Openings

The South Side has been chosen as the site for two new plush 32 lane bowling establishments, bowling plant sponsors announced last Saturday.

One pin plant will be known as Rainbow Lanes, located at 3224 S. High-st, and the other will be known as Southern Lanes, Inc., located in the 2300 block of S. High.

Both establishments are slated to open by Aug. 15.

Construction of Southern Lanes is due to start this week and Rainbow will follow suit "in the near future."

The Rainbow establishment will feature American Machine Foundry lanes with "magic circle" ball return, estimated to be the first in Columbus.

Southern Lanes will have automatic pinspotters, with underlane ball returns. Installation will be by Capitol Bowling Equipment Co. of Columbus and facilities will include cocktail lounge, nursery, restaurant and "pro" shop.

The two new South Side establishments will bring the total number of pin plants in Franklin County to 32, and the number of lanes to 534. Both totals include military bases at Fort Hayes and Lockbourne.

Rainbow Lanes will have a distinctive arc over the entrance-way and the rainbow motif will be carried out in the interior decorating.

The establishment will also feature a bar, restaurant and nursery. Other interior innovations will be announced later.

Rainbow Lanes will be unique in that its backers are some of the city's outstanding bowlers. The five men who combined their money and talents to bring the South Side one of the city's two newest sites are Dick Reitter, Harley Lewis, Merrell Weaver, Loren Prindle and Robert S. Goodfleisch.

Lewis, a meat inspector for the Columbus department of health, has been active in Columbus athletics since his high school days at South. He has played professional baseball in the Boston Red Sox farm system and served as playing manager for the Beulah Park Jockey team as state champs from 1953 to 1956.

Weaver is director of syndicate sales for the Columbus Fabrics Corp., and a member of the Columbus Hall of Fame of bowling.

Prindle, presently manager and co-owner of Zane Lanes in Zanesville has been in the bowling business for over 15 years. He will serve as Rainbow's general manager.

Reitter, also a native of Columbus, took third in last years' American Bowling Congress doubles team totals with Arnie Weber. His 788 series, which included a 299 game, last year was Columbus' third highest sanctioned score.

Officers for the Southern Lanes include Russ Johnson, president, Carl Argabright, vice president, William Heimmiller secretary, and Garland Painter, treasurer.

Heimmiller recently purchased the 10 lane Parsons Recreation and is reportedly spending an estimated $22,000 to modernize the plant.

Architect for Rainbow Lanes is John M. Seidel who designed Scioto Lanes. Contractor is J. C. Brexfogle.

Goodfleish, one of the principal owners, operated a truck garden farm and greenhouses on the 10.3 acre site.

Marion-Franklin Variety Show Slates 26 Opening Night Acts

PRETTY MAJORETTES—Marion-Franklin High School's five pretty drum majorettes, pictured above, will decorate the stage at the school's 10th annual Spring Variety Show to be held in the school auditorium Apr. 3 and 4. One of 20 acts in the show, the girls will present a featured rendition of Stars and Stripes Forever as their featured act in the show. From left to right are Mabel Herb, Jane Reese, Vicki Hess, head majorette; Connie Stoddard and Bonnie Althen.

Marion - Franklin High School's tenth annual Variety Show will swing into its first of two performances tomorrow night with over 200 students and teachers participating in 26 acts.

The show, sponsored by the Marion-Franklin Booster Club will be given Friday and Saturday nights at 8 p.m. in the school's auditorium.

In rounding out a decade of fine shows, the Boosters have selected acts representing five elementary schools and one junior and senior high school from the South Side.

Marion-Franklin High School will again host the event, with George C. Berry Junior High and Fornof, Scioto Trail, Clarefield, Smith-rd and Heimendale Elementary Schools also participating.

Among the featured acts to be presented will be a skit by members of the Marion-Franklin faculty.

One of the swingingest acts on the show will be a duet featuring the combined talents of drummer Greg Hicks, 1600 Alum Creek-dr, and saxophonist Len Hickman, 2457 Rhodes-av. The pair, both Marion Franklin students, will get together on a selection of jazz and rock-and roll numbers including When The Saints Go Marching In and Tequila.

Pretty Deanna Womeldorff, 2724 Thorndale-av, a sixth grader at Scioto Trail, will be one of the principal elementary school soloists. A music student for five years, she will include the ever popular Danny Boy in her selection of numbers.

Decorating the Marion Franklin stage throughout both performances will be the Red Devil's Vicki Hess, drum ma

Southwood PTA Tea Style Show Slated Today

Southwood PTA Mother-Daughter Tea will be held Thursday afternoon, Apr. 2, 3:30 p.m. in the school auditorium. The mothers, daughters, and teachers will participate in a style show modeling garments they have made.

Some 20 persons will participate and frocks will vary from play clothes and casual street attire to dressy fashions. Prizes will be given the youngest and oldest mothers present, and the mother with the most daughters present. Mrs. Paul Clark is the program chairman. Mrs. Charles Dayton, president will conduct a short business meeting. Refreshments will be served at the close of the meeting.

St. Mary's PTA Programs Meeting

St. Mary PTA will meet Thursday, Apr. 9 at 8 p.m., in the high school.

Father James Crombie, a faculty member of Aquinas High School, will be guest of the evening. He will talk and show slides on "The Shroud of Turin."

Sisters will be in the classrooms at 7:30 p.m. Refreshments will be served in the cafeteria following the meeting.

LEGION MEETS

The Southway American Legion Auxiliary Unit No. 144 will hold its regular business meeting at the post home, 874 S. High-st. Friday, Apr. 3, at 8 p.m. The evening will be concluded with a child welfare program. Guest speaker will be Rev. Harrison, from Boys' Industrial School, Lancaster.

WESTINGHOUSE BOOSTS 'Y' FUND

Y'S INVESTMENT — The Columbus Area YMCA-YWCA Joint Development Fund received a sizeable boost today when John W. Craig, vice-president, Westinghouse Electric Corp., announced a contribution of $82,000 on behalf of the Westinghouse Electric Fund. Present as the check is delivered are (l. to r.) Mrs. Elizabeth Cook, co-chairman, representing the YWCA in the drive; Mr. Craig; Clair E. Fultz, president of the Huntington National Bank, and Richard Ninde, president of Marble Cliff Quarries Co., and chairman of the Joint Development Fund Drive. The fund, which has now surpassed one million of its $2½ million goal, will be used to rebuild the old YWCA residence hall, and build three new suburban "Y" branches. Scheduled in this program are new Hilltop, South Side and Spring Street "Y" buildings.

PLAN PINK REVUE AND TEA TOO!

PINK TEA PLANNERS—The planning committee, pictured above, of the Woman's Society of Christian Service of Clair Chapel Methodist Church, is planning a special Pink Spring Style Show and Revue and Tea April 5, from 3 to 6 p.m. at the South Side Settlement, 363 Reeb-av. The color pink will be featured in all styles displayed and fashioned, and in all decorations and settings. Approximately 250 persons are expected to attend. Pictured, from left to right are Mrs. Fred Jenkins, 1934 S. 9th; Mrs. Robert Streaty, committee chairman, 293 Barthman; Mrs. Morris Mitchell, 311 Hosack-st, and Mrs. Ulysses Scarver, 308 Hosack-st.

The Gadabout

Priscilla LaRue Lewis
HI. 4-1051

"Mission accomplished" is the word we receive from Mrs Bighouse anent the toys for the Korean orphanage. The S. Ohio as resident reported that she was able to send four boxes of toys to her brother Capt. Mel for distribution to the waifs half way around the world. A big thanks to all who contributed to the project both from Mrs. Bighouse and the Gad about.

On the ailing list for this week is Helen Fisher Trudeau Guild 25 member.

Mr. and Mrs. John Harkless residents of San Francisco, Cal. will be arriving around Apr. 8 in Columbus. They plan to spend three weeks in Ohio's fairest city, visiting friends and relatives. The Harkless' are former Columbusites.

Southwood PTA will have a mother-daughter tea at 3:30 today in the school auditorium. A style show will be the feature attraction. The clothes modeled will be garments made by the mothers and teachers.

Birthdays, hither and thither: Karen Allen, 65 Woodrow, Apr. 7. Sharon Daines, 195 E. Moler-st. Apr. 4. Johnny Waugh, 79 Woodrow, Apr. 3. Debby Eaves, 47 Welch, Apr. 5. Eva Kocsis, 370 Southwood, Apr. 5. Wendale Murphy, 1403 S. 4th-st. Apr. 8. Susan Dennis, 20 E. Moler-st. Apr. 4. Becky Bogdanowitz, 1300 S. Pearl-st. Apr. 5. Ralph Macioci, Apr. 1 and Kay Wolford, 1311 Parsons-av. Apr. 1.

Reunion Slated

The 1934 class of South High School will hold its third committee meeting this evening in room 107 at the school at 7:30 p.m. This is a very important meeting so ALL 25 year alumni of the school are cordially invited to attend.

Two Trudeau Guilds will meet within the week, Nos. 10 and 12. Guild 10 will meet at the home of Mrs. Walter Miller, 1400 S. 6th-st. Wednesday, Apr. 8 at 8 p.m. Guild 12 will have a 9:30 a.m. brunch on Tuesday, Apr. 7 in the home of Mrs. Don Miller, 4001 Hoover-rd, Grove City.

Leroy Herman, S. 17th-st. was in White Cross Hospital at the time this column was written.

Complications suffered from a broken hip cheated Mrs. Annie Kenny, 3009 S. High-st. from attaining a goal that few of us ever expect to achieve. Mrs. Kenny fell and broke her hip on Mar. 25, one month exactly before her 100th birthday. However, she was not to survive the shock of the fall and passed away last Saturday, Mar. 28. She made her home with Mrs. Jose Custer.

Easter Holiday

Danny Long, of Grove City, spent the Easter holiday with his grandparents, Mr. and Mrs. Edward C. Miller, 881 E. Gates-st. The Brewer family, of 528 Sheldon-av. traveled to Kentucky for the Easter holiday. Daughter Deanna celebrated her birthday while in the neighboring state. This year Deanna's natal day coincided with Easter. Another Easter birthday was the occasion for festivity on S. 6th-st. A 2e James C. Montler, a 1958 South High graduate, arrived home from his Mississippi base last week for a 25 day furlough. He is currently home, 1868 S. 6th-st. but will not return to his former base. He will travel instead to New Jersey and thence to Germany. We're sure he would love to hear from his friends.

The Oberkonz family is once again in the midst of their "celebrating" period. Lillian Oberkonz, 1391 S. 3rd-st. celebrated a birthday on Mar. 30. Otto Oberkonz, 60 E. Jenkins had a birthday yesterday, Apr. 1. He and Mrs. Oberkonz are celebrating their 49th wedding anniversary today, Apr. 2. On Apr. 9, Mrs. Oberkonz will celebrate her birthday. Another member of the family, Lucille Youngman, will add a year to her age on Apr. 28.

Party Planned

Auxiliary 17, Sons of Veterans of the Civil War will have a covered dish and games party on Tuesday, Apr. 14. We plan to give fuller details next edition. Southway American Legion Auxiliary Unit 144 will meet tomorrow night at 8 p.m. at the Post Home, 874 S. High-st. Rev. Harrison of BIS will be guest speaker. Thurman-av. Church WSCS will hold a fashion show, Apr. 8, at 8 p.m. at the Wesley Foundation on the OSU campus. Cordia DeVore is chairman of refreshments and the program has been planned by Thelma Capehart. Yvonne Sells and Gladys Humphrey are in charge of decorations.

"April Frolics" will be the theme of the variety show presented by members of the St. Leo's PTA, Wednesday, Apr. 8 at 8:15 p.m. A children's matinee will be held Sunday, Apr. 5 at 2:15 p.m. The talent for the "frolics" has been recruited from members of the St. Leo's PTA and parish. One act sounds quite intriguing . . . the Floradora Girls! Adults can see the Apr. 8 show for 75 cents, children will be admitted on Apr. 5 for 25 cents.

The Membership Committee of Chapter 206, Women of the Moose, will sponsor a turkey dinner on Wednesday, Apr. 8 from 5 to 7 p.m., at 36 W. Sycamore-st. Membership chairman Clara Cline and her committee will serve roast turkey, dressing, mashed potatoes, salad and dessert. The meal is $1 for adults, 50 cents for children.

Adult Birthdays

Adult birthdays on our calendar are those of Margie Boyd, 1799 Wilson-av. Apr. 5. Laura Lenox has an Apr. 6 birthdate. Apr. 7 is the natal day for Anna Dicke, and for Sarah Hughes, 1374 S. 5th-st. Emerson Darst gains a new year on Apr. 8.

Lots of luck to Don Suriano, Dave Segel and the South High School "Belles," on their record "Three Friends." "The Belles" are three South High School seniors, Judy Girard, Carol Sharp and Esther Hepner. Mr. Segel is a resident of 1049 Oakwood-av. and Mr. Surland resides at 331 E. Town-st. The ballad is a tribute to the three rock 'n roll vocalists who lost their lives in an airplane crash.

Our sympathy to the family of Mrs. Carroll, who passed away on Easter.

Mr. and Mrs. A. K. Graumlich celebrated their 51st wedding anniversary on Tuesday, Mar. 31. The well-known South Sider and his wife celebrated the event with the immediate family.

Cloverleaf Clubs of St. Anthony's Hospital will mark their 20th anniversary at the annual donation day tea planned for Sunday, April 5.

The affair will be held at St. Anthony's Marian Hall from 2 to 4:30 p.m. to raise money and food donations, aiding the hospital's work with the sick, the poor and the elderly.

There are 32 leafs and 400 members in the organization. The clubs furnish equipment for kitchens, operating rooms and elderly persons' wards and rooms.

The public is invited to the tea.

Committee members are Mrs. Daniel Oestreicher, 1746 Bide-a-Wee Park, general chairman; Mrs. Paul Miller, 2849 Dover-rd, tea chairman, Mrs. Sara Gallione, 385 Harding-rd. donations.

Mrs. Georgia Davis, 650 E. Town-st, hospital tours, Mrs. John Ptacek, 710 Salisbury-rd, registrations and Mrs. Thomas Monett, 2822 Bryden-rd, awards.

All past presidents of the clubs will be honored guests.

BIBLE COMMENT

Day Of Glory And Triumph Comes Easter

The Resurrection — the triumph of love and goodness over hate and evil—the vindication of all that the Master said and of all that He is, is with us, today.

Easter is an eternal beginning, a spiritual beginning for all mankind.

In obedience to the great commission to go forth into all the world and preach the gospel to every creature, 20 centuries have come and gone, but Easter remains the glorious affirmation of the faith in Jesus.

Greater even than the outward power of churches and organizations is the mystic fellowship of all believers, who have taken to themselves the Christian name, and who have sought to live according to the teaching and example of the Master.

The evil that Jesus fought, and which crucified Him, is still abroad in the world.

But it is foolishly easy to underestimate the power of good, the forces of righteousness and the strength of Christian progress.

The power and impluse of Christianity are not derived from the past.

As Easter reaffirms, Jesus lives, and leads. He lives and leads in every devout soul whose daily life is attuned to love.

He lives in every service to one's fellow man.

He lives in missionaries, in the home, in industry; He lives wherever men carry Him in their hearts.

In a world where there is so much evil, it is good to know that Easter is always with us in those who sincerely and devoutly follow in His footsteps.

Canada thistle is a perennial. It may reproduce by seeds or by root runners, according to Ohio State University Extension agronomists.

Food Markets This Week by Mrs Estelle B. Franks

Meats and Poultry — pork loins; ground beef, fryers, large eggs.

Vegetables — celery, endive, escarole, potatoes, frozen peas.

Fruits—grapefruit, pineapple, apples, canned apple products.

APRIL'S FOOD BASKET

Pork tops the list of foods due in plenty on April markets, according to the U.S. Department of Agriculture. From Easter through April, heaviest pork supplies are expected, so you can look for week-end specials in hams and pork loin roasts. Prices of bacon, already down in many markets, will continue so.

Other bountifuls for main dishes will be eggs and broiler-fryer chickens. Egg prices are expected to continue reasonable and hens will increase their lay rate in the next few weeks. The large sizes will continue to be the best buy.

FRUITS AND VEGETABLES

Apples now on the market are out of storage—from Ohio, as well as from eastern and western states. These apples are good, but will not hold their quality long when brought into warmer temperatures. For best results, buy in small amounts and keep them in the refrigerator.

Also, consider **ready-to-use apple products** for your menus. They are in good supply now, for much of last year's bumper apple crop went into products as applesauce, apple pie filling, apple juice, and many more. You'll find their prices reasonable compared to other years when crops were smaller.

You can count on plenty of grapefruit and fresh pineapple at reasonable prices throughout the month.

Fresh vegetable situation — it's too early yet to determine the extent of damage to fresh vegetable crops in Florida as result of heavy rains and wind in the past week. Quality and prices of beans, peppers, cucumbers and Florida tomatoes will be variable in the next few weeks

weeks. There will be tomatoes from Cuba and Mexico of good quality.

In spite of unfavorable weather, supplies of new cabbage are expected to increase, since it comes from many states at the same time during the month of April. There'll be plenty of good salad items as celery, escarole, endive and Bibb lettuce.

Two vegetables we are all glad to welcome back are local greenhouse tomatoes and asparagus. A few greenhouse tomatoes are on the market now at first-of-the-season prices. Warm sunny weather and asparagus come together. If we have enough sunshine, local producers will start harvesting this month, although the peak of asparagus production always comes in May. April is still hothouse rhubarb time . . . with outdoor-grown rhubarb coming along at the last of April

Other items to keep on your food shopping list are canned peas, potatoes, walnuts, honey dried beans, peanuts and peanut products. Also, lots of lard for homemakers who make their own pastry or biscuits.

Milk production in April will be close to its seasonal high and large quantities of the seasonal surplus will be made into butter and cheese.

Westinghouse Attains Highest Safety Record

Employes of the Westinghouse Electric Corp. set a new "on the job" safety record in 1958 by making it the safest year in the company's history, a report showed this week.

The Columbus plant was one of eight in the company to receive national recognition for working more than one million man hours without a disabling injury.

Bliss' Jack Hilt Named To B.I.C. Tourney Team

Bliss College's Jack Hilt, a South High School graduate, today was named to the first Buckeye Intercollegiate Conference all-tournament basketball team.

Selections of the eight-man team were made by tournament officials and coaches.

Hilt, guard and captain of the Bliss Bookkeepers, led the tournament scoring with 138 points for the six tourney games in which he participated. His total averaged out to 23 points per contest.

Forward Tom Haire and Center Bill Parker, teammates of Hilt at Bliss were also chosen for the squad.

Wilberforce and United States Naval Air Station each placed two men on the team, with the remaining position going to Miami-Jacobs' Ron Cahill.

The selections were as follows:

Forwards: Everett Pope, Wilberforce; Tom Haire, Bliss; and Ron Cahill, Miami-Jacobs.

Centers: Bill Parker, Bliss; and Don Pruden, U.S. Naval Air Station.

Guards: Jack Hilt, Bliss; Ernie O'Rourke, U.S. Naval Air Station; and Matt Jarrett, Wilberforce.

ALAS THE EASTER BUNNY

ALAS EASTER BUNNIES—The question, "Which came first: the egg or the chicken?", was given less than customary attention last weekend because everybody knew it was the Easter Bunny. But to complicate simple understanding, Easter Bunny helpers were observed by some early risers in most South Side parks. The Southern Kiwanis group pictured above was playing pre-Easter-Saturday-morning-Easter-Bunny (and having their ears nipped in "the coldest 32 degree weather ever recorded") in Lincoln Park when the photographer spied them. It was about 5:15 a.m.—none too early for a few kiddies who had heard about the South Side's tradition of prizes, etc. Left to right, Henry Siefert, Ohio Fuel Gas Co.; Kenneth Deppler, Parkview Pharmacy; Daryl Williams, Atlas Linen and Industrial Supply; and Norman Altman, Jr., Altman-Coady Contractor.

RECEIVE HIGHEST AWARD

PRESENTED AT TEA—Three members of Troop 113 sponsored by the South High EUB Church received the Curved Bar Award Saturday, Mar. 21. This highest rank presentation in the Intermediate program for Girl Scouts was made at the tea party for Girl Scouts at the Veterans Memorial Building. This makes a total of 12 girls from Troop 113 who have received this award. Leaders of the troop are Mrs. Richard Smith and Mrs. Richard Forsman. Pictured, are left to right, Rosemary Gutridge, Sherron Pearrell, and Penny Cordle.

100 Roosevelt Junior High Students Make Honor Roll

Seven Roosevelt Junior High School students recently made all A's in semester grading reports released last week by the school. A total of 93 pupils recorded all A's and B's to bring the school's honor roll total to an even 100.

It's Girl Scout Cookie Time Again

Starting on Friday, April 3 (after school hours) and continuing through Monday, April 13, members of the community are asked to cooperate in this annual Girl Scout Cookie Sale.

Available this year will be four types of cookies for the same price of 50c per box, i.e., regular four-flavored sandwich creme, the ever-popular thin mint, the "Savannah" which is a peanut butter sandwich cookie, and new this year will be the Scot-tea, a crisp shortbread type cookie.

Proceeds from this annual cookie sale will be used to balance the Girl Scout Budget. Each troop will earn 5c per box sold which will be used for their own troop programs. Each girl is planning to sell 25 boxes, so when your "Scouts" come to your door — please cooperate and also treat your family to good cookies.

Note to the thrifty — these cookies will keep perfectly in your freezer indefinitely, so buy for today and tomororw, as well.

CACTUS NEVER LOOKED LIKE THIS

PONDERING PARDNERS—Jimmy Bishop, 5, and Chuckie Hopkins, 6, take time out from their cowboys and Indians game to ponder over the rare looking plant not found on many a western plain. The two Shadeville youngsters are actually looking at a "dead" cabbage, three-fourths of which was used in cole slaw a month ago, Mrs. Harry Bishop, owner of the vegetable, used most of the cabbage and put the remainder in the vegetable bin of her refrigerator four weeks ago. Last week, while defrosting the appliance, Mrs. Bishop dug the blooming plant from the depths of its cold sanctuary only to find it full of life and in its present form. The plant, at last report, still "doing nicely," was originally five pounds. Mrs. Bishop and Jimmy live at 130 Jackson-st, in Shadeville. Chuckie is a first grader at Hamilton Central Elementary School.

GOLDEN AGE PARTY — Youngsters were especially privileged to join Golden Age Clubs' "Around the World in 80 Days" at Schiller Park. Members of the Schiller staff and friends, left to right, Marilyn Maser, Schiller Advisory Council; Pat Dutton, Sunshine Park; Dorothy Jones; Walter Johnsen, Southern Kiwanis Club, and Mel Dodge, Schiller's man-in-charge-of-everybody's fun. Golden Age Club members created most of the program.

GRA-Y LEAGUE CHAMPIONS

TWO-WAY CHAMPS—Above are the Sportsmanship Champions of the South Side Branch YMCA Gra-Y League from Thursday night play. The Lincoln Park Grays showed good desire and team play throughout the whole season, but most of all, their attitude toward the other teams while winning all of their games showed that winning them all did not affect their actions and behavior toward their opponents into that of a "boastful" winner. The boys are, left to right, back row, James Nicholson, Charles Macie, Sheldon Bennett and Mike Meinert. Front row, Ken Thacker, Pat Blake, Dwight Rife and Bob Fluhart. Doug Davies, not pictured, was also a member of the team.

Columbus Folk Dancers Hold Beginning Classes

The Columbus Folk Dancers Club will begin its seventh year of dancing this season by sponsoring weekly folk dance classes at Whetstone Recreation Center.

The classes will begin Monday, Apr. 6, and will continue for eight weeks, through May 25. Instruction will start at 8 p.m. and will last for two hours.

Columbus Folk Dancers will hold its own weekly sessions on Wednesday evenings at Schiller Recreation. In addition to its dance instruction program, Folk Dancers will receive individual folk dance leadership by having different members conduct each Wednesday night session.

In addition to the basic folk dance steps, in introductory classes, leaders will teach American folk dances and European nationality dances.

Pvt. Burton Participates In Operation Gyroscope

Pvt. Paul J. Burton, son of Mr. and Mrs. Paul J. Burton, of 922 City Park, was recently scheduled to depart from Fort Riley, Kan., for Germany under Operation Gyroscope, the Army's unit rotation plan.

Pvt. Burton, a fire team leader in the infantry's Company C, graduated from South High School in 1955. He entered the Army in September 1958 and completed basic training at Fort Riley.

South Side Soldier Wins Ft. Riley Honor

Army Pfc. Lawrence Gussler, son of Mrs. Florence Gussler, 350 Welch, Columbus, recently was named Enlisted Aide for a Day to the commander of the 1st Division's 5th Artillery at Fort Riley, Kan.

A switchboard operator in the artillery's Battery D, he was selected for his soldierly appearance, knowledge of duties and military courtesy.

The 19-year-old soldier entered the Army in July 1957 and received basic training at Fort Knox, Ky. He attended South High School.

Three spectacular nights of indoor-racing are headed for the Ohio State Fairgrounds Coliseum, Saturdays, Apr. 11, 18 and 25, when the Buckeye "T-Q" Racing Association, will put on combination motorcycle and three-quarter midget racing.

The lightweight motorcycles will be racing for the first time in the Columbus area on an indoor-track, and will be bringing in such well known drivers as George Roder, Charlie Best and Glen Jordan. They will be racing in five-events, sanctioned by A.M.A., through CRA.

The "T-Q" midgets will run in six-events on the fast tenth mile clay-base track and will have entrants from all over Ohio, Indiana, Tennessee and New Jersey, headed by such greats in the racing sport as Dick Northam, Nick Wilhelm, Dave Moore and Buddy Martin.

The 11-event-program will get under way with time-trials for the motorcycles, at 7 p.m. The first event will start at 8 p.m.

Local Soldier Graduated From Supply Course

Army Recruit Gary K. Lee, 18, son of Mr. and Mrs. Charles D. Lee, 1399 Wiltshire-rd, completed the eight-week parts supply course Feb. 28 at the Armor School, Fort Knox, Ky.

Lee received training in the maintenance of stock records and the storage, inspection and identification of parts for armored equipment.

He completed basic training at Fort Knox. Before entering the Army last October, Lee attended Franklin Heights High School and worked for the Daisy Roofing Co.

Pvt. Lawrence Clinger Completes Army Course

Army Pvt. Lawrence P. Clinger, 23, whose wife, Marilyn, lives at 80 Fairway-blvd, Columbus, completed the 16-week automotive equipment repair course Mar. 13 at the Ordnance School, Aberdeen Proving Ground, Md.

The son of Mrs. Grace E. Eagans, 465 Vermont-pl, he entered the Army last June and completed basic training at Fort Knox, Ky.

Clinger is a 1954 graduate of Marion Harding High School and attended Ohio University.

Couple In Reynoldsburg Grow Orchid Plants In Back Yard

STAGES OF GROWTH—Nelson Morris, orchid grower, displays two of the many stages of growth of this exotic plant. Top left is an adult plant which is growing on a plaque of fur bark taken from the fur tree. In his right hand he holds a plant which has not reached full maturity. Another adult plant which he has kept in a pot is in his left hand. Plants reach maturity at four to seven years. Morris says orchid plants can be grown easily at home . . . twice as easy as African violets.

By NANCY PENDLETON

Mary and W. Nelson Morris of Reynoldsburg are the only growers in Central Ohio to sell orchid plants. In all Ohio, there are only four or five, although many florists handle the blooms.

W. Nelson is vice president of Sunny Brook Gardens, Inc. located in back of his home on Lancaster-av, in Reynoldsburg, while his wife is secretary and treasurer.

Orchids started with the Morrises as a hobby in 1951. Now, they raise nothing but orchids, buying the rest of their flowers.

They handle 90 different species and hybrids of orchids and if this sounds like a lot, Morris says that "about 15,000 varieties appear in nature with about 30,000 hybrids." He explained the difference between a species and a hybrid. "A species is a plant that grows wild, as in the jungle, while hybrids are man-made crosses of two species or a species and a hybrid."

Orchid plants are also shipped to Sunnybrook Gardens from many parts of the world including Guatamala, India, the Canal Zone, Singapore, Africa and Hawaii. Hawaii has the biggest grower of hybrids in the world. In the states, Florida and California are the biggest growers.

The raising of orchids is a long-time process from seed to bloom. Each pod contains about 10 million seeds. Morris takes enough seeds to cover about less than an eighth of an inch tip of a knife and puts these in a test tube full of water. After shaking it up, he takes an eye dropper and deposits three drops of water in a sterile flask containing a clear gelatin type substance. Each flask contains enough seeds to make 750 to 1000 plants. The seeds take about six months to germinate.

He then places 20 to 25 seedling plants in a "community pot" where they will remain for one year. They graduate from this into a 1½ inch thumb pot and keep moving up to a larger pot until after four to seven years they are placed in 4-inch pots. It is at this time that the plant will first bloom.

Adult plants are oftentimes placed on large plaques of fur bark . . . shredded bark of the fur tree or on plaques made of tree fern fiber. Morris explained that orchids grow this way in the jungles, hanging to the bark of a tree.

Orchid Colors Vary

Surprisingly, orchids come in every color of the rainbow, though most people are used to seeing the cattleya orchid. According to Morris the cattleya orchid has been much improved upon by man. He has bred into it a wider petal fuller bloom, and firmer texture.

Species and hybrids of orchids are named just as are strains of dogs. If an orchid grower wants to cross breed two different species or hybrids the offspring must be given a designated name. If the cross-breeding between those two types has never been done before, the grower can name the plant himself, and this name then, must be used throughout the world.

Morris said that most florists have gone more into hybrids than species. "I'm interested more in species . . . botanicals . . . or smaller ones, "in particular. He favors cymbidiums, which grow in many colors. Some orchid blooms last only a day while he has had cymbidiums last for over one year in the refrigerator.

Plans New Buildings

Since some of the most beautiful and exotic orchids come from altitudes of 10,000 feet such as the Himalaya Mts., Morris has plans to duplicate that atmosphere in his greenhouses by building air conditioned buildings. He says Reynoldsburg will then have one of two air conditioned buildings in Ohio for the growth of orchids.

Home care of orchid plants is twice as easy as African violets, Morris contends. "At home, we use the cake pan method," he said. "Just fill a pan with gravel and water. Set the pot on top the gravel, don't let the bottom get wet." The water will serve as a humidifier. "Then water the plant once or twice a week from the top." Orchids thrive best in 50 per cent shade in the summertime although in the winter they can be set out of doors.

April Fools Day A Good Omen For Fishermen

INSIDE ON THE Outdoors By ROD COCHRAN

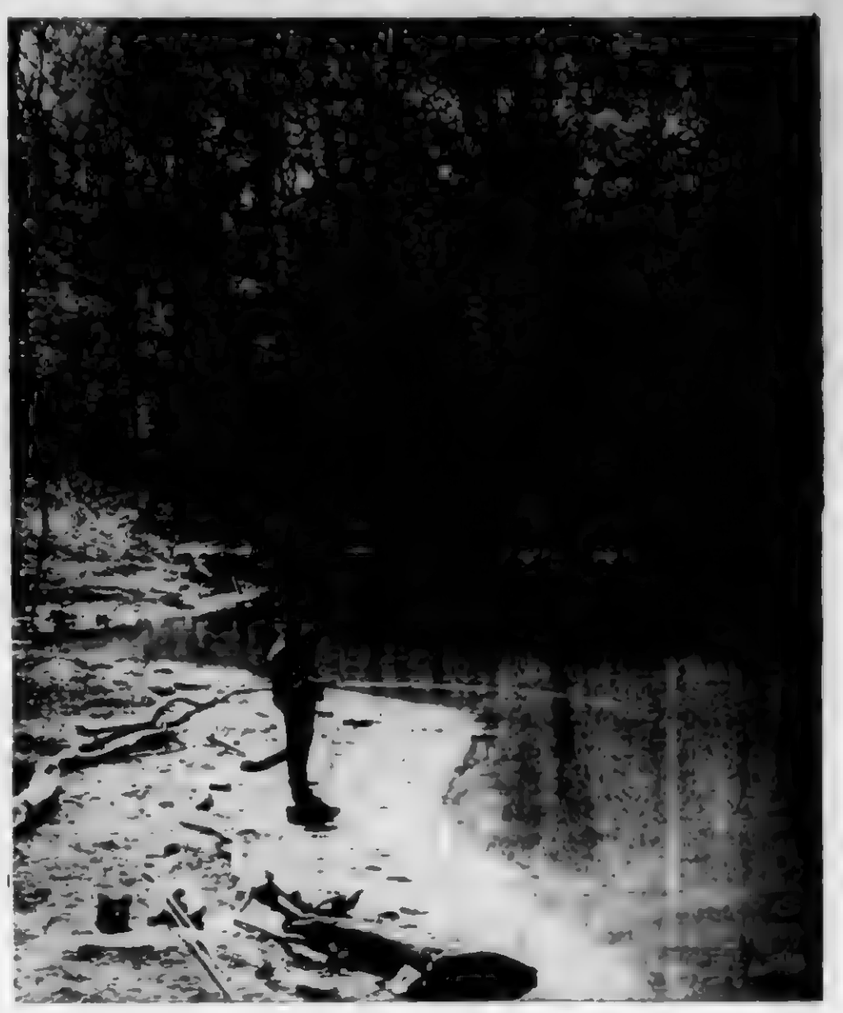
The first day of April is customarily a day of fun and high jinks—a day to beware. But to fishermen it's a sign that the streams and lakes will soon be calling.

Fish are biting, or soon will be. Bob Strohm, 1530 Haft-dr, Reynoldsburg, has already made his first catch of crappies at Hoover Reservoir.

Crappies are usually the first to attract anglers in the spring. The first couple of days that the air temperature reaches 60 degrees or above, they start to hit. Bullheads are quick to follow on bright, sunny days—good catches are being made now at Buckeye Lake.

Even though the big surge in fish activity occurs very late in April, or more often in May, April Fool's day singals the start of fishing in Ohio.

If you fish at this time of year, you must fish slowly. Artificial lures are not very effective, and even then you must nudge them along the bottom. The best baits for early season fishing are minnows for crappies, and the old stand-by worms for bullheads. Few bass are taken as the starting gun for the season sounds, but an expert can catch some, particularly after a warm rain, if he fishes in shallow water.



Some Anglers Are Hardy

For the most part, however, bass fishermen bide their time until the last week in April or early May. Crappie fishermen are a courageous lot who bundle up, fill a Thermos with coffee, and go fishing at the first sign of sunshine. Sometimes the changeable April weather will douse them with snow, but they keep on fishing anyway.

An early spring bullhead fisherman is a hardy soul too. He will often build a fire to keep himself warm. If the fish are hitting often, he will throw more wood on the fire and stay all night.

So, as April begins, we welcome another fishing season.

Fishermen in this area will again have the opportunity to participate in the annual Hartley Newspaper Fishing Derby. It will be bigger and better than ever this year with more prizes and surprises. Watch for announcements and lists of prizes.

CRAPPIE-TIME — April first means different things to different people. For fishermen it signals the start of the fishing season. The angler above is trying for crappies in a secluded cove at Hoover Reservoir.

RUNNERS-UP—The seven pretty basketballers of St. Mary's girls team, pictured above, proved seven a pretty lucky number for their Schiller Recreation Center basketball team this past season when they finished as runners-up in the recent Inter-Center City Basketball Tournament held at Whetstone Recreation Center. From left to right are Di-Jeanne Beard, Becky Conner, Rose Welpe and Eileen Wurdock, Becky Conners, Diane Janisch, Helen Lynch, Donna Trout.

Schiller Center's St. Marys Clinches Runner-Up Spot

In the recent Inter-Center City Basketball Tournament held at Whetstone Recreation Center, the St. Mary's Girls Team representing the Senior Girls' League of Schiller Recreation Center finished with runner-up honors.

The St. Marys' team, paced by Becky Conners, won two games to qualify for the championship game.

In the first game of the tournament, the team defeated Sunshine Recreation Center to the tune of 59 to 3, with Becky Conner hitting the nets for a fine total of 30 points. St. Marys' took on Beatty Recreation Center in their next game and came out on the winning end by the score of 46 to 21. Becky again paced the team with 23 points receiving support from Eileen Wurdock with 13 points and Diane Janisch with 10 points.

In the championship game, Whetstone Recreation Center was the opponent, the St. Marys team came out on the short end of a 34 to 23 score. Eileen Wurdock paced St. Marys' losing cause with 10 points with help of Becky Conners' 8 points.

Members of the St. Marys' team were Eileen Wurdock, Becky Conners, Diane Janisch, Donna Trout, Helen Lynch, Jeanne Beard, Rose Welpe, and Rita Hanf.

Schiller Recreation Center officials expressed appreciation of the fine team and the way they conducted themselves in the tournament.

3000 Youngsters Will Participate In Music Show

St. John's arena will be the scene of the Columbus Public School's 23rd Annual Festival of Music.

A total of 3000 children will take part in the pageant scheduled for Thursday, April 9, at 8 p.m. All Columbus schools will be represented.

Choral and instrumental numbers will be presented. The entire assemblage will be heard in the Grand Finale rendition of "Battle Hymn of the Republic."

Sponsored by the Columbus Council of PTA, the event is planned and directed by Kenneth Keller, director of Music Education with Mrs. Katherine McGill assisting. Gordon Harris is co-ordinator. Mrs. Robert Kneisley is festival chairman.

Tickets may be purchased from PTA members or at the door for 80 cents.

Why Spend Money When Not Necessary?

There seems to be indications that the proposed new state office building is on the MUST list for the vicinity of Central High School.

A recent proposal has been made that the state trade some land elsewhere for some of the Central property. This is a matter that the board of education should look into very carefully before approval.

Such a plan would make it necessary to break up the present complete educational unit of Central. It would in all probability end up costing Columbus taxpayers a considerable amount.

Furthermore, with the present traffic problem caused by the location of Veterans Memorial Hall on the river front just try to vision what the problem would be like with the addition of another large concentration of workers at a site directly across the street.

A look to the future shows that housing projects proposed for the West Side will provide an increased number of youngsters in that area, thus making Central High all the more important to the area.

We have always said the state should use the high priced farm land on West Broad street owned by Columbus State Hospital and State School for additional office buildings. The idea has more merit today than it has had for a long time.

Youth Work In County Needs Financial Support

When the biennium appropriations are approved by the state it is hoped there will be no further reductions in the amount asked by the Ohio Agricultural Extension Service.

Already the governor's committee on appropriations has lopped some $70,000 from the budget thus eliminating the addition of any new personnel on the staff this year. Further reductions would play havoc with the present program of the department.

Youth work in Franklin and other counties would suffer to a great extent if further cuts are forthcoming. One of the major services of this department is that of the 4-H organization. The youth of rural Ohio deserve the best in performance of this fine program.

SSS Plans 12th Annual Summer Camp Program

Applications for the South Side Settlement's 12th annual summer camp program are now being accepted by SSS Director Martha Bucke for 42 days of camping fun at the settlement's Sugar Grove camp site.

Deadline for the four 13 day sessions is May 1, according to Miss Bucke. Only 60 campers are allowed to register for each session.

The schedule for SSS four sessions this year will start

Miss Bucke

June 21 with teenagers, aged 13 and up, "roughing it" until July 3. Youngsters, age 6 to 10, will attend the second session July 5 to July 17.

The camp's third session will be for pre-teenagers, age 8 to 12, from July 19 to July 31, and the fourth and final 13 day period will be for campers, age 10 to 14, from Aug. 2 to Aug. 14.

Last year some 200 South Siders attended the four sessions, according to Miss Bucke.

The SSS camp is located on a 121 acre site three miles from Sugar Grove, midway between Lancaster and Logan.

The camp consists of six cabins, three for boys and three for girls, a large dining hall, a recreation hall, a headquarters building, a nurse's cabin. All camp facilities are owned and operated by the SSS.

Cost for sending a youngster to camp is $12 for SSS members providing they have paid membership fees. Non-SSS members can attend camp for $15.

For those who have trouble meeting the cost, SSS has work-

HERE'S A GOOD DEAL FOR SUMMER PLEASURE

Norwood's Amusement Park today joins with the Hartley Newspapers to offer Columbus the biggest bonanza of the season.

Through the cooperation of the two organizations, Columbus families will be able to enjoy the recreational facilities of the popular E. Main-st amusement park for little more than half-price.

Here's the simple plan for a summer of family fun: the Hartley Newspapers are offering ticket books containing $5 worth of tickets for the startlingly-low price of $3. The tickets will be good for the entire season for all rides and the miniature golf course at Norwood's 2025 E. Main-st.

Now it doesn't take an electronic computer to figure out this means a reduction of 40 percent, quite a sizeable boost for that battered pocketbook of yours. And when you figure out the hours of fun your whole family will reap, you can see why it's the biggest recreation bonanza of the season.

Norwood's, completely refurbished after being struck by the flood waters of Alum Creek in January, is all decked out for your pleasure. Now open for its 18th season, the park offers an assortment of rides to suit the taste of both the venturesome and the meek.

The park will be open Saturdays and Sundays in April and May, opening daily thereafter. A feature of the park this season will be a completely new miniature golf course, being constructed to championship standards.

There is no restriction on the number of ticket books any person may purchase, and tickets may be obtained at either of the Hartley Newspaper offices, 2465 W. Broad-st, or 1542 Parsons.

Additional locations where the special tickets may be purchased will be announced next week.

"South Side Community Night" Slated For May 20 At Jet Stadium

HAPPY OCCASION—South Side Community Night became official shortly before this picture was snapped as Avery H. Robbins, assistant general manager of the Columbus Jets, inked the contract officially designating May 20, as the South Side's own night. Shown at the contract signing ceremonies last week are, seated from left to right, Harry Sells, Community Night chairman, and Robbins. Standing, left to right, Howard Henry, president of the Council of South Side Organizations; and Richard E. Pavlik, Community Night publicity director.

3400 Reserved Seats Held For Columbus-Miami Clash

The first of what is hoped to be a series of annual South Side Community Nights will be held May 20 when the Columbus Jets take on the Miami Marlins in Jet Stadium.

The first South Side Community Night in the history of the Jets became reality last week when the Columbus Baseball Club and Harry Sells, chairman of the event, signed contracts designating May 20 as the South Side's special night.

Feature of the evening, besides the game itself, will be the presentation of some 100 prizes donated by South Side merchants. Individual ticket stubs will carry winning numbers for the prizes, and ticket holders need not be present to win.

Deadline for tickets, which will go on sale the end of this week, is slated for May 17 at noon.

Reason for the deadline is that a total of 3,400 reserved seat tickets have been held back by the baseball club to allow Community Night fans to take advantage of their special evening.

Ticket holders will sit in the special reserved seat section on a first-come, first-served basis, with the remainder of the 3,400 tickets not sold going back to the Jets for resale at the gate.

The selection of reserved seats by Community Night fans was made possible by the ball club so that groups of South Siders, regardless of size, could come to the game and sit with friends.

Proceeds from the sale of tickets will go to South Side Youth.

The May 20 date will mark the first such Community Night at Jet Stadium this year. Columbus, which finished fourth in the International League last season, will complete a 12 game road trip prior to its four game engagement with Miami.

In the event of ran on the 20th, the game and the Community Night will be rescheduled for May 21.

The Jets will then take off for another long road trip following the game on the 21st.

Miami, which finished fifth in the league last year, will be making its first appearance in Columbus during the four game stand. John "Pepper" Martin, former St. Louis Cardinal "Gas House Gang" great in the 1930's will be making his Columbus debut as Marlin manager during the series.

Martin, famous for his daring base running and head-first sliding during his playing days, coached the Tulsa Oilers in 1957 and '58 prior to joining the Marlins.

Other new material in the way of players will also be featured in the Marlin team this year since a change in major league affiliations during the winter switched the Marlinis from a Philadelphia Phillie's farm team over to Baltimore of the American League.

The four game series will also give the Marlins their first look at new Columbus manager Cal Ermer. Ermer, who replaces Clyde King as Jet mentor, was named Minor League Manager of the Year last season after guiding Birmingham of the Southern Association to the league pennant, playoffs and Dixie Series.

The new Jet leader spent his entire playing and managerial career in the Washington Senator organization until he moved, to Birmingham in the Detroit chain last year.

In his nine years of managing, Ermer teams have won their respective league titles four times and finished in the first division a total of six times.

Columbus, a Pittsburgh affiliate, is currently entering its second year in the Pirate chain. Barring possible last minute changes, fans will see such familiar faces in the Jet lineup as Spook Jacobs, Leo Rodriguez, Bill Onuska, and Lynn Lovenguth.

School, State Property Swap May Switch Sites

Negotiations opened Tuesday for the possible trade of school property for state-owned land that could result in construction of a new state office building on Central High School's site.

Darold Greek, chairman of the State Office Building Commission, reported to the school board that Governor DiSalle, conferring with the commission Tuesday morning, had pointed out that funds were available only for a building, not for a site.

The Governor suggested, Greek continued, that "The only way planning for the building could continue would be for the state to trade property of equal value."

The board was asked to explore the possibility of relinquishing either the northern portion of Central's site along W. Broad-st, or the entire property, excluding the building and the land on which it stands.

Three Parcels Available as Trade

The state has available for trade, three parcels of land. They are, portions of the State School grounds, the old State Blind School on Town-st in back of the library and the old State Deaf School, Main-st, at Parsons-av, now occupied by the State Highway Patrol.

Greek explained the state could offer an entire parcel of land, or a portion of one or more than one, in combination to equal the city school-owned property.

A spokesman for the board, recalling that the state had expressed interest in Central High's land in 1953 and 1954, recalled the property and building had been appraised at that time for an approximate $11 or $12 million.

Eibling Cites City Interests

Dr. Eibling, superintendent of schools, received the proposal and pledged that it would be given full consideration.

He pointed out that, "We are citizens of Ohio and are keenly interested in the state's problems. But primarily and foremost, we are citizens of Columbus, elected to protect the interests of public education and would most certainly defend the rights and interests of Columbus."

Dwight Swisher, president of the Board of Education, said the matter had been referred to the building committtee, with a request that the group, headed by Chairman Frank S. Williams, study the proposal.

Swisher also pointed out that the plan would be studied carefully before any decision was made.

In other actions, the board awarded contracts for Stockbridge School, accepted the resignation of a South Side board member and approved an increase in tuition for Evening High School and Summer School.

Contracts, totaling $229,938 were awarded for the 12-room Stockbridge Elementary, to be built at 3350 S Champion-av.

General and electric contract was awarded to Mason and Isabel for $180,758, and one for plumbing, heating and ventilating to Dotter, Inc., for $24,180.

George C. Farris, formerly of 1328 Oakwood-av, resigned his position on the board, after four years service.

Farris has moved to Upper Arlington.

Tuition rates for Evening High School and Summer School were raised $2 for residents of the Columbus School District, and $4 for non-residents.

New rates for summer school courses will be $10 each subject for residents and $20 for non-residents.

West High Students Win National Titles

At the same time that Academy Awards were handed out on the West Coast, two West High distributive education students were bringing back "Oscars" of their own this week.

At a leadership conference of Distributive Education Clubs of America in Tacoma, Washington, Apr. 1 to 4, Leslie Wilson, 2977 Palmetto-st, was named "National DECA Student of the Year," Nancy Steele, 84 S. Harris-av, was elected national secretary.

Leslie's honor carries with it a $1000 cash award, which he will pick up May 29 at a National Sales Executives club convention in New Orleans. He also received a plaque and a permanent trophy for his school, and will likely be given various scholarship offers. Next fall he plans to enter the College of Commerce at Ohio State.

Nancy, who is also Ohio DECA secretary for the coming year, will attend national leadership conferences in Washington D. C. next August and later at Kansas City.

After passing preliminary ratings in scholarship, sales ability and personality, Wilson was given three lengthy interviews by prominent business executives. He won out over 16 state-winner candidates for the title.

Much of the conference was devoted to workshops and contests in the field of merchandising. West High was unique in sending two state representatives. They were accompanied by O. D. Lehman, teacher-coordinator of the course now in its first year at West.

Leslie's work station is his father's J. C. Penney store in Great Southern Shopping Center. Nancy's is with Seiller's Department Store.

Commenting at the end of their 6,000-mile trip, Tuesday, Mr. Lehman said, "We certainly found a warm Western welcome at Tacoma. The whole city, preparing for its Daffodil Festival, had a festive air. Stores and shops all had welcoming banners out for us. People greeted us whenever they saw our badges. It was a trip we'll long remember."

The group had time to make one sightseeing tour.

Mrs. Fagen is chairman of the ways and means committee of Groveport-Madison Booster Club which is sponsoring the dance.

GREAT SOUTHERN

Fishing Is Zettler Store Head's Hobby

James McConaha, manager of Zettler's Hardware in the Great Southern Shopping Center, is a died-in-the-wool fisherman at heart. Most of his fishing excursions have been at Buckeye Lake but he has brought back a 29-lb. catfish which he caught in Tennessee.

McConaha sells fishing licenses and a full line of tackles at his Great Southern store. He also carries garden and sports equipment, including garden tools, fertilizers and seeds. Rollers and seeders can be rented and trade in on both gas and electric lawn mowers is offered.

Town and Country Zettler's one of seven stores in the city, was where McConaha worked before coming to Great Southern. He has been with the company 10 years.

James McConaha

A native of Nelsonville, Ohio, he came to Columbus in 1925. He and his wife, Flossie, live at 250 North-st, in Blacklick near Reynoldsburg. They have three children, Paul, 17, who works at the store part-time; Ronnie, 12, and Carol, 10. All three children attend Gahanna-Lincoln high school

Groveport Country Club Sets Membership Sights at 200

the Groveport Country Club announced today that the club is sponsoring a membership drive to solicite 200 members.

Purpose of the drive, according to Chet Baker, club publicity director, is to acquire enough members by June 15 to close the club and make membership private.

Currently the club posts a little over 100 members, of which 35 have joined this year.

In an effort to attract membership, the club has dropped its customary $25 initiation fee and lowered fee rates for yearly memberships.

Rates offered during the drive are $112.50, for single men, $75 for women, and $168.50 for family memberships for families with children up to 16 years of age.

The club is featuring a new Junior Membership policy with rates for persons between the ages of 16 and 25 totaling only [illegible].

The new Junior Membership feature was installed this year to "get more young life and young adults into the club" according to Baker.

Membership fees will entitle members to use all club facilities including golf greens, and to attend three to four social functions planned for the current year.

New features at the Country Club this year include a new game room in the clubhouse and new furniture and rearrangement of the clubhouse.

The club also has made arrangements to build two new shelterhouses on the greens.

An Ice Breaker Dance is slated for May 2 for all the club's new members.

South High Rose Prom Scheduled For May 8

The South High School Rose Prom will be held May 8 from 9 to 12 in the school gym. Tickets are $2.50 per couple and can be bought from any Y-Teen cabinet member. Tickets will not be sold at the door.

The theme for the only semi-formal dance will be "Roses In Springtime." The color scheme that will be carried out will be American Beauty red, and shell pink. Furnishing the music will be Bob Jelley and his orchestra.

South Side Cab Driver Helps Police In Arrest

Leisure Time Club will sponsor a square and round dance on Apr. 10, from 8 to 11 p.m., at Whetstone Recreation Center. Lloyd White will be caller.

The club is for single men and women between the ages of 35 and 59.

New members are invited to apply at the center, 3923 N. High-st.

SOUTH WINS 20-4

South High School Monday pounded the offerings of four Eastmoor pitchers to hand the Warriors a 20-4 lacing at the East Side School's diamond. Jim Cordell led the Bulldog's 12 hit attack with a triple and a single.

WELSH WOMEN MEET

Women's Welsh Club will meet Friday evening, Apr. 10, at the home of Mrs. E. I. Evans 227 E. Tulane-rd.

Community Night

Continued from Page 1

Siders instrumental in organizing the South Side's first Community Night are Howard Henry, president of the Council of South Side Organizations, "Cap" Hoover, executive secretary of the South Branch of the YMCA, and James Wagner, assistant executive secretary of the "Y".

William Dunbar and Edward Deis are co-ticket chairmen for the event, and Howard Storch is treasurer. Richard Pavlik and Wagner are in charge of publicity.

SSS Plans

Continued from Page 1

ed out a program whereby part of all the fee can be earned by saving sales tax stamps or selling candy bars.

Twelve dollars credit will be credited to youngsters accumulating $400 worth of tax stamps. To sell candy bars, aspiring campers must have their parents or guardian sign an agreement with SSS for the responsibility of turning in receipts of sales.

Currently on the agenda for the Settlement is finding three senior boys and girls to consel the campers during their activities. At least one year of college is preferred by SSS directors, and any interested college students may contact Miss Bucke at the Settlements to inquire into the program.

A native of Harrisburg, Pa., Miss Bucke heads a staff of four full-time and three part-time SSS administrators. Their daily workload consists of planning and directing the activities of 952 members of the South Side Settlement.

Miss Bucke has been director of SSS for three years and has been affiliated with the Settlement for almost 13 years. A 1946 graduate of Baldwin-Wallace College in Berea, O., she did social work in Cleveland for six years before coming to Columbus.

Guide Forms Booklet

Again in this issue, subscribers to the six Hartley newspapers will receive a weekly guide to the top television program on all four Columbus area stations. To fold the page into a handy booklet, follow these simple instructions: Taking the page as it is presented in the paper, fold it vertically in half. Then fold the top of the page to the bottom twice until the front page of the section appears. The first three days then follow in order. By turning the page over, the other four days appear.

The Gadabout

Priscilla LaRue Lanoe
HI. 4-7881

A fifty-fifth wedding anniversary on Mar. 27 was the occasion for a surprise family get-together for Mr. and Mrs. Andrew Paskell, 171 E. Markison-av. Seventeen members of the family honored the senior Paskells with a dinner on this milestone in their life.

In addition to Helen Fisher's illness (which caused her to spend some time in St. Anthony's Hospital) we also have another hospital patient for this week's ailing list. Orla Hysell, 1482 Lockbourne-av, was in University Hospital at the time we wrote these words. Sue Thompson, 771 S. 22nd-st, should be returning to Hiram College this week-end, after recuperating from an Eastertime illness. Sue, a 1958 South High grad, is now a freshman at Hiram.

April birthdays are those of Ted Day, 489 Southwood-av, and Twila Carter, 1214 Bruck-st.

Auxiliary No. 17, Sons of Veterans of the Civil War, will meet Tuesday, Apr. 14, for a noon luncheon at Veteran's Memorial Hall. In addition to the covered dish luncheon, games will be played. Those attending are requested to bring their own table service.

HAPPY BIRTHDAY

Birthdays in the early Spring days are these: Ray Mills, 1634 S. High-st, Apr. 15; Janet Richards, 319 Southwood, Apr. 12; Saundra Dennis, 20 E. Moler, Apr. 4; Susan Olney, 55 Southwood, Apr. 12; Michael Jack, 62 E. Welch, Apr. 13; Sharon Fillinger, 268 Jenkins, Apr. 10; Martin Komives, 406 E. Jenkins, Apr. 12; Judy Waugh, 79 Woodrow, Apr. 12; William Jordan, 1638 S. High-st, Apr. 14; Michael Jones, 268 E. Moler-st, Apr. 10; Larry Snyder, 175 E. Deshler-av, Apr. 7, and Carol Turner, Apr. 13.

St. Mary's PTA meets tonight at 8 p.m. Guest speaker Rev. Fr. James Crombie, of Aquinas, will talk and show slides on "Shroud of Turin." Classrooms will be open at 7:30 p.m.

The 23rd annual Music Festival of the Columbus Public Schools will be held tonight at 8, in St. John Arena, on the Ohio State Campus. A 3,000-voice echoir and instrumental group will present "The Battle Hymn of the Republic" as the highlight of the program. Profits from the performance are used to purchase eye-glasses, etc. for needy pupils by the Columbus Council of Parent Teacher Association. The Parent-Study Group of Southwood School will meet Wednesday, Apr. 15 at 8 p.m. The Southwood Patrol Boys will be honored. Officer Steve McDonald will give as his topic "Laws Children Ought to Obey."

Rev. and Mrs. Edward Cherryholmes, of Ypsilanti, Michigan, were week-end guests of Rev. Cherryholmes' parents, Mr. and Mrs. Joseph Cherryholmes. The elder Cherryholmes are residents of 618 E. Markison-av.

Club and church activities for the week . . . Gates-Fourth Methodist WSCS Mary-Martha Circle, 10:30 a.m. today Plans will be completed for the May 12 rummage sale. A casserole noon luncheon will be held. The General Society will meet at 1 p.m., today. Ruth Circle will meet at the church, 7:30 p.m. on Apr. 14, for a demonstration party. The young women's Circle will meet Apr. 14, at 7:30 p.m. in the home of Mrs. John Cordray, 946 Linwood-av. Circle 12, St. Francis School of Nursing, will meet at 8:30 tonight for dessert and bridge. Hostess will be Mrs. Leo Dietlin, 430 Stewart-av.

White Cross Guild 31, Livingston Methodist Church, meets at 10 a.m. today in Henderson Hall. St. Ann's Guild 28 will meet at 8 p.m. Monday, Apr. 13, in the home of Mrs. Robert Priest, 1563 S. 6th-st. Plans will be made for the May 9 bake sale to be held at the Majestic Paint Store. St. Ann's Guild 15 will meet Apr. 14, 8:15 p.m. at 640 S. 22nd-st, home of Mrs. D. W. Nicholson. St. Ann's Guild 38 meets tonight at 8 p.m. with Mrs. R. Dury, 773 Reinhard-av.

Trudeau Guild 17 will meet at 8 p.m. Monday Apr. 13 at 578 E. Gates-st, home of Mrs. August Krause. A demonstration will be featured. The Practical Nurse Association, Division 12 will hold its Birthday dinner, Tuesday Apr. 14, at 6:30 p.m. at the YWCA. They have been kind enough to invite ye Gadabout to attend this special affair.

RUMMAGE SALE

The Mother's Variety Club will hold a rummage sale, Friday, Apr. 24, and Saturday, Apr. 25 at 346 S. 4th-st. They would appreciate contributions of rummage and will arrange to pick up any and all donations. The members to contact are Mrs. Clifford Berger, Ca. 4-1058, or Mrs. Ed Klein, Hi. 3-5504.

A belated greeting to Edna Strauss, 463 Gates-st, for the March birthday. Birthdays to be observed between this week's Leader and the next edition are those of old Long and Lanky, Don Dickie, Capital University junior, and Dora Dayton, Southwood PTA president, both Apr 9. Dorothy Whitacre, better known as "Dottie" in these pages, and Jane Deible, both share an Apr. 12 birthdate. Don and Martha Thomas chalk up another year of wedded life on Apr. 11.

The Jolly Joes, a social group that does a fine job of spreading cheer, celebrated Easter by presenting a basket of groceries to a deserving family. We salute them for their thoughtfulness.

NEW BABY

A new little boy brightens the home of Mr. and Mrs. Bill Day, 3071 Lockberry-ct. His natal day was Mar. 27.

The publicity chairman of South Methodist asked us to remind members of that group that the meeting time has been set up to Thursday, Apr. 16. The regular Apr. 23 meeting date will find the members busy with the Steak Supper, which we'll discuss more fully in a later edition.

Marilyn Young, our Chapter 206, Women of the Moose correspondent, sends us these communiques: The Homemaking Committee will have their Chapter night program tonight at 8 p.m. Chairman Elizabeth Seemueller will present the "5 Little Cookies," in several dance numbers. The "Cookies" are Bonnie Cook, Sue Dumfee, Sharon Blake, Linda Smith and Marsha Kerran.

REGENT PRESIDES

Senior Regent Mildred Pierce will preside over the enrollment ceremonies. All members of Chapter 206 will participate in an enrollment meeting in honor of Kathryn Smith, Grand Chancellor, on Sunday, Apr 12 at 2 p.m. at the Worthington Lodge, 1427. Senior Regent Pierce, with her officers and co-workers, will preside over the closing of this function.

The Homemaking Committee of Chapter 206 will sponsor the weekly dinner Wednesday, Apr 15, from 5 to 7 p.m. at 36 W. Sycamore-st. Chairman Elizabeth Seemueller and her committee will serve stuffed pork chops, dressing, mashed potatoes and gravy, applesauce and sherbet. Adults pay only $1, children, 50 cents. The 10th annual Moose show will be held Apr. 16 and 17, at the Moose home, at 8:30 p.m. We'll give fuller details next edition.

GUILD DANCE

The Needle and Thread Guild of Hungarian L and R Church will sponsor a Spring Dance this Saturday, Apr. 11, from 8 to 12, at the Croatian Hall. Both Hungarian and American music will be played by the orchestra of Mickey Kovacs. Door prizes will be given, and food and refreshments will be available. We were quite interested in learning that homemade Hungarian sausage, called kalbas, will be available, as will the tasty nut rolls, (called kalacs in the Hungarian language). The public is invited to attend. Prices are 85 cents for adults, 50 cents for teen-agers, and no admission charge for children under twelve. Co-chairmen of the Spring Dance are Mrs. John Komives and Mrs. Andy Fuleki.

The members of the Needle and Thread Guild will hold their monthly meeting next Tuesday to receive reports on this Saturday's dance. The meeting will be at 8 p.m. at the church. Hostesses will be Mrs. Steve Butsko, Mrs. John Gadnai, Mrs. Benjamin Chorba and Mrs. George Bockoras. Mrs. Emil Almay is president of the Guild.

The Mother's Club of Job's Daughter, Bethel 5, will meet Tuesday, Apr. 14, at 7:30 p.m. in the home of Julia Spurgeon, 1683 Kossuth-st. Assisting the hostess will be Jean Tipton and Edith Martin. Clara Ann Seman is the president of the Mother's Club..

Work Starts On Hospital Center, Clinic

Work on the new Lincoln Memorial Foundation Research Center and Clinic has been started with Dr. Richard L. McFarland, 289 E. State-st, as medical research director, pro tem.

Facilities for the research work have been set up in a wing of Lincoln Hospital, E. Livingston-av. Plans are to make the Lincoln Memorial Clinic the best of its kind in the midwest.

Arrangements have been made with airlines and helicopter services so that patients may be flown directly to the hospital grounds from any point in the country.

Leon McReynolds, advertising manager, Jeffrey Manufacturing Co., has been named chairman of the Lincoln Memorial Fund Board of Trustees.

In addition to public subscriptions to the fund, the committee has made application to the Hill-Burton Fund for one-million dollars.

Auto manufacturers are experimenting with muffler - like devices fitted with afterburners that burn most of the air contaminants found in exhaust gases. Purpose: clearer, cleaner air for high-density traffic areas.

Goodwill Industries Depend On Local Collection Booths

Officials of Goodwill Industries this week praised local residents for their contributions of discarded articles via neighborhood collection booths.

Rev. George Morey Evans, executive director of Columbus Goodwill Industries, said "the overwhelming endorsement given the Industries recently by the Academy of Medicine in its survey of voluntary health agencies was largely a result of cooperation of patrons of the collection booths."

The academy report noted that the agency requests only a small amount of its total budget needs from the public. The rest of the money comes from the production of handicapped workers.

"Only as the public continues to save discarded materials for Goodwill trucks, or places smaller items in the booths, can Goodwill Industries continue to pay wages to these handicapped," Rev. Evans added.

The collection booth which Goodwill Industries has placed in The Great Southern Shopping Center is proving to be a great help to these workers," Rev. Evans continued. "It provides an unending supply of materials from which handicapped workers fashion useful articles for sale."

Expressing himself as highly pleased with the way the Goodwill Booth is being used was Rev. Paul Kaefer, popular South Side pastor.

"As one who is vitally interested in what Goodwill Industries is doing in the field of rehabilitation, I am happy to know that this simple method of collecting useful discards, is being used so extensively by our citizens," the St. Paul's Evangelical and Reformed Church pastor said. "I look upon Goodwill Industries as the church in action, teaching cooperation, democracy and stability through the inspiration of religion and employment."

The Columbus Academy of Medicine recently gave Goodwill industries "overwhelming approval" in its study of agencies supported by contributions from the public.

FOODARAMA

by **Kelvinator**

IMAGINE! A 12 cu. ft. Deluxe Refrigerator and a 6 cu. ft. Upright Freezer all in a cabinet only 41" wide, 63" high and 25" deep.

THE FINEST FOODKEEPER EVER DESIGNED FOR YOUR KITCHEN . . .
18 CUBIC FEET OF UNMATCHED CONVENIENCE

FOODARAMA IS SPACE SAVING . . . There's nothing to match it anywhere! It's a six cubic foot upright freezer combined with a deluxe 12 cubic foot automatic defrosting refrigerator in a space only 7 to 10 inches wider than other, much smaller refrigerator-freezer combinations.

FOODARAMA HAS UNMATCHED CONVENIENCE . . . 207 pounds of frozen storage capacity in its 6 cubic foot freezer as compared to freezers only half as big in most refrigerator-freezer combinations. Foodarama's full size shelves, ideally spaced, glide out at a touch. The waist-high Cold-Mist Freshener replaces old-style "stoop-over" crispers.. The new Package Pantry, the Butter and Cheese Chests and all of the other deluxe features make Foodarama more convenient to use than ordinary refrigerator-freezer combinations.

FOODARAMA IS BEAUTIFUL . . . Modern . . . compact and functional . . . Choice of colors — white - pink - yellow - turquoise.

Guidance Meets At Barrett Are Open To Parents

Parents of eighth grade pupils at Barrett Junior High School are invited to attend assemblies slated during the week of April 13-17 for the sake of information and guidance concerning the next four years of high school.

Pupils will know in advance the time and place of their meetings and can give this information to their parents.

Choices of courses and subjects will depend on pupils' interests, desires and abilities.

Ninth grade assembly was held Thursday, April 2, Principal Kenneth Olbert and J. C. Drenning spoke to this assembly.

Students met with Delbert Swain, principal of South High School on April 7 to make final decisions on what subjects to take in their chosen course of study.

Seventh grade students met Wednesday, April 8. Students with ability, aptitude, a recommendation from teachers, and a record of good performance qualify for taking algebra and a foreign language in the eighth grade, with ninth grade credit.

South Optimists Nominate 13 To Run In Election

The Optimist Club of South Columbus this week nominated 13 members to fill seven Optimist Club terms up for election Apr. 23.

Optimists nominated for offices are:

President: Robert Grace and Ray Warton.

Vice president: Fred Erfurt, Dr. Carl Fillinger, Ray Shaffer, and Charles Whitacre. The two highest nominees will be elected.

Treasurer: Dr. Harry Schadler.

Board of Directors: three of which will be elected for a two year term: Willard Bennett, Marvin Blessing, Jim Cavin, Ralph Hanna, Louis McBride, John Miklos.

Club directors last week also expressed their thanks to members "Slim" Jones, Ray Warton, and Jim Hildrenbrand for the trio's work in the recent License Tag Project. More than 2,300 tags were sold during March, with proceeds going into the club's treasury.

Marion-Franklin Graduate Plays Army War Games

Army Pvt. Jerry L. Crawford, son of Mr. and Mrs. Luvene M. Crawford, 286 Marilla-rd., Columbus, recently participated with the 101st Airborne Division's 327th Infantry in a field training exercise at Fort Campbell, Ky.

The exercise consisted of the airlifting of troops to execute a simulated airborne assault under atomic and chemical-biological-radiological warfare conditions.

The 101st Airborne Division, a major Strategic Army Corps unit, constantly maintains an immediate readiness force for airborne deployment to any area in the world. The first company can be ready for departure within two hours after receiving an alert. A second company can be ready to follow in one hour. Within six hours, a reinforced battle group of 1,700 men can be airborne.

Crawford, an automatic rifleman in the infantry's Company A, entered the Army in August 1958 and received basic combat training at Fort Knox, Ky.

The 18-year-old soldier is a 1958 graduate of Marion-Franklin High School and was employed by Charles D. Merrill Books Inc., Columbus, before entering the Army.

TB Funds Drop In '58

Total contributions to the 1958 Christmas seal campaign amounted to $169,033, as of Apr. 1, the Tuberculosis Society announced.

Although the seal sale officially ended at Christmas time, all money received until April, the end of the society's fiscal year, is included in the grand total.

1958 contributions dropped two percent below the amount raised in the 1957 campaign and were 5.5 percent less than the goal of $200,000.

Office Memorandum

To: Mrs. X. Typist

From: Battelle Institute

Now that the children are older and the thousand and one demands on your time as a mother and housewife have diminished, maybe you, too, have thought about returning to office work. You undoubtedly recall the personal satisfaction you derived from doing good work; the zest of the fast moving, changing office pace; the thrill of payday.

You can enjoy these experiences again.

Why not come in to see us now? If you were a proficient typist before, a brief amount of PRACTICE AND RETRAINING, AT FULL PAY, will bring your skill right back again. We believe you'll like our location, hours of work from 8:00 A.M. to 5:00 P.M., Monday through Friday, attractive physical surroundings and exciting meaningful work. The personnel office is located at 505 King Ave.

TOP STUDENTS—The three Barrett Junior High students, pictured above, paced the school scholastically during the recent grading period by making straight "A's" in all subjects. The students, from left to right, Steve Shawen, Jeri Hampton, and James Lyle, topped 63 B.J.H.'ers who won Honor Roll status and 43 who placed on the Merit Roll.

Barrett Junior High Places 146 On School Honor, Merit Rolls

Three Barrett Junior High students received perfect all "A" report cards in the school's latest grading period which ended Mar. 23, to lead a total of 146 Barrett students who received Honor and Merit Roll recognition.

The three students who received perfect grade cards were Steve Shawen, 503 Southwood-av, Jeri Hampton, 190 E. Jenkins-av, and James Lyle, 408 Thurman-av.

Sixty students made all "A's" and "B's" to win places on the Honor Roll, while 43 others maintained a "B" average by receiving grades with only one "C".

The 60 Honor Roll students are in alphabetical order:

Louise Adams, Linda Acker, Rebecca Berry, Elaine Charles, Geraldine Cooke, Sherri Dupree, Barbara Davis, Linda Deweese, Jane Daniels, Kay Davy, Barbara Drum, Janet Endicott, Keith Fillinger, Thomas Flocken, Gail Foulk, Sharon Fry, Dennis Ferrell, Linda Fetty, Frank Godorhazy, and Cecellia Ginther.

Humane Society Urges Dogs Be Re-Immunized For Rabies

The majority of dogs in Columbus and Franklin County are to be re-immunized against rabies during the months of April and May.

Mr. Thomas C. Justice, General Manager of the Humane Society of the City of Columbus, advises owners to co-operate with the compulsory rabies immunization regulations as adopted by the Boards of Health of Columbus, Franklin County, Grandview Heights and Upper Arlington. All dogs must be immunized and reimmunized every twelve months.

If rabies is once contracted, death ensues, unless lengthy, painful treatment is begun immediately. The only known method to control the disease is to control dogs. It is only good judgment for dog owners to conform to the immunization regulations, for the protection of their dogs, the families, and the community.

Mr. Thomas C. Justice states that the Humane Society is busy mailing out reminder notices to dog owners to the effect that their pets must be re-immunized against rabies. A policy of monthly reminder notices is maintained by the Society as a service to the dog owners.

The health regulations and dog laws of the State of Ohio should be conformed to as a protection for the dogs and the whole community.

South Thinclads Dump Eastmoor 87-31 At South

Jim Marshall, South High School basketball ace, exchanged his pair of rubber soled shoes for a set of spiked ones last week to lead the Bulldog's track team to a 87-31 victory over Eastmoor at the Ann-av field.

Marshall accounted for 20 of his teams total points as he won the high hurdles, broad jump and high jump.

The Bulldog's Jerry Daily heaved the discus 140 feet 10½ inches and South pole vaulter Jim Ocker cleared the bar at 10 feet and 10¾ inches as the South Siders copped 10 out of a possible 14 first places.

South Sider Completes Army Engineer Course

Army Pvt. John L. Hanson, son of Mr. and Mrs. J. S. Hanson, 738 S. Champion-av,, completed the engineer foreman course Mar. 17 at Fort Leonard Wood, Mo.

Hanson was trained to plan and supervise construction, demolition and engineer maintenance operations. The 17-year-old soldier received basic training at Fort Knox, Ky. He attended South High School.

Marionettes Are On Program Of Beery PTA

George C. Berry Junior High School PTA will hold its final meeting of the year, Apr. 14, at 8 p.m.

Glenn Bittner, a teacher at the school, is chairman of the program for this meeting. The entertainment for the evening will be "Marionettes on Parade."

There will also be election and installation of officers for the following year.

South Sider To Collect Formals For Needy Girls

Elizabeth Smith, of 300 Williams-rd, announced this week she is trying to collect good used "dressy dresses" and formals to give Alene Boyenton, a juvenile court worker.

The dresses are to be given to girls who are from broken homes, or homes where there may be illness, and where it is impossible for the parents to give such things to their daughters. Some of these girls are seniors in high school and have a need for formal attire to attend school functions. Mrs. Smith will pick up any donations and may be contacted at HI. 3-1184.

Methodist Men's Club Plans Pickerel Dinner

Methodist Men's Club will sponsor a pickerel dinner at Oakwood Methodist Church,, 684 Oakwood, Apr. 15, 5 to 7 p.m.

Fish will be fried by Kit Carson. Adult tickets are $1.25. Tickets for children under 12 years of age are 85 cents.

HONOR CHANCELLOR

Women of the Moose Chapter 206 will participate in an enrollment meeting in honor of the Grand Chancellor, Kathryn Smith, on Sunday, Apr. 12 at 2 p.m. at the Worthington Lodge, 1427. The Senior Regent of Chapter 206, Mildred Pierce and her officers and coworkers will preside over the closing.

CELEBRATE BIRTHDAY

The 42nd birthday dinner of the Women of the Moose Chapter 206 will be held on Sunday Apr. 19 with an open meeting starting at 2:00 p.m. Enrollment of new candidates will be on the agenda, followed by a banquet in the club room at 5:30 p.m. Charge is $1.50 and the banquet is for Moose members only, with the Loyal Order Number 11 as hostess. Music will be by Rags Anderson and his orchestra.

Order Of Orioles Conducts Officer Program Sunday

Ladies' Auxiliary of the Fraternal Order of Orioles will have their installation of officers Sunday, Apr. 19, at 3:30 p.m. at the Southern Hotel.

Officers to be installed are LaVerne Rogers, president; Marvene Matthews, vice-president; Josephine Davis, past president; Genie Wells, chaplain; Jane Bland, recording secretary; Myrtle O'Brien, financial secretary; Nellie Osborne, treasurer; Dorothy Smith, warden; Helen Doone, marshall; Gertrude Retherford, inner guard, and Grace Wellman, outer guard. School Music Director Forms 'Have Horns Will Travel' Band

Ambitious and talented music minded South Side boys and girls sometimes feel that exciting musical careers of great personalities like Harry James, Van Clyburn, Duke Ellington, etc., may be very hard to equal "the way things have been going."

Other youngsters who play just-for-fun sometimes feel that music is mostly lessons and practice — and never performance with a group before an audience.

The footsteps of Harry James are big ones, were taken with long strides, and are very hard to follow. But there are other opportunities and footsteps — a lot of them right here in the South Side where schools, organizations and clubs have need for musical interludes in their programs and events.

The sign "Have Horns Will Travel Short Distances In The South Side" is out in most schools — put there by the musical directors who welcome performance opportunities for their kids.

Eugene Ewell, an instructor and director of music for the Columbus public schools, explains the purpose this way: "It develops 'espirit de corps', gives us a target to which we can arrange rehearsals, and helps to polish individual performance."

"The kids like it," he said. "The chance to play as an ensemble is very necessary for musical education."

Ewell teaches at Smith Road, Scioto Trail, and Clarfield Elementary Schools, George C. Beery Junior High, and Marion-Franklin High School. One of his "learning but will travel bands" is made up of youngsters from George C. Beery School.

A few weeks ago, Ewell and Michael Lower, the school's principal, brought the boys and girls to Reeb's Restaurant for a noon luncheon musical for the benefit of Southern Kiwanis Club.

The results? . . . Excellent. Most of the youngsters were first year players — getting the opportunity so many teachers and young musicians want.

STOCKBRIDGE ELEMENTARY SCHOOL TO BE COMPLETED BY SEPTEMBER

NEW ELEMENTARY—Construction of the 12-room Stockbridge Elementary School, 3350 S. Champion-av, will get underway in the near future and is expected to be completed in time for September enrollment. Plans were designed to permit expansion of the building to 22 classrooms and a multi-purpose room, should future needs demand. Portion of the building to be constructed immediately is shaded in black on the architect's sketch. Lighter area outlines future expansion. David Schackne, Jr., school architect, designed the building.

ART EXHIBIT—Hans Rietenbach, center, Beery Junior High art teacher is shown with two of his top students and their works in preparation for the school's second annual art exhibit. From left to right, Jan Wisecarver, Rietenbach and Charles Almon.

Beery Junior High Art Club Presents Annual Art Exhibit

The George C. Beery Art Club, under the guidance of Hans Rietenbach, art teacher, and Fritz Stimpfle, president, has again prepared a fine exhibit of student work for the school's second annual art exhibit. A wide range of art work is on display, with the approach varying from the realistic to the abstract.

The paintings are hung in the breezeway, the hall, and in the art room of the school.

Several paintings of outstanding merit now on display are: Fritz Stimpfle, "Old Barn"; Jan Wisecarver, "Flowerpot at the Window"; Clifford Mathews, "Horses in the Field"; Clarence Missick, "East Broad Street"; Paul Martin, "Still Life With A Book."

Arden Howard, "Pitcher with Prints"; Robert Stewart, "Party"; Joyce Irick, "Still Life In Green"; David Beck, "Horn"; Bonnie Seymour, "Still Life With Pears"; Connie Crabtree, "Room"; Sondra Smith, "Window Scene."

Roger West, "Strawberries"; Hershel Argo, "Wall with Clocks"; Charles Almon, "Portrait of a Girl"; Billy Dycus, "Eagle"; Burgess Delong, "Open Window"; Maureen Kelly "Bottle with Pears."

In the field of sculpture, the following pieces merit special attention: Charles Jones, "Horse"; Robert Knapp, "Black Cat"; and Fritz Stimpfle, "Deerhead."

Besides the work on the exhibits, the members of the Art Club have been making hand puppets. Beery's Industrial Arts Department, under Ralph Bieber, helped frame many of the pictures for the exhibit.

Two Signal Installations Approved By Traffic Heads

The city traffic commission voted 3-1 this week for installation of traffic signals at S. High and Southgate-av, and at E. Broad-st and New Albany-rd.

The decision favoring the installation of the two lights overruled a recommendation against the action by Traffic Engineer John T. Gallagher.

Gallagher warned that bowing to local pressure from groups in the two areas may make the intersections more dangerous.

He sighted an instance where a light was installed at Williams-rd and High-st over his objections and later a child was struck by an auto in the intersection.

Capt. Wade Knight, police traffic chief, argued for the signal to safeguard children from Southgate School, located at the intersection.

Commission member Warren Cremean backed Gallagher's stand that overhead yellow flasher lights, already being installed, would be a better safeguard than a regular signal.

Gallagher promised to have a signal plan ready by Apr. 21 for the Broad-st-New Albany-rd intersection, the secne of two traffic deaths thus far this year.

His plan will include provisions for the Western Electric Plant entrance and several nearby intersections.

In other action the commission backed Gallagher's recommendation to reject a request for a signal at Stewart-av and Jaeger-st.

Pilot Club Installation Slated Apr. 21

Installation of newly elected officers of Pilot Club of Columbus will be held Tuesday, Apr. 21st, in the Patio Room at Fort Hayes Hotel. Pilot is one of the five international classified service clubs for business and professional women. The Columbus Club now has a total of 43 active members.

The new officers are president, Mrs. Helen Benedict, 2607 Brandon-rd; 1st vice president, Miss Eleanor Nims, 147 East Deshler-av; 2nd vice president, Mrs. Margaret Carroll, 405 Oak-st; recording secretary, Miss Evelyn Ward, 48 West California-av; corresponding secretary, Mrs. Vera Marshall, Chittenden Hotel; treasurer, Miss Amelita Mirolo, 2516 Onandaga-dr; directors, Miss Marguerite Buel, 2550 Canterbury-rd and Mrs. Geraldine Blumer, 287 Brighton-rd.

Miss Marguerite Buel, retiring president, will conduct the installation ceremony.

South Slates Annual Sports Banquet Monday

The South High School Annual Sports Banquet will be held on Monday, Apr. 20, in the school's gymnasium.

The cheerleaders, all boys participating in reserve and varsity sports, and all GAA members are eligible to attend.

The evening will consist of recreation, a meal, and presentation of awards. The new GAA officers will be announced and cheerleaders will receive a statuette of themselves.

The affair will be informal, the participants wearing sports clothes. Admission is $1.

South High Bells Singing Group Hope To 'Ring Up' Hit Record

Three senior girls at South High School spun into local prominence this month with the release of a record called "Tribute To Three Friends," on the BEAT label.

The girls recorded the song as "The Belles," late in March. It was written by Don Suriano and a South Side man Dave Segel, 1049 Oakwood-av, who both had known personally, three rock and roll vocalists who lost their lives recently in an airplane crash.

The writers have written and produced other songs including "Ectasy."

None of the girls had sung together as a vocal trio before, although all have been active in music groups at school.

They recorded this song at the request of Mary Frances Winchester, South High music instructor who had been asked by the writers to get them a singing group.

All three girls hope to go on to college after graduation this June. Esther plans to go to Capital University and is yet undecided on her major. Carol hopes to major in music at Ohio State University, while Judy plans to study education there.

PROUD OF RECORD—Judy Girard, Carol Sharp and Esther Hepner pose with a copy of their new recording "Tribute to Three Friends," written by Don Suriano and Dave Segel. The record, at last report had placed No. 38 on a local radio station's hit parade.

Schiller Recreation Slates Annual Fun Fair April 17

Boys and girls of the South Side will be able to "step right up and take home a prize" at Schiller Recreation Center on Friday, Apr. 17, when the annual Fun Fair will be held from 4 to 8 p.m.

There will be booths, barkers and lots of prizes to help the youngsters have a good time.

The Fun Fair will be sponsored by the Columbus Recreation Department; there will be no charge for admission. Stands, concession and entertainment will use paper money which may be purchased for pennies.

Some of the old favorites, plus some new ones to be included on the Schiller Midway are: spill the milk bottle, penny toss, ring toss, knock down the doll baby, dart throw, skill ball, bean bag toss and home-made fudge. Also, there will be Madame Toussand's wax-works (in replica) and a fun house.

The high-light of the day's activities will be the "sock-hop" dance in the evening from 8 till 11 p.m. featuring the music of Bob Huskey and his band, which is being furnished through the courtesy of the Columbus Federation of Musicians and the Music Performance Trust Fund.

There will be no charge for admission to either of these affairs and both are open to all residents of the community.

City Council Approves South Side Zone Appeal

Columbus City Council Monday night approved a request to rezone an area on Ann-st between Monroe and Raymond-st to commercial to permit the Franklin County Society for Crippled Children to build a cerebral palsy center.

Charles Schwenker, president of the Easter Seal agency, said the proposed new building would be part of the overall Children's Hospital complex.

WCTU MEETS

The Linwood WCTU will meet at the home of Mrs. E. E. Nietz, 989 S. Ohio-av, Tuesday, Apr. 21, at 1:30 p.m.

International Kiwanis Moves In New Quarters

The General Office of Kiwanis International moved into new quarters—the just-completed Kiwanis International Building at 101 E. Erie Street in Chicago—on Friday, March 20, it was announced by Albert S. Justus, president of the Kiwanis Club of Southern Columbus.

All 115 of the international service organization's general office employees will be housed in the new million dollar structure. From this building 4600

SENIOR PLAY — Members of the cast of South High School's Senior Play, "One Foot in Heaven," pictured above, will combine their talents tomorrow night, Apr. 17, in the school auditorium to present Hartzel Spence's popular three-act comedy-drama. Pictured above during a break in rehearsals are, left to right, Dave Colburn, Sandy Brown, Priscilla Fricke, Roger Brown, Paul Watters, Pat Baily, George Oakley, Barbara Vannay and Linda Chamberlain. Proceeds from the play will go to the senior class.

South High Slates Senior Play April 17

The sentimental comedy, "One Foot In Heaven," taken from the novel by Hartzell Spence, will be presented by the South High School Senior Class, Friday, Apr. 17, at 8 p.m. in the school auditorium.

The story revolves around the problems facing a minister, Rev. Spence, and his family when they move into their new parish in Laketon, Ia. On the families arrival the Reverend finds a run-down parsonage, a church on the brink of disintegration, and a congregation that is split into several unharmonious groups.

As if his parish isn't causing him enough trouble, Rev. Spence's life is further complicated with the two budding romances of his children. One centers around his son, Hartzell and a pretty girl named Louise. The other concerns his daughter, Eileen, and the town's high school football captain.

Rev. Spence's struggle to build a new church brings his congregation together eventually and leads to a surprise ending on an inspiring and yet laugh-packed, evening's entertainment.

Members of the cast include Rev. Spence (Paul Watters); Mrs. Spence (Sandy Brown); Hartzell Spence (Don Ball); Eileen Spence (Judy Fairman); Louise (Anne Ferrel); Maria (Rosalyn Kirkel); Molly (Priscilla Dicke); Ronny (Dave Colburn); Letty (Anna Bohl); Dr. Romer (Roger Brown); Mrs. Sandow (Mary Beth Withacre); and Major Cooper (Kurt Herman).

Don Phillips, South dramatics teacher, is in charge of the production, with Linda Chamberlain as student director and Shirley Carrel as stage manager.

PLAN DINNER

The officers of Chapter 206, Women of the Moose, will sponsor a dinner on Wednesday, Apr. 22, from 5 to 7 p.m. at 36 W. Sycamore-st. Senior Regent Mildred Pierce and Graduate Regent Dorothy Jolly will serve swiss steak, mashed potatoes and gravy, peas, slaw, pie and coffee. Donations are, adults $1 and children 50 cents.

MEETING POSTPONED

St. Leo's PTA meeting has been postponed until Thursday, Apr. 23, at 8 in the school hall. There will be election of officers. Guest speaker will be Father Dobbs. Classrooms will open at 7:30 for the parents to visit. Refreshments will be served.

BAKE SALE PLANNED

Alum Crest Hospital, Sunshine Guild No. 1, will sponsor a bake sale all day Saturday, Apr. 18, at the Majestic Paint Store, at Whittier and Parsons-av.

GO TO BAT FOR SOUTH SIDE YOUTH

SOUTH SIDE SWINGERS—Four leaders in Planning South Side Community Night, Wednesday, May 20, are shown going to bat for South Side youth at Jet Stadium shortly before the Jets opened their season Tuesday night. Proceeds from Community Night will go to youth, with 50 cents from each ticket sold going to youth groups selling tickets. Proceeds from tickets not sold by youth groups will go into a general fund for distribution to South Side youth. Pictured above are, from left to right, Howard Henry, South Side YMCA; Howard Storch, South Side Business and Industrial Association; Buck Santanich, St. Stephens Community House; and Gilbert VanSickle, South Side Settlement.

Revere's Ride Library Topic On Saturday

"The Midnight Ride of Paul Revere" will be the topic of the 10.30 a.m. story hour at the Main Columbus Public Library, 96 S. Grant-av, Saturday, Apr. 18.

A sound-color film by that name will precede telling of a story based on a mythical interview with the horse on whose back the patriot rode.

Mrs. Emily Carpenter, assistant children's librarian, said that the book from which she will take her story is "Mr Revere and I" by Robert Lawson.

The session is open to elementary age youngsters from all over the city and parents are welcome, added Mrs. Carpenter.

BIBLE COMMENT

Resurrection Marks Start Of Churches

With the miracle of the Resurrection of Jesus still fresh in our minds, it might be well to think of the concurrent miracle of the transformation in the lives of men — through founding of the Christian Church.

For it is in the miracle of the Resurrection and its effect on the lives of the disciples that the founding of the church began to take place.

Its true founder, of course, is Jesus, and the church is founded in His life and teaching.

Its charter is the Sermon on the Mount, and its mission and purpose of the preaching of the good news concerning the gospel of God's love and grace.

But it is the Resurrection that brings the life and teaching of Jesus to its triumphant moment in the lives of those who go forth to preach that gospel in all ages.

If we would see the church strong in our time, we must relive the experiences of the apostles in our memories and hearts and, from them, take a new strength to live our lives as Christians.

Beery Junior Highers Plan Ahead For School Programs

Eighth-graders at George C. Beery Jr. High School are currently busy with the complications and decisions of registering for high school.

The pupils ask questions ranging from "What must I take?" "What are high school subjects like?" and "Which are the hardest?" to "What should I do after high school?" and "Which program would do me the most good — the vocational, business, or academic?"

The novelty and seriousness of the task are balanced by the time and effort spent by the pupils, teachers, friends, and parents, who are working together on the job.

Two weeks are being devoted in the English-Social Studies classes to a vocational unit, "Planning Your Future." Though many of their plans will be changed, the school feels that it is not too early for the students to think seriously and intelligently about their educational and vocational futures. It is hoped that the study will stimulate planning, instead of drifting, through high school and their work after high school.

Films are used to study different occupations and the qualities needed to hold a position. Three speakers,. Dr. Beryl Oser, doctor of internal medicine, William Zimmerman, an account executive, and Virgil Dean, assistant manager from City Loan spoke to the eighth-graders in three different assembly programs. Students are urged to talk to people holding positions that interest them.

The education and personal qualifications needed for different occupations are stressed. The eighth-gra... try to form a true picture of themselves; they ask teachers and parents to rate them on neatness, self-confidence, friendliness, getting along with others, dependability, self-control, and courtesy; they also rate themselves on the qualities.

Students also take the Kuder Preference Record, a test fairly reliable in showing one's greatest interest, whether it be outdoor, mechanical, computional, scientific, persuasive, artistic, literary, musical, social service, or clerical.

The study is pointed, of course, to the actual registration. Students try to plan their high school courses for the full four years. They can draw help from their aptitude, achievement, and interest tests.

"Should one take algebra or general mathematics?" The students know their score on the Iowa Algebra Aptitude Test and know how they are doing on the Preview of Algebra, just now being completed in eighth grade mathematics.

The registration teacher gives all the help he can; FTA students from the high school speak to them on different classes. All in all, a student who takes his task seriously should successfully plan a high school program most satisfactory for him.

A scale version of the space capsule that will eventually be used to put a man into orbit around the earth will be launched some time this year. So says a National Aeronautics and Space Administration spokesman.

Do you enjoy a good movie? You will get more pleasure from the movie if you also read the book on which it was based. These books are available at your nearby Columbus Public Library.

The Ohio Agricultural Experiment Station has conducted research showing that male calves, especially from the large dairy breeds, can be put on profitable use by raising them for beef when economic conditions are favorable.

Music Director—

(Continued from page 1)

The band was composed of clarinets, Marilyn Dixon, Jean Ekers, Mary Lou Riffle; cornets Sharon Kaiser, Sharon Perrell, Mike Christ; alto sax, Tom Nippert; trombone, Larry Dixon; baritone, Tom Huston; percussion, Harold Imhoff and Mike Szabo, alto, Leroy Call.

The youngsters played instruments donated mostly by Southeast Lions Club (the Lions have given more than $1500 worth of instruments to the school).

Also on the program were the "Three Debs," a trio of fine young voices from Marion-Franklin High School: seniors Paula Berry, Dorna Munn, and Sharon Beechler.

All the young people receive a single lesson period of 40 minutes once each week, some enjoy an extra "ensemble period." All must do their practicing at home where individual desires to accomplish improved musical skill must vie with the always important "Three R's."

In some churches the Lord gits a lot of promises and but little cash.

Kiwanis Moves—

(Continued from page 1)

United States and Canadian Kiwanis Clubs will be serviced.

The move into the Kiwanis International Building is the final step in a five-year program of finance, design and construction on the part of Kiwanis. Every Kiwanis member contributed financially to the project.

According to International President Kenneth B. Loheed of Toronto, Ontario, "the completion of this beautiful new building is proof positive of the confidence in Kiwanis' future, on the part of all 256,000 Kiwanis members whose generosity and hope for the future made the building a possibility.

Gra-Y Opens Ball Season At Southwood

The South Side Branch YMCA Gra-Y Softball Leagues opened another season of play last week at Southwood diamonds.

The season will last until the last of May when a closing award party will be held at which all awards of sportsmanship will be made. All teams [illegible] tation to uphold in their sportsmanlike attitude after the nign rating each team received in the basketball leagues.

Without the usual fanfare of opening day ceremonies the Tuesday and Thursday Gra-Y loops opened their season with six well played games.

In the Tuesday League the Heyl Globetrotters, though held to four hits, took advantage of errors in the early innings to nose out their fellow classmates of the Heyl Vampire nine, 7 to 5.

Heyl Terriors also entered the win column by outslugging the Livingston Be-Boppers 11 to 9, while in the Southwood interschool clash the Electrons came from behind to out score the Protons 4 to 2.

The only home run of the day was hit by Jim Neale of the Livingston Be-Boppers.

The Thursday League saw the Deshler Panthers really opening in their first game to defeat the Stewart Sluggers 12 to 0. Siberts Scorpions and the Beck Bulldogs played the closest game of the night with Siebert finally coming out on top 6 - 2.

Lincoln Park's Grays got off to a good start when they bested their sister team, the Scarlets by a 17-8 score.

Fun-Fare 'Sock Hop' At Schiller

The Gymnasium of Schiller Recreation Center will be the scene of a festive Fun-Fare Sock Hop, Friday, Apr. 17, from 8 to 11 p.m. This big spring dance titled the "Springfever Shuffle" will climax a day of carnival atmosphere and will be open to the public and all age groups are welcome to attend.

Bob Huskey's Band will provide the music for the evening. His band is furnished through the courtesy of the Columbus Federation of Musicians in cooperation with the Music Performance Trust Fund.

All dancers will be required to check their shoes at the check room and wear only socks or slipper-sox on the dance floor. A prize will be offered for the loudest pair of socks worn at the dance.

There will be no charge for admission.

WINS 10-MILE RACE

The Franklin Bicycle Club, Inc., 10-mile race at Schiller Park last Sunday, Apr. 12, was won by Jimmy Rogers with a time of 29 minutes and 45 seconds. Terry Swingle placed second and Mike Crary third in the marathon event. The next race in the Club's spring series will be Apr. 26 at Schiller.

Columbus Libraries Plan To Meet Information Need

"The sum of human knowledge doubles every 15-years." And at no time in history have people wanted to know as much about as many different things.

Galvy Gordon, publicity director for the Columbus Public Library, delivered this information last week in a visit with Southern Kiwanis Club. Apr. 12 to 18, this week, is Library Week all over the United States, and the Columbus Libraries are celebrating by making plans "to meet the increasing need for information."

What does this mean to the South Side?

Gordon explained "go modern" library planning this way:

• Technical handbook and "know how" sections are being increased.

• The present eight telephone lines to the main library very soon will be 16 . . . quicker answers to the hundreds of questions that come in every day.

• More language course records are being added; and dramatic reading records (with a not a single part left out), and musical records (with a part left out) are being introduced for persons who like to practice with experts.

• There have been added a great number of "Talking Books" and braile records for blind persons.

• There is a Reader's Guide and expanded reference sections.

The Columbus system now has three Franklin County stations, four Bookmobiles, and 12 branches. This represents a large development from the pioneer beginning in 1872 on a site now occupied by Loew's Ohio theater—and a considerable [illegible] since 1907 when the main library was moved to its present site on Grant Ave. Business was never better.

Special reading programs and all sorts of fun events are being planned for the summer season at 845 South Parsons-av, Gordon reported. Vacationing youngsters are urged to visit.

First Federal Opens New Office

Modern Downtown Office To Celebrate Opening This Week

The opening of the new and enlarged downtown office of First Federal Savings and Loan Association, 65 East State-st, will be celebrated with an open house Thursday, Apr. 16 from 11 a.m. till 8 p.m.

The new office will be officially open for business Monday, Apr. 20, it was announced by Willard C. Eidson, First Federal's president since 1927.

First Federal's extensive remodeling under the direction of architect and designer, Arthur C. Lenander adds a new modern look to East State-st.

The First Federal Building is four stories, with a marble facade and marble marquee with the institution's name in bronze lettering. A red concrete sidewalk adds another distinctive touch to the new location.

First Federal also has offices at 2450 East Main-st and 2680 W. Broad-st and assets of more than 53 million dollars. Present operations of First Federal are on outgrowth of the Hilltop Building & Loan Association founded in 1922.

The name was changed to First Federal Savings & Loan Association in 1935 when the association received its federal charter — the first federal charter to be granted to a Columbus savings and loan institution.

At that time they opened a down town office at 53 East State-st and became the first Columbus savings and loan institution to operate a branch office.

In 1951 an additional branch was established in Bexley at 2450 East Main-st. First Federal was also the first local savings institution to have its accounts insured by an agency of the United State Government and is the first to employ the newest National Cash Register window posting machines.

Paul Solomon, manager of the downtown office, announced the State Street office will offer insured savings accounts, home loans, safe desopsit boxes, money order checks, travelers checks, Christmas Club and will issue and redeem government bonds and will cash customer's checks without charge.

Officers of the bank are: Willard C. Eidson, president; Dr. T. R. Fletcher, vice president; Herbert G. Deems, vice-secretary; Paul J. Sullican, cashier; Frank L. Ossing, vice cashier. James M. Leonard, assistant cashier; Nelson Green, assistant cashier; Richard I. Eidson, assistant cashier; M. Lucille Glick, assistant secretary; Helen K. Tannehill, assistant secretary; Mary Jane Eidson, assistant secretary; Donald C. Smith, assistant secretary; Grant S. Martin, assistant secretary; Keith Martin, assistant attorney. Morris Lopper, general council.

Directors of First Federal are: Herbert G. Deems, Willard C. Eidson, Richard I. Eidson, Dr. T. R. Fletcher, Nelson Greene, Morris Lopper, Dr. J. H. Moyer, and Paul J. Solomon.

Food Markets This Week

by Mrs. Estelle B. Franks

Fruits—Pineapple, grapefruit, Valencia oranges, apples.

Vegetables—Broccoli, celery, kale, lettuce, potatoes.

Protein Foods—Fryers, rib-end pork roasts, large eggs, dairy products.

TRY FRESH PINEAPPLE

Now is the time to enjoy the tart, tantalizing flavor of fresh pineapple. You'll find the quality excellent, for peak production of pineapples comes in April and May.

Most of the fresh pineapple used in the United States comes from Cuba, Puerto Rico and Mexico. Florida grows a few and Hawaii ships a few. Actually, Hawaii is the center of pineapple production. About four-fifths of the pineapple entering world trade come from these Pacific Islands. But, most of the pineapple produced out there in our 50th state is processed. We get it as canned fruit or juice blends or frozen chunks or juice.

Tips for Selecting—Pick the pineapple that has a typical odor but is firm and free of soft, watery spots or bruised areas. If the fruit is ripe the leaf-like spires will pull out easily. Sizes range from 8 to 18, which indicates how many pineapples are in a crate. The smaller the number the larger the pineapple. Handle as little as possible for it bruises.

Boon to Weight Watchers — One-half cup of fresh pineapple, without sugar, has only 37 calories. It also contains some vitamins and minerals. At this season you'll need little sugar, if any, if the fruit is kept at room temperature until ripe and then refrigerated.

One pineapple can put "springtime" into your menus in so many delightfully tasty ways. Usually it is served in salads or as dessert, but try using wedges (leave the peel on) as an accompaniment to your meat platter. Remember, too, that pineapple is easy to freeze. Just prepare it for serving, sweeten, and freeze in air-tight containers.

FRESH PRODUCE INCREASES

The biggest change at food markets this week is at the vegetable counter. Many items are making their usual seasonal increase. Asparagus and broccoli are outstanding values for this time of year. Prices on cucumbers, green beans, radishes, peppers, and corn are lower this week. And cabbage quality, which has been rather variable, is much improved and the price lower. Head lettuce and tomatoes offer good choices. Hothouse water cress makes a nice garnish for meats or salads, and gives a piquant flavor.

Experts Think Flood May Benefit Fishing

INSIDE ON THE Outdoors

By ROD COCHRAN

The fish are biting, and have been for a couple of weeks—better get that new fishing license, gather up your tackle and give 'em a try. Crappies and bass seem to be giving the most action.

Dave Wilson, 3080 Fishinger-rd, had a good day fishing Hoover recently. He put his canoe in the Lake-of-the-Woods area, and caught 75 crappies using minnows for bait. "They were not easy to catch at first," said Dave, "the crappies were just nudging the bait." In a short while, however, he was able to recognize the feeble strikes and really pulled in the fish.

It is typical of almost all fish to strike easily this time of year. Before the water is warm fish move slowly, and they feed slowly. The rule for early spring fishing is, take it easy.

Bass are also putting in their appearance on fishing stringers. Farm ponds warm up first, and are offering good fishing right now. Several reports of smallmouth bass, caught in streams, are already in.

How Will Fishing Be?

Ever since midwinter fishermen have been asking the question, "What effect will the flood have on fishing this year?" It will probably have little effect, and may even improve conditions.

The streams I have seen in Central Ohio seem to have had a lot of the silt and mud flushed out of them. There are more gravel bars and rocky riffles. And I assume that the deeper holes have been cleaned out to a certain extent. A rocky "cleaner" stream encourages the growth of crayfish and helgrammites—food of the smallmouth and rock bass. If much of the silt has been washed out of the smaller streams in this area, then fishing for bass should improve. Such a condition could also encourage the growth of suckers, black crappies and minnows.

Fish biologists have found that fishing usually gets better for a time after floods. The reason for this is difficult to explain unless there is something to the stream improvement theory.

As far as my fishing is concerned I'm not going to worry about the flood—I think the fish will be there. I expect to find a few log jams missing, and several places where I sunk in the mud last year I'll be able to walk on a rock-hard stream bottom.

Plans will be announced soon for the annual Hartley Newspaper Fishing Derby — watch for them. There will be more prizes than ever, and a couple of surprises. Don't miss this contest—the fishing derby that gives everyone in the family an equal chance to win.

May 11 is seen as the date for the Big Four foreign ministers' conference on Berlin crisis. Site of the conference: Geneva, Switzerland.

Guns, Relics To Be Seen At Armory

Guns, relics, and probably some tall tales will be swapper at an approaching two-day session of the Capital City Gun and Indian Relic Collectors' Association.

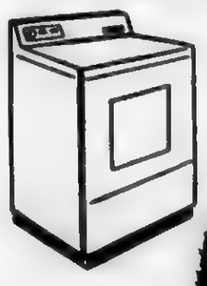
Members and their guests will gather Saturday and Sunday, Apr. 18 and 19 at Haubrich Armory, 4094 Sullivant-av. Members of similar clubs will also be admitted upon presentation of membership cards.

H. T. Bishop, 302 Derrer-rd, vice-president, said some 60 tables of display material were entered at the last show, Feb. 14 and 15.

Other officers of the association are Al Huff, 932 Ruby-av, president; Arthur L. Burgess, 1343 E. Livingston-av, secretary - treasurer; John Grimm, 238 S. Ogden-av; Capt. Sheridan B. Moore, 754 Wedgewood-dr, and Gordon Fisher, 1218 23rd-av, trustees.

LUNCHEON SLATED

The Community Relations Commission of the City of Columbus will sponsor a Human Relations Clinic Luncheon, Thursday, Apr. 30, twelve noon at the Southern Hotel. Theme of the clinic will be an Examination of the Critical Aspects of Living Together.



One Sultan to another: How are you fixed for maids?

"My electric dryer helped me make fudge!"

You can take the time to pamper the family's sweet tooth when you have an electric dryer to help you. Low-cost electric drying does more than dry your clothes fluffy and sweet. It saves you time and energy, too. Your laundry-day routine is shorter, and there's no back-breaking drudgery of carrying and hanging wet clothes. Then you can use the time and energy you save to be an even better homemaker, wife and mother.

If you don't already know how much an electric dryer can help you, see your electric appliance dealer. He'll be happy to give you a free demonstration.

Seems like all church, school and civic organizations are going full-blast at this time of the year, so we'll try to mention as many activities as possible.

Portea Club meets at 10:30 a.m., in Balcony Hall. A noon luncheon will follow the meeting. Jeanne Williams and Robert Faint will address the group.

Guild 33, South Methodist Church, meets at 10 a.m. today in Henderson Hall.

Maree Social Club of Southern Way Chapter 467, OES, will have a 12:30 luncheon today at Southgate Temple, followed by a 1:30 business meeting. Luncheon hostess is Louise Brown.

Southway American Legion Auxiliary Unit 144 meets tomorrow at 8 p.m. at the Post Home, 874 S. High-st. The program will include a Pan-American party. Co-chairmen of the event are Miss Nell Flautt and Mrs. Mildred Miller.

Cloverleaf 20 meets at noon today at 87 Hanford-st, home of Mrs. Barbara Frank. Trudeau Guild 19 will meet at 8 p.m. Tuesday, April 21, in the home of Mrs. Harry Spurgeon, 1683 Kossuth-st.

South Methodist WSCS will hold a steak supper next Thursday, April 23, from 11 a.m. to 1 p.m., 5 to 7 p.m. In addition to the steak, there will be mashed potatoes, slaw, a vegetable, pie and coffee. The public is warmly welcomed.

HAPPY BIRTHDAY

A belated birthday greeting to Mrs. Houston, 167 E. Mithoff-st, for her April 8 natal day. Two South High co-eds also have April as a birthday month. Beth Edwards, Innis-av, will gain a year on April 21, the same birthdate as England's Queen Elizabeth. Ruth Walston, 476 Whittier-st, will be a year older on April 22.

Further congratulations to Ruthie are in order, for being part of the girls' team that won the bowling championship in the City Recreation Department Tournament recently. Ruthie's teammates are Barbara Edge, Pat Herrel, Tracey Russell and Sandy Pehrson.

The Mothers' Variety Club suggests that perhaps the housecleaning season's discards can be used to good advantage. The members are holding a rummage sale April 24 and 25, at 346 S. 4th-st, and gladly welcome all donations. Two members are available for pick-up of the donations. They are Mrs. Clifford Berger, CA. 4-1058, and Mrs. Ed Klein, HI. 3-5504.

GUILD MEETS

Mercy Hospital Guild 8 will be meeting next Wednesday, April 22, at 10 a.m. in the conference room for the monthly sewing session. Following this meeting and the lunch, there will be a business meeting. Mrs. Robert Baker will preside. All members are urged to attend, as plans will be discussed for the annual Strawberry Festival.

Happy tenth anniversary Don and Mary La Rue, tomorrow, April 17.

Birthdays that occur midst April showers are these: Debra Renner, 379 E. Welch, April 22; Frederick Griffith, 393 Jenkins, April 19; Jo Traphagen, 395 Sheldon-av, April 20; Artijean Curry, 1895 S. Pearl-st, April 22; Sandra Holley, 46 Woodrow, April 21.

Mary Newkirk, 56 W. Moler, April 21; Martin Denney, 51 W. Moler, April 17; Ronald Collins, 85 Southwood, April 16; Julia Keefer, 195 Morrill, April 18; Mary Jolly, 326 Hanford, April 16; Randall Moore, 394 E. Morrill, April 18; Mishie Golden, 416 Jenkins, April 21; and Sandy Leonard, 515 Forest-st, April 18.

SCHOOL NEWS

School news . . . South High School Senior Class play, "One Foot In Heaven" will be presented this Friday, April 17, at 8 p.m. South High PTA will meet Tuesday, April 21, at 7:30.

Barrett Jr. High PTA will meet tonight at 7:30 o'clock. Dr. Jerome Folkman will speak on "Teen-Age Problems." The instrumental department will present a music program. Election and installation of officers will be held. Heyl Ave. PTA will meet tonight at 7:30. The guest speaker will be from Lockbourne Air Force Base.

Livingston's PTA will have a fun and frolic night tomorrow, from 5 to 8:30 p.m. Tom Mills, magician, and a puppet show staged by sixth grade girls will be features of the entertainment. Supper will be served at 5 p.m.

Get well wishes to Mrs. Paulus, mother of Bill Paulus, who has recently been a hospital patient.

Gleaned from our copy from Marilyn Young, Moose publicist: The annual "Spring Frolics" 10th presentation, will be tonight and tomorrow at 8:30. Tex Wheeler of Radio Station WMNI, is program director. Rags Anderson and his five piece orchestra will provide music for the singing, dancing and comedy. Dorothy Hammond is the pianist, Wilda Spratley is the ticket chairman. Members of Chapter 206 hope to see the biggest crowd ever. Price of admission is $1 for adults, under-12 kiddies pay 50c. The members will barely have their stage make-up off, when it will be time to celebrate the organization's 42nd birthday.

The affair will be celebrated with a dinner this Sunday, April 19. An open meeting at 2 p.m. initiates the event. Enrollment of new candidates is on the agenda, followed by a banquet at 5:30 p.m. Rags Anderson and his orchestra will provide the music.

The weekly dinner on Wednesday, April 22, will be served by officers of Chapter 206, Women of the Moose. Senior Regent Mildred Pierce and Graduate Regent Dorothy Jolly will serve Swiss steak, mashed potatoes and gravy, peas, slaw, pie and coffee. Cost to adults is $1.00, 50c for children.

Good luck to Alice Badurina, 305 Frebis-av, who has been busy mothering five little orphans for the past several weeks. These orphans are a little unusual however, for they are chihuahuas!

Our sympathy to Gertrude Hepner, who lost her mother last week. Mrs. Hepner is an active member of the PTA and church groups in the South Side.

Maree Social Group Will Meet Today

Regular monthly meeting of the Maree Social Club of Southern Way Chapter 467, OES, will be held Thursday, Apr. 16, at South Gate Temple, 850 Studer-av.

Luncheon is stated for 12:30 p.m. and the business meeting at 1:30 p.m. with President Mable Ohde presiding.

Hostess for luncheon is Louise Brown.

Now—Run Your Car
Without Spark Plugs—
Get Up to 31 More Horse-Power, 8 More Miles per Gallon
USING ONLY REGULAR GAS!

Yes—this revolutionary new FIRE INJECTION SYSTEM—installed in 15 minutes, must deliver maximum power and economy WITHOUT CHANGING TO HIGH-PRICED PREMIUM GAS—must give you up to 31 more H.P., 8 more miles per gallon for the life of your car! See unprecedented GUARANTEE below!

Your car runs because gasoline is fed into the cylinders where a spark causes it to fire. Now here is the important thing. The larger this spark is the more powerful the explosion. The more powerful the explosion, the more power you get from a given amount of gas. Poor explosion means wasted gas, loss of power, poor getaway, bad starting, a sluggish car. Good explosion means more miles per gallon, more horsepower, blazing pickups; an exciting car to drive!

WHAT CONTROLS ENGINE EFFICIENCY?

Spark plugs control the efficiency of that explosion. And not only do they give a small, weak spark to begin with; but they get worse every mile you drive. And that you can see

for yourself. Put a new set of spark plugs in your car and then look at them at 100 miles, at a thousand miles, at 5,000 miles. Every time you look you will see more filth and carbon and more of the precious electrode burning away.

STOP USING SPARK PLUGS!

Now, read very carefully what I'm going to suggest . . . *that you stop using spark plugs!* That's right—get rid of them—forever. But . . . if you get rid of your spark plugs, what will ignite the gasoline and make the motor run?

Well, please remember that today you can have *gas injection* and get far more mileage, efficiency and power from less gas—and in a few years gas injection will have completely replaced the carburetor. In the same way, now is the time for Americans to replace old-fashioned, temporary, inefficient spark plugs with a modern, efficient, permanent fire injection system!

PAYS FOR ITSELF IN ONE MONTH!

Now, the SA FIRE INJECTION system is so inexpensive that it can pay for itself in gas savings alone in one month of driving. Forget for the moment about the extra pep, power, performance . . . the savings in spark plug servicing and replacement . . . the savings in wear and tear on pistons and cylinders. Just remember this fire injection system will pay for itself in *one month* of driving! Here's how:

A spark plug jumps a spark across an air gap, limiting the size. A fire injector fires on the surface of a conductor. You get a heavy, powerful flame that will not blow out at pressures far greater than those created by the highest compression engine!

On ordinary spark plugs the air gap is always getting bigger, wasting power and gas. Plugs are constantly accumulating filth and carbon because of inefficient ignition. A fire injector has no air gap and no electrode to burn away. It never needs cleaning or setting; it actually becomes more efficient with use. It will actually outlast any car, delivering maximum efficiency without servicing or replacement.

With ordinary spark plugs you should be using premium gas, which costs from 4 to 8 cents more than regular gas. With fire injectors regular gas will give you up to 8 more miles per gallon, up to 31 more horsepower—plus easier starting in all weather.

These are some of the reasons that the U. S. Air Force pays premium prices for special aircraft fire injectors for the high-powered engines of their jet aircraft.

PROVE IT TO YOURSELF

If you have automatic transmission, make a note of how fast your car crawls forward when it is in the drive position, with the motor idling. If you have a sports car, a racing car or a boat, make a note of the RPMs as indicated on

the tachometer when the engine is idling. If you have regular transmission, put your car in low gear on a level road and notice its speed with the motor idling. Next, take a spark plug wrench (you can procure one of these tools anywhere) and remove your spark plugs. Just screw the injectors right into the spark plug openings. Then—no matter what kind of gas you have been using—fill your tank with the *poorest regular gas* you can buy. That's all you have to do to see the most amazing results you can imagine!

CHECK YOUR RESULTS CAREFULLY

If you have automatic transmission—now put your car in drive and let your engine idle. If your car stood still with spark plugs, *it will move forward at from 4 to 6 miles per hour;* that means that the amount of gas that just kept your engine turning over will now carry you up to 6 miles at no cost to you!

If you have a racing car, sports car or a boat, your RPMs will *increase up to 300 more at idling—up to 300 more at higher speeds.* If you have regular transmission, in low gear and with your motor idling *your car will move forward 4 to 6 miles per hour faster.* In other words, no matter what you drive, here is absolute proof that you can go further, faster and cheaper when you install SA FIRE INJECTORS in your car!

SEND NO MONEY—JUST MAIL THE COUPON!

Up to now these SA FIRE INJECTORS were practically made by hand and would have had to sell for as high as $5 each. But we knew that 30 or 40 dollars for a set of 6 to 8 SA FIRE INJECTORS was more than the average driver could afford—so we decided to get the price down so low that these injectors would pay for themselves 12 times, in one year of driving. So here is my astonishing proposition. If you will check your car's performance carefully before and after you install your SA FIRE INJECTORS and then tell your friends and neighbors about them, here is what I am prepared to do for you.

You can have a set of SA FIRE INJECTORS for the year and model of your car for a fraction of their value . . . that's $1.49 each . . . only $8.94 for a 6-cylinder car or $11.92 for an 8-cylinder car. Now, if your SA FIRE INJECTORS don't meet my GUARANTEE—if they do not continue to deliver maximum performance for the life of your car . . . you get your money back on 10-day no-risk

CHECK THESE DIFFERENCES

SPARK PLUG	FIRE INJECTOR
Fires across air gap	NO air gap required
Wire electrode burns away	NO wire electrode
Carbon ruins firing tip	NO tip deterioration
Needs cleaning and setting	NO cleaning or setting ever
Needs periodic replacing	NO replacing
Needs premium gas	NO premium gas needed
Must have exact heat range	NO heat range
Spark blows out under pressure	NO blowing out even at highest compressions

GUARANTEE—INSURANCE—INDEMNITY
Take your set of SA FIRE INJECTORS and install them immediately; then, give your new injection system every test you can think of . . . starting—acceleration—gas mileage—motor gas and smoothness for 10 full days. You must get up to 31 more horsepower—up to 8 more miles per gallon—increased engine RPMs—faster starting, blazing acceleration—freedom from knocks and pings, easier starting in all kinds of weather . . . AND DO ALL OF THESE THINGS ON REGULAR GAS, OR YOU GET YOUR MONEY BACK.
As long as the SA FIRE INJECTORS are in your car you are covered by a PRODUCT LIABILITY INSURANCE POLICY, endorsed by an internationally famous insurance company. A detailed description of this coverage is yours on request.
If any SA FIRE INJECTOR does not continue to deliver maximum performance for the life of your car, we will replace it FREE, or we will refund your purchase price. Tune-up systems with a set of Brand . . . injectors American cars. Simply . . . your SA FIRE INJECTORS with you. . . .
C. G. Kuhn . . . Industrial Sterling . . . CO., INC.

Ladies and gentlemen, I'm all through. If you're not too lazy to take 15 minutes to remove a set of plugs and install a set of fire injectors and not too proud to save a lot of money—if you enjoy a car that delivers the maximum in smooth, powerful performance—then choose the method of ordering easiest for you as shown in the coupon and order your SA FIRE INJECTORS right now!

Rumanian Artist Carves Out New Life Here

BEGINNING OF CREATION — Tischler looks over a piece of wood which he plans to use for a carving to be exhibited in this year's Ohio State Fair. Following his method of "seeing" in the natural piece of inspiration for a carving, Tischler considers using this piece either for an elephant's head as he is holding it here, or turned pointed end up, as a cliff on which an 18-year-old girl is poised "at the peak of life."

Happy Family Life Is Goal Of South Side Woodcarver

By Nancy Pendleton

If a visitor were forced to look upon the magnificent wood carvings of Martin Tischler, and asked to choose which one he thought best, he would probably look at him philosophically and say, "The life you have carved out for yourself here in America."

For surpassing the great woodcarving talents of this Rumanian refugee is the courage and faith which Martin Tischler and his family possessed to leave his native home in 1949 and come to America to find a new life free from oppression and fear.

But although the fears are gone, the going in a strange new land has not been easy. Tischler is an artist . . . his love in life is wood. To him, a piece of wood is real, alive, waiting to be fashioned into an object of beauty. But this takes time and as all creative artists, Tischler gets surges of inspiration. But sometimes these have to be channeled into a woodworking job that is assured of bringing in money.

Tischler lives at 492 Reinhard with his wife, two sons, Ralph, 14, Reinhold, 16, and mother. His workshop is in a building in back of the house. Here a visitor will find wood scraps or odd pieces of wood which friends and neighbors have given him from tearing down an old house or scrapping an old piece of furniture. This is the type of wood Tischler works with . . . chiefly old wood, preferably 50 years old or more, but wood that instead of being scrapped in the junkyard or nearest incinerator, is carved and chisled into a graceful form.

Inside the house are displayed many of these forms. His "special" carvings are kept in the cozy living room of his unpretentious home. Here is reflected the close family life that Tischler admires and feels is greatly lacking in this country.

Tischler devotes two hours a week at the South Side Settlement house teaching woodcarving, to boys age 12 to 16.

In Rumania, "wherever we go we take the children along, the more we go, the more they go with us," he said. The piano and music stand in his living room reflect the many happy hours he and his family spend together enjoying music. Both Ralph and Reinhold are students of the violin. "Reinhold always makes the state contest," his father said proudly, and "this year he also won a superior rating in the state science fair." He added that Ralph is a recipient of the American Legion award. Both are students at South High School.

He pointed up several other ways European life differs from life he sees here. "When my children started reading books, they'd tell me 'I finished a book today.' I'd tell them it's not how many pages you read, but what you got out of it that counts." I told them not to waste their time on comic books . . there are so many good things to read. To live a good, close family life is rewarding . . . something they can give to their family. How can a child give to his family what he never had?"

ORATORICAL WINNERS—Three winners in the Optimist Club of South Columbus Oratorical Contest last week are pictured above following the announcement of winners' names in the five-man Optimist speech contest. Pictured above, from left to right, are Steve Sauer, St. Mary's High School, the third place winner; Ferd Gaulke, Barrett Junior High School, first place winner; and Steve Lipsen, South High School, second place winner. Gaulke is shown holding the Optimist winner's plaque for his prize winning speech on "Optimism."

Barrett High's Ferd Gaulke Wins Optimist Club Contest

Ferd Gaulke, top all-around scholar and athlete at Barrett Junior High School, last week won the Optimist Club of South Columbus Oratorical Contest.

Gaulke's speech on "Optimisim" was awarded first place honors over four other outstanding speakers representing South Side Schools.

The tall, towheaded ninth-grader, who Apr. 18 represented the South Optimist Club at the District Oratorical Contest, was awarded a plaque by the South Side Club for his winning performance.

The winner of the District contest will advance to the State Finals in Canton, May 16 with the State Champion going on to Miami, Fla., in June for the National Finals.

The contests are sponsored by individual Optimists Clubs in conjunction with the National Oratorical Contest of Optimists International.

The top four national winners will receive prizes totaling $6,500.

Steve Lipson of South High School, finished second in the balloting behind Gaulke, while Steve Sauer of St. Mary's High School placed third. Runners-up were David Leslie, Roosevelt Junior High, and Tom Nippert, George C. Beery Junior High.

Each contestant was accompanied to the contest by his respective school principal.

Judges for the contest were William Heimberger, Works Manager of the Buckeye Steel Castings Company; Pastor Paul Oye, First English Lutheran Church; and John Sittig, director of audio-visual education, Columbus Public Schools.

Washburn Will Speak On Schools Tuesday

Harold Washburn, principal of Roosevelt Junior High School will speak at Deshler Avenue School Tuesday, Apr. 28 at 1:30 p.m.

Washburn's talk is to be about the problems of Junior High School.

South High Quartet Takes Top Rating

A violin quartet from South High School received a superior rating in the state solo and ensemble contest at Bexley High School Saturday, Apr. 11.

Members of the quartet are Richard Tischler, Janet Nickolson, Martha Rader, Nancy Hastilow, and Priscilla Dicke, accompanist. The song they played was entitled "Serenata Napolitana."

South Side Teenagers Arrested For Burglary

Detectives Nab Six In Possible $4000 Berwick Area Crime Ring

Six South Side teenagers were arrested and held for investigation of burglary Tuesday in connection with 60 Southeast Columbus burglaries involving approximately $4000.

Police arrested the six on an anonymous telephone tip received late Monday, according to Lt. Robert Baus, head of the police burglary squad.

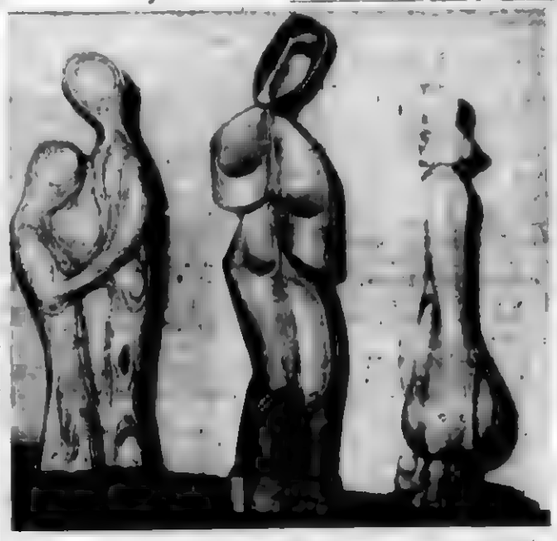
The suspects were taken into custody following two weeks of concentrated investigation that included putting detectives in Berwick area homes in hopes of nabbing the burglars as they broke in, Baus said.

Two of the teenagers, husband and wife, are believed to be the head of the youthful burglary gang, police stated.

Arrested were William R. Large, 18, and his wife, Beverly Jean, 18, of 1061 S. High-st; Jack Douglas Middleton, 17, of 1210 Seymour-av; Leroy Vance Herman, Jr., 16, of 654 Kossuth-st; Charles Earnest Melrose, 18, who gave his address as 1061 S. High-st; and Thomas Edgar Laird, 17, of 1156 E. Mound-st.

Detectives, who arrested four of the youths in a raid on the Large house, said they found a television set and other articles reportedly stolen from homes in the Berwick and Driving Park area, in the house.

Baus said he was not certain exactly how many persons are involved in the burglaries, but added that all six arrested "ran around together."



Chief of Detectives Tom Sawyer said the married couple had been under suspicion for about two weeks.

Detectives estimated the gang has stolen about $1500 in cash from the residences. Baus added however that the money was apparently spent as fast as it was stolen.

The burglaries to the city's southeast side had been plaguing detectives since January. Special crews of plainclothesmen were put on duty and an extra detective lieutenant was added to the night shift, according to police.

WSCS PLANS DINNER

The WSCS society of South Methodist Church will hold a dinner in the social room on Thursday, Apr. 23. Servings will be from 11:30 a.m. to 1 p.m. and from 5 to 7 p.m.

FINISHED PRODUCTS—Pictured are three woodcarvings completed by Martin Tischler, South Side resident who fled from his home in Rumania in 1949 to seek freedom in America for his wife, mother, and two sons. Left, are two figures carved from plywood in which Tischler made use of the wood's special grain pattern. Center is what Tischler calls "looking through the window" explaining that this is how people look to him as they look at an article in a store window, admire, and usually can't afford. On the right is a figure carved from a piece of wood from a table used during the Civil War period.

South High's Class Of '34 Slates 25th Year Reunion

Plans for South High School's 1934 graduating classes' silver anniversary alumni banquet ran into a snag this week when 40 members of the January and June graduating classes were discovered "missing."

Some 378 members of the class—100 in January and 278 in June—will hold their reunion May 22 at 6:00 p.m. at the school. When the addresses of all available class members are obtained, invitations will be mailed to the entire class.

Persons knowing the whereabouts of the 40 "lost" alumni are asked to contact Priscilla LaRue Lennox at HI. 4-1051, or Wilma Steele Herrel at HI. 4-3400.

Members of the January class who are sought are William J. Doelker, Sylvia Block, Charles Carter, Martha Etnier, James Evans, Rose Krautner, Ida Nussbaum and John C. Porter.

Missing members of the June class are James Andrew, Jane Beamer, Irene E. Eagle, Jack S. Eversole, Edward J. Finnegan, Eleanor G. Gessel, Nathan Goodman, Francis Lee Herman, Betty Jane Hoover, Catherine M. Huffman, Ruth Johnson, Lillie L. Keefer and Betty Jane Leist.

Donald L. Levinstein, Arthur W. Lonitz, Phoebe L. McClure, Eva L. McIntyre, Harold E. McMahan, Gabriel E. Miller, Sara J. Millington, Lois E. Osler, William E. Otto, Matilda Schneider, Richard A. Scott, Melvin Smith, Norman D. Sonkin, Thomas F. Thornton, Loree Van Arsdale, Lester Weese, Lucille M. Weiler, Margaret Weiss and Marjorie C. Wiley.

PLAN CHAPTER NIGHT

The Friendship Committee of Chapter 206, Women of the Moose will have their Chapter Night on Thursday, Apr. 23, at 8 p.m. at 36 W. Sycamore-st. Chairman Lelia Alban, is in charge of the program. Senior Regent Mildred Pierce will preside over the enrollment ceremonies.

South Side Lady's Leg Amputated

Mrs. Betty Clevenger, 22, of 1824 S. Sixth-st, remained in good condition today at Mt. Carmel Hospital following the amputation of her right leg Sunday.

The South Side woman suffered a mangled right leg when the motorcycle on which she was riding crashed into the rear of a halted car on the W. Mound-st. bridge.

She was riding as a passenger on a motorcycle driven by Morris Angell, 35, of 409½ E. Long-st.

The motorcycle hit the left fender of a car driven by James A. Robinson, 21, of 901 Harrison-av. Robinson told police he had halted his vehicle to investigate sparks coming from the rear of his car when the motorcycle plowed into him.

Angell, treated for a possible fractured ankle, was taken to City Prison and charged with drunk driving and failing to maintain assured clear distance.

GOP Schedules Steak Dinner At S. Methodist

Republicans will step up their pre-primary city election campaign this week with a steak dinner at South Methodist Church included in five GOP "open to the public" affairs.

The dinner, slated from 11 a.m. to 1 p.m. and from 5 to 7 p.m. today, will follow a rally at the WOW Hall, at Gilbert-st and McAllister-av, held yesterday by Fourth Ward Republican Club.

Two other rallies and a card party slated in other areas of Columbus will round out the week's GOP festivities.

City voters will receive only a non-partisan ballot bearing the names of 14 Council candidates — nine Democrats and five Republicans — with eight to be nominated, and one ballot on an initiated ordinance involving freeway interchange construction.

NEW OFFICERS—South Side Day Nursery's newly installed officers, pictured above, pose for this Leader picture with charter member and the nursery's first chairman Mrs. Lydia Pleukharp, seated on the right. Mrs. Pleukharp, currently a second vice-president at the nursery, was instrumental in founding the nursery in 1922. Seated on the left is nursery president, Mrs. D. Hankinson. Officers standing are, from left to right, Mrs. W. P. Boothby, first vice-president; Mrs. D. Ryon, treasurer; Mrs. George Meyer, corresponding secretary, and Mrs. R. H. Kropp, building fund treasurer. Not pictured is Secretary Mrs. William Schneider.

South Side Day Nursery Enters 39th Year Of Continuous Service

South Side Day Nursery, 255 E. Reeb-av, a United Community Council Agency, will enter its 39th summer this year caring for children who have a need for group care away from home during the day.

The nursery, under the direction of Mrs. Sandra Kahn, has been servicing Columbus, in general, and the South Side, in particular, since 1922 when the Work and Pleasure Club founded the South Side Day Nursery Association.

The purpose of the nursery at that time, and today also, was to serve children, regardless of race or creed, who have a real need for supervised group care during the day.

Mrs. Lydia Pleukharp was the first chairman of the nursery following its founding, and is currently an active second vice president of the nursery.

The age limit for children accepted by the nursery is three through 10, with priority for admission going to children of families living or working on the South Side.

Individual family fees are charged by the nursery, with price based upon the families ability to pay.

According to Mrs. Kahn, the nursery program is planned according to the children's individual needs, age and interest. Each program includes individual and group activities and quiet and active play periods.

A professionally trained staff with college backgrounds in child development and elementary education supervises all nursery activities.

Following its establishment in 1922, the nursery became a Community Fund Agency three years later in 1925.

Although the agency changed its name several years ago to United Community Council, the South Side Nursery's name remained the same. Its purpose too, "To Serve Children, Regardless of Race or Creed" has remained unchanged for 39 years.

JABBERING JETS—Nino Escalera, left, and Spook Jacobs, right, two mainstays on the 1959 Columbus Jets baseball team, talk it up with two leaders in the South Side Community Night program, slated for Wednesday, May 20, at Jet Stadium. Escalera, a newcomer to the Jets this year, is currently handling both the first base and right field chores for the Jets. Jacobs, one of the most popular men ever to wear a Columbus uniform, is sharing second base duties this season with Rookie Julian Javier. Pictured with the two players are Edward Reis of St. Leo's Foresters, and Howard Storch, of the South Side Business and Industry Association.

COMMUNITY NIGHT COMMENTS

Garage Can Be Beautified As Part Of Clean-Up Week

Has your garage shrunk lately? It may well seem that way if a pile of discarded household items, children's toys, wood stacks and other non-descript items have narrowed the car space.

Clean Up - Paint Up - Fix Up Week is the ideal time to re-do the garage, organizing its contents, cleaning, painting inside, planting outside.

First of all, remove everything from the garage and then give it a thorough sweeping. A good hose down, or scrubbing if necessary, is next on the agenda. You may wish to give the interior a coat of light-hued paint so that night-time searches for garage items are easier, thanks to the higher reflectance of light paint.

In returning items to the garage, there are doubtless several that can be eliminated. Get rid of old greasy rags. Gasoline and other flammable liquids should be disposed of. Unused and outgrown toys should be given away to an orphanage or other charitable organization.

The ceiling space of the garage is a good source of storage and simple nail insertions to the beams will hold rakes, hoes, and shovels. Bushel baskets can be stored aloft, too. Perforated beaver board can be fitted to one wall to hold miscellaneous small items.

When you store paint cans, place a dab of the hue on the outside of each can for easy identification. Then secure lid tightly.

Turning to the exterior of the garage, cut back close-by bushes that obstruct vision. A flower box installation or planting climbing roses, morning glories or a sapling behind the garage will aid in changing the appearance of the garage from an orphan building on your lot into an attractive adjunct to your home.

While Clean Up-Paint- Up-Fix Up won't change the dimensions of your garage, by following the above steps you'll find you have a great deal more room, in addition to a safer and more beautiful garage.

Clean-Up Week Good Time To Check Medicine Cabinet

Make certain your medicine cabinet is a health aid and not a hazard by checking it now, at Clean-Up, Paint-Up, Fix-Up time.

First of all, throw away old medicine particularly prescription-type. Age, even a few months, adversely affects medicines plus a new illness, though having similar symptoms, may be entierly different from the previous one.

All external poisonous medicines should be checked for plainly-marked labels and placed on the top shelf, away from inquisitive tiny fingers. Don't guess the contents of bottles without labels. For safety's sake throw them away.

After old medications are disposed of, check that the cabinet contains basic necessities for first-aid treatment for minor accidents and illnesses. Minimum requirements are a clinical theremometer, aromatic spirits of ammonia, cotton, sterile bandages, adhesive bandages, antiseptic, burn ointment, rubbing alcohol, medicine dropper, tweezers, adhesive tape.

As an adjunct to your first aid supplies, have the phone numbers of your doctor and local rescue squad or ambulance service by each phone and a copy pasted inside the medicine chest door.

Let Clean-Up, Paint-Up, Fix-Up promote your health by checking up and cleaning up so that you will be prepared should an emergency arise. In that event your medicine chest will be a help and not a hinderance.

Play Yard Keeps Kids Off Streets

Worries about your children will be reduced if you put a home play yard high on your list of Clean-Up, Paint-Up, Fix-Up activities.

After you have given the yard a thorough cleaning, assign each child a small garden plot to cultivate and plant easily grown flowers and vegetables. This not only gives "Plant Up" a boost put provides pleasure and responsibility training for the children.

A croquet set or badminton court are inexpensive but can provide entertainment with little work in setting-up. A basket ball net or an improvised bushel basket placed on the garage will give practice and fun in this team sport. Also, a shuffleboard court can be painted on a concrete driveway and will be fun for the youngsters and the adult family members, too.

A grape arbor or corner of the yard can be adapted to a play house for the younger members of the family. In addition to their toys, two or three chairs and perhaps an old table discarded from attic clean-up can be gaily painted to provide props for junior housekeeping.

Lawn bowling, horseshoes, and in fact, many other activities that meet your family's interests and ground facilities will make your card an appealing place to play and the streets and alleys far less alluring.

During Clean-Up, Paint-Up, Fix-Up time, heed the campaign's safety message and make your yard a play haven.

School Board Fills Vacancy

School Board Tuesday named William Fornof of 103 Fornof-rd. to fill the board vacancy created by the recent resignation of George Farris.

Aurelius Thomas, a 1953 graduate of West High and all-American guard at Ohio State University in 1957, was also named to the substitute teacher list.

Thomas, completing his master's degree in the College of Education, will serve as a substitute teacher in junior and senior high schools for the rest of the school year.

Bathroom Space Easy To Find

Wondering where there's space in your home for extra bathroom facilities?

Chances are you have plenty of room, says the Plumbing Fixture Manufacturers Association. It's just a question of knowing where to look. Here are a few suggestions:

1. An old pantry off the kitchen can be ideal. It's generally long and deep, providing ample space for a full bath.

2. If you plan to convert the attic into living quarters, a bathroom also can be added there.

3. A basement often is the answer, especially for houses that no longer use coal heating. Here, the coal bin can be converted into a comfortable and convenient bathroom.

4. Hall or bedroom closets might be the answer. For a powder room, you only need a space as little as three by four feet.

And don't worry about the lack of a window. By adding an electric air vent and fluorescent lights, even a windowless bathroom can have plenty of ventilation and lighting.

Locating an extra bathroom or powder room as near as possible to the master bath saves time and money.

Putting facilities side by side, placing them above or under each other reduces the cost of long runs of pipe. In a one-story house, for example, savings can be realized by installing a powder room near the laundry room, bathroom, or other plumbing. In a two-story house, it's more economical to put a second full bathroom alongside, below or above the master bathroom.

In a new home, the plumbing can be "roughed-in" in such a way that additional fixtures can be installed easily and economically whenever the family needs them.

More privacy and greater utility can be given the bathroom by compartmenting the fixtures.

Dividing the fixtures helps relieve congestion and allows more members of the family private use of the bathroom at the same time.

To partition the bathroom, simply enclose the bathtub in one compartment and the toilet in another. The lavatory can be left standing out in the open.

For better storage, replace the single lavatory with a twin-basin model equipped with countertop and base cabinet. The double lavatory accommodates two persons simultaneously. The convenient countertop and cabinet provide extra space for keeping personal and bathroom items.

Mayor's Son To Prepare For Ministry

Edward Sensenbrenner, son of Mayor and Mrs. M. E. Sensenbrenner, will enroll in Pittsburgh-Xenia Seminary in the fall to prepare for the Presbyterian ministry.

Sensenbrenner earned bachelor's and master's degrees in business administration at Ohio State University, and is now associated with Pittsburgh Plate Glass Co. in the personnel department.

He and his wife, the former Lois Jean Farrand and their two children, will continue to live in Pittsburgh during his seminary study.

Training program will be completed in three years.

Sensenbrenner is a member of Hoge Memorial Presbyterian Church.

Penney's Shows Summer Styles

Penney's in the Great Southern Shopping Center will unveil its summer fashions at a Summer Dress Carnival this Saturday in the store.

Ready-to-wear, sports wear and girls' wear will be modeled as Penney's displays its new summer fashions.

The style show is slated to start at 1 p.m. in the ready-to-wear department.

UNBREAKABLE HEEL—Robert Freedman, manager of Schiff's Shoes located at Great Southern Shopping Center, displays a shoe with "a guaranteed unbreakable steel heel." Freedman says this shoe is available with both Cuban and spike heel in white, black and patent leather.

GREAT SOUTHERN BUSINESS MEN

Shoe Store Manager Gives Foot Comfort Suggestions

Keeping a cool head in all kinds of weather and circumstances is desirable but keeping your feet cool in summer can become a major one concern.

Schiff's Shoes, Great Southern Shopping Center, has readied a complete line of summer shoe wear to suit all members of the family, in anticipation of the hot summer months to come.

Robert Freedman, manager says that playshoes are available in colors to complement any summer outfit, and this year straws have come out in prominence. Freedman recommends that persons bothered with overly hot feet wear ventilated shoes. He also handles a special type of shoe for waitresses and others who have to be on their feet a lot.

Freedman has been in the shoe business for 20 years and manager of this store since it opened in 1957. He and his wife, Bertha live at 1311 S. Weyant, Livemoor Heights. Their son Stanley, 21, is a senior in industrial engineering at OSU. Steve, 14 is in the eighth grade at Eastmoor Junior High.

This shoe store manager's hobby is baseball. He especially enjoys watching the Cincinnati Reds on TV.

Other Schiff Great Southern employees are Patrick Quinn, assistant manager; Buddy Daniel, Glenn Allan and Merle Gabbird.

Ladders Can Be Dangerous If They Are Used Carelessly

Ladders are handy tools around the home in maintenance and repair work, but like most tools, there is a right and a wrong way to handle a ladder. Avoid hazards by following these few hints and prevent accidents during the Clean-Up, Paint-Up, Fix-Up period, as well as throughout the year.

Never stand on the top of any step ladder. Make certain a step ladder is fully opened and locked before you use it. The bottoms of all ladders should be on solid footing, or otherwise anchored securely.

To be safe, also place rung-type ladders at proper pitch so the distance from the bottom of the ladder to the house is approximately one-fourth of the length of the ladder, (if angle is greater, the ladder may break, or, if too close to the house, the ladder may tip).

Set ladder properly to avoid the mistake of over-reaching or leaning too far to one side, which is dangerous. Always face a ladder when ascending or descending and don't carry large or heavy objects — use a rope lift. Grip ladder firm with hands and be certain your shoes and the rungs or steps of ladder are free from oil, grease or mud.

Do not use makeshift or patched up ladders. Take good care of your ladder — do not leave it out in the weather to deteriorate.

A ladder is a great help in renovation work. Use it correctly and be sure you respect it as you do other good equipment and always keep safety foremost in your mind.

Color is a stimulant to the appetite and conversation. Your dining room will be much more pleasant painted in gay colors. If the dining room connects with the living room, its color scheme should correlate.

GET AWAY FROM IT ALL

Grab The Fun Opportunity Hartley Newspapers Offer

Are you a cautious parent? Adventuresome teen-ager? Rollicking youngster?

Or just want to get away from it all?

Whatever your desires, you can't afford to pass up the grab bag of summer fun being offered by the Hartley Newspapers in cooperation with Norwood's Amusement Park.

To insure a happy summer for you and your family these successful home-owned organizations have teamed to present THE recreation value of the season. Here's how it works:

Ticket books containing $5 worth of tickets may be purchased for only $3 through the Hartley Newspapers, the tickets good the entire season on all rides plus the miniature golf course at Norwood's.

These value-packed ticket books, representing a 40 percent reduction, are being sold exclusively through the auspices of the Hartley Newspapers and will be distributed for a limited time only.

These tickets will be your summer passport to the pleasure land of Norwood's, the familiar park at E. Main-st and Alum Creek now open for its 18th season.

More than a dozen popular rides are awaiting your command, ranging from the Ferris wheel, carrousel, sky ride, and screwball to special rides tailored for the pre-school set.

A bonus for ticket book purchasers will be availability of a brand new miniature golf course, groomed to championship caliber and guaranteed to provide many an entertaining, albeit frustrating, round for the short putters. Ticket books may be obtained at either of the Hartley Newspaper offices at 2465 W. Broad-st, or 1542 Parsons-av.

Whip Spring Fever! Go Sucker Fishing

From all the information I can gather, suckers are neglected by fishermen in these parts. It's a sad state of affairs when anglers pass up sucker fishin'—one of the traditional harbingers of spring in many sections of Ohio.

Wayne Knisley, wildlife patrolman, told me recently that Columbus-area fishermen just aren't interested in catching suckers. "I don't understand this" said Knisley, "but I check very few sucker fishermen. In May, when suckers are on riffles, some are taken by spearing. But just sittin' along a streambank on an early spring day fishing for suckers isn't popular like it is down in the hills."

Now don't tell me that suckers aren't in our streams. Norman Carson, Delaware County game protector, had an eye-opening experience this spring when Hoover Lake was test-netted. "We had 200 to 300 suckers in the net every day," he said. "I don't know where they came from. They must be in the lake all the time."

The best time to fish for suckers is right now — when the water is cold and before they spawn. Later on they do not bite well, and are not so good to eat. The best bait to use is the ever-faithful garden worm. Rigging for suckers isn't difficult. Any bait casting or spinning rod and reel will do the job, or a cane pole is excellent. Put enough lead on the end of the line to hold against the current, then tie on two snelled hooks, number eights are about right, two feet apart. Many sucker fishermen use two rigs to increase their chances. They prop their rods in a forked stick, and wait for the suckers to bite.

Now is the time to settle back and enjoy the scenery, light up your pipe or eat a sandwich. Sucker fishing is relaxin' fishing —just the cure for an early case of spring fever.

Cooking Tips Given

Everyone is acquainted with the fact that suckers are bony fish. But it is also widespread knowledge that they make good eating. The tiny bones are concentrated in the tail section, and some fishermen throw away this portion. Others "score" their suckers. This means they cut the fish with dozens of little slits, each cut about an eighth or sixteenth of an inch apart. This cutting permits shortening from the frying pan to get into the fish and cook the hair-like bones to the point where you can eat them without knowing it. A few anglers I know grind up suckers and make them into fish cakes.

In any event, we're missing a lot of sport by passing up sucker fishing, and we're missing some fine eating too. A spring-caught sucker will put up as much fight as a bass of comparable size, and when light spinning tackle is used this adds up to fun.

Pardon me while I go out and dig some garden worms!

Don't forget — the Hartley newspaper Fishing Derby is coming. It will start the first of May. Watch next week for full details, prizes, etc. This is the contest where the whole family participates — anyone can win!

Smallmouth Hitting

Pryse Fields, 145 N. Sylvanav, brought in a nice catch of smallmouthbass the other day, accordingto Jack Barrett, Reeves Sporting Goods, Great Western Shopping Center. The four bass, caught on a white spinner in the Scioto River, weighed two pounds 12 ounces, two pounds 14 ounces, and two fish the same size tippes the scales to one and three-quarters pounds each.

Food Markets This Week

by Mrs. Estelle B. Franks

THIS WEEK SHOP FOR:

Fruits — Fresh pineapple, grapefruit, apples, rhubarb.

Vegetables —Cauliflower, celery, escarole, lettuce, potatoes.

Protein Foods — Fryers, ham, rib-end pork roast, large eggs.

FRESH PRODUCE ARRIVES

Tired of winter menus? Longing for greenery and the smell of spring? Then you'll give a wide welcome to the fresh produce from local farms this week.

Asparagus, the first of the local vegetables, is ready. The volume of this spring vegetable on the market from week to week depends almost entirely on weather conditions. A few warm days and nights, plus showers, bring asparagus to market in a hurry. We'll keep you informed as to supply and quality.

You'll find plenty of field-grown rhubarb this week for sauce and a fresh pie. The stalks are longer now, which makes it a better buy. Look forward to freezing your winter's supply of rhubarb after another week or two.

Other local spring vegetables that may interest you for salads are green onions and dandelion greens. From local greenhouses are tomatoes, cucumbers, Bibb and leaf lettuce, and water cress. You'll enjoy the fresh quality of these vegetables because they need not travel long distances to reach our markets.

The South, too, is sending us increased amounts of high-quality fresh produce. There will be lower prices on fresh corn, cucumbers, peppers, eggplant and vine-ripe tomatoes during the next two weeks.

FRUITS

Florida grapefruit remains a good buy. Valencia oranges are good in quality but a little higher priced generall. The green and russet color on these Florida oranges does not mean they are not ripe; they are just as ripe and flavorful as well-colored oranges. Pineapples from Cuba are in very good supply. Strawberry prices are dropping as the season progresses. Present supplies are from Louisiana.

MEATS AND POULTRY

While prices on some pork cuts, particularly loins and spareribs, have increased slightly over the last two weeks, pork is still the more economical meat choice. Fresh and smoked picnics and ham are the better pork values. There has been little change in beef, veal, or lamb prices and little is expected during this period. As we get more and more warm weather, the stronger demand for the quick cooking meat cuts, such as steaks and chops, will make the longer cooking cuts a better relative value. Bacon prices have probably passed their low point for this year.

The poultry items—whether a plump stewing chicken, a tender broiler, or a turkey—can be counted on to give you a lot for your money. The egg market is at a low, matched only once since the end of World War II. There is no mistaking that large eggs are the protein food right now through the rest of April and May.

4-H Girls Plan Annual Cooking, Sewing Projects

Ohio 4-H girls between the ages of 10 and 21 will participate in summer home economics cooking and sewing projects, sponsored by the National Committee on Boys and Girls Club Work, and the County Extension agent.

Top achievement will be recognized with awards of college scholarships, trips to the Chicago 4-H congress, clothing awards and medals.

Not only farm girls are eligible for enrollment in the program which will teach the girls to choose wisely, buy economically, demonstrate techniques, and exhibit products. Enrollment is made through the county extension agent's office.

Floor Furnaces Popularity Gains

Dependability, compactness and economy are among the advantages of gas-fired floor furnaces according to the Gas Appliance Manufacturers Association.

Used in a number of types of dwellings, they are especially popular in one-story homes without basements, whether small dwellings or larger ranch types. Depending on the size of the home and the climate, a single furnace may meet all heating needs, or several may be employed.

For each installation an opening is made in the floor and the furnace is set in flush with the floor surface. Room air is drawn in through perimeter portions of the register, heated as it passes the heat exchanger, and rises warmed through the middle zones of the register.

CANCER KEEPS GAINING EACH YEAR

This has been a century of medical milestones.

Since 1900, life expectancy has risen from 47 years to nearly 70 years. Since 1900, the nation's population has doubled. But the number of Americans 65 years old and over has more than quadrupled — from 3,000,000 to 14,000.

Among Americans 65 and over, most killing diseases of the past have been effectively controlled. Since 1900, influenza and pneumonia deaths have declined nearly 80 per cent in persons over 65 while tuberculosis deaths have been reduced by 85 per cent. The cancer death rate, on the other hand, has risen 91 per cent since 1900. And unless this rate is checked, the annual death toll from cancer will double within the next 50 years. The disease already claims 255,000 Americans a year, half of them 65 and over. By 1975, the number of Americans over 65 years old is expected to exceed 20,000,000.

Must we be resigned to a formula which states that more life is equal to more cancer? Obviously not.

The problem of cancer has a solution. This disease will be overcome as other dread afflictions have been overcome. If cancer has lasted longer, it is proof only that more must be done to conquer it.

More research is needed. That means more scientists, more equipment, more centers for training and instruction.

Public education must be stepped up. The cancer patient needs more and better care.

Our doctors need more information on the best means of diagnosis and treatment of cancer.

To achieve these objectives, the fight against cancer needs more money. How much more? As much as it will take to eliminate cancer as a major killing disease. That would be an attainment, cheap at any price.

The goal of the 1959 Cancer Crusade is a vital one. The goal is unlimited. No price should be put on the lives of the 40,000,000 Americans who will some day get cancer.

Let all of us give all-out support to the American Cancer Society for its unlimited drive against cancer.

Firework Show To Be Feature At State Fair

A spectacular hour-long display of fireworks will be one of the top attractions at the 1959 Ohio State Fair.

Rowland Bishop, Ohio State Fair Manager, said today that the fireworks are part of the story-telling process of "Chemorama," a new idea in outdoor entertainment. More than 8,000 tubes of multi-color fire and aerial shells blending with music and narration will be featured nightly.

The "Chemorama" production scheduled for the Fairgrounds is "Out Of The Darkness." This is a non-denominational interpretation of Man's creation and other Old Testament stories.

One of the scenes to be created for the Fair goers is the enactment of the parting of the Red Sea. The waters are actually sheets of living fire that part for the symbolic passage of the Israelites, and then close again after the passage.

Good idea; For Heavens sake, go to church.

BIBLE COMMENT:

God's Wishes Were Spoken By Prophets

Jeremith, and other Hebrew prophets, prefaced their prophetic utterances with, "Thus saith the Lord."

How could these prophets know that they were speaking for God? Was it presumptious on their part so to speak?

It is one thing to profess to speak for God, to make Him a voice in a dramatic writing, and quite another thing actually and truly to express the will of God.

What assurance had the Hebrew prophets that they were really speaking for God? How can men be sure that they are so speaking?

The answer to those questions is relatively simple: "By their fruits ye shall know them." And back of the fruits are the ground, the roots and the tree—the life and character from which the fruits appear.

The prophets knew the voice of God because they lived near to Him. They were men whose lives were completely devoted to truth and righteousness, and they had the courage of their convictions.

They staked everything on the truth of the words they spoke. They accepted supreme sacrifices.

They were ready to endure suffering and persecution in testimony to their faith and integrity.

In the great matters of religion men can undoubtedly speak for God.

It is only when we presume to exalt our own small beliefs and opinions on a level with the sublime truths of scripture concerning God's love and righteousness, and would make God speak for ourselves, instead of speaking for Him, that we are in danger of becoming misrepresentatives, rather than representatives of God.

The concert is free to the public.

City Detective Struck By Car On South Side

An off-duty Columbus detective who was watching his son's ball team in action last Friday was seriously injured when struck by a car as he chased a baseball into Thurman-av, south of South High School's athletic field.

Detective Robert C. Brodt, 43, of 174 E. Livingston-av, was reported in serious condition at Mercy Hospital with severe leg and left shoulder injuries, and cuts and bruises.

Witnesses said Brodt ran between parked cars after the ball and into the path of a westbound car drive by Edwin D. Bornshine, 53, of 1623 Oakwood-av.

Brodt's son, Robert, 16, plays right field for Central High School's ball team, but was not playing when the accident occurred.

Witnesses told police that Brodt, a 14-year police veteran, and his wife were standing outside the right field fence watching the South-Central high school game when a ball flew into Thurman-av, about 100 yards east of Ann-st.

No one was cited, according to police.

NEW SOUTH SIDE LAUNDERAMA

Rumanian Artist—

(Continued from Page 1)

This philisopher-artist, believes many people have talents which they never realize because they've never tried. He recalled an exhibit recently where he had his works displayed and a 50-year-old woman came up to them and sighed, "If I could only do that." "I asked her if she ever tried. 'No,' she said. Later I saw her picture in the paper of what she is doing now. Look at Grandma Moses and what she could have given the world if only she had tried earlier."

Most of Tischler's works are of a modern look, but "from the first moment you recognize what I mean," he said.

His favorite theme is the family. "There's nothing that is nicer than the happy family," he said.

Tischler gets many of his inspirations directly from the wood itself . . . from a knot or general shape of the piece. A woodpainting of Shylock evolved from the natural grain of the wood in which the artist "saw" Shylock's face. Tischler "sees" forms and shapes in wood similar to watching clouds drifting by overhead, massing and dissolving to suggest a face or horse, or other figure.

Some of his most beautiful works are 16 violins which he has carved out of old wood. His best one was made out of an old piano back. These, as most of his other prized works, Tischler hates to part with. Only one has he gives away to date. His son enjoys playing them and too, Tischler thinks he will save them for a rainy day. "Now, I have work. I don't need to worry," and his eyes show that the wound caused by parting with these loves could not be healed with any amount of money.

Revival Services Start At Wilson Church

Special revival services will be held at Wilson Avenue Church of the Nazarene, 1650 Wilson-av, beginning Monday night, Apr. 27 through Sunday, May 3.

Rev. Don Humble, of Piketon, is evangelist.

Special music each evening will be played by the Melody Men, a male quartet from the local church.

Services are slated each evening at 7:30. D. E. Clay is pastor.

Rev. Humble is a full-time evangelist and has for 15 years majored in holiness evangelism

Congratulations to Eleanor Nims, 147 E. Deshler-av, newly-elected first vice-president of the Pilot Club.

Our sympathy to Katharine La Fevre, 522 Forest-st, whose father was killed when a tractor upset and crushed him on his farm near Ashville.

New Arrivals

New little "joy-bringers" are the two girls of Mr. and Mrs. Maxwell Ware, and Mr. and Mrs. Henry Meyer. We talked to Julie Meyer's grandmother, Mrs. Ted Pehrson, and found that Julia weighed in at a hefty seven pounds, 14 ounces. Mrs. Meyer is the former Carolyn Pehrson. This is the second young 'un for the Meyer's.

Not too many years ago, these youngsters were the "young uns" in their households. Now they're fast attaining grown-upness! Happy birthdays to Mary Tobias, 74 E. Woodrow, Apr. 24; Darrell Lambert, 80½ E. Woodrow, Apr. 23 and Mary Gray, 1431 S. 4th-st, Apr. 20.

Spring Dance

St. Anthony Lodge 310, Croatian Fraternal Union, will hold its annual Spring Dance at the Croatian Hall, Saturday, Apr. 25 at 8 p.m. Music will be furnished by the Pr...ga Brothers Taburitza Orchestra.

Friends of for... South Sider Carol Rose Hughes will be glad to hear that she is now the mother of a little girl born Apr. 7, in Point Pleasant, W Va. For the card-minded, the home address is Rt. 1, Box 40.

Get well-wishes are in order for Henry Caves, who had quite a bout with the flu-bug

A belated birthday greeting to Rose Komives, 294 Hinman-av, for her Apr. 20 natal day.

Circle 23, St. Francis School of Nursing, meets at 8:30 tonight, for, dessert and bridge, in the home of Mrs. James Duckworth, 1360 S. 5th-st.

Maxine Crary rates birthday wishes for Apr. 29. Maxine resides at 256 Deshler-av.

We want to publicly thank the Practical Nurses Association of Ohio, Division 12, for inviting us to attend their Birthday Dinner last week, at the YWCA. It was such a pleasant evening, one we shall treasure! Viola Miller, president of the group, is a South Sider and a reader of Ye Gad about. The lady who invited us, Dorothy L. Burkland, is also a resident of the Best Part of Town, and she will be having a birthday tomorrow. (She knows why we gave her a middle initial, too!) Dorothy is a resident of 755 Stanley-av.

Reunion

The South High Alumni Board met last night at the school. Final arrangements for the May 22 Reunion were made and the nominating committee was appointed. The revised constitution and by-laws were voted upon. Since this is the 25 year anniversary for the Gadabout's Class, the committee would appreciate hearing from relatives and friends (or the classmates personally, if they're in the area) of our "lost" list. This list includes William John Doelker, Sylvia Block, Charles E. Carter, Martha Etnier, John Porter, James Andrews, Jane Beamer, Robert William Beller, Jack Eversole, Ed J. Finnegan, Bill Harding, Garnet Gessel, Catharine Huffman.

Ruth Johnson, Lillie Keefer, Betty Leist, Marguerite Long, Arthur Lonitz, Lurenda McClure, Gabriel Miller, Sara Millington, Lois Osler, William Ed Otto, David Rohe, Irma Bentz Whitright, Matilda Schneider, Richard Scott, Melvin Smith, Lester Weese, Lucille Weiler, Margaret Weiss, Marjorie Wiley, Eva McIntyre, and Harold McMahon. Plans Trip

The girls of Re-Hi-Go, are eagerly anticipating this weekend, when they will journey to Detroit for an outing of fun and sight-seeing.

The South Unit, League of Women Voters, will meet at 8:15 p.m., Apr. 28, in the home of Mrs. Donald Wilkerson, 291 Ryan and little Jeffy while in the southern state.

The Friendship Committee, Chapter 206, Women of the Moose, will have its chapter meeting tonight at 8 p.m. Chairman Lelia Alban is in charge of the program. Senior Regent Mildred Pierce will preside over the enrollment ceremonies. On Wednesday, Apr. 29, from 5 to 7 p.m., the Hospital Committee of Chapter 206 will sponsor the weekly dinner. The menu will include barbecued chicken, hash brown potatoes, green beans, daffodil salad and coffee. The Nurse's Scholarship Fund will receive the profits from the dinner. Price is $1, adults, 50 cents for children.

Wedding congratulations will be in order for Molly Weiss, 560 E. Mithoff-st and Sidney Wilson London, O., after 1:30 p.m., this Saturday, Apr. 25. The young couple will exchange their vows in West Jefferson Methodist Church.

Lillian and Judy Ryan, 816 S 17th-st, will soon be on their way to Fort Meyer, Fla. The mother and daughter will be visiting Mr. and Mrs. Jerry

JOUSTERS WILL ENLIVEN SCOUT-O-RAMA

TOURNAMENT PLAY—This modern version of jousting, a time-honored tournament game originating when knighthood was in flower, is being demonstrated by Dennis Brookover, 11, of 1551 Withers-av, left, and Bobby Parsons, 11, of 1425 Brown-rd. These boys, along with hundreds of other Scouts, will act as hosts in one of more than 200 booths at this year's Scout-O-Rama. The event will be held Saturday and Sunday, Apr. 25 and 26, on the Ohio State Fairgrounds. The "Jousters" above are from Troop 411. Tickets for the Scout-O-Rama sell for 50 cents each and admit one adult or two children.

Scout-O-Rama Slated For State Fairgrounds; Rated 'The Greatest Show In Central Ohio'

The Greatest Show in Central Ohio — the Scout-O-Rama — will be held Saturday and Sunday, Apr. 25 and 26 in the Merchants and Manufacturers, and Agricultural buildings on the Ohio State Fairgrounds.

Cub Scouts, Boy Scouts and Explorer Scouts from Central Ohio will take part in this spectacular Scouting event and entertain visitors with more than 200 displays of Scouting in action. Included in the exhibits will be gun safety, tower building, signaling, first aid, boat building, rope making and fingerprinting. Booths will be manned by Scouts who will explain the displays and answer questions.

In addition to these exhibits, in which more than 1,000 will participate, there will be outstanding acts in the arena where bleachers have been erected. Music for the two-day show will be furnished by various bands from Central Ohio High Schools.

Tickets for the Scout-O-Rama are 50 cents and will admit one adult or two children. These can be purchased from any Scout or by contacting Scout Headquarters. Opening and closing hours are printed on the tickets.

For the convenience of guests free parking close to the buildings has been provided. Refreshments are available at reasonable prices.

The Scout-O-Rama is sponsored by the Central Ohio Council of the Boy Scouts of America and the Columbus Junior Chamber of Commerce.

Last year the Scout-O-Rama played to over 30,000 people. Scout and JC officials are expecting an even larger crowd this year.

Heyl Terriers Take Lead In Tuesday Gra-Y League

Going into the second week of play, the South Side Branch YMCA Gra-Y Softball Leagues are again showing the good play and sportsmanship that has become a trademark of the leagues.

All 130 participants are entering into the spirit of the season as the spring weather has made it comfortable for all of the games to date.

Last week's games started with the Tuesday League showing Reeb how to open their season of play, after taking a bye, with a 21 to 9 win over the Southwood Protons. Reeb's heavy hitting proved too much for the Protons, even though the only home run came off Fred Bennard's bat for the loser.

Heyl's Terriers won a close one from another Heyl team, the Vanguards, with a 9-8 score. The Terrier's three runs in the last inning proved to be the difference.

Livingston's Be-Boppers evened their won-lost record by defeating the Southwood Electrons 12-5 behind the combined hitting efforts of the whole team.

The Thursday League saw Deshler continue its winning ways by defeating the Lincoln Park Grays 11-6. The pitching of Bill Tittle for the winning Panthers did much to hold down the sluggers from Lincoln Park. Siebert's Scorpions also worked out on a Lincoln Park team as they defeated the Scarlets 7-5. Again a last inning singe of runs proved too much as the Scorpions pushed across three runs to clinch the game.

The highlighting game of the evening saw the Stewart Sluggers defeat Beck Bulldogs 7-6 to even their won-lost record. Both teams displayed good teamwork in working for the victory.

Christ: Friend of Sinners

Christ left heaven and came to earth to save sinners. (Lk. 19:10).

His life on earth was lived around this purpose. Christ died in order that sinners might be saved. "... while we were yet sinners, Christ died for us." Rom. 5:8.

The gospel was given "... by the revelation of Jesus Christ." Gal. 1:12. Again, Rom. 1:16, "... the gospel of Christ, God's power unto salvation." It must be obeyed!

Christ invites "ALL" to come obediently to Him. (Mt. 11:28) One comes by obeying the commands of Christ:

Belief in Him—Mk. 16:16.
Repent of sins—Acts 17:30.
Confess faith—Mt. 10:32.
Baptism for forgiveness — Acts 2.38.

South High Graduate To Take NROTC Trip

Jay Beatley, who graduated from South High School in June of 1958, is one of the 40 midshipmen being sent to Corpus Christi, Tex., as part of the Ohio State University NROTC's summer training program. The purpose of this venture is to interest these men in naval aviation.

The unit will spend a day at sea on an aircraft carrier and then fly to Kingston Naval Air station for an indoctrination flight in jet aircraft.

SIGN MARKS SITE—The sign signifying the site of the new Scioto Downs harness track on U.S. Rt. 33, between Hartman Farms and Shadeville is the only indication to passing motorists that a new South Side raceway is under construction. According to track officials, however, 35 per cent of the harness track is already completed. The new track, costing an estimated $2 million, is slated to open Oct. 9, for its inaugural meeting.

Scioto Downs Track Readied For Autumn

man Farms and Shadeville, is already 35 percent completed Construction of the new harness plant is expected in plenty of time for its inaugural meeting Oct. 9 to 24.

Land and construction costs to date total $744,077, with grading of the 5000-car parking area already completed. A heavy rock base and the first surface of finer gravel has already been applied to the leveled space.

Total cost of the new track is estimated at $2 million.

Grandstand construction is well under way along the footers for the clubhouse, and the track's 40-stall barns are up to rooftop.

Track officials said the graded racing strip withstood the drainage test through the extremely cold and wet winter.

To speed construction, all prefabricated materials will be used. The materials are expected to be delivered during the next several weeks, and with warmer weather pouring of concrete will be speeded.

Expected warm weather and a combination of speedy construction and prefabricated materials will give South Siders on the edge of Columbus a new harness racing track by early autumn.

Although not visible to users of U.S. Rt. 33, the new Scioto Downs, located between Hart-

Volunteers Of America Open Salvage Campaign

Sixtieth annual nationwide spring salvage campaign conducted by the Volunteers of America got underway in this county Apr.1.

Items ranging from discarded clothing to worn-out electrical appliances, from furniture to newspapers and magazines, will be collected by the national social welfare organization which helps the needy "without regard to race, color or creed."

Used material of every type will be picked up by Volunteers of America trucks upon receipt of a phone call to CA. 4-8650 or CA. 4-5665.

"The items will be examined, sorted and repaired and then distributed to the needy," said Lt. Col. Harriett McDonald of the Columbus post, 279 W. Broad-st.

The campaign will also provide jobs for unemployed men and women who will work in the Volunteers of America warehouse sorting and repairing the salvage articles, she said.

In launching the campaign, General John F. McMahon, commander-in-chief of the Volunteers of America, said:

"In three-score years of service, the Volunteers have helped more than a million men and women get a new start in life through the fine cooperation and generosity of the American people."

Name Fornof To Columbus BOE Vacancy

William Fornof, 40, of 103 Fornof-rd, was named Tuesday to the Columbus Board of Education to fill the term ending Dec. 31 of George Farris.

A descendant of one of Franklin County's oldest families, Fornof was voted into office unanimously by six board members.

The vacancy was created when Farris resigned prior to moving to Upper Arlington. Fornof, to retain the post, must run for a four-year term in November.

The new board member has the unique distinction of having a Columbus public school named after his family. Fornof School became part of the city school system when Marion Township was annexed to Columbus.

He becomes the third member of his family to serve on Boards of Education. His father, Adam, and his grandfather, Peter, both served on Boards in old Marion Township.

A graduate of South High School in 1936, Fornof earned a bachelor of science degree in horticulture from Ohio State University in 1940. He is currently president of the Peter Fornof and Son Greenhouses, 21 Fornof-rd.

Fornof served as an Air Force pilot in the China-Burma-India theater during World War II.

He and his wife, Dorothy, have three children, John Adam, 3; Molly, 7; and Peter, 8.

EUB Church Revival Stars Musician

J. Roy MacMurray, former associate of Dr. Homer A. Rodeheaver, will conduct the music for the Washington Avenue Evangelical United Brethren Church revival to be held from Sunday, Apr. 26, thru Sunday, May 3, with services nightly at 7:30, announced Rev. Boyd C. Rife.

Mr. and Mrs. MacMurray, who are currently appearing at Dr. Oswald J. Smith's Peoples Church in Toronto, Canada, are heard annually at the Winona Lake Indiana Bible and Music Assembly in August.

MacMurray, who is featured at the assembly as "the One-Man Band" will bring all of his music repertoire for the week's program of music. MacMurray was declared by Rodeheaver to be the "world's foremost trumpeter and interpreter of sacred music."

The musician features the shortest cornet in the world and directs music with one of the longest trumpets which measures 53 inches. The shortest is 8½ inches in length.

The Musical MacMurrays sing duets using their imperial nocturne electric vibraharp and goya guitar for accompaniment.

Speaker for the services is Rev. Mabel Rife Whipple, and is a product of the Washington Avenue EUB Church. She has traveled in foreign countries visiting the Holy Land in her Religious studies, and has conducted meetings in a number of states.

According to a survey, the most dangerous traffic hour is between 7 and 8 o'clock at night. That's when everyone is through supper and hurrying to get nowhere.

NEWSPAPER COVERAGE EARNS AWARD

GOOD WORK—Hugh DeMoss, news director of WLW-C television, presents a plaque to William J. Rush, managing editor of Hartley Newspapers, complimenting the group of seven Columbus area community newspapers for their efforts in keeping the public informed during the recent downtown daily paper strike.

Mantoux TB Tests Given First Graders

Needle-type Mantoux tuberculin testing of first grade pupils in Columbus public schools will begin Monday, Apr. 27, it is announced by the Tuberculosis Society.

Wednesday, Apr. 29, Mohawk Elementary School, 471 S. 6th st, will be the second public school to be offered the free Christmas seal skin test.

The Mantoux test is a painless, harmless injection of purified derivative between the first two layers of skin on the forearm. "P.P.D." harmless in itself, causes an allergic reaction to any TB germs present in the body. This "positive" reaction is characterized by the appearance of a red, swollen welt, measuring more than five millimeters in diameter, which appears on the forearm. The welts are measured or "read" 48 to 72 hours after the injection. A positive reaction does not necessarily indicate a case of active tuberculosis.

Arrangements will be made for positive reactors to receive free chest X-rays. Their household contacts also will be chest-checked to locate the source of the TB infection.

Dr. George O. Kress, Columbus physician, will administer the Mantoux tests and Dr. Adelaide Sauers, pediatrician, will read them.

Blue Daisy Day Solicitations Slated Apr. 24-25

The annual "Blue Daisy Day" of Columbus and Franklin County Blue Star Mothers of America will be held Apr. 24-25.

Solicitation of business places and office buildings will be Friday, Apr. 24 with girls from public and parochial high schools assisting with the sale on the streets of Columbus, Saturday, Apr. 25.

Blue Star Mothers are mothers of service men and women of World War II and Korea or those in service now in any branch of the Armed Forces.

Money derived from the sale of the Daisy will be used for work in the various VA Hospitals for the hospitalized veterans, those ill and disabled at home, or for educational awards for veterans' children or members and for community service.

BIG DOINGS

The Lincoln Park School PTA meeting for April will be held Thursday, Apr. 23, in the school auditorium. A business meeting will be held by Mrs. Richard Brown, PTA president. Guest speaker will be Patrolman Steve McDonald. He will speak about the duties of the Patrol Boys. Election of officers will be held. The main event of the evening will be a Talent Show, with Maurice E. Lowks as MC. Thirty-four students will take part in the show.

Guide Forms Booklet

Again in this issue subscribers to the six Hartley newspapers will receive a weekly guide to the top television program on all four Columbus area stations. To fold the page into a handy booklet, follow these simple instructions: Taking the page as it is presented in the paper, fold it vertically in half. Then fold the top of the page to the bottom twice until the front page of the section appears. The first three days then follow in order. By turning the page over, the other four days appear.

Join CASPER THE CAMEL and His Guests Daily On C'MON 'N PLAY — 9:00 A.M.

YOUNG LADY experienced in office work, familiar with general office procedure and machines, pleasant working conditions, paid vacation, hospitalization, etc.
Addressograph-Multigraph Corp.
CA. 8-1861

Is there an intelligent young —high school graduate, or soon will be—who has a desperate desire to learn the newspaper business, but is unable to finance a college education. If so, an unusual opportunity is available to one who is willing to sacrifice quick financial return for a long-term practical education in the many phases of newspaper work. Starting salary will not be high, but to a young man who is capable of learning the business, there is no limit to ultimate financial return. Applicants will be carefully screened — only those with high scholastic records will be considered. Good knowledge of English essential. References required. For interview, call Mr. Mansfield. BR. 4-1155.

South Kiwanis Misses Deadline On'SouthHistory'

Southern Kiwanis Club's plan to publish a "History of the South Side" will miss a hoped-for target date of May 1, the club reported this week.

The reason for the delay — the amount of story material grew and grew. The project, which originally seemed large, became larger — too great for hasty work. A new publication date has been set, but preparation will go on, the newspaper committee said.

Named to handle details and coordinate editorials and feature stories during the summer were Kiwanis Director and Parsons-av attorney Robert Horowitz; Columbus Traffic Commission chairman, Otto L. Meier, 229 E. Jenkins-av; and contractor Norman Altman Jr., 1251 Fairwood-av.

Meier is a Kiwanis vice-president and chairman of the Public Affairs Committee, Altman is a director and member of the Public Relations Committee. Horowitz is chairman of the Kiwanis Church committee, a member of the South Side Business and Industrial Association, the Ohio Bar Association, Temple Israel and B'nai B'rith.

Blind Students Visit Hamilton High Schoolers

Four students from the Columbus School for the Blind visited the biology class of Hamilton Township High School recently.

The students, Tim Marshall, Tim Seitler, Jackie Westone and Betty Stack, answered questions concerning their blindness. They explained the Braille system, how they told time, their school, and their recreation.

Some of the sports are: baseball, basketball, bowling, wrestling, and swimming. Social dances are held twice a month for all the students.

The next day the biology class returned the visit and spent the whole day at the Columbus School for the Blind.

BUILDS GARAGE

A permit has been obtained by C. L. Gilblan, 1137 Woodrow-av, for the contruction of a two-car frame garage.

MODEL MOTHERS—Sharon Gardine, 1136 E. Woodrow-av, left, and Mrs. Jack Woodworth, 3429 Hamilton-rd, will model fashions from far away lands Tuesday, Apr. 28, in the Aquinas Mother's Club Style Show. Mrs. Gardine will model an original Alaskan sealskin coat, purchased during her three-year stay in the new state, while Mrs. Woodworth will model a handwoven skirt and stole bought in Heidelburg, Germany, during a visit.

Aquinas Mothers Schedule Foreign Lands Style Show

The Aquinas Mother's Club will sponsor a style show and card party Tuesday, Apr. 28 at 8:15 p.m. in the Aquinas school auditorium.

Theme for the show will be Authentic Costumes from Foreign Lands, and will feature styles obtained by club members from actual visits to Germany, China, Japan, Finland, Hungary, India and other countries.

One of the fashion highlights will be the modeling by Sharon Gardine of an original Alaskan Parka. This beautiful sealskin coat, purchased during Mrs. Gardine's three year stay in the new state, is light grey, with dark grey spots and has an attractive sheen.

Mrs. Jack Woodworth will also display an unusual fashion from a country currently in the day's news—Germany. She will model a handwoven skirt and stole which she bought in Heidelburg during a 1956 visit. She will wear pure ivory jewelry to set off the skirt and stole.

Nita Hutch will commentate on the fashions.

Mrs. John Radich and Mrs. James Silk are co-chairman for the show, while Mrs. Frank Shea will head the card party committee.

Tickets may be obtained at the door. Door prizes will be awarded.

Barrett Instrumentalists Perform For PTA Members

Maestro Herbert L. Germain demonstrated the results of a year's work with 87 beginning students of band and orchestra instruments during a PTA program in the Barrett auditorium Thursday, Apr. 16.

During this first appearance of these 7th grade students Germain was assisted by upper grade student directors John Burns, Malcolm Parsons, Sharon Frank, Sue Woodward, Donna Garnes, and Sandra Mitchell for band, and Kathryn Mason, Susan Kish, Margaret Wycuff, Carol Schulz and Lana Gregory for orchestra.

Southwood PTA Slates School Panel Discussion

"Have passed — will travel" will be the theme of the Southwood PTA meeting set for Thursday, Apr. 30, 8 p.m. in the school auditorium.

The program will be in the form of a panel composed of Ken Olbert, principal of Barrett Jr. High School, who will discuss the curriculum of his school and will show colored slides. Two students from Barrett, Jeri Hampton and Keith Fillinger will serve on the panel.

Hampton, a former Southwood student, will tell what a usual day's activities would be at Barrett. Fillinger will tell of the the extra curricular activities.

A question and answer period will follow and those participating from Southwood are Mearle Caskey, principal; Terry Knapp, Rosemary Barnhart and Lewis Harrold, sixth graders who will direct questions to the panel.

A part of the program will be devoted to honoring those of Southwood who participated in the City Music Festival on Apr. 9. They are Barbara Johnson, Lynn Mitchell, Peggy Ikehorn, Leslie Henson, Sharon Dunkle, Dennis Dean, Larry Gregory, Carl Weaver, David Blair, Diana Harlor, Diane Decker, Sharon Dreizigacker, Jenny Dayton, Linda Arnold and Ruby Short. The above students sang in a massed choir of 1500.

Randy Moore was a flag bearer. Miss Suzanne Crawford, teacher at Southwood directed the children.

Miss Donna Crites represented Southwood recently in the spelling contest sponsored by the Columbus Citizen. Donna won a pen as a gift for her participation. Election of officers for next year will be held with Mrs. Charles Dayton, presiding. Refreshments will be served.

Parsons Library Holds Weekly Story Hour Class

Each Saturday at 10 a.m. Parsons-av Branch Library offers a "storyhour" program of stories, games, and crafts aimed at the younger patrons of the library.

The program lasts one hour and is geared for children from ages three to ten, although many of the regular Storyhour patrons are a little older. There is a trained staff member with the children at all times, so that parents may bring the children and leave them for the Storyhour and return for them later.

In the near future ,there will be several Storyhour sessions featuring film strips, a puppet show, and special contests and game days. For the special features, the library will display posters with the exact date and the program outlined in some detail.

Southern Kiwanis Club To Counsel Students

Senior students at Marion-Franklin High School will be visited Wednesday, Apr. 29, by members of Southern Kiwanis Club who will counsel the boys and girls in effective ways "to find jobs and choose colleges and universities."

The program is being developed by the Kiwanis Vocational Guidance Committee and Marion-Franklin's guidance staff. Edward Guyette, Swift Packing Co., Dr. Clarence Gallagher, and attorney Henry Maser, will represent the Kiwanians.

STUDENTS TAKE OVER

Future Teachers of America Club members of South High School will sponsor a teacher's recognition day today, Apr. 23. Members are taking over classes for the regular teachers as part of their program to emphasize "Teacher's Month."

Hello!

Our greenhouses are beginning to be filled with the bright colors of the bedding plants which will soon be ready to set out in your porch boxes and yards. Around the tenth of May is a good time to begin this, if the weather permits. We are cutting each day large quantities of fragrant, spicy carnations—a beautiful bouquet of these lovely flowers is the perfect gift for a birthday, anniversary or to cheer a shut-in. Arrangements from $3.50 and up.

Get well wishes to many recently on the sick list—Steven Morrison, Mrs. Hazel Hoermle, A. K. Graumlich, Brenda Lippert, Arthur Todd, Mrs. Maude Tane, Steve Pirik, Frank Peterson, Jane Fields, Mrs. Anna Holly, Mary Ann Kane, Mrs. Hazel Calahan, Walter Shumate, Bob Taylor, Marvene Weaver, Mrs. Letha Graham, Charles Cain and Rev. Farrett Tabor. Anniversary greetings to Rev. & Mrs. Carl E. Brown on their 29th, and to Mr. & Mrs. Leo Dietlin . . . Congratulations to proud new parents — Mr. & Mrs. Umbstatter (Girl), Mr. & Mrs. Bill Rau, Jr. (Boy), Mr. & Mrs. Louis Jerry Maynard (Girl), Mr. & Mrs. G. S. Bates (Girl), Mr. & Mrs. C. DIRECTING THE SHOW — Pictured is Schiller Recreation Center's Tom Crawshaw, in a pose made familiar through the years of directing music and theatrical productions in Columbus and Central Ohio. Currently the director of Schiller Recreation Center, Tom once directed the Columbus Fire Department's famous Firemen's Minstrels, Theater Productions, Inc, operettas, and many musical productions. This picture was taken from Tom's scrapbook containing mementoes of those productions.

Schiller's Director Recalls Long History Of Musical Productions

By Nancy Pendleton

How many South Siders remember those fall evenings back in the late 1940's and early 1950's when the Hartman Theatre rang up the curtain on the Columbus fire department's famous Firemen's Minstrels? Maybe many of you didn't realize that Schiller Recreation Center's own Tom Crawshaw, was the director of these annual shows.

He also helped organize Theatre Productions, Inc., which produced operettas with Columbus people, including many South Siders. These shows were also put on at the Hartman Theatre and included productions of Sigmund Romberg's "Student Prince," and "Blossom Time," and Victor Herbert's "Babes In Toyland."

Tom began his career in music when attending Capital University and directing the university's orchestra. He graduated from Capital's Music School in 1932 and received his master's degree in music in 1936 from there.

"Around 1936 or '37 I had a civic choral society which used to meet at the YMCA. We had about 125 voices doing oratorios and concerts," he said. "Franklin University decided they wanted something in the musical operetta line so I was drafted to direct the music for those," he continued. The group put on a series of Gilbert and Sullivan operettas at Central High and throughout the state in various schools. In 1939 they produced a show at old Memorial Hall for the Finnish Relief Fund.

Tom then became supervisor with the Federal Music Project for Central Ohio and produced music appreciation programs and concerts in rural and suburban schools throughout Central Ohio.

After Pearl Harbor he was transfered to the War Department and put on vaudeville shows in service camps here in Central Ohio, including Fort Hayes, Lockbourne, Wright-Patterson, as well as induction centers and service clubs.

According to Tom, "One thing led to another, and that's how Theatre Productions, Inc., was formed." He explained, "Some of the people I had worked with in the past, thought it would be nice to organize a group of our own. We incorporated it under Ohio laws as a non-profit organization." Included in this nucleus organization were Charles Highland who was with the fire department, Dorothy Keller, associated with a Columbus music company, and Gerald Gruber, a South Sider.

First production was "Student Prince" Feb. 13, 1948 at the Hartman. The group also produced a series of package shows which could be used by small community groups or clubs for a money-making project.

"Meanwhile, Adam Gilger was

South Side Boy Dies In Fall From Bed

A three-year-old South Side boy, presumed dead when he was taken to Children's Hospital early this week lost his battle to cheat death a second time Tuesday.

Little Robert Fosnaugh Jr., died in Mt. Carmel Hospital 22 hours after he tumbled off his bed and struck his head against the bedpost.

Police said the boy was jumping up and down on his bed when he apparently lost his balance, cracked his head on a bedpost and fell three feet to the room's concrete floor.

The lad's expectant mother, Mrs. Robert D. Fosnaugh Sr., of 1331 Southfield-dr, called fire emergency squadmen from a neighbor's phone.

The squadmen said the child was not breathing and that his heart had stopped.

Later at Children's Hospital doctors massaged the heart, which they said had stopped beating for at least six minutes.

The boy revived and remained alive for about 22 hours. Doctors said he had apparently suffered convulsions caused by the fall and that his lungs became congested.

They said brain damage resulted from the heart stoppage.

Robert is survived by his parents, Mr. and Mrs. Robert D. Fosnaugh Sr., a five-year-old sister and a nine-month-old brother.

'REEL' NICE PRIZE!

Canadian Resort Beckons Fishing Derby Winner

Timberlane Acres, in Kawartha Lakes area, Ontario

First day of May is the kick-off date of this year's Hartley Newspapers Fishing Derby—the biggest ever!

Heading the list of prizes is a grand award of a week's vacation for two in Canada at the beautiful fishing resort Timberlane Acres, on Pigeon Lake, Ontario. You read about Timberlane last January in Rod Cochran's column, "Inside on the Outdoors."

Scads of valuable fishing tackle prizes are waiting for anglers who catch fish anywhere in Ohio and register them at official weighing stations listed elsewhere in this newspaper.

In Heart Of Good Fishing Area

Timberlane Acres is in the heart of the scenic Kawartha Lakes district — an area noted for good fishing. Maurley E. Sutton, 155 Binns-blvd, owner of the resort states, "The winner of this vacation for two will fish for muskellunge, walleyes and bass. He will live in a modern cottage at the water's edge, and will enjoy a picturesque view through a picture window. This really will be the trip of a lifetime, and we'll do everything possible to make it perfect."

Tackle Prizes Worth More Than $300

How about that! Enough to make you want to go fishing and enter Hartley Newspapers Fishing Derby? Don't forget the more than $300 worth of fishing tackle prizes. These awards are absolutely the best money can buy — all are from quality manufacturers, known for making superior equipment. Inside this edition you will find the complete list of prizes, along with the rules and the addresses of official weighing stations.

'Youth Day' Set By Elks

West and South Siders will be right out front when the Ohio Elks Association observe National Youth Day downtown May 1.

Many members of BPOE No. 37, 1045 S. High-st, will attend a briefing session at the Deshler-Hilton, Room 218, Thursday night. The President's Youth Luncheon will be held in the hotel's Hall of Mirrors at noon Friday. Ohio Elks President A. E. Socia will give the welcome.

At 3 p.m. a Color Guard from Boy Scout Troop 81, sponsored in the West Side by the Elks, will lead a band procession west on Broad-st to the Capitol. Scout Howard Boyer, 1021 Bellows-av, will lead the Pledge of Allegiance on the Capitol steps. Talks will be given by Governor DiSalle and Mayor Sensenbrenner. Elks Governor Socin will speak on "Americanism vs. Communism."

Governor DiSalle will present $200 in bond awards to several out-standing Ohio Young people.

At 6 p.m. a dinner for all visiting youth and bands will be held at Veterans Memorial Building. At 8 p.m., Gene Fullen radio and TV, will present a record hop for all participating youth.

Among those assisting with the day's program are M. E. Sensenbrenner, Leslie Scrimger, Ross Reinhart, Jerry Kline, William Harper and Loren Smith.

United Appeal Recruits 29 South Siders

Twenty-nine top leaders for this fall's United Appeal house-to-house campaign in the South area have been recruited.

Mrs. George Hickcox, chairman of the South area, announced this week that her 13 colonels and 16 captains are starting on the recruitment of volunteer workers to handle the door-to-door solicitation.

Mrs. Hickcox said the objective is to recruit 139 workers by Memorial Day, May 30.

Any residents in the South area, wishing to volunteer on their own, are urged to call Mrs. Hickcox at HI. 3-6601, or Mrs. Robert Waibel, vice-chairman, at CL. 3-8057.

South Side Community Night Ticket Sales Hit 1000 To Date

TICKET TAKER—George Brand of the Southway American Legion Post, right, is shown buying an early ticket to the South Side Community Night at Jet Stadium May 20, from Edward Reis, Community Night Ticket chairman. Proceeds from all advanced ticket sales from the game between the Jets and Miami Marlins will go to South Side youth. Reis and Brand are both active in South Side youth programs.

Prize List Mounts As May 20 Jet-Miami Game Draws Near

Ticket sales picked up this week to bring to a total of over 1000 special reserve seats sold for the first annual South Side Community Night, May 20, at Jet Stadium.

With but 20 days remaining until the special South Side Night clash between the Columbus Jets and Miami Marlins, approximately 2400 reserved seats alloted the South Side still remain unsold.

"We realize the game is almost three weeks off," Harry Sells, Community Night chairman, said Wednesday, "but our total of 3400 tickets was out in the hands of sellers this week and sales have begun to move fairly well."

Sells pointed out that the deadline for tickets is May 17, three days before the game, and that all tickets for Community Night not sold by that time must be returned to the Columbus Baseball Club for resale at the gate.

In emphasising the need for advanced sale of the tickets, Sells stated that proceeds from the sale of each ticket goes to South Side Youth, and "tickets sold at the gate or after the May 17 deadline will not benefit the cause for which the night was intended."

Fifty cents from each ticket sold is being turned over by the Jets for the benefit of South Side Youth. However, the cut will come only from the 3400 tickets alloted for advance sale for the Community Night.

Cost of each individual ticket is $1.60, and entitles its holder to sit in a special reserved seat section between third base and home plate on a first-come first served basis.

The selection of reserved seats by Community Night fans was made possible by the club so that groups of South Siders, regardless of size, could come to the game and sit with friends.

Highlight of the evening, besides the game itself, will be the presentation of approximately 100 prizes donated by South

South High Class Of '34 Chops 17 Off Missing List

The 1934 Class of South High School, still working diligently to track down their "lost" classmates, this week were pleased to find that only 23 of the combined January and June classes remained on the "whereabouts unknown" list.

Last week the missing number totaled 36, with 40 names actually listed among the lost column in the Leader.

Four members who should have been excluded last week are Irma Bentz Whitright, Laura Wood Klipfel, Bill Harding and John Ziccardi.

The previously listed missing persons, still unheard from by this past Wednesday are Jane Beomer, Bob Beller, Ed Finnegan, Garnet Gessel, Catharine Huffman, Ruth Johnson, Lillie Keefer, Betty Leist, Arthur Lontz, Phoebe McClure, Eva McIntyre, Harold McMahon, Sara Millington, Lois Osler, William Otto, Lucille Weiler, Margaret Weiss, Marjorie Wiley, William John Doelker, Martha Elmer, Marguerite Long, and Richard Scott.

Committee members Wilma Steele Herrel, HI. 4-3409; or Priscilla LaRue Lenox, HI. 4-1051, are available to receive any information of these 1934 South High graduates.

Fifteen Seek Council Positions In Primary

Incumbent Democratic City Councilman William P. Two Year Dream Come True Ends In Trip For 7 South Side Girls

A two-year dream came true this week for seven South Side girls, all members of the same club, classmates, and friends for over half of their teenage lives.

A weekend trip to Detroit, planned and saved for by members of the Re Hi Go Horizon Club, an affiliate of the Campfire Girls, became a reality. Sightseeing, the Ford Museum, Greenfield Village, and the food and comfort of a plush hotel all proved two full days of enjoyment for the girls and their two chaperones.

The girls, Nancy Buller, Mary Beth Whitacre, Priscilla Dicke, Linda Junk, Betty Jean Straub, and Judy Mate, all juniors and seniiors from South Hi School; Betty Skobrak, a junior at Marion-Franklin, and Janis Olive and Carol and Nancy Murphy, of Eastmoor started planning for the trip two years ago.

The girls originally planned a trip to New York, but lack of funds prevented the journey. They sponsored bake sales, sold candy and cookies, and staged plays to raise funds for their trip.

Two years and $200 worth later, the girls decided the time had come for their long-awaited trip. With New York now out of the question, letters were written to chambers of commerce in Washington, Chicago, Holland, Mich., and Detroit.

After examining the points of interest in each city the 10 members chose Detroit. The weekend of Apr. 25-26 was selected as the time.

The club's two advisors, Mrs. Michael Skobrak and Mrs. Joe Straub, were to accompany the girls. At the last minute how-

Mike Mileusnich, prize committee chairman, will have a complete list of prizes and merchants donating gifts at his committee meeting Monday. Mileusnich stated last Tuesday that response was so favorable from local merchants that the prize list will have to be cut at 100 to prevent contributions from getting out of hand.

The Jets and Marlins are currently fighting it out for first place in the young International League race, with Columbus trailing Miami by only one game.

Miami, which finished fifth in the league last season, will be making its first appearance in Columbus during the week of the Community Night. HEYL SLATES HAWAIIAN FESTIVAL

HONOR NEW STATE—As an honor to the country's 50th state, Heyl Elementary School will flavor its annual Spring Festival with a Hawiian theme Friday, May 8, between 4:30 and 8:30 p.m. Pictured above in the traditional grass skirts and leis are Heyl PTA members Garnet Smith, left, Opal Leach, center, and Faith Davidson. The festival will feature more than 14 booths and displays including pony rides, fish ponds and a spook room. More than 100 PTA members and teachers will participate in the program, expected to attract between 700-800 guests. A supper will be served at the school from 4:30 to 7 p.m.

Schiller's Director

directing Firemen's Minstrels, but because of ill health, had to give them up and Highland asked me to take over," Tom said.

From there on in, Tom acted as producer, writer, director for the annual fall shows until "they were discontinued because the city grew too big and couldn't spare firemen for rehearsals," he said. We used to take the show to the Penitentiary every year and give it for them, but that was before the riot. We didn't do it after that" he continued.

Minstrel's differed from Theatre Productions in having the cast composed basically of theatrical amateurs . . . members of the fire department. All Theatre cast members had some musical or dramatic training. Minstrel productions included a chorus of 65 persons, and a dance line of 16 to 32, depending upon the type of dance used. Dancers were furnished by Columbus studios. Minstrels had a run of six performances consecutively.

Theatre productions would run three nights. Cast members included music students, professional singers and teachers.

Musicians in both were professional.

Proceeds from the minstrel would go for the Firemen's Benevolent Association. Money from Theatre productions would go into future productions.

When Theatre Productions disbanded, most persons connected with the group channeled their talents into other local theatre organizations. One boy went to New York for theatre work. Tom was asked to become director of several road shows "but turned them down because I wanted to stay in Columbus," he said. "The reason I gave up Theatre Productions, Inc., was because I had other commitments. I didn't feel I had the time to do it anymore.

But this doesn't mean Tom has forgotten his love for music. He continues to take an active part in civic music affairs including directing music for Columbus Recreation department's summer pageants. He is supervisor for music and dramatics at all Columbus centers. He also serves as Minister of Music at Glenwood Methodist Church with four choirs under his supervision. He has directed the last two Hilltop Business Association Minstrels. "That keeps me pretty busy," he said, and most folks will have to agree that's an understatement.

ever, three of the members, Janis Olive and Nancy and Carol Murphy could not break work commitments.

On last Friday the party left for Detroit and returned to Columbus early Monday morning, full of souvenirs, fun and memories.

The trip was the second taken by the club, the first coming five years ago when they journied to Cincinnati. Each summer the girls take a camping trip to Wyandotte as part of their Campfire Girl activities.

The girls all became friends in elementary school and, with the help of Mrs. Skobrak, formed the Flying Bluebirds, a Campfire organization for girls aged 7 to 9.

When the girls became 10 they entered original Campfire Girl status and named their club Tin Ka Ta Wa, an Indian name meaning "shooting to the stars."

After outgrowing the Campfire Girl Club, the members entered the senior bracket of the organization, Horizon Girls. Their Re Hi Go title is short for "reaching higher goals," the club's motto.

Upon graduation from high school the girls will officially end their Campfire Girl Club days. The first three to depart will be Mary Beth Whitacre, Priscilla Dicke and Nancy Murphy who all graduate this June.

Graduation will not break the friendships and get-togethers the members have come to know and love during the past 10 years however. All 10 have agreed to continue their relationships and meet as a group at least once a month.

Mrs. Skobrak and Mrs. Glenn Buller, assistant supervisor since the club's founding, have kept four scrapbooks on the girls activities over the years. Although the club's days are numbered as an official Campfire Girl organization, both mothers will undoubtedly have many more pages to fill in their books.

The 10 years of binding friendship and fun is sure to carry on for this most successful of Columbus' Campfire Girl groups.

PLAN CANDY SALE

The Rosina Ernst Club of the sightless will sponsor a Mother's Day candy sale Apr. 25, until Mother's Day. The candy is one pound of assorted chocolates, and is priced at $1 per pound. One of the club's projects is to clothe needy children from the Ohio State School for the Blind.

The agriculture department reports there are about 4,645,000 farms operating in the United States in 1959.

South Golfers Compile Even Link Record

The South High School golf team has broken even out of two matches played so far this year.

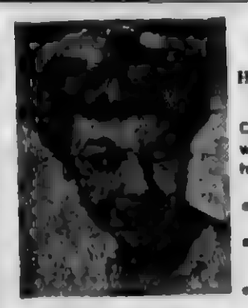
Their first match was against West, whom they trounced 13 to 3. Al Vannoy was low man for the game, shooting a 79. Vannoy, along with Norm Woods and Bob Sherwood scored four points apiece. Jim Short tallied for one.

The linksters second opponent was Central. The tables were turned in this match as South lost 10½ to 5½. Captain Vannoy again led the golfers by scoring four points.

Moose Women Schedule Hospital Night Program

Chapter No. 1427, Women's Auxiliary of the Moose, will hold its Hospital Chapter Night Program at the Worthington Moose Home, Monday, May 11 at 8:30 p.m.

The speaker for the evening will be Miss Laura Kuceyeski, Instructor at the Capital School of Nursing. A movie will be shown depicting nurse's training.



Two nurses, Miss Jean Hermann and Miss Martha Albert, recipients of the Women of the Moose scholarship for nursing, will be honored.

Hello!

Orchids to Mother! She deserves them for all the meals she cooks and the socks she mends all year. Tell her how much you love her with flowers on Mother's Day. This year Mother's Day falls on May 10, and right now is not a moment too soon to order her flowers for best selection. If you want to send flowers out-of-town, any Mother's Day order given to us before Wednesday, May 6, will be sent for you without added telegraph charges.

Get well wishes to Ruby Miller, Mrs. Okey Sharp, John Sheskey, Ann Edie, Harry Tolbard, Lillian Yost, Bernard Altenbah, Sister Cordelia of Corpus Christi Church, Marion Beery, Mrs. Dorothy Anderson, Mrs. Goldie Decker, Mrs. James Hulse, Mrs. Frank Athearn, Mrs. Roger Bartheimas . . . anniversary greetings to Mr. & Mrs. Robert Hinebaugh and happy birthday to Mrs. Fern Richmond . . . happy new parents are Mr. & Mrs. Andy Padgette and Mr. & Mrs. Cletus Rexrode who have new daughters, and Mr. & Mrs. Joseph White whose new little one is a boy.

Remember! Order your Mother's Day flowers today!

Happy Birthday

Happy birthday wishes will soon be in order for Irene Brandum, May 2, and her grandson, Bob Eagon, on May 4.

Two wedding anniversaries that we know about are those of Mr. and Mrs. Frank Claffey, 494 E. Beck-st, and Mr. and Mrs. Dale Edwards, 66 E. Innis-av.

The monthly Newsletter that the PVA of Orient State School sends us reveals these facts: The organization will hold its monthly meeting Sunday, May 3, 2:00 p.m. in Kirk Hall. The school is in need of a few high chairs, in good condition. It is preferred that the chairs have detachable trays, so they may also be used as youth chairs.

In addition to the usual request for sales tax stamps and premium stamps, the group is also saving commemorative or airmail stamps. The group receives 1 cent each for the stamps. (We PRESUME they sell them to a stamp firm). Since the PVA is such a scattered group from all over Ohio, we are glad to help them with their projects, in our little way. All correspondence should be directed to PVA, Box J, Orient, Ohio.

Two S. 6th-st neighbors lost loved ones last week, Mrs. Oscar Miller and Mrs. J. V. Wilson. Mrs. Miller lost her husband, while Mrs. Wilson's brother passed away in another Ohio city.

Meeting

Meetings, hither, thither and yon: Southwood PTA meets at 8 tonight in the auditorium. "Have Passed — Will Travel" is another of the television-parody theme programs on tap for the Southwood-S. 4th-st School. Ken Olbert, Barrett principal, and students Jeri Hampton, Keith Fillinger, will discuss junior high activities.

Southway American Legion Auxiliary Unit 144 is a busy group this weekend. May 1, Mrs. Ollie F. Goodall will preside at the business meeting, which will be followed by a Mother's Day party. All Gold Star Mothers of the unit will be honor guests. On Saturday, May 2, Unit 144 will hold a rummage sale at St. Stephen's Community House, Barthman-av, from 8 a.m. to 4 p.m.

The group will have a nice variety of clothing for all ages, small items, electrical appliances and other home items. Should anyone care to donate rummage call Mary Barnhart at HI. 4-2940, and she will pick up the donation.

Reunion

The 25 year class of South will hold a committee meeting tonight at the school, Room 107, at 7:30 p.m. The "missing" list has been whittled to approximately 25 people, we're happy to say. Four names that were omitted last edition should be included on the list. The four are Irma Bentz Whitright, Laura Wood Klipfel, Bill Harding and John Ziccardi. If relatives or friends should read this item, the Gadabout would appreciate it if they'd dial HI. 4-1051, and give us the addresses.

Those hard-working ladies of Chapter 206, Women of the Moose, will have a pleasant jaunt to Toledo this Sunday, May 3. Their trip to the northern Ohio city will see them receiving the Friendship Award, 2nd degree of the Women of the Moose.

Receiving the award will be Dorothy Jolly, Mary Harris, Mabel Gregory, Bessie Pugh, Gleneva Roop, Mildred Pierce, Elizabeth Frank, Florence Keller, Margaret Tanner, Jackie Forry, Gloria Stanley, Harriet Lowery, Geneva Heggenbothan, Jean Gregory, Delores Syz, Pauline Achatz and Varerie Williams. The deceased chaplain, Vera Johnson, was also to have received the award. These women were officers and chairmen in 1957-58, under the leadership of Dorothy Jolly, who was Senior Regent at that time.

On Wednesday, May 6, the Civic Affairs Committee is in charge of the weekly dinner. The menu will be roast beef, potatoes, salad, home-made pie and coffee. Chairmen are Dor-The dinner is $1. for adults, othy Arnold and Art Davies.

The ailing list has only two names for this week and we're always glad when the list is short. Nettie Burch has been ill, while a fall from a bike gave Gregg Frasure some painful face injuries.

One of our correspondents who always seems to know when news is scarce and comes to our rescue, passed along these next three items. Jackie Cooper, who formerly resided at 1856½ Parsons, more recently at 2296 Summit-st, is now in the Marine Corps and is stationed in San Diego. Beverly Hogan, 139 Mithof-st, will exchange her wedding vows with A 1C E. "Jack" Hodge, of Lockbourne AFB, this Saturday, May 2, in the East Columbus Christian Church. "Sonny" Marion Ely, who had been a South Sider in earlier years before moving to California, recently joined the ranks of the newly-wedded. Sonny was married in Long Beach, Calif.

child's portion 50 cents.

Kiddies Celebrate

The Kiddie Birthday List for the week . . . Terri Donavan, 297 Markison, May 3; Evelyn Lewis, 230 Hanford-st, May 4; Christine Plank, 351 Hanford-st, May 2; Jerry Gill, 890 Welch, Apr. 30; Lecia Dheel, 41 Reeb, May 6; Brenda Duncan, 102 Woodrow, May 4; Bobby Fields, 1651 Goethe, May 4; Charles Muncy, 160 E. Innis, May 1; Jerry O'Connor, 1305 City Park, Apr. 26; Stephen Schneider, 356 Frebis, Apr. 29; Beverly Reed, May 1; Carol Botts, 343 Southwood, May 5; Donna Fellure, 1653 S. 4th-st, May 4; Colleen Strickland, 157 E. Welch, May 3; Robert Hodge, 66 E. Woodrow, May 3; Robert Martindill 378 E. Morrill, May 5.

A May 1 birthday will bring an added year to Bob Schwab, a South Side resident who is a student at Kentucky Christian College.

A semi-formal dance, open to the public will be sponsored by the Mt. Carmel School of Nursing this Saturday, May 1, at the Desert Inn. The dance will start at 9 p.m. and end at 12 midnight.

Old Timers Open Season On Tuesday

The South Side Old Timers League will swing into its fifth year of action Tuesday, May 5, following postponement of all five season openers last week.

The league, formed in 1953, posts 10 teams and plays an 18 game schedule Tuesday evenings at Southview Park.

The lineup for the May 5 openers pits the Gay Timers against Diebles; Club 185 against the Southeast Club; Don's Inn against the Southside Eagles; Arena against the Planks; and Freddies against Bow-Wow.

Makeup games for postponements will be announced at a later date. The season runs through Aug. 25.

In the five-year history of the league, no one team has yet to take the title more than one year. Bow-Wow took top honors the initial season, with Club 185 copping the winner's trophy last year.

The championship will be determined between the winners of two nine game round leaders. The first round ends June 23, the second Aug. 25.

The league, for players 30 years of age or older, is headed by Joe Eagle, president; Tom Duckworth, vice president; and Tony Yoli, secretary.

Canal Winchester Slates Alumni Banquet May 30

Plans are currently in progress for the 73rd annual Canal Winchester Alumni Banquet slated for May 30, at 6:30 p.m. in the school.

In their first meeting this year alumni officers voted to send only the alumni living outside the Canal Winchester mailing district cards publicizing the event.

Reservations must be in the mail by May 27, and may be mailed to either Mrs. Rager in Amanda, O., or Mrs. Bigerton at 31 E. Mound-st, Canal Winchester.

TO REMODEL

Permission has been granted to Paul Scott, 590 Mithoff, for the remodeling of a frame dwelling. Contractor is National Home Construction Co.

Increased Individual Interest in Local, State and National Government.

LAWS GUARANTEE AMERICANS' FREEDOM

If there were no laws establishing individual liberty this editorial might not be written. The constitutional guarantee of speech and the press is not only the privilege of every newspaper—it is your privilege under the law. Both you—and we—enjoy the right to express opinion, criticize in the public interest. And all because of the law.

The first major victory for freedom of the press came in 1735 when John Peter Zenger was ably defended by a Philadelphia lawyer named Alexander Hamilton. That victory had its basis in law.

The Columbus Bar Association has called upon schools, churches, clubs and individuals to participate in the observance on May 1 of "Law Day USA." The day is being set aside to direct public attention to the role law has played in the development of America.

Although the observance will explore all facts of the law, Law Day USA is not so much concerned with the violation of a traffic ordinance or settlement of a damage suit in court, for example, as it is in the board, basic concept of individual liberty under the law and the obligations and responsibilities to society that liberty carries.

This nation was founded upon the ideals of individual freedom, equal justice and opportunity for all. Laws are rules of civilized living which make possible an orderly society. Without law there would be only chaos and terror. There would be a reversion to barbarism.

The basic law in the United States rests in our Constitution which has as its core the blessings of liberty.

The Constitution declares:

"Congress shall make no laws respecting an establishment of religion, or prohibiting the free exercise thereof or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

These are precious words. They establish ideals and freedoms denied to most of the world's peoples.

The Law Day USA observances is May 1. But its implications require earest thought today. Many of society's ills may be traced to a breakdown in the law or utter disrespect for the law. The juvenile delinquent causes concern. Be his offense minor or grave it stems from his not learning to adjust his conduct to the standards of society under the law.

Now is the time for the school child to review the Constitution and the Bill of Rights. Now is the time for the clergyman and his parishioners to review the blessings of religious freedom. Now is the time for all to give pause to the meaning of the law.

We have a wonderful heritage. And we have it under the law.

The law gives us freedom. Freedom gives us obligation. We can't take the one without taking the other. Law Day USA gives us the opportunity to think most seriously on protecting both.

BIBLE COMMENT

Some Men Are Lacking Spiritual Diet

The person who says he doesn't "need" to go to church every Sunday is quite likely the same person who wouldn't, of his own choice, miss any one of the principal meals each day.

Of his bodily needs he is unwaveringly solicitous.

However, perhaps unwittingly, he is existing on a spiritual diet definitely subnormal in content.

That thought is brought to mind by the remembrance of congregations swelled in numbers at Easter and Christmas, but far from their maximum on Sundays the calendar around.

Many of us lack the will to pursue a course of Bible study or religious instruction, consistently, of our own will.

Through our regular attendance at church we receive the "foods" necessary for spiritual health and well-being.

The lessons, the sermons and, in some, confessions of faith and ceremonies all strengthen and nourish our spiritual life.

It is true that a sunset, a forest glade, the calm beauty of a moonlit night, give evidence of the existence of God.

But relatively few of us are strong enough in spirit to abide on such lovely but nebulous fare alone.

The person who says he doesn't "need" to go to church is mistaken in his statement; what he really is saying is that he doesn't "want" to go — that it is too much trouble to make the effort to attend.

Is it really too much trouble to devote an hour or two a week to His teachings?

To Him we owe the very existence that gives us the opportunity to exercise a choice.

PERMIT GRANTED

DEVELOPMENT GROUP CLAIMS:

Okay Of Initiative Ordinance To Hurt Freeway Construction

Editor's Note: Because of the existing confusion about the North Broadway-Oakland Park Referendum which will appear on next week's ballot, this article prepared by the Development Committee for Greater Columbus is being printed.

One of every four motorists wanting to use interchanges on the North Freeway will have his access rights impaired if an initiative ordinance is approved in the city-wide primary election May 5.

The resulting scramble of cars to use ramps to and from the freeway at the other four planned interchanges would pile more traffic congestion on North Side streets and seriously hamper operation of the North Freeway itself.

For the future, passage of the ordinance would create frightening implications as to whether neighborhood private interest groups or competent, informed engineers will design the $200 million worth of expressways still to be built in the Greater Columbus area.

So important is this issue to the welfare of the entire community that the Development Committee takes this occasion to present some of the facts of the issue to is sponsors and members.

Stripped of all hoopla and gobbledygook, one point—and only one—will be decided in the election:

Will drivers be permitted to enter and leave the North Freeway in the North Broadway-Oakland Park Avenue Area?

Arguments over which of these streets is to be used are made irrelevant by the very ordinance, which would ban access to the Freeway on both streets.

Especially significant is the fact that none of the engineers planning the Freeway has considered eliminating access points in this vicinity, although some have disagreed over which street should be used.

Their reasons for wanting an access point in the Oakland Park-North Broadway area are conclusively shown by a study of the desires of motorists who will want to use the Freeway and whose needs determine the very design of the Freeway itself.

This study shows the North Broadway-Oakland Park area is the central and most convenient access point for one of every four North Side drivers wishing to use the 4.7 mile Freeway between Maynard and Strimple-rd.

The ordinance—if passed — would force drivers in this area to seek another entrance or exit.

And where will they find this alternate access point? Because most of these drivers will want to go south of the Oakland Park-Broadway area, the engineers believe most of these autoists will use the next interchange to the south, 0.9 mile away at Weber-rd.

Two streets then will bear the brunt of this extra traffic load—Indianola-av and Beulah-rd between Oakland Park and Weber.

At Weber they'll converge on an interchange designed for an even smaller traffic volume than the Broadway-Oakland Park access. Widening of the ramps and Freeway traffic lanes at Weber will cost extra money, but until it's done that interchange would be a potential traffic block and safety hazard keeping other motorists from enjoying the full benefits of the limited-access Interstate highway.

And even after these improvements are made the motorists directly affected would still be deprived of their fullest use of the expressway because their most convenient access is denied.

The Overbrook-dr interchange a mile north of the Broadway-Oakland Park area would suffer similarly, although it's expected the degree would be smaller since fewer autos would want to travel to and from the north.

The effect of banning access at the Broadway-Oakland Park area would also be felt at the other interchanges at Hudson-st and Morse-rd, one, one and two miles away respectively, and to a lesser degree all along the Freeway line.

Even more sobering are the long-range implications on future expressway planning which passage of the ordinance would create.

A distinct possibility then would be design of $200 of future expressways by neighborhood interest groups rather than by competent professional engineers trained in building facilities to serve the interests and desires of the total community.

The time required to law to schedule a series of such elections could stretch out the expressway program by years and expose it to the dangers of sharply increased costs.

In addition to these permanent and far-reaching effects, the immediate result of adopting the ordinance would be a possible year's delay and the additional cost of buying extra right-of-way, engineering a 4000-foot change in the freeway grade and alignment, and designing new sewer and other utility relocations. Far from saving money, eliminating access points would increase the taxpayer's outlay for a North Freeway that won't give maximum service to Columbus motorists.

Hartley Fishing Derby On!

Ohio-Caught Fish Eligible In Summer-Long Contest

Here it is—one of the most sensttional fishing derbies ever to come down the road! All you have to do is catch some fish.

Why do we have a fishing derby? It is our way of stimulating interest in the beautiful outdoor sport of fishing and rewarding fishermen who bring in trophy catches. The Hartley Newspapers fishing derby is not limited to men—in fact, we want the whole family to participate. Last year several winners were women and teenagers.

An important feature this year is that the contest has been enlarged. Any fish caught in Ohio is eligible, as long as it is entered at one of the official weighing stations.

What is involved in entering a fish? First you must go to a weighing station (a list of these will be carried every week in this paper), and have the fish authenticated. At the station you will be given an addressed post card that you will sign and mail to the newspaper. That's all there is to it—and you can enter as many fish as you like. It costs nothing, of course, to enter the Hartley Newspapers Fishing Derby.

Prizes will be awarded on the basis of the largest fish caught on hook and line—first, second and third prizes in each of seven categories. Here are the species of fish to catch: largemouth bass, smallmouth bass, walleyes, crappies, bluegills, catfish and carp.

A point system will be used to score fish. A point will be given for each ounce of weight, and a point will be scored for each one-quarter inch of length. Fish scoring the highest total number of points in each category will be the winners. Decisions of the judges will be final.

Spectacular Catch Counts

The grand award, a week's vacation in Canada, will be given for the most outstanding and spectacular catch of the year, and will be decided by a panel of three judges.

The judges are: John Z. Pelton, 276 E. Como, chief of the fish management section, Ohio Division of Wildlife; Fred Schob, 1214 Sandlin-av, wildlife patrolman; and Ted Lee, 986 Wilson-av, prominent Ohio sportsman and education chairman of the League of Ohio Sportsmen.

The derby will end on Labor Day, and the prize winners be announced as soon thereafter as possible. The lucky winner of the week's stay at Timberlane Acres will make reservations with Mr. Sutton for sometime the following summer.

Well, there you have it. You have a whole summer to fish for fun and at the same time compete for a whale of a lot of nice prizes.

THE RULES ARE EASY:

1. Fish entered in the Hartley Newspaper Fishing Derby must be legally caught in Ohio on hook and line.

2. No limit to number of entries, but all must be authenticated at official weighing stations.

3. First, second and third prizes will be awarded in each of seven categories on the basis of the largest fish caught.

4. A Grand Award prize will be presented for the most outstanding and spectacular catch of the season as determined by a panel of three judges.

5. Fish will be scored on a point system — one point for each one ounce of weight, and one point for each one-quarter inch of length. Fish scoring the highest number of points in each category will win.

6. Categories of fish in the derby are: smallmouth bass, largemouth bass, crappies, bluegills, catfish, walleyes and carp.

7. This derby begins May 1, 1959, and will extend to September 7, 1959. Dates are inclusive.

8. Decisions of judges will be final in all cases.

The GIRL SCOUT DISTRICT DIARY

Mrs. James W. Whalen — Ohio Trefoil Council

DISTRICT NO 6

District No. 6 Workshop will be held on Tuesday, May 5, from 9:30-11:30 a.m. at Schiller Park and will be an Outdoor Flag Ceremony and service project with Mrs. James Gatwood, arts and crafts instructor at the recreation center.

Troop No. 9 from Deshler School members are working on their Magic Carpet badge and have visited many places. The girls made a tour of the Wesleyan University Press and visited the main library on Grant st, and participated in the story hour. While there they obtained library membership cards. Wednesday, Apr. 29, one of the leading puppeteers of the city displayed her story book characters for the troop.

The girls visited the Huber Greenhouse and purchased flowers for transplanting in connection with their second class rank requirement. Mrs. Alfred Knox and Mrs. James Harrison are the troop leaders. Troop meetings are held every Wednesday at the Deshler Avenue School after class.

A note of thanks is expressed to all leaders, co-leaders, and cookie chairmen by Mrs. Raymond Leslein, District No. 6 cookie chairman, for their help and cooperation in the recent cookie sale.

MAKE CORSAGES

Intermediate Troop 754 of Heyl School plans to make carnation corsages for Mothers' Day, with a little boutonniere for their fathers. The troop meets every Thursday after school. Troop leader is Mrs. Frederick Mauger and assistant leader is Mrs. Raymond Leslein, and troop committee chairman is Mrs. Rodney Tobias, with Mrs. John Gergens and Mrs. Gilbert Sheets.

The girls in this troop are working on a play and plan to entertain the members of Intermediate Troop 244 from Oakwood, in the near future. This is in the second class rank requirement. There are seventeen members in this troop.

Mrs. Tobias and Mrs. Mauger were among the leaders taking trbop camping training and were on an over-night camping trip to Ken-Jockety on Thursday. This was the last of the training course, which was also held on Monday and Wednesday.

CAMPING OUT

Note — The fifth workshop dealing with outdoor living in the world of nature scheduled for Blacklick Woods and Blendon Woods Metropolitan Parks, will be held on Tuesday, May 5, 9:30-2:30 p.m. Program will be on living together as a camping unit—duties of leaders and campers.

The program aids utilizing nature in the camp situation—field guides and books, temporary homes for animals, feeding stations. Workshop participants will need an 8½x11 inch threering notebook binder and pencil. Outdoor clothing and footwear should be warn.

Participants should bring their own sack lunch — coffee will be furnished. The fee has been $4.00 for the series of six workshops or $1 for individual workshops.

Cornet Virtuoso Appearing At Washington EUB Church

Prof. J. R. MacMurray, cornet virtuoso, currently appearing with his wife at the Washington-av Evangelical United Brethren Church this week in a spiritual advancement convocation, will be honored on May 17 at Trinity College, Clearwater, Fla. when he will have confered upon him the honorary degree of Doctor of Music by the institution.

MacMurray, former associate of Dr. Homer A. Rodeheaver, noted song evangelist, is advertised by a leading band instrument company of the nation as "America's Renowned Cornet Technician."

Born in Findlay, MacMurray was educated at Findlay High School and graduated in music from the Findlay College Conservatory of Music in 1923. After several years in vaudeville, lyceum, chautauqua and theatrical orchestra affiliations, the musician entered the religious field of musical evangelism which he has been in for some 34 years.

The Musical MacMurrays will present a sacred music festival at the Washington-av EUB Church this Saturday evening at 7:30 o'clock. They will conclude their current stay on Sunday evening, May 3.

Mrs. Mabel Rife Whipple, world traveler and evangelist is the speaker each evening following the music program.

Never wash furniture woods with hot soapy water unless you are certain the finish is waterproof and free from any surface breaks, say Ohio State University Extension specialists.

Southwood PTA Puts Final Touches On School Carnival

Southwood PTA members are putting the final touches on their annual Carnival which will be held at the school, Friday, May 8, beginning at five o'clock. Theme for the production is "Songs of Spring."

Members serving as chairman and co-chairman are as follows: dining room "In A Little Gypsy Team Room," Mrs. Ralph Golden, Mrs. Harry Kirby; to tell fortunes, Mrs. Paul Lenox; kitchen, Mrs. William Oursler, Mrs. Howard Penrod, Mrs. Frank Szuk; candy shop, "Candy Kisses", Mrs. Walter Hiser; pop stand, "Pop Goes the Weasel" the fathers.

Wiener, "How Much is that Doggie in the Window," Mrs Chester Dewey; flower stand, "Tiptoe Through the Tulips," Mrs. James Bailey; variety show "Dances" Mrs. Charles Ringhiser, Mrs. Paul Clark; silhouettes "Me and my Shadow," Mrs. Ralph Mouser; fish pond "Gone Fishing," Mrs. Russell McCance, Mrs. Robert Olney.

Variety Table, "A Tisket, a Tasket," Mrs. Earl Sturgill, Mrs. Kenneth Alexander; live fish, "Three Little Fishes," John Nesser, Walter Hiser; hoop game, Mrs. D. J. Dreizgacker, Mrs. Ralph Gardner; lolipop land, "March of Sugar Plum Fairies," teachers; country store "Yes, We Have No Bananas," Mrs. Charles Trump, Mrs. Elmer Marte.

Bowling, "Ten Little Indians" Mrs. Chester Metzler; bake sale, "If I Knew You Were Coming, I'd Have Baked a Cake," Mrs. Ralph Denney, Mrs. George Newkirk; bazaar, "Buttons and Bows," Mrs. Robert Franz, Mrs. Walton Barnhart; white elephant, "Baubles, Bangles and Beads," Mrs. Carl Jividen, Mrs. Morris Jordan; pop corn, "Flip-Flop and Flies," Mrs. Fred Kristoff; the gypsy pickpocket, Mrs. Sam Humes, Jr.

Mrs. Ray Conkle, vice-president, will assist Mrs. Charles Dayton, president, with the activities of the carnival. Mrs. Franklin Dunkle will serve as treasurer. Mearl Caskey is the principal of Southwood School.

"We have done it. Succeeded in four flights 31 miles an hour against the wind." This was the telegram that Orville and Wilbur Wright of Dayton, sent to their sister in reference to their first successful aeroplane flight Dec. 17, 1903, at Kitty Hawk, N.C.

Harold Hirshman 1163 E. Weber Rd., is a candidate for city councilman, seeking the office as an Independent Republican. Mr. Hirshman a printer at the Columbus Dispatch for several years, is married and the father of 2 sons who attend McGuffey School. He is a member of the International Typographical Union, Eagles 297 and a veteran of World War II. He says, "Vote 'No' on E. North Broadway Interchange Ordinance on May 5." Pol Ad

Is there an intelligent young —high school graduate, or soon will be—who has a desperate desire to learn the newspaper business, but is unable to finance a college education. If so, an unusual opportunity is available to one who is willing to sacrifice quick financial return for a long-term practical education in the many phases of newspaper work. Starting salary will not be high, but to a young man who is capable of learning the business, there is no limit to ultimate financial return. Applicants will be carefully screened — only those with high scholastic records will be considered. Good knowledge of English essential References required. For interview, call Mr. Mansfield, BR. 4-1185.

WHAT IS A CUSTOMER?

He is the most IMPORTANT PERSON ever to come into this place of business either in person or by mail. He is NOT an outsider to our business . . . he is PART of it. He is NOT someone to argue or match wits with. NOBODY ever won an argument with a customer. He is NOT a cold statistic . . . he is a flesh-and-blood human being with feelings and emotions like our own and with biases and prejudices. He is NOT an interruption of our work. He is the PURPOSE of it. We are not doing him a favor by serving him. He is doing us a favor by giving us our opportunity to do so. He is NOT dependent on us. We are dependent on him. He is the one person whose continued good will we must hold as his next car will be another Spic 'n Span Used Car, which is the KEY TO OUR SUCCESS in the future . . .

Attention, out-of-towners, apply at once, immediate results. For quicker service use our private phone, AX. 4-6073, phone collect.

Call anytime—operators on duty at all times. Plus INT.

Barrett Junior High Musicians Will Conduct May 15 Festival

Barrett Junior High School's vocal and instrumental groups will present the following program at a Festival of Music, 8 p.m. Friday, May 15, in the Barrett auditorium:

Band: "The Challenger March," Hummel; "Faith of Our Fathers," Hemy-Walton; "Westward Ho," Arr. F. Erickson; "Themes from Symphony No. 5," Tschaikowsky.

Violin Solo: "Allegro from the Concerto in A Minor," Antonia Vivaldi; Reinhold Tischler, violin; Liane Frey, piano.

Boys' Glee Club: "Long Ago and Far Away," Kern; "Younger Than Springtime," "If I Loved You," Rodgers-Hammerstein.

Vocal solo: Selections from "The Music Man," Meredith Willson, by Reba Juviden Alton.

Junior Girls' Glee Club: "On the Street Where You Live," Lowe-Lerner; "I Whistle a Happy Tune," "Bali Ha'i," Rodgers-Hammerstein.

Piano solo: "Prelude in C-Sharp Minor," Rachmaninoff, by Andrew Denman.

Trombone solo: "Romance," Rubinstein, by Herbert Germain.

Senior Girls' Glee Club: "Our Love Affair," Warren-Adamson-McCarey; "A Wonderful Guy," Rodgers-Hammerstein; "Almost Like Being In Love," Lowe-Lerner.

Four Postgraduates: "Selections from Trivia," by Andrew Denman, Charles Meacham, Ken Olbert, Charles Stephenson.

Orchestra: "Marche Militarie," F. Schubert; "Menuetto from the 5th Symphony," F. Schubert; "Isle of Capri," Kennedy-Grosz; "Barrett March," Dodd-Germain.

The solo and small group numbers are a gift offering from staff members and friends of the school.

Two former students at Barrett will participate as guest artists. Mrs. Reba Juviden Alton was a popular girl singer during her student days at the school. Reinhold Tischler was an important member of the instrumental music program as concertmaster, violin soloist, and student director. Miss Liane Frey, guest accompanist, is a welcome guest and friend of the school.

TO REMODEL HOME

A permit has been issued to John E. Simons, 1142 Rairwood-av. for the remodeling of a frame dwelling.

OBTAINS PERMIT

Bert Shiet, 1341 Whittier-st, has obtained a permit to remodel a frame dwelling. United Roofing Co. is contractor.

Mrs. Harold Harmon Heads EUB Church Women's Group

Women of the Ohio Avenue EUB Church have started the second year of their unified organization of the Women's Society of World Service.

Newly elected officers, including the Circle chairmen, who will be installed are:

President, Mrs. Harold Harmon; vice president, Mrs. Donald Frantz; secretary, Mrs. Donald Phillips; treasurer, Mrs. William Gerhard.

Secretary Spritual Life, Glendon Herbert; secretary, Missionary Education, Mrs. James Nelson; secretary, Christian Social Relations, Mrs. Mary Jane Schaffran; secretary, Local Church Activities, Mrs. Robert Stevens, Sr.; secretary, Education for Youth, Mrs. Donald Badger; secretary, Education for Children, Mrs. Robert Harris.

Appointed officers for the year are: representative to the United Church Women, Mrs. Clarence Hartman; pianist, Mrs. Paul Hill; chairman of publicity and membership, Mrs. E. E. Nietz.

Two projects for this month are the annual Missionary Convention at Lancaster on Wednesday and Thursday of this week; and the Mother-Daughter Banquet in the Fellowship Hall of the church, Tuesday, May 19, at 6:30 p.m.

Time for the regular monthly meeting with the chairman of each circle is as follows:

Circle 1, the first Thursday, at the church with a potluck dinner; Mrs. Hollis Logue is the chairman.

Circle 2, the second Tuesday, at the church at 10 a.m.; Mrs. Paul Eisnaugle, chairman.

Circle 3, the second Thursday at the church, with a dessert luncheon. The May meeting will be on the day of the banquet; Mrs. Fred Snyder, chairman.

Circle 4, the first Tuesday, at 8 p.m. The May meeting at the home of Mrs. Martin Mills, 1113 Champion-av, with Mrs. Ernest Alban assistant hostess; Mrs. Spencer Bowen, chairman.

Circle 5, the third Friday, at the church at 7:45; Mrs. Ralph Long, chairman.

Circle 6, the fourth Tuesday, at 7:45 at the church; Mrs. Robert Harris, chairman.

Community Night Slates Delivery Of Tickets To South Side Homes

Deadline Only 10 Days Away As Sales Pass 1500 Mark

Tickets for the first Annual South Side Community Night will be delivered to homes in the South Side this week in an effort to aid already mounting ticket sales for the May 20 Community Night at Jet Stadium

With 13 days remaining until the Columbus Jets tangle with the Miami Marlins in the first of nearly [illegible] community night clashes over [illegible] 1500 of the 3400 tickets alloted [illegible] South Siders have been sold

With the May 17 ticket deadline looming only 10 days away leaders of the South Side Night program have arranged a pickup and delivery system to aid in the buying of the game ducats

Howard Henry, co-chairman of the event, announced yesterday that anyone desiring an advance sale of tickets can call either the South Side YMCA (HI. 4-2151) or Fountain Drug (HI 4-0371) for available seats

Delivery will then be made to individual homes COD

Henry in backing a statement made last week by Night Chairman Harry Sells emphasized the importance of the advance ticket sales "South Side youth will not benefit from any ticket sales made after the May 17 deadline" Henry stated.

Fifty cents from advance sale of the 3400 tickets alloted South Siders will be turned over by the Columbus Baseball Club for the benefit of youth Tickets not sold by the 17th must be returned to the Jets for resale at the gate

South Side youth will not receive any proceeds from any tickets sold after the deadline.

Each ticket sold to South Siders will be marked with a lucky number. To date, nearly 100 prizes ranging from [illegible] pliances to baseball gloves and equipment have been donated by South Side merchants. Lucky numbers will be announced between innings of the game. Winning ticket holders need not be present to win

The May 20 game with the Marlins will mark the first visit to the Ohio Capitol by Miami this season. The southerners a Baltimore affiliate this season, are currently riding on top of the league this year after finishing a poor fifth in the International League in 1958

After a brilliant start the [illegible] have slumped badly the [illegible] weeks and are currently struggling to keep in the [illegible]

BUY A TICKET?—This seems to be the question put to Edward Peterson, right, as he was about to enter George Brand's cleaning establishment this week. Brand, owner of Best Cleaners on the corner of Third and Whittier, is one of the leading sellers of South Side Community Night tickets to the gala South Side event May 20 at Jet Stadium, and, from the look on his face, seems to have added Peterson to the list of Community Night ticket buyers. Proceeds from the first annual event go to South Side youth. Peterson, owner of the Corner Food Shop, 897 S. Third, and Brand are both members of Southway Legion Post 144.

TREE EXPERT — Herman Kuehn, 3112 Lewis rd, sets a tree into a newly dug hole, while Robert Brown, 1730 East Frankfort-st, secretary of the Right Angle Club, prepares to plant the tree. Kuehn, another Right Angler, has had wide experience in tree nursery work and supervised the club project of planting more than two acres of Christmas trees at the South Side Y-Park on Rohr-rd. South Side youngsters will harvest the trees in about six years under the supervision of the Right Angle Club. Profits will go to new building and equipment on the park grounds.

Accused Side Side Attacker Charged With Three Felonies

Three felony charges were filed Tuesday against South Sider James Franklin Bond 24, of 786 S. 17th st by Columbus police, following an attack of an 11 year-old South Side girl Sunday.

Bond was charged with kidnaping, assault to rape and felonious assault He was expected to go into Municipal Court Wednesday, Capt Thomas Sawyer chief of detectives said Wednesday morning that Bond has not sighed a statement admitting the abduction and assault but were working on it

Bond surrendered to police Sunday night without resisting after an intensive manhunt by Columbus police through southeast Columbus for the attacker

Police initiated the hunt after being tipped off by Paul Wherley 29 of 2137 Fairwood av who lived across the street from the scene of the attack, and claimed he saw a man and girl became suspicious and followed them into the woods across from his house He told police he heard the girl's scream and saw the man beating her He then ran home to call police

Policemen, auxiliary officers state highway patrolmen and sheriff deputies, armed with flashlights and riot guns combed an area encompassing the attack scene. This area was bounded by Fairwood-av Refugee-rd Alum Creek dr, and Meyer and Frebis-avs

After police found a car abandoned at the attack scene and traced the registration to Bond they took a brother of Bond's to the search scene He used a loudspeaker to ask suspect to surrender and Bond answered from his hiding place in the woods and surrendered

Police said Bond had in his possession a pellet gun and a pocket knife He did not attempt to use the gun, and he had apparently tried to commit suicide as his wrists and throat were slashed

He was taken to Mercy Hospital by police ambulance and then to City Prison

The girl's family said the girl was on the way to an ice cream store about 7 p.m. Sunday when she was stopped by a man in a car in an alley in the rear of the 400 block of Morrill-av. The girl told police the man asked her directions to Frebis av and then showed her a gun and told her to get in the car.

Bond's car was found in a drive by a field opposite to 2137 Fairwood av

The girl was discovered by police soon after 7:30 p.m. tied to a tree and stripped She suffered several facial and arm bruises and a bite on her left shoulder and other parts of her body according to police.

Police Capture Store Bandit After South Side Holdup

A wounded robbey was captured minutes after he held up a South Side hardware store Monday because he trapped himself in a dead-end basement while attempting to elude police

Held by police for investigation of armed robbery is Jack Franks, 29, of 709 Braden-rd He was shot in the right hand by police in a vain escape attempt.

According to Emery Emigh owner of the H Franklon Hardware Store, 744 S High st, Franks entered the store and after purchasing some faucet washers, ordered Emig to open the cash register

"I thought he was kidding until I saw the .22 caliber automatic in his hand" the owner stated. "Then I opened the register"

Police arrived at the scene a short time later and found Franks in a nearby bar In his attempt to flee Franks was shot in the hand

Following the shooting Franks jumped into the basement of the Forrest Towel Supply Co 533 S High st through a sidewalk freight route

Police flushed Franks from his haven about five minutes later. The basement proved to be a dead-end

Franks was still armed with the .22 caliber pistol and the $20 he took from the register at the time of the capture, police said. He did not resist arrest

South Side Bike Riders Receive Safety Check By Optimists Club

Over 200 South Side bicycle riders received bike safety checks last week as the Optimist Club of South Columbus conducted its first annual Bicycle Safety Week last week at Barrett Junior High and Reeb-av schools.

Optimist volunteers and Columbus Police Officer Steve McDonald of the Police Traffic Safety Education Department checked bikes at the two schools looking for proper functioning of main parts, city bike licenses and general good care of the vehicles

Optimist safety club reflectors and Safe Biker cards were presented all youngsters who passed the rigid bike check

Approximately 10 percent of all bikes inspected failed to pass the tests.

The Bike Safety Week project conducted on the South Side was in conjunction with the country-wide Safety Week sponsored by Optimists International.

All bike riders passing the inspection received a copy of the bike riders manual from the Ohio Department of Highway Safety and a copy of the Optimists' Safe Biker's Creed.

The creed, honored by all youngsters passing the inspection, will aid all bicycle riders in Columbus in becoming more courteous and safer in the operation of their vehicles, according to Kraner

The five point biker's creed reads as follows

I will operate my bike safely
I will obey all traffic laws
I will keep my bike in good operating condition at all times
I will not ride double
I will not ride after dark without proper lighting.

BARRETT BIKES CHECKED—Jim Kraner, left, president of the Optimists of South Columbus, and Officer Steve McDonald, right, of the Columbus traffic safety education department, are shown checking a group of young bicycle riders at Barrett Junior High School last week during the Optimists Bike Safety Week campaign for better and safer bicycle riding.

Roosevelt Jr. High Slates Annual 'Spring Concert'

The Vocal and Band Department of Roosevelt will present their annual Spring Concert on May 7 and 8. The starting time will be 8:00 p.m. This year's theme is "Springtime Serenade." The musical groups to participate in the program are the Girls' Chorus, the Boys' Chorus, the Choir, the Mixed Ensemble, the band and orchestra.

The Boys' Chorus will present a short operetta entitled "The Adventures of Tom Sawyer." The dialogue for this number was written by Mrs. Batterson and the direction under Miss Murphy.

Selections from "My Fair Lady" will be presented by the Girls' Ensemble, while the ninth grade Mixed Ensemble will do a Calypso Song with dancers Billie Lavne and Pat Watkins.

The Girls' Chorus and the Choir will sing such songs as "Welcome Sweet Springtime," "Zip-a-Dee Doo-Dah" and "I Whistle a Happy Tune."

A sampling of the orchestra's numbers will include "Isle of Capri" and "Echoes from Grand Opera." The band will play such tunes as "When We Were Young," "Spanish Dance," "American Patrol" and "When the Saints Come Marching In."

The Band and Orchestra department will also present a brass quartette, a flute solo by Shirley Poatt and a violin solo by Arnold White.

We hope to see you at the Spring Concert at Roosevelt especially the old graduates and their friends. The price of admission is 50 cents both evenings. Tickets are now on sale at the school.

Barrett Jr. High Schedules New School Activity

Something new has been added at Barrett Junior High School another activity — the Youth for Christ Club.

The club was organized by the pupils, with Charles Meacham, a member of the Barrett faculty, acting as sponsor and assistant song leader.

On Monday, Wednesday and Friday, the club meets at 8:15 a.m. for a variety of activities including prayer meetings, scripture readings and song festivals.

Tuesdays a guest speaker is featured. Rev. Walker, Rev. Oestreich, and director Jack Huseby have been among such speakers. Thursdays consists of a business meeting and quizzes.

The average attendance is 17. The club's goal is to interest more people to join.

Wayne Begien Elected Moose Lodge Governor

Wayne Begien

Wayne F. Begien, owner of Wayne's Shade Shop and Wayne's Popcorn Products Company, 258 Jackson-st, last week was installed as governor of the Moose Lodge in Columbus Moose Lodge No. 11.

Mr. Begien, who for a number of years has been identified with many civic improvements for the betterment of Columbus, has been a member of the Moose Lodge in Columbus for more than 18 years. He was installed into the office of Governor Monday night, April 27, by Gerald Stanley, a member of the Supreme Forum of the Loyal Order of Moose.

Landmark Opens Season In 13-11 Win

Led by veteran South Sider Don Kirby, Old Landmark Cafe opened the inaugural of the newly formed Saturday Independent Slo Pitch League last week by blasting Omar Bakers 13-11.

Kirby slugged a homerun, double and a single, and batted in three Landmark runs to help give Landmark pitcher Bi[illegible] Santinich his first victory of the young season.

Dave Wilbank drove in five runs with two homers and a single to lead the Omar attack.

In other action, Ray Beery hit two triples and a homerun to lead Kelleys to a 17-3 slaughter over Olympian Club while the Corner Kids outblasted Don's Inn 20-12 to wind [illegible] the day's card.

The league plays a 15 game schedule, with all six teams meeting every Saturday at 2 p.m. at either Southwood or Deshler Ave. schools. Due to the lack of diamonds, two games will be played weekly at Southwood and one at Deshler.

Heyl PTA Presents Spring Festival May 8

Heyl-av PTA will present its Spring Festival Friday, May 8 from 4:30 to 8:30 p.m.

Attractions will include pony rides, game rooms, fish ponds, white elephant and bazaar tables, make up booth, hat bar, spook room, magic acts, cake walk, bake sale and refreshment stand.

Buffet supper will be served from 4:30 to 7 p.m. Co-chairmen in charge of the event are Mrs. C. K. Davidson, 895 S. 22nd-st and Mrs. John Leach, 708 E. Kossuth-st.

Mohawk Principal Feted With Testimonal Dinner

Dr. Leland N. Drake, principal of Mohawk Junior - High School, will be honored with a testimonial dinner May 27 by the Mohawk elementary and junior high schools.

Dr. Drake will retire June 30 following 50 years of service to public education.

Invitations to the dinner, scheduled for Ilonka's Provincial House, have been sent to all persons who have taught under Dr. Drake and to Supt. Harold H. Eibling and the members of his staff.

South Sider Fractures Both Legs In Accident

William F. Donlon, 63, remained in fairly good condition today in Mercy Hospital after suffering fractures of both legs early last Sunday when he was hit by a car on High-st, north of Beck.

The South Sider, who resides at 634 S. High-st, was charged with jaywalking according to police. He was struck by a car driven by Paul R. Weaver, 56, of Springfield.

The Gadabout

Priscilla LaRue Lease
HI. 4-1661

A mother-daughter duo, Ruth and Clara Jane Karch, has enjoyed a Florida vacation within the past few weeks. The Karch ladies reside at 272 Southwood-av.

Not so nice a jaunt to the southern state was the experience of Lillian Ryan and her sister.

The two Columbus residents had barely arrived in Florida when they received word that their brother, John Krauss, 1749 Sycamore-st, had passed away. This necessitated an immediate return.

Two April birthdays that slipped by were those of Judy Grace, Hanford-st, and Linda Cook, S. 6th-st.

Service Slated

The Women's Guild of St. John's Evangelical and Reformed Church will have an Ascension Day service today at 1:30 p.m. Sister Churches, St. Paul's Wilson,-av, Hungarian and Trinity, have been invited to attend. Esther Circle will be hostess for a tea and fellowship after the service.

WSCS Circles of Oakwood Methodist have local meetings as follows:

Rhoda and Dorcas Circles will meet jointly at the church May 8, for a casserole dinner.

Anna Circle will have Mrs. L. S. Wells, 745 Wilson-av, for hostess on May 13, at a 12:30 p.m. luncheon.

Priscilla Circle will hold a 12:30 dessert luncheon at the church, Wednesday, May 13.

Trudeau Guild 10 will meet Wednesday, May 13, at the home of Mrs. Paul Lenox, 1411 S. 6th-st. Mrs. Floyd Leonard will be the hostess.

St. Ann Guild 23 will meet May 12, 8 p.m. at 685 Thurman-av, home of Mrs. Bernard Klarman.

Schools Steam

Area schools will be going full team this Friday, May 8.

At South, the students will be able to attend the beautifully staged "Rose Prom."

Heyl-av PTA titles its spring festival, 4:30 to 8:30 p.m., "Heyl Hails Hawaiin." Ruth Pfeiffer, president of Siebert-st PTA, will be busy at that school this week with the festival that will be held Friday from 5 to 9 p.m.

At Southwood, "Songs of Spring" will be the theme of the activity scheduled to go from 5 to 9 p.m. All the elementary schools will be serving supper, as well as featuring all the usual attractions.

Mr. and Mrs. Jerry P. Bliss, former Columbusites, are visiting relatives before returning home to Los Angeles. Mr. and Mrs. Bliss have just completed a trip around the world by air. The Bliss family has certainly scattered over the continent, with Julia in Canada!

Sponsor Dinner

The Friendship Committee of Chapter 206, Women of the Moose, will be the sponsors for the weekly dinner, Wednesday, May 13, 5 to 7 p.m.

Chairman Helen Sailor, with her committee, will serve roast turkey and dressing, mashed potatoes and gravy, salad, sherbet and coffee; adults $1, children 50 cents.

A happy birthday, today, to Dorothy Jolly, past regent of Chapter 206.

Birthdays in the loveliest part of the year:

Gary Stout, 188 Hanford, May 11; Barbara Kettell, 381 Hinman, May 10; Dale Harler, 1437 Parsons, May 12; LaJuana McKinney, 47 E. Moler, May 13; Stanley Holley, 48 Woodrow, May 9; Tina Tobias, 74 E. Woodrow, May 13; Karen Early, 393 Southwood, May 7.

Jerry Young, 135½ E. Moler, May 13; Ronald Carter, 1408 S. 5th-st, May 8; Clyde Smith, 319 Southwood, May 13; Diana Bartow, 174 Innis, May 11; James Blackburn, 1570 S. 4th-st, May 10 and Della Tobias, 74 E. Woodrow, May 9.

Two young adults of Leaderland have distinguished themselves at Central High School, so congratulations to George Heery, 216 Reinhard-av, president of the senior class, and to the senior class treasurer, Shirley Margin, 1041 S. Washington-av.

Moms Honored

This being the week prior to Mother's Day, groups are honoring "Moms" with social gatherings.

Two that we know about are those of the Southwood Church of Christ "Hobby Club" and Horizon Club "Re-Hi-Go.".

The Hobby Club had a final session this past Monday at the church, with a program and exhibition. A Mother's Tea concluded the evening's activities.

Members of Re-Hi-Go, Camp Fire Horizon Group, honored their mothers in "ultra" fashion, Tuesday. Some of their two-year earnings still remained after the Detroit trip, last week. The girls used it to treat their mothers, and themselves, to a sumptious repast at the famed Shade's Restaurant in Canal Winchester.

A happy anniversary greeting to George and Joan Butler, whose anniversary date coincides with Mother's Day this year.

Too, birthday greetings go to Bobbi Lynn Thompson, May 8, and to Bob Hoptry, May 12.

Board Meets

The PTA executive board will hold a final meeting, Wednesday, May 13, with a noon luncheon at the Dispatch Country Club.

I've been writing so much about the class of South High, 1934, perhaps the alumni of other years have the impression that that is the only class meeting on May 22. 'Taint so!

All alumni will hold a reunion, so do try to attend.

Another Class, the 1949 Class is planning special doings too, though at a later date. Naturally, they will participate in the school-wide reunion.

I have a notion to ask Editor Pavlik to take a picture of us, to prove I have a dress or so that's not rag-bag material.

Twice within the past weeks I was snapped by the downtown papers. Once, I was in a "gypsy" type costume I wore in the days I played for a Bavarian quartet, at the Jal-Lai. In the other picture I was garbed in the high school graduation dress of 35 years ago! Little Judy asked me when she saw me leaving the house with the dress on a hanger "Mommy, where are you going with that nightgown?"

Honored Guest

Irene Brandum, who celebrated a birthday last Saturday, was the honor guest at a surprise party last Sunday, plotted by her family.

An unusual feature of the get-together was an exhibition of magic, performed by Irene's granddaughter, Linda Chapman. The little girl was quite clever, and should find her hobby rewarding in the years to come. The Brandums also celebrated a wedding anniversary, this past Monday.

S/Sgt. and Mrs. Virgil Cox, with their five children were guests for a week at the home of Virgil's parents, Mr. and Mrs. Pearl Southall, 2718 Shelley-dr. S/Sgt. Cox had been stationed in Omaha, Neb., and recently received orders transferring him to Southern Pines, N.C.

The Columbus visit was made while the family was enroute to their new residence. The soldier and his family have purchased a home in the southern city.

Hope EUB Church, on May 8, will be the scene of the wedding of June Cuthbert, 1143 Bulen-av and Stuart Ensign II, 1684 S. Champion-av.

Capital Moms Hold Luncheon On Campus

The Annual Spring Luncheon of the Capital University Mothers' Club will be held May 8 at 12:30 p.m. in Troutman Hall on the campus.

A silent auction will be featured and the proceeds from the auction will be used for projects of the club. This will be the final meeting of the school year.

Members of the affiliated chapters in Cleveland, Dayton, and Toledo, and guests have been invited. Reservations must be made by Tuesday, May 5, with Mrs. William Hoare, 207 Powhatan-av Columbus, BR. 4-2801.

Mrs. Orville Pelkey, Ways and Means, chairman, will be in charge of the silent auction following the luncheon. Other assisting chairmen for this meeting are Mrs. Ervin J. Young, luncheon; Mrs. Carl Wallace, decorations; Mrs. Clayton F. Stickel, invocation; Mrs. Lorenz M. Rausch, publicity.

Mrs. Harold Yochum will install the newly elected officers. Mrs. Richard Bohl Sr., president, will conduct the business meeting.

Ladies' Aid Society Slates Annual May Sale

The Ladies' Aid Society of South Congregational Church, 16 E. Stewart-av, will hold its annual May Sale Wednesday, May 13, in the church dining hall.

A steak dinner will be served from 5 to 7 p.m. A buffet luncheon will be served from 11:45 a.m. until 1 p.m.

LYDIA CIRCLE MEETS

Lydia Circle of the Oakwood Methodist Church will meet at the home of Mrs. Stanley Mack, 620 Wiltshire-rd, Tuesday, May 12 for a 12:30 p.m. dessert luncheon.

BIBLE COMMENT:

Early Christian Church Built On Conversion, Fellowship

Upon the foundation of Jesus Christ the early Christian church was built with two things — conversion and fellowship.

The first great in-gathering was on the Day of Pentecost, 50 days after the Passover, when Peter preached with such power and boldness that many were moved to cry out in repentance, "What shall we do?"

About 3,000 were then converted and baptized, and this company of believers was soon increased.

The first, immediate manifestation of this new life in conversion was an intense clinging of Christians to one another in a fellowship so deep and strong that at first they held all things in common.

The early Christian communism did not last long, even as most schemes of Christian communal life have failed since. If the Christians had all been as noble, unselfish and pure-minded as Barnabas, it might have been successful.

In any case, Christianty places a strong value upon the individual soul, and upon the rightful independence of each life.

Paul understood this well. He urged that Christians should bear one another's burdens, and so fulfill the law of Christ, but he also said that every man should bear his own burden.

That was good, sound democracy. The strength of democracy, of a church, of a Christian fellowship, is built upon the integrity and strength of the individual units.

The strength of the early Christian church was in the unique way the individual Christians, with a new sense of the worth of their own souls, loved one another.

It became a byword, marking them from the world in which they lived: "See how these Christians love one another."

That true love for one's fellow men is practiced today wherever sincere Christian fellowship is evidenced.

And our world could well use an even greater outpouring in practice of that abiding affection for on'es fellow man.

INSIDE ON THE Outdoors By ROD COCHRAN

Tieing Into A Trout Is Happy Experience

Ever hear of Howard's Creek? Probably not, unless you're familiar with the mountainous area of West Virginia down around White Sulphur Springs. The trout season came in down there last weekend, and I was lucky enough to be on this stream for the opening.

Howard's Creek is just about perfect as far as a fisherman is concerned. It is small enough to cast across and wade, and large enough to contain some deep holes. It has a rock and gravel bottom, and is full of rushing water as clear as you get from the tap. Bouncing down out of the mountains, this stream is a joy to fish.

And I didn't do badly for a warm water fisherman — I caught several trout, a smallmouth bass and innumerable chubs. The fish were pretty small, except for one fairly decent rainbow that would have scaled between 13 and 14 inches had I measured it. The important thing to me was that I was enjoying a type of fishing that is mighty rare in Ohio, in a beautiful setting that the Buckeye State cannot match.

Spinner Does Well

I would like to tell you that I caught my fish on a dry fly — the prescribed lure according to trout fishing articles. But instead the fish fell for a little spinner. All the fishermen I met were using garden worms and nightcrawlers for bait, but the spinner held it's own with the "garden hackle". I've had the same experience elsewhere on trout — spinners are about the deadliest of lures on these fish.

One interesting experience on this jaunt was that I caught a smallmouth bass out of the same hole where I took a trout of the same size. There is the old argument, of course, — which fights the most, a trout or a bass? This will never be settled because various conditions determine how much a fish fights — the way he's hooked, the temperature of the water, etc. But a favorite point of bass fishermen is, the faster water of trout streams tends to magnify the fight and pull of a trout. So it was interesting to me to catch the two species from the same water.

The bass hit much the hardest; at the strike I thought I really had a whopper on. The smallmouth, about a 10-incher, jumped a couple of times and gave a good account of himself. The trout jumped out of the water more, and fought about the same length of time. The race was too close to judge a winner. I had to call it a tie. The smallmouth had the edge on the strike, and the rainbow took honors in aerial acrobatics.

For me, Howard's Creek means mountains and redbud in bloom, dogwood and warblers, rushing water and jumping trout. All in all, a very pleasant memory.

Fishing Derby Entries In

Entries are rolling in for the Hartley Newspaper Fishing Derby — fish are biting. Take your catch to one of the weighing stations listed on this page to be entered. Anyone is eligible to win one of the valuable fishing tackle prizes, or possibly a free week's vacation at Timberlane Acres, Ontario, Canada. Enter now!

Strictly Fresh

Enthusiasm for the home team is, very often, directly proportionate to the box score at the end of a ball game.

Guide Forms Booklet

Again in this issue, subscribers to the six Hartley newspapers will receive a weekly guide to the top television program on all four Columbus area stations. To fold the page into a handy booklet, follow these simple instructions: Taking the page as it is presented in the paper, fold it vertically in half. Then fold the top of the page to the bottom twice until the front page of the section appears. The first three days then follow in order. By turning the page over, the other four days appear.

INSIDE ON THE Outdoors By ROD COCHRAN

Tieing Into A Trout Is Happy Experience

Ever hear of Howard's Creek? Probably not, unless you're familiar with the mountainous area of West Virginia down around White Sulphur Springs. The trout season came in down there last weekend, and I was lucky enough to be on this stream for the opening.

Howard's Creek is just about perfect as far as a fisherman is concerned. It is small enough to cast across and wade, and large enough to contain some deep holes. It has a rock and gravel bottom, and is full of rushing water as clear as you get from the tap. Bouncing down out of the mountains, this stream is a joy to fish.

And I didn't do badly for a warm water fisherman — I caught several trout, a smallmouth bass and innumerable chubs. The fish were pretty small, except for one fairly decent rainbow that would have scaled between 13 and 14 inches had I measured it. The important thing to me was that I was enjoying a type of fishing that is mighty rare in Ohio, in a beautiful setting that the Buckeye State cannot match.

Spinner Does Well

I would like to tell you that I caught my fish on a dry fly — the prescribed lure according to trout fishing articles. But instead the fish fell for a little spinner. All the fishermen I met were using garden worms and nightcrawlers for bait, but the spinner held it's own with the "garden hackle". I've had the same experience elsewhere on trout — spinners are about the deadliest of lures on these fish.

One interesting experience on this jaunt was that I caught a smallmouth bass out of the same hole where I took a trout of the same size. There is the old argument, of course, — which fights the most, a trout or a bass? This will never be settled because various conditions determine how much a fish fights — the way he's hooked, the temperature of the water, etc. But a favorite point of bass fishermen is, the faster water of trout streams tends to magnify the fight and pull of a trout. So it was interesting to me to catch the two species from the same water.

The bass hit much the hardest; at the strike I thought I really had a whopper on. The smallmouth, about a 10-incher, jumped a couple of times and gave a good account of himself. The trout jumped out of the water more, and fought about the same length of time. The race was too close to judge a winner. I had to call it a tie. The smallmouth had the edge on the strike, and the rainbow took honors in aerial acrobatics.

For me, Howard's Creek means mountains and redbud in bloom, dogwood and warblers, rushing water and jumping trout. All in all, a very pleasant memory.

Fishing Derby Entries In

BIBLE COMMENT:

Early Christian Church Built On Conversion, Fellowship

Upon the foundation of Jesus Christ the early Christian church was built with two things — conversion and fellowship.

The first great in-gathering was on the Day of Pentecost, 50 days after the Passover, when Peter preached with such power and boldness that many were moved to cry out in repentance, "What shall we do?"

About 3,000 were then converted and baptized, and this company of believers was soon increased.

The first, immediate manifestation of this new life in conversion was an intense clinging of Christians to one another in a fellowship so deep and strong that at first they held all things in common.

The early Christian communism did not last long, even as most schemes of Christian communal life have failed since. If the Christians had all been as noble, unselfish and pure-minded as Barnabas, it might have been successful.

In any case, Christianity places a strong value upon the individual soul, and upon the rightful independence of each life.

Paul understood this well. He urged that Christians should bear one another's burdens, and so fulfill the law of Christ, but he also said that every man should bear his own burden.

That was good, sound democracy. The strength of democracy, of a church, of a Christian fellowship, is built upon the integrity and strength of the individual units.

The strength of the early Christian church was in the unique way the individual Christians, with a new sense of the worth of their own souls, loved one another.

It became a byword, marking them from the world in which they lived: "See how these Christians love one another."

That true love for one's fellow men is practiced today wherever sincere Christian fellowship is evidenced.

And our world could well use an even greater outpouring in practice of that abiding affection for on'es fellow man. man.

Strictly Fresh

Enthusiasm for the home team is, very often, directly proportionate to the box score at the end of a ball game.

Guide Forms Booklet

Again in this issue, subscribers to the six Hartley newspapers will receive a weekly guide to the top television program on all four Columbus area stations. To fold the page into a handy booklet, follow these simple instructions: Taking the page as it is presented in the paper, fold it vertically in half. Then fold the top of the page to the bottom twice until the front page of the section appears. The first three days then follow in order. By turning the page over, the other four days appear.

Lincoln Village South

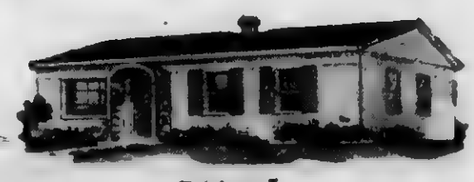
LINCOLN VILLAGE SOUTH

6 MILES WEST ON WEST BROAD STREET TO LINCOLN VILLAGE SOUTH

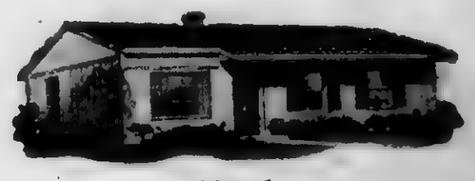
Grand Opening

SUNDAY MAY 10th

A BRAND NEW COMMUNITY ON THE WEST SIDE OF COLUMBUS

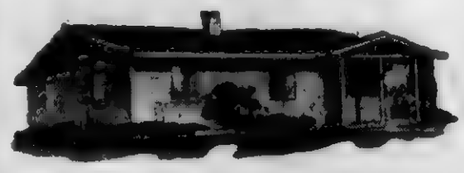


It pays you to visit this sparkling new community on the West Side. For you can truly make your choice with no misgiving—in the land of leisure living!



And what a choice you're offered! Twenty-one different exterior styles await your selection — three different three-bedroom floor plans. Lincoln Village South will be an engineered, planned community—with curved, winding streets, beautiful lawns—streets with diversified homes, because Starmount Realty's community planners have arranged it so homes of similar design will not be built on adjacent property.

What kind of exterior do you prefer on your new home? Wood? Aluminum? Brick? Lincoln Village South offers all three. Simply make your choice when you decide on the style of home you want.



Big roomy floor plans—featuring 16-foot living rooms—and 12'x14' kitchens. Beautiful fruitwood finished kitchen cabinets — with lazy-susan shelves — floor-to-ceiling closets — extra-long 20 ft. garage with ample room for tool storage and workbench.

Three model homes on exhibit—at Lincoln Village South. Just drive west on West Broad Street—six miles from Broad and High—just across from Lincoln Village. That's where you'll find the home of your dreams—in the land of leisure living.

GREAT SOUTHERN BUSINESSMEN

Italian Foods Chef Claims Spices Reveal Authenticity

Nick Malagreca

"Most American restaurants do not know how to serve real Italian cooking," said Nick Malagreca, owner-manager of Cardo's Pizza located in the Great Southern Shopping Center.

Malagreca said this is because Americans do not know how to season Italian dishes properly. "Spices are the secret of Italian cooking," he said.

This Great Southern proprietor preferred not to divulge these secrets as they were handed down to him by his mother, a native of Southern Italy, in recipes belonging to his family.

Malagreca prepares everything himself including the roll for his original "gondola" sandwich made with "three kinds of Italian meat, a special Italian cheese, and topped with a special dressed salad."

His establishment also serves various types of pizza, ravioli, and spaghetti.

An operator in the food business for 14 years, Malagreca and his wife, Genny, are both from Pittsburgh. They have been in Columbus four years and are now buying a home on Lockbourne-rd.

Because he is interested in youth, Malagreca has offered his back room for meetings of "The Dome Kings," hot rod association in Columbus. An 18-year-old South High student, Steve Whitacre, painted a mural of Venice on the south wall of his establishment.

Hillgate Subdivision Located Near Facilities On South Side

Hillgate Subdivision No. 3, a new community of 300 homes on far S. Parsons-av, is located in the most recently developed section of Columbus.

Virginia Homes, Inc., 3116 S. Parsons-av, said its third development in the neighborhood is on the country side of the fast growing South Side yet only five miles from Broad and High Streets.

The Great Southern Shopping Center is only one and one-half miles distant.

Schiller Park, with complete city-operated recreational facilities, is three miles away.

The Scioto Trail Elementary School is within a half mile of Hillgate III while George Beery Junior High, St. Ladislas and Marion Franklin Senior High are served by bus.

Every major religious denomination is within easy driving distance.

Columbus offers complete 24-hour police and fire protection.

Five model homes are ready for public inspection in Virginia Homes' No. 3 subdivision, at 2800 S. Parsons-av.

Tasteful decorations by the Design Center, Worthington, reveal possibilities of giving a spacious look to rooms that are comparatively small.

Using Paul McCobb designed furniture Design Center's Dick Reed combined subdued paint colors, carefully chosen drapes and carpeting, and graceful lamps to give each home a lived in and livable look.

Roosevelt Junior High PTA To Elect Officers

Pupils of the Roosevelt Junior High School sewing classes will model their own creations in a style show for the PTA Thursday, May 14 at 2 p.m. in the school auditorium. Miss Elizabeth Rankin, home economics teacher, will provide the commentary.

Mrs. Harlan McCoy, PTA president, will conduct the business meeting at which time the new officers for the school year 1959-60 will be elected.

The officers will be installed by Mrs. Veryl Sherburn, district No. 3 vice president of the Columbus Council of Parent Teachers Associations.

Theater Group Schedules Play

A play "Take A Giant Step" will be presented May 7, 8, and 9 at Mohawk School at 8:30 p.m. by the Columbus Community Theater.

Tickets are on sale at Heaton's for $1.25 and $2. Theater party tickets may be obtained by calling Mrs. Leslie Jones at BE. 5-0417.

Lona Blocker, well known in Columbus theater circles, will direct the production.

The play centers around a Negro family living in a middle class white neighborhood.

PLAN DINNER

The Great Mohawk annual district dinner will be held at Grace Lutheran Church, 492 Oakwood-av, Tuesday, May 19, at 6:30 p.m.

Highlight of the evening will be the review of the past years scouting activities and plans for the coming year. Featured speaker will be Robert Terhune, director of Agriculture for Ohio.

ANNA CIRCLE LUNCHES

Anna Circle at the Oakwood Methodist Church will meet at the home of Mrs. L. S. Wells, [illegible] Wilson-av, Wednesday, May 13 for a 12:30 p.m. luncheon.

CAMPOREE SET

The Great Mohawk District will hold its annual Spring Camporee May 16, 17 and 18 at the Scioto Trails Forest, south of Chillicothe on Route 23. The Camporee is open to all district cub scouts, boy scouts and explorers.

Schiller Aligns Busy Season; Outdoor Equipment Installed

All swings, sliding board and teeters have been installed at Schiller Recreation Centers playground. This playground apparatus will not be locked at anytime, which is in accordance with the policy of the recreation department.

Swings sliding board and teeters will be available for use on week-ends as well as during the regular center hours.

The playground will be supervised by the center staff between the hours o 3:30 and dark, on week days only, until the summer playground season begins June 17.

Room Installed

Something new has been added to Schiller. A craft room on the first floor, newly equipped with cupboards, kilns and other facilities to carry on various activities such as ceramics, metal enameling, leathercraft, basketry, flowermaking, paper craft painting and all of the smaller crafts in which children like to participate.

In this one large room, the old tumbling room, many types of craft work can be offered at one time. There are small tables for the children and other tables and benches at which the adults can work simultaneously.

Tumbling Show

The annual Tumbling and Gymnastic Show" at Schiller Recreation Center will be held Friday, May 15 at 8 p.m. in the gymnasium.

In addition to the usual tumbling routines, all of the new gymnastic apparatus, which was recently donated to the center by the Council of South Side Organizations, will be used in various exhibitions of skill. Approximately 100 people of various ageh will participate in this event.

Softball Organized

The Schiller softball season is about to move into full swing. At present the various leagues are being organized.

The teams are divided into age groups: junior, 12 years and under; intermediate, 13, 14, 15; senior, 16, 17 and 18; each age bracket being for both boys and girls.

Boys and girls interested in playing should contact either LeRoy Wise or Jeanne Williams at the recreation center, HI. 4-7262, between the hours of 3:30 and 10 p.m.

Play Readied

The Schiller Children's Theater will present "Sleeping Beauty" on Friday, May 22, at 8 p.m. in the auditorium. This famous fairy tale will have a cast of 20 youngsters.

"Spring Swing," with the music of Howard Mauger will be held Friday evening, May 29, at the center. The Teen Club is making arrangements.

One of the biggest events of the year will take place on Tuesday, June 2. At this time the advisory council of Schiller Center will sponsor a forum or panel which will discuss the juvenile problems of today. Panel members will be drawn from various youth serving groups.

The rosary will be recited in church at 7:45 p.m. followed by the business meeting. Election and installation of new officers will take place

Jack Oty

People are still people, but after 20 years in the automobile business Jack F. Oty, new sales-manager at the Ralph Smith Chevrolet agency in Groveport, finds that customer buying habits have varied tremendously since he first started.

Times and automobile styling have changed, he implied. "Since 1949, for rinstance, the new and used car buyers have changed in their attitudes. Ten years ago there were ten customers for every car.

"Now, there are ten cars for every customer," he stated.

Oty, who resides at 1191 Wilson-av with his wife and five children, graduated from South High. He participated in sports and still finds time to get in a round of golf or two plus bowling in the South Side Church League. He is also an elder on St. James Evangelical and Reform Church and a member of the Groveport Country Club.

All of his experiences dealing with automobiles have been spent in one capacity or another with the General Motors organization.

Oty believes in keeping relationships between prospective customers and his firm on a fair and friendly level. "The important thing is to give good service and to have a reliable firm backing you up," he said.

Customers find that it pays to buy from a dealer who stands behind his product, Oty added.

For people seeking used cars, Oty advises them to "look inside." If the upholstery and general inside appearance is still attractive to the eye, he pointed out, in nine out of ten cars a customer will find that it will run all right too.

Persons in the market for a new car are urged to consider what the car will do for them that they want done economically.

From a salesman's point of view, Oty said that the hardest type of consumer to deal with is the one that does not say a thing. "It's hard to find out exactly what he has in mind," Oty explained.

Conversely, the easiest ones to deal are those that give the salesmen a fairly good picture of what they desire.

"Still," Oty added, "we try to do right by all our customers."

CIRCLES MEET

Rhoda and Dorcas Circles will have a joint meeting at Oakwood Methodist Church Friday, May 8. A dinner will be served.

Set your machine for a medium to long stitch, about 10 to 12 stitches per inch, when sewing with wash and wear fabrics, say OSU extension specialists.

PLAN SPRING FESTIVAL

PTA MEMBERS — Siebert Elementary School PTA members, pictured above, will hold their Annual Spring Festival Friday, May 8, from 5 to 9 p.m. at the school. Featured at the annual event will be approximately 12 booths and displays including pony rides, a fish pond, gold fish booth and game room. Proceeds from the program will go to the school and PTA. Pictured above, from left to right, are: Elizabeth Seemueller, 462 Stanley-av; Marilyn Wharton, 278 E. Deshler; Katie Salser, 298 E. Deshler; Ruth Easwein, 883 Bruck; Betty Druggan, 156 Gates; and Ruth Pfeiffer, 518 Columbus-st.

Is there an intelligent young—high school graduate, or soon will be—who has a desperate desire to learn the newspaper business, but is unable to finance a college education. If so, an unusual opportunity is available to one who is willing to sacrifice quick financial return for a long-term practical education in the many phases of newspaper work. Starting salary will not be high, but to a young man who is capable of learning the business, there is no limit to ultimate financial return. Applicants will be carefully screened — only those with high scholastic records will be considered. Good knowledge of English essential. References required. For interview, call Mr. Mansfield, BR. 4-1155.

DANCES TWO PERFORMANCES

BALLET DANCER—Janet Collins, daughter of Mr. and Mrs. Robert Collins, 900 Studer Avenue, will dance in two performances presented by the Ditzi Nagy Academy of Dance at East High School. Miss Collins will appear in the Ballet Concert on Sunday, May 17, at 8 p.m., and in the Annual Revue on Saturday, June 13, at 8 p.m. in "Winter Fantasy." Miss Collins is featured as the Queen of Winter. She also dances in two ballets, "Gay Vienna" and "Stars and Stripes."

Pvt. R. Leslein Ends Training

Army Pvt. Robert C. Leslein, son of Mr. and Mrs. Leroy W. Leslein, 1549 Studer Ave., completed the eight week water supply specialist course April 17, at the Engineer School, Fort Belvoir, Va.

He was trained to analyze, treat and distribute water and to perform maintenance on water purification equipment. Leslein entered the army last November.

The 22-year-old soldier is a 1955 graduate of South High School and attended Franklin University.

OBSERVE AYH WEEK

MAYOR SIGNS PROCLAMATION—Mayor M. E. Sensenbrenner this week officially proclaimed "National Youth Hostel Week In Columbus" in observance of National Youth Hostel Week May 2 9. National AYH is celebrating its 25th anniversary this year. Hostelers believe in education and recreation through travel by means of hiking, biking, canoeing, and skiing. Local trips are sponsored by the Columbus Council while trips in the Americas and Europe are sponsored by American Youth Hostels, Inc., New York. Seen with the mayor are Columbus Council members to right, Don Steer, president; Dorothy Jones, 2380 Berwick; Jean Werts, 880 Wedgewood-dr; and Edmond Loewe, 3280 Columbus-ct, vice-president.

Racing Starts This Saturday At Grove City's Beulah Park

With plenty of horses on the scene and a colony of jockeys available, Beulah Park is looking forward to a banner spring season this year. The 19-day meeting will get under way on Saturday, May 9 and run through Saturday, May 30.

Highlight of the meeting will be the Governor's Handicap to be run for the 21st time. This $5,000 test at a mile and a sixteenth is scheduled for Saturday, May 23 and is expected to draw the cream of the distance runners in the state.

Beulah Park's opening program will be headed be the Inaugural and on May 16 the Grove City Purse will be the feature. Closing day will bring the running of the Au Revoir.

Racing Secretary Charles A. Smith, serving his first term in the post reports around 700 horses available for the daily programs and he anticipates no difficulty in filling the races. Smith takes over this year for Fred Burton. Burton, who was secretary in 1958 was formed to relinquish the job because of illness.

Paul A. Weiss, who has been the leading rider at Beulah Park on many occasions, will seek to add another title to his long list. Among the hooters who'll be on hand to give him a battle are J. F. Fernandez, Jimmy Dobson, Guillermo Silva, Harrell Bohn, Phil Burgemenke, John Neville, Blake Collins and Bobby Wall.

Many of the trainers who have been regulars at Beulah Park for several seasons have their strings bedded down and ready for action. Patrons will find such familiar names as Earl Osborne, W. B. Alexander, Charles H. George Colpo, D. G. Post, Arthur Lucas Jr., M. V. Conaway, L. D. Winters, G. J. Harris, Joe Bronnenberg and L. T. Schavel on the daily program.

Robert L. Dienst, president has set 2:30 p.m. as daily post time with the Daily Double closing 10 minutes earlier. Nine races are listed Wednesdays and Saturdays with eight on other days.

Food Markets This Week

by Mrs Estelle B. Franks

Fruits — grapefruit, pineapple, rhubarb, apples, frozen strawberries.

Vegetables— asparagus, spinach, kale, celery, lettuce, potatoes.

Meat and Poultry — rib end pork roasts, smoked picnics, fryers, large eggs, dairy products.

MOTHER'S DAY BREAKFAST IS SPECIAL EVENT

This is a Mr. and Mrs. Column for both to share. Please do!

Breakfast in bed is not necessarily a treat to mother, but remaining in bed a few minutes extra while father and the youngsters scamper about in the kitchen preparing breakfast may be. So, if you're a breakfast with the family mother, hand this column over and let the rest of the family take over on Mother's Day.

Breakfast preparation will have to begin with the shopping, for you'll want to do all you've the supplies necessary.

Keep the Food Plan Simple — Grapefruit halves are always delicious or you may want to try fresh pineapple and frozen strawberries in pretty stemmed glasses. The pineapple should be prepared the night before the berries placed in the refrigerator to defrost.

Second Course: broiled bacon, scrambled eggs, sweet rolls, coffee, and milk for the youngsters, all of which is very simple. Remember to take the bacon from the refrigerator the night before makes it easier to peel the slices off. If the family is small you may use the electric skillet for reheating the rolls.

But now that breakfast is over don't expect to leave the dishes, please. That's part of the breakfast, and everything should be spick and span before mother begins dinner preparations.

SUNDAY DINNER

Broiled Chicken
New Creamed Potatoes
Fresh Asparagus Rhubarb Sauce
Tossed Salad
Heated Rolls Jelly
Beverage
Snack
Deviled eggs on lettuce
Toast Jam Tea

The ice cream mold is a pretty surprise for any dinner. Use mold with slightly slanted sides. Line with vanilla ice cream about one inch thick, fill the center with strawberry or raspberry sherbet, and return to the freezer quickly to become firm again. Unmold ahead of time and store in plastic bag until ready to serve. Decorate with spring flowers or green leaves.

Apples, Eggs are bargains

In the next few weeks many markets will be featuring apples. Apples from cold storage are in good supply. Apr. 1 holdings were 50 per cent above the five year average. Quality varies, depending on storage conditions. Best to purchase only as many apples as you can use in a week or so. Varieties available include Home Beauty, McIntosh, Winesap, York Imperial, and some Red Delicious.

Egg prices have dropped sharply in recent weeks and are expected to stay at or near present levels for several more weeks. An egg a day is a good nutrition rule to follow for using this economical and versatile protein food.

South Kiwanis Readies Seniors For Job Hunting Responsibilities

By Lloyd Wilkinson

The exciting and unforgettable last days of school, with their prom parties, picnics, and graduation affairs, already has won the battle with spring fever in South Side classrooms.

Senior students in South Side high schools are now doing what countless other young people have done before them — try to capture everything the last days offer: the surprisingly pleasant nostalgia after what seemed hard work for so many years, the nice sense of extra privilege that goes with young adulthood, and the honors and rewards which have been honestly earned in many cases.

There also will be introduced new responsibilities very soon, and job hunting already has become a serious interest to many senior students about to lose their "ask Dad for it" expense money privilege.

In keeping with the seasonal concern for jobs — by young people not previously employed — members of Southern Kiwanis Club visited Marion-Franklin High School last week to do what they could to acquaint the boys and girls with requirements for new employes in business and industry.

Marion-Franklin students already enjoy an advisory program which begins in their freshman year to help them choose "the right courses" and become prepared for university or college, or for work of their choice.

It is directed by James Vicars, assisted by Margaret Patterson, and administered by Edwin Gearhart, the school's principal and a past president of Southern Kiwanis Club.

The Kiwanis program is advisory too; but coming each year at the time when school bells are tolling numbered days, it must be brief, practical and timely. It is developed by each Kiwanian from his own employer experiences. It counsels senior students for proper conduct during interviews, proper dress and personal appearance during interviews, and describes employer attitudes toward the relatively youthful and inexperienced — but willing to learn and work hard spirit — of the new grads.

Kiwanians hope that 10th and 11th graders can be benefited by the same counsel given graduating seniors. Although many are now too young to seek employment regulated by state laws, it is hoped they can be urged to utilize their remaining years of school eligibility by acquiring skills that can be "profitably employed" in business and industry when the time comes.

Southern Kiwanis Club has considerable variety in its counseling program, and generalizes too; it recognizes that

Barrett Students Honored By Legion

Barrett Junior High School seniors Virginia Hessensuer and Ferd Gaulke last week were awarded the annual Southway Post American Legion Citizenship Medals for displaying qualities of high citizenship and leadership during their years at the South Side school.

The awards, made during Barrett's annual Awards Day assembly program, were announced and presented by Legion Commander Charles Huber amid the applause and cheers of the pair's classmates.

Each year at graduation Southway Post No. 144 selects two students considered by their teachers and schoolmates to be outstanding examples of leadership, ability and integrity.

At the time the awards were presented, neither teachers nor classmates knew who would be chosen by the Legion. Virginia is the daughter of Mr. and Mrs. George Hessensuer, 556 Thurman-av. Gaulke is the son of Mrs. Ruth Gaulke, 104 Nursery Lane.

Other highlights of the assembly were the presentation of degrees of the Knight in the Barrett Court of Honor to Barrett's top 12 students in the field of scholarship and academic achievement.

Receiving the Knight awards were Virginia Hessenauer and Gaulke, Sidney Ball, Larry Robinson, Robert Stump, Yvonne Abahazie, Rebecca Berry, Janet Endicott, Nancy Paulus, Linda Poppy, Carol Sells, Donna Thomas and Paula Martin.

Each of the new Knights received a certificate and a jeweler engraved Knight pin with a letter "B" guard pin and chain.

Concluding the program was the presentation of certificates and pins in recognition of service to students who aided both the school and teachers in office, library and lunch room work. A total of 124 awards were made to these students who participated in school events.

Volunteer Safety-Check Program Inspects Over 5500 Automobiles

Nineteen car safety-check lanes will swing into their third week of operation next week as Franklin County's Voluntary Safety-Check program enters its final four days of warning motorists of malfunctions of their automobiles.

Sponsored by the Franklin County Motorists and Public Safety Association and operated jointly by the Independent Garage Owners Association and the Mid-Ohio Timers Association, the 19 lanes have checked over 5500 cars to date.

The check lanes, located in all major shopping centers and points of interest in and around Columbus and the county, are operated by some 70 members of the IGO and MOTA.

High points looked for by the skilled mechanics are proper functioning brakes, front and rear lights, steering, tires, exhaust system, windshield wipers, rear view mirrors and horns.

M. A. Borst, president of IGO, estimated that approximately 20 percent of all the cars checked to date failed the examination. He said that of these cars that failed, about five percent return for re-inspection.

Drivers whose automibiles pass the tests are given Safety-Checked stickers for the windshields of their cars and a survey card indicating whether or not car safety checks should be made compulsory.

Motorists passing are also alloted one vote for the high school of their choice to add further interest over the project on the teenage level.

Eleven city and county schools are currently represented in the project, with individual homecoming queens from each school vieing for votes by motorists.

The safety-check lanes operate Tuesday and Wednesday of each week during May from 6 to 8 p.m. Borst stated that both the IGO and MOTA expected about 25,000 motorists to take advantage of the free check by the end of the month.

Lane locations are currently stationed in the Great Southern Shopping Center, Town and Country Shopping Center, Great Eastern and Great Western Shopping Centers, Lincoln Village, Franklin Park, Schiller Park, the Big Bear Store in Central Point Shopping Center, St. John's Arena, Northern Lights, Graceland and Kingsdale Shopping Centers, and at central points in Lockbourne, Hilliard, Gahanna and Westerville.

Schools competing for votes, and their respective queens, are South, Nancy Ward; Eastmoor, Sandra Jordon; Whitehall, Linda Trees; Grandview, Jeanne Smith; West, Pamela Moberly; North, Cindi Marshall; Marion Franklin, Paula Barry; Linden McKinley, Joan Greer; Central, Maxine Trakas; Bexley, Jill Edmonds; and Arlington, Bonnie Bell.

Coordinator of the project is Roy E. Salzgaber, safety director for the Franklin County post office.

SAFETY CHECKERS — Members of the Franklin County Unit of the Independent Garage Owners Association are shown above before the opening of their Schiller Park Safety Check lane. IGO and the Mid Ohio Timing Association are currently operating 19 such lanes in Franklin County to check automobiles for faulty operation of major parts. Shown with the safety checkers are four of the 11 high school homecoming queens who will vie for individual school honors in conjunction with the month-long safety check program.

Community Night Ties Up Loose Ends For May 20 Jet Ball Game

COMMUNITY NIGHT BACKERS—Ministers, councilmen and leading figures in the South Side got together with youth this week to remind South Siders of the Community Night coming up May 20, at Jet Stadium. Shown in the usual order, front row, are Jack Howard, 391 Sheldon; Mike Milesunich, Morris Mitchell, 311 Hossack, and Tom Reis, 331 Meller. Standing, Harry Sells, "Cap" Hoover, Councilman William M. Hicks, George Miller, Rev. Robert Streaty, Councilman William Heermie, and Rev. Walter Peters.

Last Minute Buyers Get Good Service

The long-awaited South Side Community Night will become reality Wednesday, May 20.

With almost everything out of the way but the game itself and the awarding of prizes, leaders of the South Side's first annual program will busy themselves with tying together loose ends and radio appearances.

Co-chairmen Harry Sells and Howard Henry will appear over Jet Baseball Announcer Joe Hill's Sunday program for interviews and last minute chatter concerning Community Night.

Friday and Saturday members of the Night's ticket committee will establish booths at the Great Southern Shopping Center for last minute Community Night ticket buyers.

The game between the Jets and the Miami Marlins will get underway promptly at 8 p.m. at Jet Stadium. Winners of the nearly 100 prizes donated to the affair will hear their lucky numbers called off between innings of the game.

Ticket deadline for South Siders still stands at Sunday, May 17. Proceeds from seats sold after that date will not go into the fund benefiting South Side Youth.

Besides the booths at Great Southern, last minute buyers can get tickets from either the South YMCA, Fountain Drug, or the Leader office. Tickets will be delivered COD to anyone desiring reserved seats from the YMCA and Fountain Drug.

The game itself will feature the league leading Miami Marlins against the Jets in a battle to get Columbus back into the first division.

Leading the Marlins will be John "Pepper" Martin, of the 1930 St. Louis Cardinal "Gas House Gang" fame.

Seen in Columbus whites for the first time will be new Jet arrivals Julian Javier, Joe Christopher, Dick Lines, Tom Burgess and Cal Ermer, new Jet manager.

South Side merchants and organizations backing Community Night are the Kossuth-Jaeger Civic Association, Moose Lodge No. 11, Southeast Lions, Scioto Fish and Game Club, Southway Post No. 144, South Side Business and Industrial Association, John Miklos' Barber Shop, South Side Settlement House, and St. Stephen's Community House.

Harmony Glee Club, Fred Van Order at Armour and Co., Druids Home, Marion-Franklin Civic Association, South Side Eagles, South Side YMCA, St. Leo's Foresters, Burke's Grocery, Ebert's Pharmacy, Schick's Meat and Grocery, South Side Leader, Best Cleaners.

The Ben Ratner Co., Clark Sells, Franklin County Courthouse, Gavin's Bow Wow Grill, members of the Swan Club, Olympian Club members, Fountain Drug Store, Babberts Tavern, Koebel Drugs, Thomas Henson, Marty Finta, Joe Potenza, American Blower Co., Federal Glass Co., Hi-Way Confectionery, Plank's Cafe, and Johnson's Restaurant.

St. Leo's Spring Festival Sets $18,000 Convent Goal

Plans are currently underway to make St. Leo's Annual Spring Festival, slated for June 5 and 6, the biggest spring program on the South Side this year.

With a goal set at $18,000, the Festival Committee, headed by Francis Kempf, has added 14 door prizes and two 1959 automobiles to the list of prizes to be awarded during the two-day event.

The $18,000 the parish hopes to raise this year will go toward the remodeling and enlarging of the church convent, currently housing all nine of St. Leo's sisters.

In past years the annual festival has contributed to the church building fund and the remodeling and enlarging of the school. Last year the parish raised $15,000 to help pay off the school's building debt.

Motto for the June program this year is "Thanks to the Sisters."

The two-day affair will be held on the school grounds at Hanford and Bruck-sts. A dinner will be served on both evenings from 5 to 9 p.m., with fish and roast beef highlighting the menus on respective nights.

Currently on display in the church yard are a 1958 Plymouth and an Isetta 600, both of which will be awarded to lucky number winners on Saturday, June 6.

Included in the program festivities will be booths, displays and games. Added features will be announced at a later date.

Publicity chairman for the event is Mrs. Arnold Plageman, 263 Sheldon-av.

Fire Rips South Side Home As Family Of Seven Sleeps

Four persons, including a city fireman, were injured early Sunday as a fire of undetermined origin ripped through a two-family frame dwelling at 1616 S. High-st causing damage estimated at $700.

Injured were Mrs. Martha Walters, her two children, Gary 18, and Sharon, 16, and Columbus Fireman Richard Ermatel.

Gary and Sharon both received cut feet as a result of their two-story jump from a window in the home, while their mother was treated for smoke exhaustion. Sharon also received injuries to her back.

The trio, along with four other children, was trapped as they slept in their South Side home.

When aroused by smoke and flames, Mrs. Walters dropped four of her children from a second floor bedroom window into the arms of a neighbor, then leaped to safety herself.

Gary and Sharon also jumped from their own bedroom window.

Mrs. Walters dropped her four youngest children, Joe, 11, Catherine, 8, and twins, Mark and Mike, 2, into the waiting arms of Ed Naegle, 20, of 1622 S. High-st.

Naegle was roused from sleep by his wife, Sharon, 18, who was awakened by cries for help from the Walters' residence. He ran to the house as his wife called firemen.

He said Mrs. Walters and her children were clustered around a window in the front bedroom with flames fanning out in the first floor rooms.

Naegle said Mrs. Walters "grabbed one of the twins and dropped him out of the window. She dropped the second twin and then the 6-year-old girl and the 11-year-old boy." Then the firemen arrived.

The fire started about an hour after Joe and Catherine, who had watched late movies on television, had wrapped up their Mother's Day gift. It was destroyed in the blaze Catherine told the Naegeles.

Mrs. Walter's husband was in Cincinnati, where he is employed as a construction worker.

Naegele was a member of the St. Mary High School basketball team which reached the State semi-finals in 1956.

South Side Gets $104,008 In UA Funds

A total of $104,008 in United Appeal funds has been earmarked to help agencies located on the South Side meet the needs of people they serve.

In the past year these agencies have served a total of 7,594 people with the help of the UA funds.

These service and financial figures were released this week as part of UA's "Thanks To You" report on the use being made of contributed funds.

The allocations and number served by South Side agencies follows:

St. Stephen's Community House, 679 were served, $25,508; South Side Day Nursery, 72, $24,583; South Side Settlement House, 1,197, $18,612; South

Mohawk District Slates Trio Of Events

Bill Sizemore, commissioner of Great Mohawk District of Central Ohio Council, Boy Scouts of America, announced this week that the regular meeting of the commissioner staff will be held at Boy Scout Headquarters, 1428 E. Broad-st, at 7:30 p.m. Thursday, May 14.

Sizemore also announced the annual Spring Camporee of the Great Mohawk District has been set for Friday, Saturday and Sunday, May 15, 16 and 17, at Scioto Trails State Forest, 10 miles south of Chillicothe on U.S. Route 223. May 16 has been designated as Webelos Day and all Cub Scouts are invited to participate in the Camporee on that day with their fathers.

The third event of the month for the Great Mohawk District will take place at 6:30 p.m. Tuesday May 19, at Grace Lutheran Church, 492 S. Oakwood-av, when the district's annual dinner meeting will be held.

Installation of new officers, committee progress reports and recognition awards will be made. Robert Terhune, state director of agriculture and vice-president of the Central Ohio Council, Boy Scouts of America, will be the guest speaker.

SLATE TEA

Mother's Club of the Southwood Church of Christ will be hostess at a Mother-Daughter Tea Sunday, May 17, at 3 p.m. in the church basement.

SOUTHEAST LIONS SLATE FISHING CONTEST

IT'S SO EASY TO WIN, seems to be the thoughts of the youngster above. This picture was taken last year at the lake in Schiller Park. Stu Jones of the Southeast Lions and Tom Crawshaw of Schiller Park announced this week that arrangements have been made for the second annual Fishing Contest to be held at the park and sponsored by the Lions. Many other features will be offered to the participating youth such as a casting contest, movies and parties. To be eligible you must register on an official entry blank. The blanks will be available the week of the 18th. Youngsters, both boys and girls must be 14 or under. The contest will be officially opened June 17th and continued through August 20th. All fish will be tagged and prizes will be offered by number. Entry blanks can be had at Neubeck's Confectionery, Heermie's Appliances, Schiller Park, Howard's Sales and service, Corner Food Market. A more complete list of places will be listed next week. The grand prize again this year will be a bicycle, for which a drawing will be held at the party at the end of the year.

BICYCLE SAFETY CHECKS ARE NECESSARY

No one objects when a safety check for automobiles is proposed.

Everyone with an adult thinking mind agrees that no chance should be taken that might result in injury and death through neglect. A safety check for the automobile seems to be an adult, intelligent step toward precaution.

With this in mind, it seems only natural that a bicycle safety check for youngsters is also an "adult, intelligent" step toward precaution.

Youngsters are granted access to the streets and highways on an equal basis with automobiles and other vehicles. A child is trained in the proper way to operate his bicycle.

But all the training and all the precautions taken beforehand mean nothing . . . if the bike suddenly has a mechanical defect and flings the youngster to death.

It seems like only common sense to spend the few seconds required for a bicycle safety check in payment for safe riding assurance for youngsters.

An extensive bike safety program has just been completed by the Optimist Clubs of Columbus. Thousands of bicycles were checked for safety features and the approved vehicles stickered.

Another chance remains for youngsters who were unable to take part in the Optimist program. Members of the National Bicycle Dealers Association are putting a program for bike safety into high gear.

Members, displaying a window banner carrying the following wording—"Free—Bicycle Safety Inspection. Ride a Safe Bike . . . Safely!", are offering free inspections during May.

The five-point check includes tire and wheel alignment, steering assembly pedals and brakes, riding assembly and signal, lighting and accessory equipment.

Any bicycle that hasn't been checked should be. It doesn't cost anything. It could mean the difference between life and death.

employee standards have as many different faces as employers, and because it is taken directly from the experiences of men who have been both employer and employee (and student, too), it acknowledges that job situations are sometimes markedly dissimilar.

But, in general, it agrees that:

(1) The basis for finding an interesting and profitable first job, and subsequently doing well on the job, is a moderately successful school record (that is, solid achievement in at least part of school work). Consistently well done algebra, history, shop, English, chemistry, or typing lessons, etc., are very important to the development of dependable employees.

(2) Not all things learned in school were taught for the sole purpose of "getting a job," nor can they be expected to be specifically helpful in all jobs.

(3) Qualities of character, of intelligence, ability and personality, cannot be corrected nor improved in "10 quick and easy lessons." Personal improvement requires decision, right choice, dedication, and patience —often sacrifice of pleasures — for young people to arrive at mature adulthood.

On the other hand, it must be considered unfortunate whenever deserving young people — with outstanding qualities — miss job opportunities because they make a small mistake during an interview that obscures their essential qualities.

Kiwanians agree with educators, and other employers, when they say that jobs with the greatest opportunities should be assigned to persons who can accept the challenge, who can accept the responsibility, and who have the greatest chance for success.

Determining who is best suited for opportunity is often difficult. The following is advice to anyone seeking a job who has been well trained and equipped for job opportunities:

• Prepare a resume or "personal data sheet" outlining your school studies so that employers can tell "who you are" on a factual basis compared with other applicants. Mention your achievements, honors, out-of-school activities, hobbies, and a work history if you have worked vacations or part time.

• Write a brief introductory letter to the firm for which you hope to work and ask for an interview.

• Arrive on time for your interview, and be prepared to answer questions about yourself or take a test (for example a typing test).

Kiwanians believe these three general rules should be observed and practised by anyone seeking a job, because it opens the door politely and effectively. They also said that personality factors are extremely important in both "getting" the job and "keeping" it.

Personal cleanliness, neatness in habits and dress, proper dress, careful grooming, and an alert attitude, are personality factors. They are standards and criteria by which all good employees are judged and approved.

Kiwanis members expressed it this way: "We have too little time to make exhaustive analysis of personality in young people seeking their first job . . . we make quick appraisals . . . judge dress and manners, and go on from there."

"We are willing to take a chance if our preliminary appraisal is good," a sales manager said. He added that over-elaborate dress — party clothes — do not necessarily get a job.

"They should wear their best, most adult," several Kiwanians said. "Boys should wear a suit, girls should wear a conservative, becoming, business dress."

Marion-Franklin classes also were reminded to avoid the "negative things" both during an interview AND after they begin to work. Employers are well acquainted with applicants who "do anything at all to attract attention, to make themselves individually recognizable — to 'stand out'." Avoid the opposite of good manners and attitudes, the men said — it probably will not help at all.

Many exceptions have been, are, and will be, experienced by job seekers, but Kiwanis employers — actually most employers — remind new grads that a few sensible rules for personal conduct are unchanging and always have been important.

"Be yourself," they say. "Be a nice person, and find a job where what you can do is important and necessary to your employer."

Finding an interesting job is an adventure. It has been experienced by most everyone.

Doing well on the job is not accomplished by everyone; and doing well, earning more money, getting new responsibilities and challenges, will 'not come to everyone — will come to fewer and fewer as the years go by.

A single rule fits all situations: "The world does not owe you a living."

And all employers prefer to hire persons who are the "most productive . . . least troublesome . . . require the least supervision."

Deshler PTA Slates Style Show May 20

Deshler Avenue PTA will have a style show as its main feature at the meeting Wednesday, May 20, at 1:30 p.m.

A potluck luncheon honoring the teachers and the personnel working with the school will be served at 12 noon.

The luncheon will precede the business meeting and the installation of officers. Installing officer will be Mrs. Virgil Sherburn, vice president of District 3.

The style show will consist of designs fashioned by the mothers for their children and themselves. The designs will be modeled by the children and the mothers, with Mrs. C. E. Hauck serving as commentator. There will also be a table displaying any handicraft made by the mothers.

An instrumental will be presented by fifth and sixth grade pupils under the direction of Richard Van Meter.

Auxiliary Three Changes Monthly Meeting Date

Monthly meeting of St. Elizabeth's Auxiliary 3, Knights of St. John, has been changed to the third Tuesday of each month and will be held this month on May 19, at 581 S. High-st.

Refreshment and entertainment committee is in charge of those whose last names begin with the letters H and J. Mrs. Elizabeth Jones is chairman.

Memorial services will be held for Mrs. Anna Lawless and Theresa VanHeyde.

Southway Legion Post Slates Meeting Friday

Southway American Legion Auxiliary Unit 144, will hold its business and social meeting at the Post Home, 874 S. High-st, Friday, May 15, at 8 p.m.

Mrs. Ollie F. Goodall will be the presiding officer. All standing committe chairmen will give their annual reports.

Memorial services for deceased Unit members will conclude the evening program, assisted by the Juniors.

Golden Agers Meet Tuesday At Schiller

The Schiller Park Golden Age Club will hold its regular monthly pot-luck luncheon next Tuesday, May 19, at 12 noon in the Schiller dining room of the center.

Every member is urged to be present at this meeting as programs for the summer months are to be planned and discussed. During the summer months the Schiller Golden Age Club will take to the road, making trips to the many interesting places throughout central Ohio.

Places visited in the past are Wagnall's Memorial Library at Lithopolis, Mt. Pleasant at Lancaster, Adena at Chillicothe, Columbus Zoo and other local points of interest such as Farm Crest Bakeries and Kimble Glass Co.

Any south side man or woman over 60 years of age is eligible to become a member and welcome to attend the meetings which are held on the first and third Tuesday of each month at Schiller Recreation Center.

Livingston-av PTA Schedules Last Meeting

Livingston Avenue PTA will hold its final meeting for the year at 7:30 p.m. Tuesday, May 19. New officers for the coming year will be installed by Mrs. Veryl Sherbun, third district vice-president of the PTA Council.

The meeting will be followed by guest speaker, Judge Holden. The newly elected officers to be installed are Mrs. Robert Mantle, president; Mrs. Delarce Cunningham, first vice-president; Neal Greenfield, second vice-president; Mrs. Ora Frye, recording secretary; Mrs. Gerald Wernet, corresponding secretary; John Dethloff, treasurer; Miss Six, auditor; regular delegates, Mrs. Robert Piatt, Mrs. Wedel Ball and Mrs. Daniel Akins.

Moose Hospital Women Slate Chapter Program

Hospital committee of Chapter 206 Women of the Moose will have its chapter night program Thursday, May 14. Welma Spring, chairman, will present JoAnn Milless, the nurse to receive the scholarship for this year. There will also be a guest speaker.

The meeting will be held at 8 p.m. at 26 W. Sycamore-st. Senior regent, Mildred Pierce, will preside over the meeting.

SPONSOR PARTY

Luncheon and games party, sponsored by the St. Leo PTA, will be Tuesday, May 19, at 1 p.m. in the school hall, corner of Frebis and Bruck-sts. Mrs. Robert Burkey, chairman, and Mrs. Charles Schneider, co-chairman.

DRIVE SLATED

Chapter 206 Women of the Moose and the Loyal Order 11 will participate in the Cerebral Palsy drive Friday, May 15. Group will meet at St. Charles Seminary on E. Broad-st at 6:45 p.m. Richard Graumlich of Loyal Order and Marilyn Young of Chapter 206, will be in charge.

ELECTS OFFICERS

The White Cross Hospital Guild No. 33 of South Methodist Church has elected the following officers for the year 1959-1960:

Mrs. Marshall Houghn, president; Mrs. Ralph Lupfer, first vice-president; Mrs. Frank McCarthy, second vice-president; Mrs. Lee F. Loudner, secretary; and Mrs. David Harris, treasurer.

Schiller Center To Host Gym Demonstration

Tomorrow evening, May 15, there will be a tumbling and gymnastic show presented in the gymnasium of Schiller Recreation Center, Deshler and Jaeger-sts. The demonstration is scheduled to begin at 7:30 p.m.

Virtually all of the new gymnastic equipment which has been installed at Schiller will be in use during this show.

Approximately 100 boys and girls will take part in the evening's performance, with some of the more interesting events taking place on the trampoline, in which various stunts of tumbling and diving are combined.

Another difficult routine to be seen is the poise and coordination which is needed to perform tumbling and gymnastic stunts on the balance beam, a wooden bar 12 feet long and three inches wide placed three feet above the floor.

PLAN SCHOOL FESTIVAL

Stewart Avenue Elementary School will hold its annual Spring Festival Friday, May 29, from 5 to 7 p.m. at the school. Highlight of the event will be a style show commentated by Mrs. Robert Guiffre. Co-chairman of the school's ways and means committee in charge of the affair are Mrs. George Quarry (HI. 4-8779) and Mrs. Ray Speakmon (HI. 4-0832).

WHITACRE FLOWERS

The Gadabout

Priscilla LaRue Lance
HI. 4-1061

A young lad we've mentioned at various times in this column heads our list of items once again. Terry Leach, now 12, 99 Reeb-av, is home again after undergoing corrective surgery for polio at Children's Hospital. We understand it was a painful ordeal for the Reeb-av pupil. He has now reached the age when cheery cards mean a lot to him. Another young South Sider was in the hospital recently for a tonsillectomy.

Peggy Ikehorn, 212 Welch-av, was in Grant Hospital. (She is the youngster who had a bursted appendix and an ensuing month in the hospital at this time last year) We're sure the sixth grade Southwood student would love to receive cards too.

George and Jane McGrew, long-time residents of Whittier-st, and Canal Winchester only a few months, will be moving once more. A transfer of headquarters will find George working in Detroit, Mich. It is with regret that we soon must bid adieu to the McGrews.

HAPPY BIRTHDAY

Mid-May brings flowers to all, and birthdays to these kiddies: Debra Daines, 195 E. Moler-st, May 14; Richard Lewis, 252 E. Welch, May 19; Mary Pennington, 81 E. Morrill, May 19; James Marvin, May 19; William Penrod, 1665 S. High-st, May 14; Timothy Stith, 33 E. Moler, May 18; Betty Maynard, 387 E. Markison, May 15.

Kenneth Frazier, 300 Sheldon, May 14; William Drake, 75 E. Markison, May 15; Patricia Greenlee, 1509 S. Fourth-st, May 18; Patsy Walker, 285 E. Jenkins, May 15; Randy Meyers, 141 E. Morrill, May 19; Judith Furbee, 1522 S. High-st, May 17; Cathy Collins, 85 Southwood, May 16; Kathryn Mason, 1357 S. High-st, May 17, and Pamela Leist, 1204 Oakwood, May 9.

Mrs. Boring, mother of Audrey Carter and Marguerite Watson, is gravely ill at this time. We're hoping that she receives lots of cheering cards, at 3939 Lockbourne-rd

It's so nice to see my old chum, Virginia Leonard, well enough to go sailing around in her pretty new car. The car is a nice new station wagon. (We hadn't heckled her for awhile; didn't want her to think we were getting mellow. in our, ahem, maturity.)

Well, maybe we'll never make a trip around the world, but we got to talk to someone who did! Jerry Bliss, who was in town last week, called us to tell us that his sister, Julia Ingwalson, is now a resident of Elkhart, Ind. She had been residing in Canada. He was amazed at how Columbus had grown since he was last here. We would have loved to ask him all about his trip, but it was one of those nights we had to be somewhere else in 10 minutes, and the driver was in front of the house honking her car horn. It's so hard to be a news-gatherer at times!

PLAN BANQUET

The annual mother-son banquet of the YMCA will be held tonight at 6:30.

Adult celebrations for the coming week: Eleanor Jones, 317 Moler-st, May 15; Louise Fulton, May 17; Nita Hutch, May 18; Virginia Mitchell and Sarah Storts, May 19; Betty Rothwell, May 2, and hubby, Jim, May 15, all birthdays. Bill and Nellie Kaufman rate howdies for their May 17 wedding anniversary. Harry and Ethel Meuser also have a May 17 anniversary to celebrate. Oh yes, Clem Fisher also has a May 10 birthday.

Two days late, but our wishes are still hearty ones for the May 12 silver wedding anniversary of Mr. and Mrs. Steffens, 473 E. Welch-av.

Our friends at the Moose have a busy week in store for themselves. The hospital committee of Chapter 206 will hold a chapter meeting tonight. Chairman Welma Spring will present Jo-Ann Milless, the young lady who is the recipient of the committee's nursing scholarship. There will also be a guest speaker at the 8 p.m. meeting. Senior Regent Mildred Pierce will preside over the meeting. On May 15 Chapter 206 and Loyal Order No. 11 will participate in the Cerebral Palsy Drive. Richard Graumlich and Marilyn Young will be in charge.

The hospital committee will sponsor the Wednesday, May 20, dinner, 5 to 7 p.m. Chairman Billie Spring and her committee will serve one-half fried chicken, mashed potatoes and gravy, dessert and coffee, for $1 adults, 50c children. The proceeds will be used for the nurses' scholarship fund. A special meeting for Chapter 206 will be held at 8 p.m., May 20, at 36 W. Sycamore-st, to welcome Grand Regent Lula Wolf of Norfolk, Va., Deputy Grand Regent Lucille McHenry of Hamilton, O., and Grand Council member Jeanette Baumer, Findlay, O. Twenty-four Ohio chapters have been invited to attend this special membership meeting. The enrollment class will be presented in honor of the grand regent.

BIRTHDAY BALL

Mrs. Clifford Gover, 1345 Wilson-av, is co-chairman of tickets for the annual Wing Birthday Ball, to be held at Valley Dale, 10 to 2, on May 15. Nightingale Cottage's convalescent home for children receives an important part of its income from Wing projects. The dance is open to the public.

St. Mary's PTA meets at 8 tonight at the school. Msgr. E. A. Burkley will show a movie on his trip to Hawaii. New officers will be elected and installed.

New residents of 163 Markison-av are Mr. and Mrs. Virgil Eagon and family.

Barbara Jean Johnson of Moler-st visited relatives in Frazeysburg, O., over the weekend.

The young people of Southwood Church of Christ will take their annual outing to Old Man's Cave this Saturday, May 16. On May 17 a mother-daughter tea will be held at the church.

A May 6 birthday was celebrated by Paul Jubelt.

TUCSON BOUND

Because there has been no time to inform all their friends of their imminent departure, Mr. and Mrs. Fred Bauer, 717 Hamford-st, would like to do so through this medium. The Bauers leave today for Tuscon, Ariz. For friends who would like to write to them their address will be Rincon Lodge. Bon voyage, Bauers!

Bert Rigot and daughter, Margaret Ellifritz, will be hostess for a traditional get-together with Mrs. Molly Driskell and her sister, Anna Gulcher. The 89th birthday of Mrs. Driskell, 52 E. Gates-st, is the occasion of celebration in the home of Mrs. Ellifritz, 400 Deshler-av.

This is a reminder to members of the Schiller Park Golden Age Club that the monthly potluck will be held at noon Tuesday, May 19.

Friends of Pvt. David A. Hussey, 679 Thurman-av, might like to send him a note or card, so we'll give the address he will have for eight weeks: Pvt. D. A. Hussey, N. G. 23385806, Co. A, 13th Bn., 4th Tng. Regt. Inf. U.S.A.T.C., Armour, Ft. Knox, Ky.

A last-minute reminder to ALL South High alumni, the annual reunion will be held May 22 at the school. See you there!

The Word Of God

The first century church was founded upon the basis of the Word of God; so the Word of God must also serve as the blueprint for the 20th century church.

Members of churches of Christ today are simply trying to faithfully reproduce churches of Christ as they existed in the days of the apostles — the same in name, doctrine, worship, organization, service, life and work.

The Bible teaches that such restoration is possible because we have the original seed — the Word of God — to plant again in order to bring forth the fruits of pure undenominational Christianity.

"All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may the perfect, throughly furnished unto all good works." 2 Tim. 3:16,17.

Gatewood - Tellings Rites Held At Christian Church

MRS. FERDNAND TELLINGS

Miss Ruth Ann Gatewood and Mr. Ferdnand Julius Tellings exchanged their wedding vows Sunday, Apr. 26, 3:30 p.m. at Broad Street Christian Church. Rev. James Ouga read the marriage service.

The bride is the daughter of Mr. and Mrs. William A. Gatewood, 686 Lockbourne-rd. She was graduated from South High School.

Mr. Tellings came to America two years ago from Amsterdam, Holland. He lived with his brother, Mr. and Mrs. Eduard Tellings, 179 Lechner-av before his marriage.

Mr. Tellings is an employe of Hartley Newspapers.

The new Mrs. Tellings chose for her wedding a street-length gown of blue sheer nylon with white accessories and a white orchid.

Miss Loretta Gatewood served as maid of honor for her sister. She wore a pink gown with white accessories and a corsage of carnations.

Mr. Eduard Tellings, brother of the bridegroom, served as bestman.

Hostesses for the reception held at the church following the ceremony were Miss Barbara Akrom and Miss Roberta Gatewood, sister of the bride.

The couple is at home at 622 Oakwood-av.

South YMCA Church Teams Open Season

With the weatherman providing perfect playing conditions the South Side "Y" Church Leagues got off to a flying start last week with 28 teams participating.

In the Monday Junior circuit South Congregational defeated Hungarian E. and R., Frebis Church of God downed Gates-Fourth Methodist and Southwood Church of Christ scored a thrilling victory in edging out Livingston Methodist.

Tuesday's action in the girl's loop saw St. Paul E. and R. pull a triple play in downing Oakwood Methodist. Emmanuel Lutheran, St. John E. and R., and Livingston Methodist also started off on the right foot by scoring opening day victories over Southwood Church of Christ, South Methodist and Frebis Church of God respectively.

Wednesday's Junior boys produced four well played games and set the stage for a red hot race for championship honors. St. John E. and R. scored a win over Oakwood Methodist, Ohio Avenue EUB trimmed South Methodist, St. Paul Luthern took the measure of Washington EUB and Emmanuel won a slugfest from Jack Stephen's boys from St. Paul E. and R.

In the only game played in the Intermediate League last week, St. Paul E. and R. displayed good defensive play in scoring a 4 to 1 victory over Oakwood Methodist. Paul Barton's green wave from Hungarian E. and R. won by forfeit over Livingston Methodist which was unable to field a team of eligible players.

Lincoln Park Sends 10 To PTA Gathering

Lincoln Park Elementary School featured 10 representatives at the May 7 meeting of the Columbus Council of Parents Teachers Associations at the Ohio Union on the Ohio State University Campus.

Representing the school were Maurice Lowks, principal; Mrs. Richard Brown, PTA president; Mrs. Jack Kirby, Mrs. John Colmery, Mrs. James Gorden, Mrs. Ray Bell, Mrs. Evelyn Gill, Mrs. Thomas Carter, Mrs. William Conley; and Mrs. James L. Simpson.

Fish 'Rain Fronts' For Prizewinners

The big question is, how to catch some big fish to enter in the Hartley Newspaper Fishing Derby?

With prizes galore and a week's vacation at beautiful Timberlane Acres on Pigeon Lake, Canada, at stake, derby entries are rolling in. Get in on the fun, and have your fish entered at one of the weighing stations listed on this page. You may win a valuable prize!

According to good fishermen, one way to catch big fish is to fish in the rain. Don't be afraid of getting wet, they say. Rainstorms generally produce furious fishermen, but this traditional spirit-spoiler is often a blessing in disguise. And a rainstorm may help you catch a prize-winner this year.

Rain and accompanying temperature changes excite fish like "pep-up" pills transform an "also ran" into a derby winner. Fish go on a brief but frenzied feeding spree when cooling showers lower temperatures. They often lose all sense of caution and pursue schools of bait fish into shallow waters with reckless abandon. At this time they are not choosy in taste. They'll hit just about any surface lure in the vicinity.

Drops in temperature put more zing in a fish's life during the hot summer months ahead than such changes do right now. Why fish react in this manner is not known, but these wild feeding binges can be predicted with fairly good success, say the weather-watching anglers.

To catch these productive periods, check newspapers and

television weather forecasts which trace the movement of "fronts" across the country. A call to the weather bureau will yield the exact time a disturbance is scheduled to pass your favorite fishing spot.

Cold Fronts Preferred

With a cold front, start fishing one or two hours before and during the storm. On a warm front, wait until it has passed and winds have shifted to a westerly direction. Fishing a warm front seldom equals that of a cold front, but it's usually better than before the storm.

Fishing in the rain sometimes draws "cat-calls" from the less hardy, but comments cease when a good catch is displayed.

A word of caution: It is often dangerous to be out on a large lake during a storm. Do not take chances. The people who fish just before and during a storm usually do it from shore. It is safer to confine your fishing to small bodies of water at these times.

The best time to go fishing, of course, is when you can. Do not wait for a storm. But if a front is passing through, get out there and get wet, and you'll get some terrific action.

Ohio Traffic Deaths Take 19 Percent Drop

Ohio experienced a 19 percent reduction in the number of deaths due to traffic accidents, for the first quarter of this year, over a similar period in 1958. This reduction, reported the state department of highway safety, compares with a five percent increase for entire country (excluding Hawaii), and a two percent increase for the eight largest states (Alaska excluded).

Ohio steel capacity increased from 17.5 million tons in 1939 to 28.9 million tons in 1959

State Park Chief Expects 300,000 Holiday Visitors

Nearly 300,000 visitors are expected to use state park facilities when Memorial Day arrives, according to V. W. Flickinger, chief of the Division of Parks.

"Although state parks are open all year," he said, "Ohio's tradition-minded people consider Memorial Day, May 30, as unofficial opening day."

Approximately 225,000 holiday visitors used swimming, hiking, fishing, boating, camping and other facilities at the 54 state grounds last year, Flickinger estimated.

In a special request to the 300,000 people expected to inhabit the state parks, Flickinger stated: "With that many people passing through our parks in one day, the cleanup jobis immense. All we ask is a little courtesy.

"Use the existing facilities for dumping refuse or burning trash. It will make our job a little easier."

Seven parks exceeded the 10,000 mark last year on the unofficial opening day, three of which were in excess of 20,000 visitors, he said.

South Sider Completes Army Engineer Course

Army Pvt. Howard T. Russell son of Mrs. Enid A. Foster, 1538 S. Champion-av, completed basic engineer training Apr. 24 at Fort Belvoir, Va.

Russell received instruction in map reading, bridge, road and airfield construction, and mine warfare.

He entered the Army last January and completed basic training at Fort Knox, Ky.

The 20-year-old soldier is a 1957 graduate of Marion Franklin High School.

Kelley's Take Over First Place With 13-7 Victory

Kelley's Tavern today remained the only undefeated team in the new Saturday Independent Slo Pitch League as they outslugged the Old Landmark Cafe 13-7 last week at Southwood Park.

Led by Jake Conley and Pete Quillen, Kelley's pulled one game ahead of Omar, Old Landmark and the Landmark Kids as the league readied itself for its third week of action.

Conley hit a homerun, double and two singles and Quillen went 4 for 5 and drove in three runs with a pair of singles, a double and homer. Bee Benbow also backed the Kelley attack with a homerun and a double good for two runs.

Ivor Boling led the Old Landmark attack with four hits including two doubles and three rbi's. Landmark pitcher Buck Santanich tried to help his own cause by banging out a single, double and triple.

Landmark sparkplug Harold "Yogi" Kirby again led the team's pep parade with his constant hussle and chatter from his perch behind the plate.

In other action, Omar bested the Landmark Kids 19-16 in a nip and tuck affair to register its first victory of the season. Dave Willbank led the Omar attack for the second straight week by blasting out a triple and three singles.

Pete Ebert and Pete Butler led the Kids' attack by sharing six singles between them.

Olympian Club downed Don's Inn 11-7 to roundout the day's action. The win moved Olympian into a four way tie for second place with Old Landmark, Omar and the Landmark Kids.

The loss by Don's, their second straight, gave them sole possession of the cellar.

Corpus Christi CYO Schedules Sunday Hop

Corpus Christi CYO is having its Orange Blossom Hop Sunday, May 17, from 8 till 11 p.m.

The dance will be held in the social hall, corner of Linwood and Deshler-ave. "Jack" will be spinning the records. Admission: 50c stag, 75c drag.

Little Jets Drive Begins

Columbus Recreation Department will again conduct Little League baseball for 8-12 year old boys, during the playground season, but the program will be known as Junior Jet League. The change in the name was made so as not to conflict with the National Little League, Inc.

Beginning Monday, May 18, eligible boys who want to play baseball this summer, will be able to obtain a registration blank in Columbus Public and Parochial schools.

The City Recreation's Junior Jet League program provides the opportunity for boys to learn how to play baseball under supervision, and enables each boy to play at least two games a week within his own community.

Barrett Bows Twice In S. Conference Play

Barrett Junior High School's two-game winning streak was snapped last week as junior baseballers bowed twice to Southern Conference opponents.

Eastmoor dealt Barrett its first setback, 13-3, and West followed suit by downing the South Siders 5-1. Barrett slugger Ron McDaniel blasted a triple and two singles in three trips and scored the only run in his team's losing cause to West.

LUNCH SCHEDULED

Group B of the Ohio State University Mothers' Club will meet Tuesday, May 19, for a noon luncheon at Bard, Inc., G.E. Distributors. Mrs. Frances Martin will be the speaker at the afternoon program.

South High Class Of 1949 Plans Tenth Year Reunion

The 1949 class of South High School in addition to meeting on May 22, when all South High Alumni will be holding a reunion, has planned an additional get-together to commemorate their tenth year of graduation.

The affair will be held Saturday, June 20, from 6:30 p.m. to 2 a.m. at the Lincoln Lodge, 4950 W. Broad-st. A buffet supper and dancing to Bob Huskey's orchestra, plus door prizes will be features of the tenth year reunion.

Several members of the class have not been located, so friends and relatives are asked to contact the committee, so that the missing ones can be included in the evening's fun.

Committee members are Georgiana Sharp Clark, BE. 5-8255; Glenna Wisecarver Thomson, AM. 8-7957; Shirley Smith Potter, AM. 8-3649, or Shirley Daugherty Unverzagt, Am 7-5178.

Those yet to be located are: Charles Barnett, Cliff Barnhart, Bob Brown, Charles Bronson, Doris Chandley, Betty Coffman Tibbits, Barbara Cooley, Nancy Dickerson, Harry Linten, Gene Dunnick.

Richard Ellis, Martha Fetty, Marianne Goldsmith, Robert Goodrich, Fred Harmon, Bob Hofman, Barbara Hutsell, Florence Pfeiffer, Bill Miller, David McCune, William Ritter, Jon Stephens.

Peggy Szaley Scurlock, Joanne Timmons, Rose Mary Toth Fisher, Bob Vogt, Anne Belle Wassmuth, Betty Wilkins, Mary Alice Wall and John Romine.

Spring Concert Set For Sunday

Columbus Symphony Youth Orchestra will present its annual spring concert Sunday, May 17, at 4 p.m. in Hughes Hall at Ohio State University. George H. Wilson of the Ohio State University music faculty will conduct.

Members of the orchestra from the South Side are: Ken Klopfer, 1088 S. Champion, trombone; Janet Nicholson, 688 Sheldon-av, violin; Martha Rader, 1287 City Park-av, violin; and Richard Lakin, 114 E. Livingston, violin.

The Youth Orchestra is sponsored by Young Associates of the Columbus Symphony Orchestra.

SALESMEN

Are you interested in making better than $12,000 per year? Our present sales staff is averaging over $12,000 annually per man. (These men are not super-salesmen, but just average men.)

Enjoy the benefits of working for a well-established and highly reputable company. Experience not necessary, just a desire to make money. We will train you—and show you how.

Also, men with storm window experience are welcome to come in and talk to us about improving your present income. We know we have the best prices, top quality, best commission, and a complete line of storm windows.

Work for one of Ohio's largest storm window agencies, and let our name help sell your deals. Also, wonderful opportunity for advancement.

Norwood's Miniature Golf Course Selected For Tourney

Norwood's Amusement Park miniature golf course at 2025 E. Main-st has been designated as the exclusive, franchised course in this area where elimination play will be featured during the coming season to select a champion to compete in the Grand Finals of the Second Annual International Miniature Golf Tournament at Asbury Park, N. J., Sept. 12 and 13.

Winner of the play here will be awarded a free, all expense tour including round trip transportation to the International Championships at Asbury Park in September to compete for the grand title in the World Series of miniature golf.

Eliminations for the event are being held at major miniature golf courses throughout the U.S. and other countries. An imported Fiat 500 car and a 40-inch high trophy, symbol of world supremacy in miniature golf, are among the awards to go to the winner.

Miniature golf, now enjoying a great resurgence, claims an estimated 15,000,000 devotees of all ages who play regularly. Sports authorities attribute the great growth in this sport to President Eisenhower's frequent fairways forays as well as the expanding sports picture nationally.

In addition to the swank stay at one of Asbury Park's most fashionable seaside hotels directly on the Atlantic Ocean, the competing champions from all sections will be entertained at a colorful round of tournament events and other activities.

The original tournament play here is ideally suited to industrial, business, and school leagues in miniature golf, as well as individual play, it was pointed out by the directors of the tournament. All those desiring to take part in the play here are urged to contact, without delay, Norwood's Amusement Park miniature golf course, phone CL. 2-5312.

DISPLAY PLANNERS—The six members of the Council of South Side Organizations, pictured above, are shown discussing plans for the Council's annual July 4 fireworks display at Southview Park. Fireworks committee members pictured are, from left to right, seated, Carl Naydon, Koesuth and Jaeger improvement Company; Paul Stecker and William Nono of the Marion-Franklin City Association; and Andy Garten, Druids. Standing, from left to right, Carl Beyer, auxiliary police; Lou Dimel, St. Lee's Foresters, and Ed Brand, Druids.

Moose Women Receive Awards For Achievement

The Moose Women of Columbus Chapter 206, will journey to Toledo May 3 to receive the Friendship award, 2nd. degree of the Women of the Moose.

The degree is awarded to officers and chairmen who have made the award of achievement for the year 1957 and 1958, under the leadership of Dorothy Joelly, Senior Regent for that year.

Those receiving the award are: Dorothy Jolly, Mary Harris, Mabel Gregory, Bessie Pugh, Gleneva Ropp, Mildred Pierce, Elizabeth Frank, Florence Keller, Margaret Tanner, Jackie Forry, Gloria Stanley, Harriet Lowery, Geneva Heggenbotham, Jean Gregory, Delores Syx, Pauline Achatz, Vareria Williams and Vera Johnson, deceased Chaplain, who was also to have received the award.

Mental Hospital Heads To Meet Here On Friday

The recent study of Ohio's mental program will be discussed by superintendents of the state's 25 mental institutions during a meeting planned at Columbus State Hospital Friday.

Detailed report was made by Jay W. Collins, Euclid Hospital administrator at the direction of Gov. Michael V. DiSalle.

Hospital heads were also ordered to appoint a sanitary officer, comply by Friday with a directive calling for appointment of a pharmacy committee and describe all standing hospital committees.

Dr. R. C. Anderson is acting health commissioner.

Free Hearing, Speech Clinic Set Next Week

A chance to have both the hearing and speech of your family members tested free is coming up next week.

Free screening tests will be given by the Hearing and Speech Center of Columbus and Franklin County, supported with help of your United Appeal gift.

The testing booth will be set up downtown in front of the Capitol building opposite the Neil House. The trailer coach will be well marked.

Hearing tests will be given from 9:30 a.m. till 3:30 p.m. Tuesday, May 19 through Friday, May 22. They will also be given from 6:30 to 9 p.m. Thursday night. Speech will be tested in the afternoon of those days as well as Thursday night.

"Open House" will be observed by the Hearing and Speech Center from 10 a.m. till 4:30 p.m. Thursday, May 21. Groups and individuals are welcome to visit the Center at 209 S. High-st, to observe the hearing and speech therapy program in action. The phone number is CA. 1-1398.

The generous heart should scorn a pleasure which gives others pain.—Thomson.

PICK A SURE WINNER

You Might Lose At The Track; But This Parlay Can't Be Beat

"Three will get you five," confided the railbird.

"What horse?" whispered Eager Bettor.

"It's the best parlay of the season—a sure winner," touted the intent railbird.

"Get to it, bud—what horses?" muttered the impatient Bettor.

"No horses, buddy—my parley is Norwood and Hartley. Where else can you spend three dollars and be certain of getting five dollars of summer fun in return?

"You don't need a racing form to dope it out, either—just canter over to the nearest Hartley Newspaper office, either 2465 W. Broad-st or 1542 Parsons-av, push three dollars through the window, and they'll give you a whole book full of tickets.

"Each one's a winner, too. Any night this summer trot out to Norwood's Amusement Park—you know, that popular spot out E. Main-st near Alum Creek—and start cashing in. Those tickets are worth five dollars on any of the rides in the park, and that's a lot of hay in any barn.

"And, pop, if you have any colts around the house who like to saddle up on a whole field of kiddie rides, Norwood's is the place to go.

"One thing more—Norwood's has a championship miniature golf course that's trickier than handicapping a race and more fun than rooting home a daily double.

"Like I said—three will get you five on that summer parlay of Norwood's and Hartley's. No other track has this combination, either.

"And with a sure thing like that, you better get to the window quickly because this liberal offer is limited and they're going to ring the closing gong shortly. Hurry."

Junior Jet Ball Season To Open

Columbus Recreation Department will again conduct Little Jet League baseball for 8 to 12 year-old boys during the playground season, but the program will be known as Junior Jet League.

Change in the name was made to avoid conflict with the National Little League, Inc.

Beginning Monday, May 18, every eligible boy who wants to play baseball this summer may obtain a registration blank in all Columbus public and parochial schools.

The Junior Jet program provides an opportunity for boys to learn how to play baseball under supervision, and enables them to play at least two games a week within their own community.

Summer School Science Course To Be Offered

Columbus Public Schools' Summer School program this year will include full-year advanced courses in Chemistry and Physics for outstanding ninth grade graduates.

These classes, to be held at North High School, will be open to gifted students who have successfully completed their junior high school work and have obtained recommendations from teachers, counselors and principals.

Successfully completing one of the summer school courses will permit a student later in his high school career to take advanced placement courses or to enrich his program through the selection of more electives.

Summer School will be held from 8 a.m. until noon at four locations: Central and North high schools and Mohawk and Champion junior high schools.

Pupils may register at their own junior and senior high schools. Fees for those from the Columbus school district will be $10 per half unit, $20 per unit.

RECOGNITION GIVEN SOUTH SIDERS

SOUTH SIDERS HONORED—The Optimist Lodge at South Y-Park was the setting of the annual Recognition Banquet last week honoring South Side men who have voluntarily devoted their time to the youth of South Columbus. Honored, as pictured above, are members of the Auxiliary Police of Company "A", principals and custodians of the five Junior and Senior High Schools of South Columbus, and the staff of the South Side YMCA Teenage Council members. The annual banquet was sponsored by the South YMCA and Teenage Council. Sue Feil, South High School, was chairman for the dinner preparation and Ferd Gaulke, Barrett Junior High, gave the invocation. Jerry Daily, chairman of the Council, was the featured speaker.

Capt. Yeager To Command In Germany

Captain John A. Yeager, son of Mr. and Mrs. C. L. Yeager, 161 East Welch-av, has assum-

ed command of the 580th Engineer Company (Redstone) in Bad Kreuznach, Germany.

Capt. Yeager entered the service in February 1947 after graduating from South High School, and served as an enlisted man until he returned from Korea and attended Officers Candidate School at Fort Belvoir, Va. He was commissioned on May 6, 1952.

This is his second tour of duty in Germany. Upon return from his last tour Yeager was assigned to the first Redstone Engineer Company upon its activation in 1956 and served as the executive officer until he assumed command on the 17th of February, 1959.

While at South High, Yeager played on the Bulldog football squad. He also played Army ball from 1947 through 1956 in the states as well as on both sides of the ocean.

He is accompanied by his wife, Dorothy, son, John Jr. and daughter, Jacqueline Ann.

News 'n' Notes of Camp Fire Girls

The South East District leaders will attend the Day Camp Training Program this year at Blendon Woods, Saturday, May 16, from 10 a.m to 2 p.m. A cookout with the Junior Counselors will be a main feature of the day's program.

Girls in all three Camp Fire age groups are participating in the tree count, which is a national project. The project is a long range one. This year will be devoted to ascertaining the type trees to be found in each section of the country.

The next year will be spent in planting seedlings the girls have grown in needed areas. A by-product of the project is to acquaint the Camp Fire Girls with the need of preserving one of America's most valuable resources.

Two South East groups, the O-Ki-Zuda and the Akonda-Tonda, entertained their mothers last Saturday, May 9, at South Methodist Church. The O-Ki-Zuda is the group directed by Mrs. Weaver, and Mrs. McCleary is the Guardian of the Akonda-Tonda. Each group presented a skit. The girls served refreshments to their mothers at the conclusion of the evening's program.

Girl Scout News

News of Brownie Troop 261

The 16 members of this troop have been making planters out of tuna fish cans and clothes pins which they presented to their mothers on Mother's Day.

Two weeks ago Mrs. Opal Shannon, a committee mother, took the girls to the Franklin County Home where they entertained the older residents with singing and later they presented them with some candy. Mrs. W. V. Sarchet is leader and her assistant is Mrs. Bertha Hinkle. Troop meets every Wednesday after school at the Deshler Avenue School.

INTERMEDIATE TROOP 754

Troop members assisted with the spring festival, sponsored by the Heyl Avenue School PTA which was held at the school on Friday, 4:30-8.30. Leader is Mrs. Frederick Mauger and assistant is Mrs. Raymond Leslein.

WRONG NUMBER

Because of a typographical error in last week's paper, the telephone number of the Suburban Heating Co., Inc., 1605 Frebis-av, was listed as BE 1-9393. Anyone calling this number to inquire about Romany Camping Trailers soon found out the error. The number should have been BE 1-9363. Persons wishing to call Suburban Heating may do so by dialing HI 3-7665 during the day or BE 1-9363 or AM 7-1197 during evenings.

Norwood's Miniature Golf Course Selected For Tourney

Norwood's Amusement Park miniature golf course at 2025 E. Main-st has been designated as the exclusive, franchised course in this area where elimination play will be featured during the coming season to select a champion to compete in the Grand Finals of the Second Annual International Miniature Golf Tournament at Asbury Park, N. J., Sept. 12 and 13.

Winner of the play here will be awarded a free, all expense tour including round trip transportation to the International Championships at Asbury Park in September to compete for the grand title in the World Series of miniature golf.

Eliminations for the event are being held at major miniature golf courses throughout the U.S. and other countries. An imported Fiat 500 car and a 40-inch high trophy, symbol of world supremacy in miniature golf, are among the awards to go to the winner.

Miniature golf, now enjoying a great resurgence, claims an estimated 15,000,000 devotees of all ages who play regularly. Sports authorities attribute the great growth in this sport to President Eisenhower's frequent fairways forays as well as the expanding sports picture nationally.

In addition to the swank stay at one of Asbury Park's most fashionable seaside hotels directly on the Atlantic Ocean, the competing champions from all sections will be entertained at a colorful round of tournament events and other activities.

The original tournament play here is ideally suited to industrial, business, and school leagues in miniature golf, as well as individual play, it was pointed out by the directors of the tournament. All those desiring to take part in the play here are urged to contact, without delay, Norwood's Amusement Park miniature golf course, phone CL. 2-5312.

Dr. Leland Drake

Dr. Drake Testimonial Wednesday

The faculties of Mohawk Junior High and Mohawk Elementary School will give a testimonial dinner Wednesday, May 27, honoring Dr. Leland N. Drake, principal of Mohawk School.

Dr. Drake is retiring June 30 after 50 years of service in school work.

Before coming to Columbus he taught at Strongsville, was principal of Berea High School for five years, and superintendent of schools at Chagrin Falls for five years.

In 1921 he came into the Columbus school system. His work here included teaching at Hubbard Junior High and North High; principal at Felton Elementary and the old Fourth Street School; and vice-principal of Pilgrim Junior High.

For the last 26 years he has been principal of Mound, later Mohawk Junior High, and Mohawk Elementary School.

During summer sessions, Dr. Drake has served as a visiting professor in education at Ohio University, Miami University, New York State University, Indiana University, and the University of Maine.

In 1955-56, Dr. Drake was president of the National Association of Secondary School Principals. He is a member of the National Education Association, the Ohio Education Association, and a number of other professional organizations.

Numerous articles on educational subjects, written by Dr. Drake, have been published in professional magazines.

A graduate of Ohio Northern University in 1910, Dr. Drake received his Doctor's degree from Ohio State University in 1936.

The dinner honoring Dr. Drake will be held at Ilonka's Provincial House. Invitations have been sent to all those who have taught under Dr. Drake, also to Dr. Eibling, superintendent of Columbus schools and members of his immediate staff.

Dr. and Mrs. Drake live at 195 Tibet-rd. They have one daughter, Mrs. Fred M. Bruce, of 110 Tibet-rd, and four grandchildren.

SLATE PARTY

St. Mary's PTA and PCCW will co-sponsor a euchre party Tuesday, May 26, at 8:30 p.m., in the high school.

Southway Unit Backs Three Girls

Southway American Legion Auxiliary Unit No. 144 this week announced it will sponsor two girls and co-sponsor one to the Buckeye Girls' State the week of June 20 to 28 at Capital University.

Girls selected by the Post are Kay Chambers, 121 E. Whittier-st, Dorothy Ann Sherritt, 2389 Velma-av, and Barbara Roush, 3252 McCutchen-rd, Gahanna, who will also be co-sponsored by the Gahanna Branch of the YWCA.

Miss Chambers, a student at South High School, is the daughter of Mr. and Mrs. R. R. Chambers. Two years ago she won the American Legion Essay Contest, "Patriotism in Modern America," and received a trip to Washington, D.C.

She is active in Student Council, Student Court, and is Sales Tax Chairman for her school. She is also a member of the Senior Girls Glee Club, president of the Horizon Club of Senior Camp Fire Girls, and belongs to the school Spanish Club.

Miss Sherritt, the daughter of Mr. and Mrs. Faun Sherritt, is a student at St. Mary's High School. She is vice-president of the Junior Class, vice-president of CSMC, and is a member of her school's National Honor Society, Science Club and CYO.

Miss Roush, daughter of Mr. and Mrs. Ernest J. Roush, is active in Gahanna's student council, National Thespians, Girls Athletic Association, band, Rosettes, and choir. She is also her schools Homecoming Queen and a member of the cheerleader staff.

While at Girl's State the trio will be taught and practice all phases of government.

South Sider Named Head Of Vet Center

Frank Kunz, 797 S. Sixth-st, Tuesday was named director of the Veterans Service Center in the Veterans Memorial.

Kunz, assistant director and a World War II veteran of the South Pacific, replaced Clyde H. Kearns, who is currently on vacation prior to his retirement June 1.

The service center is operated by the Franklin County Veterans Service Council, an agency affiliated with the United Community Council and United Appeal, and the Franklin County Soldiers Relief Commission.

The center handles veterans claims and other services required by veterans.

Kearns, a veteran of the 37th Infantry Division in World War I, had been director of the Veterans Claim Center — prior name of the service center — since 1945.

He will be 67 on July 12.

Kunz has served in the center since July, 1945, and in recent years as assistant director. He was in the press relations section of Gen. Douglas MacArthur's headquarters, during WWII.

PLAN SILVER REUNION

REUNION PLANNERS—Four committee chairmen for the South High School 25th year reunion slated for Friday, May 22, at the school, go over one of their old yearbooks in an attempt to spot some old familiar faces they'll be seeing first time in many years tomorrow night. Looking over their old annual in the usual order, are Ottilie Fisher Imhoff, Irene Lightfoot Trapp, Mary Graumbit Mason, and Clara John Hawks. Registration for the affair begins at 7:30 p.m. Friday at the school, with a variety show and dance to follow.

Old Columbus Feeder Canal Marker Dedication Set Today

The Columbus Engineers Club in association with the Franklin County Historical Society will erect and dedicate an important historical marker to the Columbus Feeder Canal today, May 21 at 1 p.m.

The marker will be erected on the corner of West Town-st and Marconi-blvd on State property with unveiling scheduled at 1 p.m. and a dedication ceremony in Hearing Room Number 2 of the State Department's building at 1:30 p.m. The public is invited to both the unveiling and the ceremony.

With the erection of this marker, sponsored by the Columbus Engineers Club, the Franklin County Historical Society is initiating a system of permanent markers for Columbus and Franklin County. The society's markers commission has, for the past three years, been working in association with the County Engineers Department in the erection of temporary road markers at historical sites.

This system of marking will be continued, but the erection of permanent post aluminum markers will receive priority.

Taking part in the Canal dedication will be Richard Larimer, director of the State Department of Public Works; C. E. Bischoff, president of the Columbus Engineers Club; Gilbert Dodds, research director of the Franklin County Historical Society; and Robert W. Newlon president of the historical society.

The new marker will tell the younger generation about the Columbus Feeder Canal: "Four blocks south of this site, Col. Nathaniel McLean removed the first earth for the Columbus Feeder Canal on Apr. 27, 1827. The earth was wheeled away by Ralph Osborn and Henry Brown, auditor and treasurer of the State, amid the cheers of a thousand Columbus and Franklin County citizens. Four years later, on Sept. 23, the first boat, the "General Brown" arrived here. It had been launched at Circleville and, traveling at a rate of almost four miles per hour, had taken two days to reach Columbus. Two days later, the first freight or line boats arrived amidst much enthusiasm.

"A national salute was fired and Col. William Doherty welcomed the captains of the boats. On their return south, a number of ladies and gentlemen rode the boats to the Four Mile Locks.

"The Columbus Feeder Canal was 11 miles long and joined the main Ohio-Erie Canal at Lockbourne. It provided Columbus and Franklin County with badly needed transportation and water power. Many mills and factories once lined its course. Boats ceased operating on the Columbus Feeder Canal in 1904.

FEATURED TRIO—South High School's Trumpet Trio, one of two featured solo acts to perform Sunday at Schiller Park, pose in their ready position during rehearsals this week at the South Side school. From the bottom are Dee Clay, Ralph Kleinline and Bill Gischel, who will combine talents on their rendition of Carnival Variations during the band's half of the program.

South High's Band, Orchestra Perform

The South High School band and orchestra, under the direction of R.W. Near, will present a concert Sunday, May 24, at 7:30 p.m., on the bandstand at Schiller Park.

The concert, sponsored by the Schiller Center Recreation Council, will be the first of a series of affairs inaugurated by the council featuring school and amateur music groups of the community.

Seating arrangements for the concert will be provided by the city division of parks and forestry. There will be no admission charge.

Featured from the South High groups will be the orchestra's violin soloist, Reinhold Tischler, and the band's trumpet trio, composed of Bill Gischel, Ralph Kleinline and Dee Clay.

In featuring a variety of arrangements, the orchestra will perform five numbers, including Symphony XV, the first movement, by Haydn and Lake; Temptation, by Freed, Brown and Isaac; and Jalopy by Leslie, Leslie and Zeigler.

Included in the seven numbers selected by the band are Il Pasticcio Overture by Latham, Cypress Silhouettes by Bennett, The Billboard March by Klohr, and That Moaning Trombone by Bethel and McCabe.

Tischler's violin solo will be the Concerto in A Minor, the first movement, by Vivaldi.

The trumpet trio's selection is Carnival Variations by Jacoby and McRae.

Cub Scouts Of Pack 105 End Year

A Father-Son overnight camp held last Saturday and Sunday wrote finis to this year's Cub Scout activities for Pack 105 of Smith-rd School.

More than 60 attended the camp session at Jeffrey Scout Lodge north of O'Shaughnessy Dam at Twin Lakes on the Scioto River.

Saturday evening the mothers were the honored guests at a weiner roast and Pack meeting. Awards were presented around the camp fire to boys who had earned advancements during the month.

Cub Master Merrill Wood said out of respect to the boys' fathers, this was a reversal of last year's program, when mothers came for the picnic and awards presentation on Sunday afternoon.

By then, he reported, the bout with outdoor fun around the water and mud gave the boys a general appearance which left the usually proud mothers quite unimpressed.

Wood, who for three years has served as Cub Master, was applauded for his leadership upon announcement of his plans to relinquish the post at the close of this year.

Parents and scouts alike have credited the Pack's excellent record of achievements during Wood's tenure to his devoted service and efforts on behalf of the youths under his guidance. All expressed their regret with his decision and indicated they are hoping he can be persuaded to withdraw his plans to resign.

Roosevelt PTA Installs New Club Officers

Mrs. John T. Westlake, 1218 Lockbourne-rd, last week was named president of the Roosevelt Junior High School PTA for the 1959-60 school year.

Mrs. Harlan McCoy, retiring president, was presented with a Past President's Pin by her first vice-president, Mrs. Zoyd Fahler.

Other officers installed by Mrs. Veryl Sherburn, district vice-president of Columbus Council PTA, were Mrs. John F. Detholff, first vice-president; Harold Washburn, second vice-president; Mrs. Joe Snyder, recording secretary; Mrs. Robert Merrick, corresponding secretary; Mrs. Donald Goodan, treasurer; Mrs. Harlin McCoy, Mrs. John Peer, and Mrs. Richard Roberts, council representatives; and Mrs. Arthur Puetz, Mrs. Harold A. Scheiderer, and Mrs. Victor Tesi, alternates to council.

NEW OFFICERS—Newly elected officers of the St. Stephens Advisory Board pose for a shot in their South Side Community house following the group's meeting last week. Reading in the usual order down the staircase are William Brinkman, treasurer; Bernard Karner, president; Steve McDonald, vice-president, and Angelina Yurjeke, secretary.

500 Children Benefit Yearly From Local St. Stephens House

More than 500 neighborhood children registered for and took part during 1958 in the year-round leisure time activities of St. Stephens Community House, operated by the Diocese of Columbus at 379 Barthman-av.

The center fitted the children into supervised activities planned according to the interests and needs of the various age groups. An informal atmosphere enabled the children to relax and release pent-up energy while they acquired physical dexterity, intellectual knowledge and elevating ideals. The Community House provided team games and athletics for both boys and girls. It encouraged club activities planned by the young people, yet supervised by the staff of the center. It conducted various classes, including those on homemaking and handicraft skills, under the direction both of the professional staff and of a large number of enthusiastic volunteers from the College of St. Mary of the Springs.

Nearly all of the participants in the activities during the after-school hours were children 6 to 13 years of age. During evening hours, most of the participants were teen-agers. However, a large number of adults sought help from St. Stephens' during 1958, because of their need for the interpretation of letters, for placement in employment and for help in obtaining emergency financial help.

St. Stephens gave special attention to a number of problem children, who had been referred to the agency for supervision and guidance by the police, by school authorities and by clergymen.

Whenever possible the staff of the Community House worked cooperatively with the parents of the children so that their wishes would be consulted and they would be helped to retain and even increase their responsibilities for, and their interests in their children.

Clubs Will Take Over Shopping Center For Day

An opportunity to add money to your organization's treasury is being offered by the Great Southern Shopping Center.

During "Hi Neighbor Days" June 4-5-6, the shopping center has designated June 5 as "Your Day." On that day, organizations are invited to participate by bringing items to the center to sell.

Any money derived from your efforts belongs to your organization.

Items such as homemade jams, jellies, pickles, preserves, plants, ceramics, leather, silver, or woodcraft, embroidery, crocheting, knitting and sewing will be acceptable to be sold on the sidewalk in front of a store. The Board of Health prohibits the sale of baked goods.

All you have to do is to bring your item or items, one or two card tables on which they will be displayed, and chairs for your comfort. "Your Day" begins at 12 noon and you may stay until 9 p.m., or until goods are sold.

If you are interested (and what club or organization isn't interested in making money?) call CApital 4-7766 and ask for Mary Ellen Loomis or Helen Berry. At that time you will be registered as a representative of your group and assigned space. Space will be assigned on a "first come, first served" basis and registration closes May 25.

Taxes are the sinews of the state.—Cicero.

Center Schedules First Hi-Fi Hop

First Great Southern Hi-Fi Hop will get underway Saturday May 23, weather permitting from 9 to 11:30 p.m. in the mall section (or southwest corner) of the Great Southern Shopping Center, 3800 S. High-st.

The dance will be emceed by Dean Lewis, WBNS personality, of the Hi-Fi Club sponsored by Coca Cola. Music to be furnished by top forty recording artists. Great Southern Business Association merchants invite everyone to participate. There will be prizes and surprises for those present.

Scholarships Available

Principals, teachers, and nurses dealing in school age health have been invited by the Tuberculosis Society to apply for three-week scholarships to the School Health Education Workshop at Ohio State University, June 22 to July 10. Applicants should telephone the TE Society at CA. 8-6704.

A minimum of four and a maximum of eight tuition-free Workshop scholarships will be granted by the Society to improve school health programs.

Dentist Locates In New Office At Shopping Center

Dr. W. H. Braunlin

Dr. W. H. Braunlin, dentist, has just opened his office in the Great Southern Shopping Center, 3800 South High-st.

He is located in the mall section of the center (the southwest corner) and his address is 3905 Great Southern Court. Hours are 1 p.m. to 7 p.m. weekdays, and 12 noon, to 6 p.m. Saturday. Telephone number is HI. 3-9795.

Dr. Braunlin is a graduate of Ohio State University, College of Dentistry, and has practiced for three one-half years.

He, his wife, Betty Jane, and daughter, Lisa Anne (10 months old) are members of the Trinity Episcopal Church.

To acquaint readers with Dr. Braunlin's facilities, a series of pictures will appear in this newspaper showing how an empty storeroom was transformed into an ultra modern dental office.

County Speech, Hearing Checks Enter Last Day

The Hearing and Speech Center of Columbus and Franklin County will enter its final day of free speech and hearing checks tomorrow in front of the State Capitol Building in Columbus.

The checks, scheduled to close at 3:30 p.m., have already found three Obetz-Groveport area residents in need of speech and hearing aid, a Center spokesman disclosed this week.

The Center, supported through United Appeal donations, released the information as part of its "Better Hearing and Speech observance."

In stressing the need for persons to have their hearing and speech checked, the Center pointed out that the deafness strikes one out of 10 Americans.

Twigs To Sell Jet Game Ducats

Thirty seven of the more than 100 Children's Hospital Twigs will contribute financial support to the hospital through the sale of tickets to the Jets baseball game Friday, June 5.

Jets will be meeting the Toronto Maple Leafs in the first of a four game series.

Area chairmen for ticket sales are Mrs. Ed Findlay, BE. 3-2579; Mrs. Everett McQueen, HU. 8-3806; Mrs. Richard Felter, BR. 9-2677 and Mrs. H. A. McPeek, AM. 3-3333.

Franklin Village Plans Art Exhibit

Franklin Village will be the scene of a children's art exhibit this weekend, May 23 and 24, in cooperation with the schools attended by the children who are in the leisure-time activities at the Village.

Jack Ennis, part-time program director at the Franklin County Children's home at 1951 Gantz-rd, will be in charge. He has been working toward such a presentation for several years.

The show will include exhibits of work done by the children at Heyl Avenue, Reeb Avenue and Southwood Elementaries, Barrett and Starling Junior High and South High School.

Total population of the United States on Mar. 1, 1959, including armed forces overseas, was about 176.2 million, an increase of about three million over March 1, 1958.

INSIDE ON THE Outdoors By ROD COCHRAN

The biggest fish entered in the Hartley Newspaper Fishing Derby as we go to press is a 12 pound, 3 ounce carp caught by Joe R. McAuley, Route 1, Groveport. This entry sure gives carp fishermen a shooting target. It was caught in Little Walnut at the Route 33 bridge, and was weighed at the Bolenbaugh Hardware, Canal Winchester.

Don't let this fish keep you from entering the Derby, however, for there are plenty of prizes in the carp division. Also, an unusual catch, even though it might not be a record-breaker, could qualify you for the grand award — a week's vacation at beautiful Timberlane Acres, Ontario, Canada. Maurley E. Sutton, 155 Binns-blvd, owner of this sportsmen's paradise, reports that every effort will be made to give the winner of the grand award a vacation of a lifetime.

Prizes in the carp division are: first, LongleyCast-Flo999 reel and 100 yards of Cortland Heart-O-Gold casting line; Second, Hafmann's lures, selection of six, and 100 yards of Cortland Heart-O-Gold casting line; and third, Williams Woodlers, Williams Gold Co., Buffalo, N. Y., and 100 yards of Sunset Coral King casting line.

The fact that Joe McAuley has broken the ice with a real trophy fish should stimulate carp fishermen to do their best. The Derby is still wide open. Closing date is Sept 7.

Some nice bass have been caught recently. Bob Bogard of West Jefferson has been catching some smallmouth in Little Darby Creek. He has been using both artificial and live bait.

Good reports have been coming from Hoover Reservoir and the Muskingum Lakes in eastern Ohio. Remember, any fish caught in Ohio is eligible for entry in the Derby as long as

WALLEYE PIKE — One of the seven categories in the Hartley Fishing Derby. First walleye entry received was a 17-incher from Bill Robson, 2208 Atwood-ln, caught at Hoover Dam and entered through Joe's Bait Store. It weighed two pounds.

• • •

it's measured at an official weighing station (see list of stations elsewhere on this page).

Surprisingly, crappie and bluegill divisions have not attracted much attention in fishing ranks. The bluegill season is just getting started good, but there should have been some nice crappies entered by this time. Get those crappie entries in. You might walk off with some big prizes!

The important thing to remember in the Hartley Newspaper Fishing Derby is to enter your catch. Winners will be chosen on a point system—one point for each ounce of weight and one point for each one-quarter inch of length. Points add up surprisingly fast, so enter your fish and get in the running. Postpaid entry cards are available at all weighing stations.

Girl Scouts To Exhibit Frontier Art

Girl Scouts of the Ohio Trefoil Council will sponsor an art exhibit in association with the Franklin County Historical Society in old Memorial Hall beginning Monday, May 18 and closing Sunday, May 24.

"Picture Your Home Frontier" will be the theme of the exhibit which will contain 40 paintings and photographs made by Girl Scouts in the Columbus and Franklin County area.

The subjects will include historical places in Columbus and Franklin County. Judges will select eight pictures for awards and these will be sent to the annual 1959 Trefoil Girl Scout Roundup Art Exhibit which will be held in Colorado during July.

Awards will be made on the basis of historical accuracy and originality. Consideration will also be given to the girl's age since the contest is open to all Girl Scouts from 7 through 17.

Week days the exhibit will be open from 9 a.m. to 5 p.m.; on Saturday, May 23, from 10 a.m. to 4 p.m.; and on Sunday, May 24, from 1 to 3 p.m. The exhibit will be shown in the main lobby of Memorial Hall and in the society's Alfred Kelly Room.

EAGLES MEMORIAL SET

Columbus Aerie of Eagles will hold a memorial service for deceased members at 8:30 p.m. Wednesday, May 20, at the home, 771 N. High-st. Families and friends of members will honor 126 who have died during the last two years.

HI NEIGHBOR

Here is your opportunity to add money to your organization's treasury!

The Great Southern Shopping Center is celebrating "Hi Neighbor" days June 4-5-6. The Business Association has declared June 5 as "YOUR Day." Your organization is invited to participate by bringing items to the center to sell.

Any money derived from your efforts belongs to your organization.

Items such as homemade jams, jellies, pickles, preserves, plants, ceramics, leather, silver, or woodcraft, embroidery, crocheting, knitting and sewing will be acceptable to be sold on the sidewalk in front of a store. The Board of Health, prohibits the sale of baked goods.

All you have to do is to bring your item or items, one or two card tables on which they will be displayed and chairs for your comfort. "Your Day" begins at 12 noon and you may stay until 9 p.m., or until goods are sold.

If you are interested (and what club or organization isn't interested in making money?) call CApital 4-7766 and ask for Mary Ellen Loomis or Helen Berry. At that time you will be registered as a representative of your group and assigned space. Space will be assigned on a "first come, first served" basis and registration closes May 25.

The Gadabout

Priscilla LaRue Lemon
HI. 4-1651

The Samuel Kleinlein family, of 335 Frebis-av, journeyed to Connecticut a short time ago to visit their sailor son who is stationed on the Skate. While on the eastern seacoast, the South Siders were able to take a ride on the history-making craft.

The Ladies' Auxiliary of the Harmony Glee Club will be having a roast beef dinner at the club-house, 425 E. Kossuth-st, this Sunday, May 24, from 12 noon to 3 p.m. The cooking will be mostly in the traditional German style, so who not give your taste buds a treat on the 24th? The dinner, open to the public, will cost $1.25 for adults and 75 cents for children.

Belated Wishes

Two St. Mary's High School students, a brother and sister, rate belated birthday greetings for their mutual May 19 natal day. Barbara Ann Tigyer and John Tigyer, 786 Bruck-st, are now 17 and 16.

Our sympathy to Southwood PTA president, Dora Dayton, who lost an uncle suddenly last Thursday. In spite of the shock, she carried on with her executive board meeting that afternoon.

The South Methodist sponsored Boy Scout Troop attended the Camporee held at Scioto Trail Forest last weekend. The boys left early Saturday morning and returned Sunday evening.

The brother of Mrs. Dan (Beatrice) Stewart called us last week to ask us to tell Mrs. Stewart's many South Side friends that she is in Room 7, White Cross Hospital. Hurt in an auto accident on Mar. 28, she underwent surgery for a back injury sustained in the accident on May 10. The resident of 1049 Jackson-pk would certainly appreciate cards and visits at this time.

Banquet Time

'Tis spring banquet time, and two we know about occur this evening. One is the Mother-Daughter banquet of South High School's Philo Club, which is such a nice affair to attend. The other annual affair is that of all the Trudeau Guilds, also a lovely get-together. This year the workers for Benjamin Franklin Hospital have chosen the Desert Inn for their dining and meeting place.

Happy Birthday today to Clara Frohnhoefer, of 726 Thurman-av, also to Jane Eagon, of 163 Markison-av. Friday, May 22 will bring a new age to Mary Kay Karrer, 1275 Oakwood-av and to Vivian Lenox. Saturday, May 23 will be the birthday of Madelyn Massie, the 24th will find Gertrude Ramey a year older. Monday, May 25 brings a double birthday to the household at Frebis-av, when both Walton and Mary Barnhart will add a new year. (The grave illness of Mary's sister is the greatest concern for the Barnharts at this time, however.) On May 27 Don LaRue gets a little more decrepit. (Don't worry, Mr. Editor, I'm not insulting any of our readers, he's just a brother who never lets me forget I'm older than he is!) May 27 brings a birthday to Paul Wiegerig, 677 E. Moler-st, also.

Talking to Tom Crawshaw, who's doing such a splendid job at Schiller Park, we learned that South High School's Band and Orchestra will present a concert at Schiller's band shell Sunday, May 24 at 7:30 p.m. Tom wants to make the fullest use possible of the band stand, and what better way than to include the youngsters in the programming?

Slate Dinner

A "thank-you" dinner will be given by the Fidelis Class, Southwood Church of Christ, for all who participated in the Easter Sunrise Pageant in April. The dinner will be held at 6:30, Saturday, May 23.

Late May birthdays for that segment of the population who gladly tell their age . . . Bobby Joe Blackburn, 146 Hanford-st, May 26; Betty Blackburn, 146 Hanford-st, May 26; Catherine Dewey, 1419 Bruck, May 23; Debra Chessir, 27 E. Morrill, May 24; Rozann Moehrman, 198 Hanford, May 22; William Coverdale, 1594 S. 4th-st, May 20; Ruth Curry, 1695 S. Pearl-st, May 22; Rebecca Beal, 1592 S. 4th-st, May 22; Sue Ashburn, 288 Southwood, May 27; Michael Rausch, 1620 S. 4th-st, May 23; Shirley Taylor, 151 E. Hinman, May 24; Rhonda Embrey, 1743 S. 4th-st, May 21; Cecil Blackburn, 146 Hanford-st, May 25; Richard Holmes, 1478 S. High-st, May 22; Lynn Mitchell, 172 Innis, May 26 and Joe Kirk, 409 E. Markison, May 27.

Our community should feel well-publicized by now, with radio station WBNS telling all about our activities yesterday and the South Side Night at Jet Stadium in the evening. Ye Gadabout feels humbly proud for being included with the South Siders, who were mentioned. How well we know that it is this weekly labor of love which made such an inclusion possible.

St. Ann's Guild 4 will meet tomorrow night at 8 p.m. at 260 Reinhard-av, home of Mrs. R. Conner.

The Child Care Committee of Chapter 206, Women of the Moose, will sponsor the dinner Wednesday, May 27 from 5 to 7 p.m. at 36 W. Sycamore-st. Chairman Alexina Ritchey and her committee will be serving this menu: steak, mashed potatoes and gravy, perfection salad ice cream, homemade cookies and coffee. All this for only $1. adults and 50 cents for children.

Visits Parents

Mrs. Ray Carl, of Chicago, Ill. is in Columbus at this time, visiting relatives and friends. She has been staying with her parents, Mr. and Mrs. W. F. Minor, 1155 Heyl-av. Other Columbus relatives of the visitor are a brother, Carl Minor, 2233 Grasmere-av, and her husband's mother, Mrs. Pauline Gunther, 1086 Greers-av. She will return to Chicago early next week.

Belated birthday greetings to Adelaide Shirley, 1720 S. 18th-st, and to Mrs. Pearl Horton, 695 Markison-av, Apt. N, who shared May 15 as a celebrating day.

South High's Annual Reunion held tomorrow night at the school, finds many out-of-towners, with the "twenty-five" year class furnishing a goodly share, naturally.

Because the 1934 class is the one ye Gadabout knows the best, we are able to pass along the names of those who will be in town for the event. From Lancaster there will be Mr. and Mrs. Edward J. Finnegan, and Dr. and Mrs. Blum; from Newark will come Mr. and Mrs. Fulton, Mr. and Mrs. Dave Freytag; the Lynn Heenans will be attending from Dayton, O. Mr. and Mrs. George Hupp will make the jaunt from Norwich, O.; while School Principal Howard Wacker and his wife will take the short trip from Mt. Vernon.

Mr. and Mrs. Robert Moll will journey across the state from Madison, O. Rev. Norman Schreiber and his helpmate will be coming from Toledo, as will Prof. Hugh Morrison and his wife. From nearby West Virginia will come Mr. and Mrs. Parker. Mr. and Mrs. Carl Ingwalson will journey from Elkhart, Ind. From Michigan, two couples will be Mr. and Mrs. Art Brown, and Mr. and Mrs. Clayton Weber. Mr. and Mrs. Norman Haldy will journey from Landale, Pa. Mr. and Mrs. Martin Engber will be making the long trip from Wichita, Kan.

Since both Virginia and Ray Cronin are employes of air-line companies, we presume they will be flying in from Miami, Fla. The 25-year class is proud of the fact that they tracked down all but 17 June graduates and two January grads, out of nearly 400 members.

Installation of the newly elected officers will be the main business at hand when Southwood PTA members meet today at 1:30 p.m. Mrs. Sheiden Cox, corresponding secretary of Columbus Council, will do the installation.

Roosevelt Lists 77 Top Scholastic Students

Roosevelt Junior High School this week announced the names of its top scholastic students who placed on the school's Honor and Merit Rolls during the year's recent fifth grade card period.

Included in the list were seven top scholars who received straight "A" cards and 70 students who maintained all "A" and "B" grades during the grading period.

Students receiving perfect straight "A" cards were Marilyn Wetzel, Lorraine Schwartz, Phyllis Ellifritt, Peggy Shaum, Norma Williams, Joy Cook, and Christina Hepner.

Those receiving Merit Roll classification, by homeroom, are:

Junior Jet Signups Urged; More Sponsors Are Needed

Junior Jet League baseball applications will be available in all Columbus schools this week for all eight-through-12-year-old boys, interested in playing baseball this summer in the Columbus Recreation Department's Junior Jet League program. The applications should be taken home, to be filled out by parents, and returned to the school by Friday, May 22.

The popular program is designed so that every boy will be on a team, and play in every game regardless of size or ability.

The department provides the professional leadership playing facilities, and equipment while various civic and fraternal groups provide T-Shirts for all players.

Last summer 253 teams played two games a week, involving 4,000 boys.

Last year's sponsors included Agonis, Sertoma, Southeast Lions, Hilltop Lions, Northern Lions, Hilltop Kiwanis, Northern Kiwanis, Milo-Roc, Mendel, Elks Lodge No. 37, Eastern Kiwanis, Mt. Vernon Improvement Association, United Commercial Travelers, Mercator, University Kiwanis, Linden Lions, Police Athletic Association, Southway American Legion Post No. 144 and Eastside Youth Activities Council.

In view of the expected increase in teams and leagues this summer, any additional civic or fraternal group may contact Jerry Fedderson at the Columbus Recreation Department (CA. 1-2211) if interested in being a sponsor in their community.

KIDS, SCIENCE IS WONDERFUL

What science can do! Brilliant physicists, geologists, biologists from Cambridge have challenged the University of Chicago to a Tiddly-Winks contest!

The best young brains of two great nations squaring off in such a game—while missile development takes a back seat. It's a reversion to the good old days. We remember when musclebound football players from Lane Technical high school bragged that they played Tiddly-Winks with manhole covers.

However, we doubt whether the Russians will send their best Tiddly team to this country. We remember that the not-very-good players used to use loaded tiddlys (the plural of "tiddly" takes an "s," not an "ie" and drop the "y"), and the Russians are afraid that we might use this old tactic against them.

Baseball gets into the act. Learned scientists have stopped sending rockets to the moon, and after months of intensive research, have proved that a baseball DOES curve!

It took Dr. Lyman J. Briggs, director emeritus of the National Bureau of Standards and director of research for the National Geographic Society, to tell us something every school kid has known since William A. "Candy" Cummings threw the first curve ball in 1864.

However, not even the brashest young physicist has ever turned in a doctor's thesis like Dr. Briggs' 1945 paper, "Methods for Measuring the Coefficient of Restitution and the Spin of a Ball."

Was it Archimedes who said:

Give me a bat long enough and a place to stand, and I can hit the spinning Earth (which curves) out of orbit and into the void between Neptune and Pluto for a triple"?

Later Newton is believed to have remarked:

"If with the Earth, I tiddled the Moon toward Mars, Mars would come toward the Earth also, for every Tiddly has an equal and opposite Tiddly."

There seems to be acute juvenile delinquency among the scientists, but we, for one, don't care. They can do what they want, for we, your community newspaper, are taking care of the situation in the Far East.
